tem facilities, which includes but is not limited to manholes, sewer lines and pump stations, and the surfaces including streets and rights-of-way above, below and around such facilities, the director shall cause the deposit or obstruction to be promptly removed or cause the damage to be promptly repaired. The cost of such work, including materials, labor, overhead and supervision, whether such work is performed by the city or by an outside contractor, shall be paid by such person causing or contributing to such deposit, obstruction, or damage, or by the owner of the premises which causes such deposit, obstruction, or damage. Payment of such cost does not relieve that person from criminal prosecution or other liability that may be imposed by this chapter or other applicable law.
(Ord. No. 44, 838, § 1, 9-11-12)

ARTICLE IV. CONDITIONS OF USE OF THE PUBLIC SEWERAGE SYSTEM

Sec. 39.1-15. Application for sewer connections.

Whenever a service connection with the city's public sewerage system is required, the owner, tenant or agent of the property to be connected with such system shall be required to make application on forms provided by the department of utilities before such service connection is made. The owner, tenant or agent must provide the location and character of the premises for which the service is to be rendered.
(Ord. No. 44, 838, § 1, 9-11-12)

Sec. 39.1-16. Service agreement.

(a) Whenever public sewerage service is required or requested, an application must be submitted for service with the department of utilities which shall set forth the service and billing address.

(b) The owner of unimproved property who elected to pay the connection fees as set forth in section 39.1-7(a) shall be required to pay the minimum fees as set forth in section 39.1-8, as long as the property remains unimproved.
(Ord. No. 44, 838, § 1, 9-11-12)

Sec. 39.1-17. Inspections and repairs.

(a) The director, bearing proper credentials and identification, shall be permitted to enter properties at any reasonable time for the purposes of inspection, observation, measurement and sampling and/or copying records of the wastewater discharge to ensure that discharge to the city's public sewerage system is in accordance with the provisions of this chapter.

(b) While performing the necessary work on private properties referred to in subsection (a) above, the director shall observe all city safety rules and special safety requirements as established by the owner or occupant of the property and applicable to the premises.
(Ord. No. 44, 838, § 1, 9-11-12)

Sec. 39.1-18. Sewer cleanout requirements.

(a) For each connection with the city's public sewerage lines, there will be a sewer cleanout required. Sewer cleanouts are to be installed by persons with an authorized plumbing permit issued by the City's Code Official. In the judgment of the director, multiple connections may be allowed for a premises. No sewer service shall be allowed to serve more than one platted parcel of property.

(b) The location of cleanouts shall be installed and maintained at grade and shall be in front of the premises to be served, at the property line, unless the premises is bordered by city public sewerage lines other than in front of the lot or premises in which case the location shall be determined by the director.

(c) Whenever a building or premises is demolished, torn down or removed, the owner of the building or premises, at his expense, shall be required to obtain a demolition permit. The owner is responsible for all permits, capping and required inspection, by the City's Code Official, of the sanitary sewer lateral at the property line.

(d) It shall be the responsibility of the property owner to install and maintain said cleanout.
(Ord. No. 44, 838, § 1, 9-11-12)

Sec. 39.1-19. Restriction on interconnection with city's utility systems; cross connection prohibited.

(a) It shall be unlawful for any opening to be left in a private sanitary sewer, or for any connection to be made with such sewer, whereby rainwater can enter, either from the building or the premises. All discharges of stormwater, surfacewater, groundwater, roof runoff, subsurface drainage, or other waters not intended to be treated in a treatment facility shall be made to storm sewers or natural outlets designed for such discharges. Any connection, drain or arrangement which will permit any such waters to enter the public sewerage system shall be deemed to be a violation of this article. Connection between water-to-air heat pumps and sanitary sewer lines is prohibited.

(b) It shall be unlawful for any person to connect any privy or flush toilet with any stormwater drainpipes, or to cause or permit any excrementitious matter to flow therein.

(c) The provisions of this section shall be administered and enforced by the City's Code Official.
(Ord. No. 44, 838, § 1, 9-11-12)

Sec. 39.1-20. Authorized work related to service connections.

No person, except those duly authorized by the department of utilities, shall make any connection with any sanitary sewer lines. Those extending an existing sewer service to a premises shall obtain a plumbing permit from the City's Code Official.
(Ord. No. 44, 838, § 1, 9-11-12)

Sec. 39.1-21. Protection of city's utilities.

(a) It shall be unlawful for any person in any manner to damage or obstruct or interfere with the operation of any part of the city's water or public sewerage system including any pipes, pumping station, apparatus, tools or fixtures. Only a representative of the department of utilities shall operate any valves connected with its sewer systems.

(b) If the drainage or discharge from any establishment causes a deposit, obstruction, or damage to any of the city's sewerage facilities, the director shall cause the deposit or obstruction to be promptly removed or cause the damage to be promptly repaired. The cost for such work, including materials, labor, and supervision shall be borne by the person causing such deposit, obstruction, or damage.

(c) No person shall maliciously, willfully, or negligently break, damage, destroy, uncover, deface, or tamper with any structure, appurtenance or equipment which is a part of the city's public sewerage system.
(Ord. No. 44, 838, § 1, 9-11-12)

Sec. 39.1-22. Liability of city for restricting water and sewer service.

The city shall not be liable for any damage resulting from the bursting of any water main, service pipe or cock, from the cutting off of water for repairs, extensions or connections, or from the accidental failure of the water supply from any cause whatsoever. Neither shall the city be liable for any damage resulting from the restriction of sewage flows due to sewer stoppage or any other failure of the system components such as pumping stations, manholes or collection lines. In cases of emergency, the city shall have the right to restrict the use of public sewerage facilities in any reasonable manner for the protection of the citizenry, water supply and utility systems.
(Ord. No. 44, 838, § 1, 9-11-12)

Sec. 39.1-23. Restricted discharges.

(a) No person shall discharge or cause to be discharged to any city's public sewerage system substances subject to an applicable categorical pretreatment standard promulgated by EPA in excess of the quantity prescribed in such applicable pretreatment standards. Compliance with such applicable pretreatment standards shall be within three (3) years of the date the standard is promulgated, provided, however, compliance with a categorical pretreatment standard for new sources shall be required upon commencement of discharge to the public sewage system.

(b) No person shall discharge trucked hazardous wastes to the city's public sewage system.

(c) No person shall discharge or cause to be discharged to any of the city's public sewerage system any substances, materials, waters or wastes in such quantities or concentrations contrary to the regulations of the Hampton Roads Sanitation District which do or are likely to:

(i) Create a fire or explosion hazard including, but not limited to, gasoline, benzene, naphtha, fuel oil, or other flammable or explosive liquid, solid, or gas; waste stream with a closed cup flashpoint of less than one hundred forty (140) degrees Fahrenheit or sixty (60) degrees Centigrade using test methods specified in 40 CFR 261.21;

(ii) Cause corrosive damage or hazard to structures, equipment, or personnel of the wastewater facilities, having a PH lower than 5.0 or greater than 11.0;

(iii) Cause obstruction to the flow in sewers, or other interference with the operation of treatment facilities due to accumulation of solid or viscous materials;

(iv) Constitute a rate of discharge or substantial deviation from normal rates of discharge, ("slug discharge"), sufficient to cause interference in the operation and performance of the public sewerage system and/or treatment facilities;

(v) Contain heat in amounts which are likely to accelerate the biodegradation of wastes, causing the formation of excessive amounts of hydrogen sulfide in the public sewerage system and/or treatment works or inhibit biological activity in the treatment facilities, but in no case shall the discharge of heat cause the temperature in the city's wastewater sewer to exceed sixty-five (65) degrees C (one hundred fifty (150) degrees F) or the temperature of the influent to the treatment facilities to exceed forty (40) degrees C (one hundred four (104) degrees F) unless the facilities can accommodate such heat and the city has obtained prior approval from the approval authority;

(vi) Contain more than one hundred (100) milligrams per liter of nonbiodegradable oils of mineral or petroleum origin;

(vii) Contains oils, fat, or grease;

(viii) Contain noxious gases, vapors or fumes, malodorous gas or substance in quantities that may cause a public nuisance or cause acute human or safety problems;

(ix) Contain radioactive wastes in harmful quantities as defined by applicable state and federal regulations;

(x) Contain any garbage that has not been properly shredded to pass through a ⅜ inch screen or sieve;

(xi) Contain any odor- or color-producing substances exceeding concentration limits which may be established by the director of utilities.

(xii) Contain petroleum oil, nonbiodegradable cutting oil or products of mineral oil origin in amounts that will cause interference or pass through;

(xiii) Contain any trucked or hauled pollutants except at designated discharge points;

(d) If, in establishing discharge restrictions, discharge limits, or pretreatment standards pursuant to this chapter, the director of utilities establishes concentration limits to be met by a user, the director of utilities in lieu of concentration limits, may establish mass limits of comparable stringency for an individual user at the request of such user. Upon approval by the state, such limits should become pretreatment standards.
(Ord. No. 44, 838, § 1, 9-11-12)

Sec. 39.1-24. Industrial discharges.

(a) The department of utilities shall approve the amount of discharge allowable by industrial users by issuance of a permit. The discharge shall also meet the requirements of the HRSD industrial discharge regulations.

(b) The industrial discharger shall submit a spill prevention plan to the department of utilities to prevent or mitigate spills or overflows caused by an industrial discharge. The spill prevention plan shall contain the following items:

(i) Measurement of pollutants in the waste stream,

(ii) Standard operating procedure to prevent an industrial spill, slug discharge, or overflow,

(iii) Standard operating procedure to respond to an industrial spill, slug discharge, or overflow,

(iv) Twenty-four-hour, three-hundred-sixty-five-day-a-year responder contact and number, and

(v) Listing of equipment or contractors who will respond to a spill, slug discharge, or overflow.

(c) All compliance reports, testing and schedules furnished in accordance with the HRSD industrial discharge regulations shall also be provided to the department of utilities for review.

(d) The department of utilities reserves the right to fine, restrict, condition, or deny industrial discharges if the discharger is found not to be in compliance with the requirements of the HRSD industrial discharge regulations.

(e) The department of utilities reserves the right to sample any industrial discharges and shall be permitted on the industrial users' property for the purpose of taking industrial waste samples.

(f) Pretreatment of industrial wastes shall be as required by the HRSD industrial discharge regulations and any further requirements as determined by the department of utilities to control fats, oils and grease.
(Ord. No. 44, 838, § 1, 9-11-12)

Sec. 39.1-25. Violations of industrial discharges.

Violators of section 39.1-24 shall be subject to penalties as outlined in section 39.1-3 including termination of water and wastewater services.
(Ord. No. 44, 838, § 1, 9-11-12)

ARTICLE V. FATS, OILS, AND GREASE (FOG), FOG MANAGEMENT PROGRAM

Sec. 39.1-26. Purpose.

The purpose of this article is to aid in preventing the introduction and accumulation of fats, oils, and grease into the city's sanitary sewer system that may contribute to sanitary sewer blockages and obstructions. Food service establishments, grease haulers and other industrial or commercial establishments generating or collecting wastewater containing fats, oils, and grease are subject to this chapter. This article regulates such users by requiring that grease control devices and other approved strategies be installed, implemented and maintained in accordance with the provisions of this article and other applicable requirements of the City of Norfolk.
(Ord. No. 44, 838, § 2, 9-11-12)

Sec. 39.1-27. Application.

The FOG management program shall apply to all food service establishment within the City of Norfolk and to all grease haulers providing services to any such food service establishment.
(Ord. No. 44, 838, § 2, 9-11-12)

Sec. 39.1-28. FOG discharge limitations.

No person shall discharge or cause to be discharged from any food service establishment any wastewater with FOG in concentrations or quantities that will damage the sewers or sanitary sewer system, as determined by Section 301 D of the Hampton Roads Sanitation District's Industrial Wastewater Discharge Regulations, as periodically amended.
(Ord. No. 44, 838, § 2, 9-11-12)

Sec. 39.1-29. Grease control devices.

Except as provided in section 39.1-30 through 39.1-32 of this chapter, food service establishments hall be required to install, operate and maintain all grease control devices CDs in compliance with this article, Virginia Uniform Statewide Building Code or its successors, and the Norfolk Technical Standards for Sizing of Grease

Control Devices. Grease control devices shall be installed and registered prior to the issuance of a certificate of occupancy.
(Ord. No. 44, 838, § 2, 9-11-12)

Sec. 39.1-30. Existing establishments.

Existing food service establishments in operation as of the effective date of this article shall be allowed to operate and maintain their existing grease control devices, provided such grease control devices are in proper operating condition and not found to be contributing FOG. If its grease control device is determined to be contributing FOG into the sanitary sewer system, the offending food service establishment shall comply with the requirements of section 39.1-29 of this article.
(Ord. No. 44, 838, § 2, 9-11-12)

Sec. 39.1-31. Retrofitting.

Existing food service establishment may be required to install or upgrade a GCD if such FSE is contributing FOG to the sanitary sewer system, as determined by the City of Norfolk and/or HRSD. The installation or upgrade of grease control devices shall meet the requirements of section 39.1-29 of this article. Such devices shall be registered with the municipality within thirty (30) days of installation.
(Ord. No. 44, 838, § 2, 9-11-12)

Sec. 39.1-32. Installation of grease control devices.

Grease control devices shall be installed by a plumber licensed in the Commonwealth of Virginia. Prior to installation of grease control devices a permit is required to be obtained in accordance with the Virginia Uniform Statewide Building Code or its successor and the Norfolk Technical Standards for Sizing of Grease Control Devices. Every GCD shall be installed and connected so that it may be readily accessible for inspection, cleaning, and removal of the intercepted food waste and grease at any time.
(Ord. No. 44, 838, § 2, 9-11-12)

Sec. 39.1-33. Registration, waste manifest, requirements and notification.

(a) All food service establishments shall be required to complete the grease control device registration form. Registrations shall be on forms provided by the department of utilities to ensure that such devices are properly sized and maintained, as well as to facilitate inspection in accordance with the requirements established herein.

(b) Existing food services establishments shall complete the grease control device registration form within ninety (90) days of the adoption of this chapter. New establishments shall register when setting up their water and sewer service or prior to obtaining a certificate of occupancy.

(c) All grease haulers, owners, or employees servicing grease control devices for food services establishments within the City of Norfolk shall be required to obtain a certification to service grease control devices from the Hampton Roads FOG regionally-approved training program provided by the Hampton Roads Planning District Commission (HRPDC).

(d) All grease haulers shall obtain the required permits, certifications and or approvals from the facility in which waste will be disposed of. Grease haulers discharging to a Hampton Roads Sanitation District (HRSD) treatment plant shall be approved through the HRSD Indirect Wastewater Discharge Permit.

(e) Food service establishments shall have a current employee/staff/volunteer that has successfully completed the Hampton Roads FOG regionally-approved Best Management Practices training program provided by the HRPDC.

(f) All food service establishments shall be required to maintain on site and make available for copying all waste manifests associated with the disposal of grease to the department of utilities.

These records shall remain available for a period of at least three (3) years.

(g) Grease haulers shall retain and make available for inspection and copying, all records related to grease interceptor pumping and waste disposal from businesses located in the City of Norfolk wastewater service area. Records shall include waste manifests that, at a minimum, include time, date and volume of waste removed from the device and the time, date, volume and

destination of the waste disposed. These records shall remain available for a period of at least three (3) years.

(h) All grease haulers shall notify the City of Norfolk within twenty-four (24) hours of any incident, within the limits of the City of Norfolk, required to be reported to the Virginia Department of Environmental Quality.
(Ord. No. 44, 838, § 2, 9-11-12)

Sec. 39.1-34. Maintenance of grease control devices.

(a) All grease control devices shall be maintained at the owner's expense. Maintenance shall include the complete removal of all contents, including floating material, wastewater and settled solids. Decanting or discharging of removed waste back into the grease interceptor or private sewer line or into any portion of the City of Norfolk or HRSD's sanitary sewer system is prohibited.

(b) Grease interceptors shall be pumped out completely when the total accumulation of FOG, including floating solids and settled solids, reaches twenty-five percent (25%) of the overall liquid volume. At no time shall a grease control device be cleaned less frequently than once every three (3) months unless allowed by the director for good cause shown. Approval will be granted on a case-by-case basis upon submittal of a request by the food service establishment, documenting reasons for the proposed frequency variance.

(c) Grease traps and grease removal devices shall be opened, inspected and completely cleaned of food solids and FOG a minimum of once per week, unless allowed by the director for good cause shown. Approval will be granted on a case-by-case basis upon submittal of a request by the food service establishment documenting reasons for the proposed frequency variance. In no event shall the content of food solids and FOG exceed twenty-five percent (25%) of the overall liquid depth of the device.

(d) The director of utilities may establish a more frequent cleaning schedule if the food service establishment is found to be contributing FOG in quantities sufficient to cause line stoppages or to necessitate increased maintenance of the sanitary sewer system.

(e) The use of additives by food service establishment including, but not limited to, products that contain solvents, emulsifiers, surfactants, caustics, acids, enzymes or bacteria are prohibited for use as grease management control; provided, however, that additives may be used to clean the food service establishment drain lines so long as the usage of such additives will not cause FOG to be discharged from the grease control device to the sanitary sewer system. The use of additives shall not be substituted for the maintenance procedures required by this chapter.
(Ord. No. 44, 838, § 2, 9-11-12)

Sec. 39.1-35. Inspection of grease control devices.

The director shall have the right of entry into any food service establishment for the purpose of making inspections, observation, measurements, sampling, testing or records review of the sanitary sewer system and grease control devices installed in such building or premise to ensure that the food service establishment is in compliance with this division. The owner or occupant may accompany the director. Operational changes, maintenance and repairs required by the director shall be implemented as noted in the written notice received by the food service establishment.
(Ord. No. 44, 838, § 2, 9-11-12)

Sec. 39.1-36. Recordkeeping.

(a) Food service establishments shall retain and make available for inspection and copying records of all cleaning, maintenance and disposal (waste manifests) for the previous three (3) years for all grease control devices. Cleaning and maintenance records shall include, at a minimum, the dates of cleaning/maintenance, the names and business addresses of the company or person performing each cleaning/maintenance, the volume of waste removed in each cleaning, the transporter and the disposal site. Such records shall be kept on site and shall be made immediately available to the sewer code enforcement

official of the department of utilities upon request. This includes grease that is donated, sent for recycling or any other form of disposal.

(b) Food service establishments shall retain and make available for inspection and copying records of yellow grease disposal for the previous three (3) years. Yellow grease disposal logs shall include, at a minimum, the dates of disposal, name and business address of the company or person performing the disposal and the volume of yellow grease removed in each cleaning. Such records shall be kept on site and shall be made immediately available to the sewer code enforcement official. This includes grease that is donated, sent for recycling or any other form of disposal.
(Ord. No. 44, 838, § 2, 9-11-12)

Sec. 39.1-37. FOG program compliance.

Compliance with the requirements of the FOG program is mandatory for all food service establishments within the City of Norfolk and may require existing food service establishments to modify or repair any noncompliant GCD and appurtenances as noted in the written notice received by the food service establishment.
(Ord. No. 44, 838, § 2, 9-11-12)

Sec. 39.1-38. Fees.

Fees provided for in this article are separate and distinct from all other fees chargeable by the City of Norfolk. There will be no initial inspection fee. Re-inspection fees shall be in the amount of fifty dollars ($50.00) and shall be due upon invoice by the City of Norfolk.
(Ord. No. 44, 838, § 2, 9-11-12)

Chapter 39.2

SEWER USE–PRIVATE*

§ 39.2-1. Violations of chapter
§ 39.2-2. Adoption of regulations.
§ 39.2-3. Design standards; drainage easements.
§ 39.2-4. Maintenance.
§ 39.2-5. Unlawful sewage discharges.
§ 39.2-6. Correction of violation.

Sec. 39.2-1. Violations of chapter.

Any person violating any provision of this chapter shall be guilty of a Class 3 misdemeanor. Each day's continuance of such violation shall constitute a separate offense. This chapter shall be enforced by the department of health. (Ord. No. 36,176, § 1, 8-28-90)

Sec. 39.2-2. Adoption of regulations.

The Commonwealth of Virginia, State Board of Health, *Sewage Handling and Disposal Regulations*, 1988, as amended, and as hereinafter supplemented in this chapter, are hereby adopted as the private sewer disposal regulations for the City of Norfolk. A copy of the regulations shall be kept on file at all times in the offices of the city clerk and the department of health. (Ord. No. 36,176, § 1, 8-28-90)

Sec. 39.2-3. Design standards; drainage easements.

The permit required by the regulations shall specify the design standards for the septic tank or other system, such as tank size, length of drainfield, location of tank, drainfield and well, where applicable, and such other facilities as may be required under rules and criteria of the health department. A reserve sewage disposal site with a capacity at least equal to that of the primary sewage disposal site shall be provided. This requirement shall not apply to any lot or parcel recorded prior to October 1, 1989, if such lot or parcel is not sufficient in capacity to accommodate a reserve sewage disposal site, as determined by the health department. Building or construction of any impervious surface shall be prohibited on the area of all sewage disposal sites. Where grading and drainage improvements are required under rules and criteria of the health department, the permit shall so stipulate. The director of the department of health shall require such drainage easements and other assurances as he deems adequate to guarantee the perpetual maintenance of such drainage improvements. (Ord. No. 36,176, § 1, 8-28-90)

Sec. 39.2-4. Maintenance.

All on-site sewage disposal systems not requiring a Virginia Pollution Discharge Elimination System (VPDES) permit shall be pumped out at least once every five (5) years in accordance with state and local law and Hampton Roads Sanitation District requirements. It shall be unlawful for any person to fail, neglect or refuse to maintain or cause to be maintained any septic tank or other sewage disposal system, including associated drainage improvements, in the manner specified in the permit issued under this chapter and in a manner satisfactory to the director of the health department. All duties and responsibilities of any person for whose property a permit is issued under this chapter shall be binding upon any and all subsequent owners of such property for as long as the septic tank or sewage disposal system remains in service. (Ord. No. 36,176, § 1, 8-28-90)

*Cross references–Buildings and building regulations, Ch. 11.1, food and food establishments, Ch. 18; site plan review, Ch. 32.2; sewer use, public, Ch. 39.1; streets and sidewalks, Ch. 42; subdivisions, Ch. 42.5; trailer coaches and trailer coach parks, Ch. 44; waster supply, Ch. 46; zoning, App. A.

Sec. 39.2-5. Unlawful sewage discharges.

(a) It shall be unlawful for any person in any manner to discharge, cause to be discharged or allow to be discharged, or allow or cause to accumulate any sewage, as defined in the regulations, on any public or private property within the city.

(b) It shall be the duty of the director of the department of health or his authorized agent to direct, by written notice, the person who is responsible for the discharge or accumulation, the owner, agent, or occupant, to cause such matter to be removed, or the conditions corrected, on such property within forty-eight (48) hours. (Ord. No. 36,176, § 1, 8-28-90)

Sec. 39.2-6. Correction of violation.

If, upon any inspection, the director of the health department or his authorized agent shall find any violation of this chapter or the provisions of the permit issued under it, he shall direct the person to whom the permit was issued, by written notice, to make the necessary corrections, within such reasonable time as shall be specified therein. When it comes to the knowledge of the director of the health department that any sewage system is causing an offensive or unwholesome condition, the director shall serve notice upon the owner of the property, the person who created or maintained the offensive or unwholesome condition, or the occupant of the land or premises, to cause the offensive or unwholesome condition to be abated in conformance with sections 27-4 through 27-6 of the City Code. (Ord. No. 36,176, § 1, 8-28-90)

[The next page is 2677]

Chapter 39.5

SMOKING*

§ 39.5-1. Purpose and intent.
§ 39.5-2. Definitions.
§ 39.5-3. Smoking prohibited in certain public places.
§ 39.5-4. Regulation of smoking in restaurants.
§ 39.5-5. Where smoking not regulated.
§ 39.5-6. Posting requirements.
§ 39.5-7. Regulation of smoking by private employers.
§ 39.5-8. Governmental agency cooperation.
§ 39.5-9. Violations and penalties.
§ 39.5-10. Enforcement.
§ 39.5-11. Other applicable laws.
§ 39.5-12. Validity; severability.

*__Editor's note—__Ord. No. 43,697, § 1, adopted Dec. 15, 2009, amended Ch. 39.5 in its entirety and enacted similar provisions as set out herein. The former Ch. 39.5 derived from Ord. No. 43,034, § 1, adopted March 25, 2008.

__Cross references—__Smoking prohibited areas in airports, § 4-68; smoking restrictions during fueling or defueling of aircraft, § 4-126; smoking in auditorium of theater or other public building, § 17.1-11.

Sec. 39.5-1. Purpose and intent.

The purpose and intent of this chapter is to promote the public health, safety and general welfare by prohibiting smoking in public places, except in designated areas, and to strike a reasonable balance between the desires of smokers and the health of nonsmokers and the public generally.
(Ord. No. 43,697, § 1, 12-15-09)

Sec. 39.5-2. Definitions.

The words and phrases set forth in this section shall, for the purposes of this chapter, have the meanings respectively ascribed to them in this section:

Bar or lounge area means any establishment or portion of an establishment devoted to the sale and service of alcoholic beverages for consumption on the premises and where the sale or service of food or meals is incidental to the consumption of the alcoholic beverages.

Educational facility means any building used for instruction of enrolled students, including, but not limited to, any day care center, nursery school, public or private school, college, university, medical school, law school, or career and technical education school.

Health care facility means any institution, place, building, or agency required to be licensed under Virginia law, including, but not limited to, any hospital, nursing facility or nursing home, boarding home, assisted living facility, supervised living facility, or ambulatory medical and surgical center.

Private club means an organization, whether incorporated or not, that:

(i) Is the owner, lessee, or occupant of a building or portion thereof used exclusively for club purposes, including club- or member-sponsored events;

(ii) Is operated solely for recreational, fraternal, social, patriotic, political, benevolent, or athletic purposes, and only sells alcoholic beverages incidental to its operation;

(iii) Has established bylaws, a constitution, or both that govern its activities; and

(iv) The affairs and management of which are conducted by a board of directors, executive committee, or similar body chosen by the members at an annual meeting.

Private function means any gathering of persons for the purpose of deliberation, education, instruction, entertainment, amusement, or dining that is not intended to be open to the public and for which membership or specific invitation is a prerequisite to entry.

Private work place means any office or work area that is not open to the public in the normal course of business except by individual invitation.

Proprietor means the owner or lessee of the public place who ultimately controls the activities within the public place. The term "proprietor" includes corporations, associations, or partnerships as well as individuals.

Public conveyance or *public vehicle* means any air, land, or water vehicle used for the mass transportation of persons in intrastate travel for compensation, including, but not limited to, any airplane, train, bus, or boat that is not subject to federal smoking regulations.

Public place means any enclosed, indoor area used by the general public, including but not limited to any building owned or leased by the commonwealth or any agency thereof or any locality, public conveyance or public vehicle, educational facility, hospital, nursing facility or nursing home, other health care facility, library, retail store of fifteen thousand (15,000) square feet or more, auditorium, arena, theater, museum, concert hall, or other area used for a performance or an exhibit of the arts or sciences, or any meeting room.

Recreational facility means any enclosed, indoor area used by the general public and used as a stadium, arena, skating rink, video game facility, or senior citizen recreational facility.

Restaurant means any place where food is prepared for service to the public on or off the premises, or any place where food is served. Examples of such places include, but are not

limited to, lunchrooms, short-order places, cafeterias, coffee shops, cafes, taverns, delicatessens, dining accommodations of public or private clubs, kitchen facilities of hospitals and nursing homes, dining accommodations of public and private schools and colleges, and kitchen areas of local correctional facilities subject to standards adopted under Code of Virginia § 53.1-68. "Restaurant" shall not include:

(i) Places where packaged or canned foods are manufactured and then distributed to grocery stores or other similar food retailers for sale to the public,

(ii) Mobile points of service to the general public that are outdoors, or

(iii) Mobile points of service where such service and consumption occur in a private residence or in any location that is not a public place.

"Restaurant" shall include any bar or lounge area that is part of such restaurant.

Smoke or *smoking* means the carrying or holding of any lighted pipe, cigar, or cigarette of any kind, or any other lighted smoking equipment, or the lighting, inhaling, or exhaling of smoke from a pipe, cigar, or cigarette of any kind.

Theater means any indoor facility or auditorium, open to the public, which is primarily used or designed for the purpose of exhibiting any motion picture, stage production, musical recital, dance, lecture, or other similar performance.
(Ord. No. 43,697, § 1, 12-15-09)

Sec. 39.5-3. Smoking prohibited in certain public places.

(a) Smoking shall be prohibited in the following public places:

(1) Educational facilities, with the exception of public meeting rooms during times when they are being used for private functions;

(2) School buses and public conveyances;

(3) Elevators, regardless of capacity, except in any open material hoist elevator not intended for use by the general public;

(4) The interior of any public elementary, intermediate, and secondary school;

(5) Hospital emergency rooms;

(6) Local or district health departments;

(7) Polling rooms;

(8) Indoor service lines and cashier lines;

(9) Public restrooms in any building owned or leased by the commonwealth or any agency thereof or any health care facility; and

(10) The interior of any child day center licensed pursuant to state regulations that is not also used for residential purposes.

(b) Those persons with the authority to manage the operation of the following places shall designate a no-smoking area of reasonable size, considering the nature of the use and the size of the building, in which smoking shall be prohibited:

(1) Retail and service establishments of fifteen thousand (15,000) square feet or more serving the general public, including, but not limited to, department stores, grocery stores, drug stores, clothing stores, shoe stores, hardware stores, financial institutions, hair salons and barbershops;

(2) Health care facilities;

(3) Rooms in which a public meeting or hearing is being held;

(4) Places of entertainment and cultural facilities, including, but not limited to, theaters, concert halls, gymnasiums, auditoriums, other enclosed arenas, art galleries, libraries, and museums;

(5) Indoor facilities used for recreational purposes;

(6) Bowling alleys, provided that any bowling alley that is also a restaurant shall also comply with the regulations of section 39.5-4, below;

(7) Bingo halls;

(8) Public transportation waiting rooms including, but not limited to, waiting rooms of bus, train, airport and other transit terminals and stations; and

(9) Buildings owned or leased by the commonwealth, any agency thereof, or the city.

(Ord. No. 43,697, § 1, 12-15-09)

Sec. 39.5-4. Regulation of smoking in restaurants.

(a) Smoking shall be prohibited in any restaurant.

(b) Notwithstanding the prohibition set forth in subsection (a), above, a proprietor may permit smoking in the following places, provided that certain requirements are met:

(1) Any place where food is prepared or stored for distribution to persons of the same or a related business operation for service to the public at some other location, such as preparation or storage facilities used by catering services, pushcarts, hotdog stands, and other mobile food vendors;

(2) Any outdoor area of a restaurant, with or without roof covering, whenever the area is not enclosed, in whole or in part, by any screened walls, roll-up doors, windows, or other seasonal or temporary enclosures;

(3) Any restaurants located on the premises of any manufacturer of tobacco products; and

(4) Any portion of a restaurant that is constructed in such a manner that the area where smoking may be permitted satisfies all of the following criteria:

a. The portion is structurally separated from all areas of the restaurant where smoking is prohibited and to which ingress and egress to said portion is only available through a single door that cannot be propped open;

b. The portion is separately vented to prevent the recirculation of air from such portion to any area of the restaurant where smoking is prohibited; and

c. At least one public entrance to the restaurant shall be into an area of the restaurant where smoking is prohibited, provided that such public entrance shall not be through any outdoor area where smoking is permitted in accordance with subsection (b)(2), above, unless such entrance was the only public entrance to the restaurant in existence as of December 1, 2009.

(c) The proprietor of any restaurant shall remove all ashtrays and other smoking paraphernalia from any area in the restaurant where smoking is prohibited in accordance with this chapter.

(d) No proprietor of any restaurant shall require any individual who is wait staff or bus staff to work in any portion of the restaurant where smoking may be permitted without the prior consent of such individual.

(Ord. No. 43,697, § 1, 12-15-09)

Sec. 39.5-5. Where smoking not regulated.

This chapter is not intended to prohibit smoking in the following places under the following conditions:

(a) Assembly rooms while being used for private functions;

(b) Private work places, although it is possible that an employer may prohibit smoking, in accordance with section 39.5-7, below;

(c) Areas of enclosed shopping centers or malls that are external to the retail stores therein, are used by customers as a route of travel from one store to another, and that consist primarily of walkways and seating arrangements; or

(d) Lobby areas of hotels, motels, and other establishments open to the general public for overnight accommodation.

(Ord. No. 43,697, § 1, 12-15-09)

Sec. 39.5-6. Posting requirements.

(a) The proprietor or other person in charge of a space subject to the provisions of this chapter, with the exception of any proprietor of a restaurant, shall post signs conspicuous to public view

stating "Smoking Permitted" or "No Smoking," in accordance with the applicable provisions of this chapter.

(b) The proprietor of any restaurant shall post signs stating "No Smoking" or containing the international "No Smoking" symbol, consisting of a pictorial representation of a burning cigarette enclosed in a red circle with a bar across it, clearly and conspicuously in every restaurant where smoking is prohibited by the provisions of this chapter.
(Ord. No. 43,697, § 1, 12-15-09)

Sec. 39.5-7. Regulation of smoking by private employers.

(a) Private employers may regulate smoking in the private workplace in whatever manner they deem appropriate, provided the following circumstances apply:

(1) If the designation of smoking and no-smoking areas is the subject of a written agreement between the employer and his employees, the provisions of the written agreement shall control such designation; and

(2) A total ban on smoking in any workplace shall only be enforced by the employer upon an affirmative vote of a majority of the affected employees voting, unless such ban is the subject of a contract of employment between the employer and the employees as a prior condition of employment.

(b) The provisions of this section shall not affect any no-smoking policies established by employers prior to December 1, 2009.
(Ord. No. 43,697, § 1, 12-15-09)

Sec. 39.5-8. Governmental agency cooperation.

The city manager or his designated representative shall request other governmental and educational agencies having offices within the city to establish local operating procedures in cooperation and compliance with this chapter. In federal, state and special governmental offices within the city, the city manager or his designated representative shall urge the enforcement of their existing smoking prohibitions and request voluntary compliance with this chapter.
(Ord. No. 43,697, § 1, 12-15-09)

Sec. 39.5-9. Violations and penalties.

(a) It shall be unlawful for any person who owns, manages, operates or otherwise controls the use of any premises subject to the prohibitions or restrictions of this chapter to fail to comply with its provisions.

(b) It shall be unlawful for any person to smoke in any area prohibited or restricted by the provisions of this chapter.

(c) Any person violating any provision of this chapter or failing to comply with any requirement of this chapter shall be guilty of a class 4 misdemeanor.
(Ord. No. 43,697, § 1, 12-15-09)

Cross reference—Classification of and penalties for violations, § 1-11.

Sec. 39.5-10. Enforcement.

The provisions of this chapter may be enforced by the Norfolk Department of Public Health and by any law-enforcement officer.
(Ord. No. 43,697, § 1, 12-15-09)

Sec. 39.5-11. Other applicable laws.

This chapter shall not be interpreted or construed to permit smoking where it is otherwise prohibited or restricted by other applicable laws.
(Ord. No. 43,697, § 1, 12-15-09)

Sec. 39.5-12. Validity; severability.

The provisions of this chapter are hereby declared to be severable. If any part, section, provision, exception, sentence, clause, phrase, or the application thereof to any person or circumstance for any reason be adjudged to be invalid, the remainder of the chapter shall remain in full force and effect and its validity shall not be impaired, it being the legislative intent now hereby declared that this would have been adopted even if such invalid matter had not been included therein, or if such application had not been made.
(Ord. No. 43,697, § 1, 12-15-09)

ARTICLE I. IN GENERAL

Secs. 40-1—40-14. Reserved.

ARTICLE II. CHARITABLE SOLICITATIONS*

Sec. 40-15. Definitions.

(a) *Generally.* For the purposes of this article, certain words and phrases shall have the meanings ascribed to them by this section.

(b) *Charitable organization* means any organization which is, or holds itself out to be, organized or operated for any charitable purpose, or any organization which solicits contributions from the public or obtains contributions from the public. This definition shall not be deemed to include any church, or convention or association of churches, primarily operated for nonsecular purposes and no part of the net income of which inures to the direct benefit of any individual; nor shall it include any political party, as defined in section 24.1-1 of the Code of Virginia, or any political committee required by local, state or federal law to file a report or statement of contributions and expenditures; nor shall it include any labor union registered under section 40.1-76 of the Code of Virginia, or any trade association; nor shall it include any authorized individual who solicits, by authority of such organization, solely on behalf of a registered or exempt charitable organization or on behalf of an organization excluded from the definition of charitable organization.

(c) *Charitable purpose* means any charitable, benevolent, humane, philanthropic or eleemosynary purpose and the purpose of influencing legislation or influencing the actions of any public official or instigating, prosecuting or intervening in litigation.

(d) *Commissioner* means the commissioner of the revenue or a member of his staff to whom he may delegate his duties under this article.

(e) *Contribution* means and includes any gift, bequest, devise or other grant or any money, credit, financial assistance or property of any kind of value, including the promise to contribute; except payments by the membership of an organization for membership fees, dues, fines or assessments, or for services rendered to individual members; and except money, credit, financial assistance or property received from any governmental authority. The term "contribution" shall not include any donation of blood or any gift made pursuant to the Uniform Anatomical Gift Act.

(f) *Federated fund-raising organization* means any federation of independent charitable organizations which have voluntarily joined together, including, but not limited to, a United Fund or Community Chest, for purposes of raising and distributing money for and among themselves, and where membership does not confer operating authority and control of the individual agencies upon the federated group organization.

(g) *Fund-raising expenses* are the expenses of all activities that constitute or are an integral and inseparable part of a solicitation.

(h) *Membership* means those persons to whom, for payment of fees, dues, assessments, etc., an organization provides services and confers a bona fide right, privilege, professional standing, honor or other direct benefit, in addition to the right to vote, elect officers or hold offices. The term "membership" shall not include those persons who are granted a membership upon making a contribution as the result of solicitation.

(i) *Parent organization* means that part of a charitable organization which coordinates, supervises or exercises control over policy, fund raising and expenditures, or assists or advises one or more chapters, branches or affiliates.

*State law references—Solicitations by charitable organizations, Code of Virginia, §§ 57-48—57-69; local ordinances governing such solicitations, § 57-63.

(j) *Person* means any individual, organization, trust, foundation, association, partnership, corporation, society or other group or combination acting as a unit.

(k) *Professional fund-raising counsel* means any person who, for a flat, fixed fee under a written agreement, plans, conducts, manages, carries on, advises or acts as a consultant, whether directly or indirectly, in connection with soliciting contributions for or on behalf of any charitable organization, but who actually solicits no contributions as part of such services. A bona fide salaried officer or employee of a registered or exempt charitable organization or of a registered parent organization shall not be deemed to be a professional fund-raising counsel.

(l) *Professional solicitor* means any person who, for a financial or other consideration, solicits contributions for or on behalf of a charitable organization, whether such solicitation of contributions is performed personally or through his agents, servants or employees or through agents, servants or employees specially or employed by or for a charitable organization, who are engaged in the solicitation of contributions under the direction of such person; or any person who, for a financial or other consideration, plans, conducts, manages, carries on, advises or acts as a consultant to a charitable organization in connection with the solicitation of contributions, but does not qualify as a professional fund-raising counsel. A bona fide salaried officer or employee of a registered or exempt charitable organization or of a registered parent organization shall not be deemed a professional solicitor.

(m) *Sale, sell and sold* means the transfer of any property or the rendition of any service to any person in exchange for consideration, including any purported contribution without which such property would not have been transferred or such services would not have been rendered.

(n) *Solicit* and *solicitation* means the request or appeal, directly or indirectly, for any contribution on the plea or representation that such contribution will be used for a charitable purpose, including without limitation, the following methods of requesting such contribution:

(1) Any oral or written request;

(2) Any announcement to the press, over the radio or television, or by telephone or telegraph, concerning an appeal or campaign to which the public is requested to make a contribution for any charitable purpose connected therewith.

(3) The distribution, circulation, posting or publishing of any handbill, written advertisement or other publication which, directly or by implication, seeks to obtain public support;

(4) The sale of, or any offer or attempt to sell, any advertisement, advertising space, subscription, ticket or any service or tangible item in connection with which any appeal is made for any charitable purpose; or where the name of any charitable organization is used or referred to in any such appeal as an inducement or reason for making any such sale; or when or where, in connection with any such sale, any

statement is made that the whole or any part of the proceeds from any such sale will be donated to any charitable purpose.

"Solicitation," as defined herein, shall be deemed to occur when the request is made, at the place the request is received, whether or not the person making the same actually receives any contribution. (Code 1958, § 44.1-1)

State law reference—Similar provisions, Code of Virginia, § 57-48.

Sec. 40-16. Exemptions from certain provisions of article.

(a) The following shall be exempt from the registration requirements of section 40-24 and the requirements of section 40-27, but shall otherwise be subject to the provisions of this article:

(1) Educational institutions that are recognized by the superintendent of public instruction or that are accredited by a regional accrediting association or by an organization affiliated with the National Commission on Accrediting; any foundation having an established identity with any of the aforementioned educational institutions; and any other educational institution confining its solicitation of contributions to its student body, alumni, faculty and trustees, and their families.

(2) Persons requesting contributions for the relief of any individual specified by name at the time of the solicitation, when all of the contributions collected, without any deductions whatsoever, are turned over to the named beneficiary for his use.

(3) Charitable organizations which do not intend to solicit and receive during a calendar year, and have not actually raised or received during any of the three (3) next preceding calendar years, contributions from the public in excess of two thousand dollars ($2,000.00), or which do not receive contributions from more than ten (10) persons during a calendar year, if all of their functions, including fund-raising activities, are carried on by persons who are unpaid for their services and if no part of their assets or income inures to the benefit of or is paid to any officer or member. Nevertheless, if the contributions raised from the public, whether all of such is or is not received by any charitable organization during any calendar year, shall be in excess of two thousand dollars ($2,000.00), it shall, within thirty (30) days after the date it shall have received total contributions in excess of two thousand dollars ($2,000.00), register with and report to the commissioner as required by this article.

(4) Organizations which solicit only within the membership of the organization by the members thereof.

(5) Organizations which have no office within the city, which solicit in the city from without the commonwealth solely by means of telephone or telegraph, direct mail or advertising in national media.

(6) Organizations which have registered with the administrator of the office of consumer affairs of the commonwealth or organizations which are a chapter, branch or affiliate included in the consolidated report of an organization or federated organization which is so registered with such administrator.

(b) No charitable organization shall be exempt under this section, unless it shall submit, before any solicitation in any calendar year, to the commissioner, on forms to be prescribed by him, the name, address and purpose of the organization and a statement setting forth the reason for the claim for exemption. If exempted, the commissioner shall issue annually a letter of exemption which may be exhibited to the public. No registration fee shall be required of any exempt organization. (Code 1958, § 44.1-12)

State law reference—Similar provisions, Code of Virginia, §§ 57-60, 57-63(d).

Sec. 40-17. American Red Cross exempt from article.

Nothing in this article shall be construed as being applicable to the American Red Cross or any of its local chapters.

State law reference—Similar provisions, Code of Virginia, § 57-60(d).

Sec. 40-18. Reciprocal agreements with other municipalities.

The commissioner may enter into a reciprocal agreement with the appropriate authority of any other municipality within the commonwealth, for the purpose of exchanging information with respect to charitable organizations, professional fund-raising counsels and professional solicitors. Pursuant to such agreements, the commissioner may accept information filed by charitable organizations, professional fund-raising counsels and professional solicitors with the appropriate authority of another locality within this commonwealth, in lieu of the information required to be filed by this chapter. (Code 1958, § 44.1-3)

Sec. 40-19. Article does not authorize unlawful acts or omissions or decrease liability imposed by law.

Nothing contained in this article shall be construed as making lawful any act or omission which is now unlawful, or as decreasing the civil or criminal liability of any person imposed by existing laws. (Code 1958, § 44.1-13)

State law reference—Similar provisions, Code of Virginia, § 57-62.

Sec. 40-20. Appeals from orders under article.

Any person aggrieved by any final order of the commissioner under this article, denying such person any right to which he is entitled under law, may, within fifteen (15) days from the date of such order, apply for relief to the circuit court for the city. Either party may appeal any final order of such court in the same manner as provided by law in cases other than cases of appeals of right. (Code 1958, § 44.1-14)

State law reference—Similar provisions, Code of Virginia, § 57-67.

Sec. 40-21. Investigations to enforce article.

The commissioner, upon his own motion or upon complaint of any person, may investigate any charitable organization, professional fund-raising counsel or professional solicitor to determine whether such charitable organization, professional fund-raising counsel or professional solicitor has violated any of the provisions of this article. (Code 1958, § 44.1-11)

State law reference—Similar provisions, Code of Virginia, § 57-59(b).

Sec. 40-22. Penalty for violations of article.

Any person who wilfully and knowingly violates or causes to be violated any provision of this article shall be guilty of a misdemeanor and, upon conviction thereof, shall be sentenced, for the first offense, to pay a fine of not less than one hundred dollars ($100.00) and not more than five hundred dollars ($500.00), or undergo imprisonment for not more than six (6) months, or both; and for the second and any subsequent offense, to pay a fine of not less than five hundred dollars ($500.00) and not more than one thousand dollars ($1,000.00), or to undergo imprisonment for not more than one year, or both. (Code 1958, § 44.1-11)

State law reference—Similar provisions, Code of Virginia, § 57-59(a).

Sec. 40-23. Actions to enjoin violations of article.

Whenever the city attorney shall have reason to believe that any charitable organization, professional fund-raising counsel or professional solicitor is operating in violation of the provisions of this article, or has knowingly and wilfully made any false statement in any registration application or statement, report or other information required by this article; or that a charitable

organization, professional fund-raising counsel or professional solicitor has failed to file a registration statement required by this article; or that there is employed or is about to be employed, in any solicitation or collection of contributions for a charitable organization, any device, scheme or artifice to defraud or to obtain money or property by means of any false pretense, representation or promise; or that the officers or representatives of any charitable organization, professional fund-raising counsel or professional solicitor have refused or failed, after notice, to produce any records of such organization or that the funds raised by solicitation activities are not devoted or will not be devoted to the charitable purposes of the charitable organization; the city attorney may, in addition to all other remedies provided by law, bring an action against such charitable organization and its officers and such professional fund-raising counsel or professional solicitor to enjoin such charitable organization or professional fund-raising counsel or professional solicitor from continuing such violation, solicitation or collection, or engaging therein, or doing any acts in furtherance thereof and for such other relief as the court deems appropriate. (Code 1958, § 44.1-11)

State law reference—Similar provisions, Code of Virginia, § 57-59(c).

Sec. 40-24. Registration of organizations.

(a) Every charitable organization, except as otherwise provided herein, which intends to solicit contributions within the city, or have funds solicited on its behalf, shall, prior to any solicitation, file an initial registration statement with the commissioner upon forms acceptable to him. Each registration statement shall thereafter be refiled on or before the first day of the fourth calendar month of the next and each following fiscal year in which such charitable organization is engaged in solicitation activities within the city. It shall be the duty of the president, chairman or principal officer of such charitable organization to file the statements required herein. Such statement shall contain the following information:

(1) The name of the organization and the purpose for which it was organized.

(2) The principal address of the organization, the address of any offices in the city and its designated agent for process within the commonwealth. If no such agent is designated, the organization shall be deemed to have designated the secretary of the commonwealth. If the organization does not maintain an office, the name and address of the person having custody of its financial records.

(3) The names and addresses of any chapters, branches or affiliates in the city.

(4) The place where and the date when the organization was legally established, the form of the organization and a reference to any determination of its tax-exempt status under the Internal Revenue Code.

(5) The names and addresses of the officers, directors, trustees and the principal salaried executive staff officer.

(6) A copy of a balance sheet and income statement, with the opinion of an independent public accountant for the organization's immediately preceding fiscal year, or a copy of a financial statement certified by an independent public accountant covering, in a consolidated report, complete information as to all the preceding year's fund raising activities of the charitable organization, showing the kind and amount of funds raised; provided, that no charitable organization which has registered with the commissioner for the current and next preceding three (3) years, or is exempt for such years under section 40-16, shall be required to file any financial information. The report required by this subparagraph shall

comply with the accounting standards prescribed pursuant to section 40-27.

(7) A statement showing the computation of the percentages provided for in subsection (b) of this section and section 40-29.

(8) A statement indicating whether the organization intends to solicit contributions from the public directly or have such done on its behalf by others.

(9) A statement indicating whether the organization is authorized by any other governmental agency within the commonwealth to solicit contributions and whether it, or any officer, professional fund raiser or professional solicitor thereof, is or has ever been enjoined by any court or otherwise prohibited from soliciting contributions in any jurisdiction.

(10) The general purpose for which the contributions to be solicited shall be used.

(11) The names under which it intends to solicit contributions.

(12) The names of the individuals or officers of the organization who will have final responsibility for the custody of the contributions.

(13) The names of the individuals or officers of the organization responsible for the final distribution of the contributions.

(14) A statement indicating whether the organization, or any officer, professional solicitor or professional fund raiser thereof, has ever been convicted of a felony and, if so, a description of the pertinent facts.

(b) Each charitable organization shall, as a part of its registration statement, compute the percentage which its fund-raising expenses for its preceding fiscal year bore to its support received directly from the public during such year.

(c) Each chapter, branch or affiliate located in the city, except an independent member agency of a federated fund-raising organization, shall separately report the information required by this section or report the information to its parent organization, which shall then furnish such information, as to itself and all local affiliates, chapters and branches, in a consolidated form.

(d) Each federated fund-raising organization located in the city shall report the information required by this section in a consolidated form. Any federated fund-raising organization may elect to exclude from its consolidated report information relating to the separate fund-raising activities of all of its independent member agencies. No member agency of a federated fund-raising organization shall be required to report separately any information contained in such a consolidated report; provided, that any separate solicitation campaign conducted by or on behalf of any such member agency in the city shall, nevertheless, be subject to all other provisions of this chapter.

(e) The registration forms shall be verified under oath or affirmation by an authorized officer of the charitable organization.

(f) Every charitable organization which submits an independent registration to the commissioner shall pay an annual registration fee of ten dollars ($10.00). A parent organization filing on behalf of one or more chapters, branches or affiliates, or a federated fund-raising organization filing on behalf of its member agencies, shall pay a single annual registration fee for itself and such chapters, branches, affiliates or member agencies included in the registration statement. All fees paid hereunder shall be credited to the office of the commissioner for reimbursement of administrative expenses. (Code 1958, § 44.1-2, 44.1-10)

State law reference—Similar provisions, Code of Virginia, §§ 57-49, 57-58.

Sec. 40-25. Reports by organizations with no local office, which solicit solely by telephone, mail, etc.

Any charitable organization having no office or place of business within the city, and soliciting in the city from without the city solely by telephone or telegraph, direct mail or by advertising in local or national media, and any professional fund-raising counsel or professional solicitor engaged by such an organization, shall file with the commissioner any report which would otherwise be required of it; provided, such charitable organization maintains an office or place of business within the commonwealth. (Code 1958, § 44.1-3)

State law reference—Similar provisions, Code of Virginia, § 57-51(b).

Sec. 40-26. Publication of warning as to unregistered organizations.

If the commissioner shall determine that any charitable organization, not registered with his office and not exempt from registration, irrespective of whether such organization is subject to the jurisdiction of the city, is soliciting in the city, directly or indirectly, by any means, including, without limitation, by telephone or telegraph, by direct mail or by advertising in national media, he may, after ten (10) days' written notice to the charitable organization, cause to be printed in one or more newspapers published or distributed in the city a notice in substantially the following form:

WARNING—UNREGISTERED
CHARITABLE SOLICITATION

The organization named below has solicited contributions from area resident for allegedly charitable purposes. It has not registered with the commissioner of the revenue as required by law. Contributors are cautioned that their contributions to such organization may be used for noncharitable purposes.

A copy of such warning shall immediately thereupon be forwarded to the administrator of consumer affairs for the commonwealth. (Code 1958, § 44.1-4)

State law reference—Similar provisions, Code of Virginia, § 57-52.

Sec. 40-27. Records to be kept by organizations.

Every charitable organization shall keep true fiscal records for all fiscal years in accordance with the standards set out in section 57-53 of the Code of Virginia. Such records shall be retained for a period of at least three (3) years after the end of the period to which they relate. (Code 1958, § 44.1-5)

Sec. 40-28. Contracts between organizations and fund-raising counsels and professional solicitors.

(a) Every contract or agreement between a professional fund-raising counsel and a charitable organization must be in writing and shall be filed with the commissioner within ten (10) days after such contract or written agreement is entered into.

(b) Every contract, or a written statement of the nature of the arrangement to prevail in the absence of a contract, between a professional solicitor and a charitable organization shall be filed with the commissioner within ten (10) days after such contract is entered into or such arrangement is agreed to.

(c) All agreements and arrangements between professional fund-raising counsels and charitable organizations must be reduced to writing before executed or acted upon. (Code 1958, § 44.1-6)

State law reference—Similar provisions, Code of Virginia, § 57-54.

Sec. 40-29. Limitation on compensation of professional solicitors.

(a) No charitable organization shall pay or agree to pay to a professional solicitor or his agents, servants or employees in the aggregate, including reimbursement for expenses incurred, a total amount in excess of fifteen (15) percent of the gross amount collected by

it as a result of his solicitation activities or campaigns; nor shall any charitable organization pay or agree to pay to all professional solicitors retained by it and their agents, servants and employees in the aggregate a total amount in excess of ten (10) percent of its support received directly from the public in the year in which such services are performed.

(b) For purposes of this section, the payments to the professional solicitor shall not include the purchase price to the charitable organization of any tangible personal property or services which are resold by the organization as a part of its fund-raising activities; but the amount so expended by the organization shall be deducted from the gross amount collected by it, or the organization's support received directly from the public, before the computation of the percentage limitations. (Code 1958, § 44.1-7)

State law reference—Similar provisions, Code of Virginia, § 57-55.

Sec. 40-30. Statements, reports, contracts, etc., filed under article constitute public records; charge for copies thereof.

Registration statements, reports, professional fund-raising counsel contracts or professional solicitor contracts and all other documents and information required to be filed under this chapter shall become public records in the office of the commissioner and shall be open to the general public for inspection at such time and under such conditions as the commissioner may prescribe. A charge, not exceeding one dollar ($1.00) per page, may be made for any copy of such documents and information as may be furnished any person by the commissioner. (Code 1958, § 44.1-8)

State law reference—Similar provisions, Code of Virginia, § 57-56.

Sec. 40-31. False or misleading information in statements or reports required by article.

It shall be unlawful for any person to wilfully and knowingly give any false, incorrect or misleading information to the commissioner in any registration application, statement or report required to be filed or given by this article, whether such application, statement or report is verified or not. (Code 1958, § 44.1-11)

State law reference—Similar provisions, Code of Virginia, § 57-59(a).

Sec. 40-32. Receipt required for certain contributions.

No charitable organization shall accept any contribution exceeding five dollars ($5.00) in cash or tangible property, without providing, on request of the donor, a written receipt acknowledging such contribution and personally signed by the person accepting such contribution. (Code 1958, § 44.1-9)

State law reference—Similar provisions, Code of Virginia, § 57-57.

Sec. 40-33. Soliciting without authority from organization.

(a) No person shall make any representation that he is soliciting contributions for or on behalf of a charitable organization, or use or display any emblem, device or printed matter belonging to or associated with a charitable organization for the purpose of soliciting or inducing contributions from the public, without first being authorized to do so by the charitable organization.

(b) No professional solicitor shall solicit in the name of or on behalf of any charitable organization, unless such solicitor has written authorization of two (2) officers of such organization, a copy of which shall be filed with the commissioner. Such written authorization shall bear the signature of the solicitor and shall expressly state on its face the period for which it is valid, which shall not exceed one year from the date issued. Such authorization shall be carried by such solicitor, when making solicitations, and shall be exhibited, on request, to persons solicited, police officers or agents of the commissioner. (Code 1958, § 44.1-9)

State law reference—Similar provisions, Code of Virginia, § 57-57.

Sec. 40-34. Soliciting by certain persons prohibited.

No person, and no organization of which such person is an officer, professional fund-raising counsel or professional solicitor, shall solicit within the city, if:

(1) Such person has been convicted in any jurisdiction of embezzlement, larceny or other crime involving the obtaining of money or property by false pretenses or the misapplication of funds impressed with a trust, unless such person has received a pardon for such offense or the public is informed of such conviction in a manner approved in writing by the commissioner before any solicitation occurs.

(2) Such person has ever been enjoined by any court or otherwise prohibited from soliciting in any jurisdiction, unless the commissioner shall first determine, in writing, that such person is entitled to solicit in such jurisdiction at the time of soliciting within the city or that the reason for such injunction or prohibition does not involve moral turpitude. (Code 1958, § 44.1-9)

State law reference—Similar provisions, Code of Virginia, § 57-57.

Sec. 40-35. Soliciting for benefit of nonresident who fails to supply information to commissioner.

No person shall solicit within the city, for the benefit of any other person located without the city, if such other person refuses to supply any information which the commissioner deems necessary to assure himself that the provisions of this chapter are complied with. A solicitation shall be deemed to be on behalf of every person who receives, directly or indirectly, more than ten (10) percent of the gross amount collected. (Code 1958, § 44.1-9)

State law reference—Similar provisions, Code of Virginia, § 57-57.

Sec. 40-36. Misleading solicitations generally.

(a) No charitable organization shall use or exploit the fact of registration under this chapter so as to lead the public to believe that such registration in any manner constitutes an endorsement or approval by the city; provided, that the use of the following statement shall not be deemed a prohibited exploitation: "Registered with the commissioner of the revenue as required by law. Registration does not imply endorsement of a public solicitation for contributions."

(b) No person shall, in connection with the solicitation of contributions for the sale of tangible personal property or services, represent or lead anyone by any manner, means, practice or device whatsoever to believe that the person on whose behalf such solicitation or sale is being conducted is a bona fide charitable organization or that the proceeds of such solicitation or sale will be used for charitable purposes, if he has reason to believe such not to be the fact. (Code 1958, § 44.1-9)

State law reference—Similar provisions, Code of Virginia, § 57-57.

Sec. 40-37. Misrepresentations as to sponsors, endorsers, etc.

(a) No person shall, in connection with the solicitation of contributions or the sale of tangible personal property or services for charitable purposes, represent or lead anyone by any manner, means, practice or device whatsoever to believe that any other person sponsors or endorses such solicitation of contributions, sale of tangible personal property or services for charitable purposes, or approves of such charitable purposes or a charitable organization connected therewith, when such other person has not given written consent to the use of his name for these purposes.

(b) Any member of the board of directors or trustees of a charitable organization, or any

other person who has agreed to either serve or to participate in any voluntary capacity in the campaign, shall be deemed thereby to have given this consent to the use of his name in such campaign. Nothing contained in this section shall prevent the publication of names of contributors, without their written consent, in an annual or other periodic report issued by a charitable organization for the purposes of reporting on its operations and affairs to its membership or for the purpose of reporting contributions to contributors. (Code 1958, § 44.1-9)

State law reference—Similar provisions, Code of Virginia, § 57-57.

Sec. 40-38. Misrepresentations as to income tax deductions.

No person shall denominate any membership fee or purchase price of goods or services sold as a contribution or as a donation, or in any other manner represent or imply that the member or the purchaser of such goods or services will be entitled to an income tax deduction for his cost or any portion thereof, unless:

(1) there shall have been first obtained a signed opinion of counsel or an internal revenue service ruling or determination letter holding such cost to be deductible; or

(2) the member or purchaser is informed in writing that such cost may not be deductible;

nor shall any charitable organization, other than an organization exempt under section 40-16, represent or imply that a contributor thereto will be entitled to an income tax deduction for his contribution, unless there shall have been first obtained a signed opinion of counsel or an internal revenue service ruling or determination letter holding gifts to such organization to be so deductible. (Code 1958, § 44.1-9)

State law reference—Similar provisions, Code of Virginia, § 57-57.

Article VI. Solid Waste Recycling

§ 41-38. Definitions.
§ 41-39. Annual report required.
§ 41-40. Report forms.
§ 41-41. Penalty.

ARTICLE I. IN GENERAL

Sec. 41-1. Violations of chapter; penalties.

Unless otherwise provided, a violation of any provision of this chapter shall constitute a class 3 misdemeanor. Each day's continuance of the violation shall constitute a separate offense. In addition to any penalties imposed for a violation of this chapter, upon conviction the court shall require that the violation be corrected. Any person who violates any provision of this chapter or regulation adopted shall also be liable for all damage, loss, cost and expense suffered or incurred by the city as a result of the violation. Three (3) or more violations within twelve (12) months by the same person shall constitute a class 2 misdemeanor.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-2. Enforcement.

Any waste management inspector, law enforcement officer, fire marshal or any of his assistants, or city special police officer, is authorized and shall have authority to enforce all provisions of this chapter.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-3. Definitions.

Generally, for the purposes of this chapter, certain words and phrases shall have the meanings ascribed to them by this section:

(a) *Automated collection container* means a container of not more than one hundred (100) gallons content provided by the department of public works for city collection.

(b) *Bulk truckload* is a volume that can be contained in city vehicles designated for bulk waste collections, approximately nine (9) cubic yards.

(c) *Bulk container* means any receptacle with a capacity over one hundred (100) gallons which is made of metal or other acceptable material, is of durable and rigid construction, is capable of being transported as a unit intact, is capable of unloading by mechanical equipment without spillage, and which meets the following tip resistance requirements when empty with the doors or covers in the most adverse position to effect tipping: the refuse container shall be tested on a level surface with the wheels chocked in the most adverse position to effect tipping. The refuse bin shall not tip when a separately applied horizontal force of seventy (70) pounds is applied at a point and in a direction most likely to cause tipping, and when a separately applied vertical downward force of one hundred ninety-one (191) pounds is applied at a point most likely to cause tipping.

(d) *Bulk waste* means appliances, furniture, vehicle tires, bedding material, mechanical equipment, mechanical parts, carpeting and other items too large to fit into a collection container, excluding yard waste, structural waste, and hazardous waste.

(e) *Business* shall mean any nonresidential generator of solid waste and any company, business or other party which collects, transports, processes, manages or recycles solid waste.

(f) *Collection site* means any alleyway, curbside, street, sidewalk or other authorized place of deposit for collection.

(g) *Commercial waste* means all solid waste from any retail, wholesale or commercial establishment not excluding industrial waste, hazardous waste, yard waste, and structural waste.

(h) *Container* means a receptacle for solid waste which meets one of the descriptions specified in this chapter for specific types of containers.

(i) *Curbside* means solid waste placed in a public right-of-way for collection by the city provided the solid waste does not impede or impact pedestrian or motor vehicle traffic.

(j) *Disposable container* means any moisture proof plastic (polyethylene, propylene), metallic or paper bag.

(k) *Disposal site* means any place where solid waste may legally be deposited or disposed of and which meets the requirements of all applicable federal, state and local laws and regulations.

(l) *Duplex* means a residence whose use is limited to one to two (2) families or households.

(m) *Hazardous waste* means pesticides, poisons, caustics, acids, infectious materials, explosives, corrosives, combustibles, flammable materials, petroleum products, compressed gases, biological and chemical materials, radioactive materials, toxic materials or other materials which may be injurious to health or safety of persons or the environment.

(n) *Household waste* means all solid waste resulting from the conduct, maintenance, and operation of a residential household, excluding structural waste, yard waste, bulk waste, commercial waste, industrial waste, hazardous waste, recyclables and tires.

(o) *Individual roll-out solid waste container* means any commercial grade receptacle with a capacity of over thirty-two (32) gallons but less than one hundred (100) gallons.

(p) *Industrial waste* includes all materials or substances related to manufacturing, processing or production.

(q) *Multiple residence* means any apartment or group of apartments under a common roof and used for a dwelling for five (5) or more families or households not all owned by individual tenants.

(r) *Overflow* means any household or commercial waste that has not been placed in the collection container with the lid fully closed.

(s) *Person* means any individual, firm, owner, occupant, sole proprietorship, partnership, corporation, unincorporated association, governmental body, municipal corporation, agent, executor, trustee, agent, guardian or other legal entity.

(t) *Private solid waste collection service* means the collection of solid waste by a private, non-city business.

(u) As used in this article, *recycle* means the following:

(1) To sell, donate, or otherwise transfer solid waste material to any other person located outside of the City of Norfolk so that such waste material may be processed and used again as a raw material for a product which may or may not be similar to the original product, and

(2) To process a given waste material at a location within the City of Norfolk so that such material may be used again as a raw material for a product which may or may not be similar to the original product.

(v) *Recycling container* means the container provided by the city or Southeastern Public Service Authority (SPSA) for the collection of recyclables.

(w) *Recyclables* means any materials designated for recycling services by the city.

(x) *Single residence* means any dwelling whose use is limited by law to not more than one family or household and individually owned housing units.

(y) *Solid waste* means all forms of matter in whatever shape or condition, such as household waste, bulk waste, industrial waste, yard waste, structural waste, commercial waste, hazardous waste, recyclable materials, litter, garbage, refuse, trash, tires and similar matter.

(z) *Solid waste transfer station* means any facility or activity where solid waste is regularly shifted, transferred, transloaded or moved from one carrier, conveyance or means of transport to any other carrier, conveyance or form of transport.

(aa) *SPSA* means Southeastern Public Service Authority.

(bb) *Specialized container* means a container judged to be acceptable in writing by the director of public health.

(cc) *Structural waste* means all building materials including rubble and debris resulting from storms, fires or other disasters, from construction and demolition, or from erecting, removing, repairing, remodeling or razing buildings or other structures.

(dd) *Waste management inspector* means an inspector designated by the director of public works to enforce this chapter.

(ee) *Yard waste* consists of materials derived from trees, leaves, fallen branches, shrubbery, plants, and lawn trimmings.

(ff) *Yard waste container* is an uncovered thirty (30) gallon or less plastic or metal container for placement of yard waste.
(Ord. No. 39,971, § 2, 5-23-00; Ord. No. 42,662, § 11, 5-15-07)

Sec. 41-4. General responsibilities.

(a) The director of public works shall be responsible for the collection and disposal of solid waste as prescribed by the City Code. He shall have authority to establish procedures and to enforce the regulations concerning:

(1) The days and time of collection.

(2) The location and type of containers for collection by the city.

(3) The conveyance of solid waste collected.

(4) The disposal of solid waste collected.

(5) The designation of collection areas.

(6) Other matters pertaining to collection, disposal or fees to be charged, or bill adjustments and credits.

He shall have the authority to change or modify procedures pertaining to collection, conveyance and disposal. Disposal of all solid waste shall be only at the location and in the manner specified by the director of public works.

(b) The director of public health shall be responsible for health, safety, environmental and sanitary conditions, as prescribed by the City Code. He shall have authority to establish procedures and to enforce the regulations concerning:

(1) The storage of solid waste.

(2) The elimination of nuisances.

(3) The protection of the environment.

(4) The protection of the health and welfare of the citizens.

(5) The location and type of collection container for private collection.

He shall have authority to change or modify procedures pertaining to storage, nuisance, environment or health.

(c) The director of planning shall be responsible for the review of building plans to assure that the location of containers meets appropriate requirements of the City Code.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-5. Responsibilities of superintendent of waste management; report and removal of nuisances.

Under the supervision and control of the director of public works, there shall be a superintendent of waste management, who shall be charged with the collection and disposal of solid waste from the streets, the removal of all nuisances which may come to his attention, or to the attention of those employed in his division, existing on the streets or other designated public places in the city, and the performance of such other duties as are or may be prescribed by ordinance or by order of the said director.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-6. Solid waste violation notice; penalty schedule; summons for failure to comply.

(a) Any waste management inspector, law enforcement officer, fire marshal or any of his assistants, or special police officer observing a violation of any section, except sections 41-12, 41-14, 41-15, and 41-29, of this chapter or regulations promulgated thereunder, may issue a notice of violation to the person(s) responsible for such violation, to the person(s) listed as responsible for payment of the public service bill for that address, or to the property owner, informing that person of the date and nature of the violation and the prepayment penalty amount. The violation notice may be served by delivering a copy thereof to the person to whom it is directed in person or, if such person cannot be found, by delivering a copy and giving information of its contents and meaning to any adult member of the family found at such person's regular place of abode or at his usual place of business. In lieu of such service, the violation notice may be served by certified mail with delivery reported, a copy thereof to the last known address of the person to whom it is di-

rected. If notice cannot be served after all the attempts set forth above, the notice may be directed to the owner of the premises.

(b) The prepayment penalty schedule for a violation is as follows:

(1) First violation—Twenty-five dollar ($25.00) fine.

(2) Second violation within twelve (12) months—Fifty dollar ($50.00) fine.

(3) Third and subsequent violations within twelve (12) months—One hundred dollar ($100.00) fine.

(c) Within ten (10) days of service of a violation notice pursuant to this section, the person to whom it was directed shall pay the prepayment penalty amount specified on the notice.

(d) Upon failure to pay the prepayment penalty specified in a violation notice in the time required, a summons shall be issued against and served on the person to whom the notice was directed, directing him to appear before the general district court of the city on the date and at the time specified in the summons to answer for the violation alleged, the date and nature of which shall be set forth in the summons. Such summons shall be served in the manner provided by law for such service.

(e) The payment of the penalty prescribed by subsection (b) of this section shall not relieve any person from the obligation to take immediate remedial steps to correct any and all conditions which constitute a violation of this chapter. Such corrections shall be undertaken promptly and shall be completed within such time as may be allowed by city officials responsible for requiring the corrective measures.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-7. Executor, trustee, agent, etc. deemed owner of property.

When any person is in possession of any property, or has charge thereof, within the city as executor, administrator, trustee, guardian, or agent, such person shall be deemed to be the owner of such property for the purposes of this chapter and shall be bound to obey all requirements of this chapter so far as the same may affect such property, in the same manner, and subject to the same penalties and fines, as if such person were actually the owner of such property, and notice to such person shall be deemed sufficient.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-8. Containers required.

Every residence, business or person handling or having solid waste shall have a city approved container. Solid waste of any type shall not be placed outside the container for collection, unless provided for by this chapter or as approved by the director of public works or public health.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-9. Labeling of containers.

Containers required by this chapter shall be so labeled by the property owner or occupant so as to permit identification of the owner or occupant of the premises or the user of the container.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-10. Maintenance of containers.

Every person owning, using or handling a container shall be responsible for maintaining it in an intact, clean, sanitary and closed condition, so as to prevent leakage or spillage. It shall be the owner's or user's responsibility not to place solid waste in a defective container. It is the responsibility of the person, other than city employees, handling or emptying the container not to damage or destroy it or to leave it in an open condition.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-10.1 Placement of container on light rail guideway.

It shall be unlawful for any person owning, using, moving or handling any container to place [it] in, on, at, or near a light rail guideway so as to impede or obstruct the light rail vehicle. Light rail guideway and light rail vehicle shall be defined as set forth in City Code section 34.2-1.
(Ord. No. 44,583, § 3, 2-16-12)

Sec. 41-11. Interference with inspections, containers, collection, disposal, etc.

(a) It shall be unlawful for any person to prevent, detain or impede the inspection of storage areas, containers and housing sites where solid waste is produced, stored or prepared for collection.

(b) Except for city employees, it shall be unlawful for any person to overhaul, overturn, molest or interfere with the contents of any recepta-

cle, plastic bag or container used for the storage or collection of solid waste or carry away any solid waste from the streets, unless authorized to do so by the director of public works.

(c) It shall be unlawful for any person to prevent, detain or impede the collection or transportation of solid waste from collection sites or rights-of-way.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-12. Disposal to be at approved site.

No solid waste material shall be disposed of at any place except at a site or sites authorized and designated for such purpose, and in the manner specified.
(Ord. No. 39,971, § 2, 5-23-00)

ARTICLE II. PRIVATE COLLECTION

Sec. 41-13. Bulk containers—Regulations.

(a) The regulations set forth in this section shall be administered by the director of public health. The director of planning, the director of public works and the fire chief shall assist the director of public health as provided herein.

(b) All bulk containers shall require current permits issued by the director of health. The permit application and site plan, along with such application fees as specified by the director of health, shall be submitted before the permit is issued.

(c) In granting a permit, the director shall require the following:

(1) The bulk container will not be located on any city property, roadway, street, right-of-way or easement except for temporary staging pursuant to a permit issued by the director of public works.

(2) The bulk container will be accessible for removal, transportation or emptying from a public right-of-way.

(3) The proposed location will not violate any fire code, building code, zoning ordinance, or other applicable City Code.

(4) The base on which the bulk container is located will be firm (concrete or equal) and cleanable. It must also be clearly marked for container placement with a line approximately four (4) to six (6) inches in width using white or yellow paint.

(5) The bulk container will be located not less than ten (10) feet from any building, fire escape or doorway.

(6) The bulk container will be located behind the building line.

(7) The bulk container will not displace a required parking space.

(8) Bulk containers shall be labeled designating the name, unit or business address the bulk container belongs to.

(9) The bulk container shall be enclosed with an opaque fence or otherwise screened from view from the public right-of-way.

The requirement of this section shall not apply to the temporary staging on private property of a bulk container for construction debris or property maintenance. Failure to comply with the requirements in this subsection shall constitute a violation of this chapter. The director of public health may revoke the permit when the conditions in this subsection are not complied with.

(d) The director of public health may seek independent verification of data set forth in the site plan and may disapprove a plan if he cannot verify compliance with the requirements of subsection (c) unless a waiver is requested in writing and approved by the appropriate department.

(e) When a bulk container was installed at a structure prior to February 28, 1985, if the site fails to meet any criteria in subsection (c) and the site cannot accommodate the application of the criteria, the director of public health may grant a waiver and establish appropriate conditions for the waiver. A waiver fee shall be charged to offset administrative costs.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-14. Same—Responsibilities of a permittee.

(a) One who obtains a bulk container permit under this chapter shall have the following duties and responsibilities:

(1) To obtain and maintain a valid permit annually.

(2) To establish and maintain a local or on-site person responsible for the bulk container and its surrounding area, and to notify the director of public health of any change in the name, local address or telephone number of such person having that responsibility. The local on-site person shall ensure proper maintenance of solid waste and the correction of any violations in an expedient manner.

(3) To maintain the bulk container site free of solid waste and/or spillage or overflow in accordance with all applicable codes.

(4) To maintain the bulk container in a closed condition.

(5) To ensure that collections are accomplished as frequently as stated on the permit or more frequently if necessary to comply with all applicable codes.

(6) To ensure that there is clear and sufficient access to the bulk container during all collection periods.

(7) To maintain the bulk container pad in good repair.

(8) To ensure that the bulk container is of sufficient size to accommodate all units to be served.

(b) A violation of any provisions in this section shall constitute a Class 1 misdemeanor.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-15. Same—Duties of private solid waste collectors.

(a) Each private collector who collects refuse from bulk containers shall have the following duties and responsibilities:

(1) To refrain from placing a bulk container on any site until the director of public health confirms that a valid permit has been issued for the site.

(2) To place the bulk container at the approved location.

(3) To maintain the bulk container in good working order; all moving parts shall be operable, there shall be no holes or gaps in the container, etc.

(4) To ensure that all doors and lids are properly closed immediately following collection.

(5) To maintain the interior of the container in a sanitary condition in order to minimize offensive odors and fly breeding.

(6) To transport and collect bulk container refuse in such a manner so as to prevent solid waste spillage or leakage. Any solid waste spilled during collection shall be removed by the collector.

(7) To remove solid waste from the bulk containers as required by the director of public health or his designee.

(8) To deliver bulk container refuse only to facilities of the Southeastern Public Service Authority or other facility authorized by City Code section 41-23.

(b) A violation of any provision of this section shall constitute a class 1 misdemeanor.
(Ord. No. 39,971, § 2, 5-23-00; Ord. No. 42,834, § 1, 9-18-07)

Sec. 41-16. Same—Requirements for individual roll out solid waste containers served by non-city collection.

(a) This section shall apply when the city is not the collection agency.

(b) If the site fails to meet the criteria set forth in section 41-13, individual roll-out solid waste containers shall be required in lieu of bulk containers. The director of public health may approve the use of such containers and issue an individual bulk container permit. In granting a permit, the director of public health shall require the following:

(1) A minimum of one container shall be provided for every two (2) apartments or

units unless otherwise authorized by the director of health and shall be identified so as to designate unit use.

(2) A collection frequency of at least once weekly is required or more frequently if required by the director of public health.

(3) The container(s) storage location shall be designated by the director of public health and shall be enclosed with an opaque fence or otherwise screened from view from the public right-of-way.

(4) The containers shall be emptied and returned to the designated site collection location by the private collector on the days designated for pickup. The owner or manager of the premises shall be responsible for ensuring the appropriate arrangements are made with a private collector to empty all containers in accordance with this chapter. These containers are not to be placed in areas designated for city collection. The hours that containers may be outside of designated site locations shall correspond to the requirements for city containers in section 41-20.

(5) The containers shall be maintained without overflowing, the lids kept closed and in good working order. Responsibilities of the permittee and private refuse collectors shall be as set forth in sections 41-14 and 41-15 above.

(6) Large items such as furniture and appliances shall not be placed in these containers but shall be the responsibility of the owner/agent to dispose of properly.

(c) The requirements of sections 41-14 and 41-15 shall apply.
(Ord. No. 39,971, § 2, 5-23-00)

ARTICLE III. COLLECTION BY CITY

Sec. 41-17. Collection service by the city; generally.

(a) The city shall use its personnel and equipment to collect solid waste from residential property on a regular schedule, which shall be set by the director of public works. Every single residence, duplex and multiple residence of four (4) or less units producing solid waste shall be required to pay for city collection. Multiple residences with more than four (4) units and non-residential structures may receive city collection for a fee at the discretion of the director of public works.

(b) Waste shall not be permitted to overflow containers or to be placed outside of containers except as provided in regulations promulgated. Presence of overflow solid waste shall constitute a violation of this section. Overflow solid waste will not be collected except as provided herein and approved by the director of public works.

(c) Household waste of a loose nature shall be packaged in a disposable container before being deposited in a container for collection.

(d) Persons using automated collection containers shall be responsible for keeping containers clean and odor-free and shall place all loose and wet garbage in bags within the container.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-18. Residential service.

(a) *Residences with four or fewer units.* The collection of household waste from residences with four (4) or fewer units shall be conducted using a minimum of one automated collection container per unit.

(b) *Multiple residences with more than four (4) units.* The collection of solid waste from multiple residences with more than four (4) units by city forces shall be handled as follows:

(1) A minimum of one automated collection container is required for every two (2) units. An odd number of units requires an additional container. Additional containers may be leased only after each unit is assigned one automated container.

(2) If the director of public works or his designee finds that solid waste quantities or location, building design or other factors, are not compatible for solid waste collection by city forces and equipment, the solid waste shall be removed by private collectors. The director of public works or his designee shall give at least thirty

(30) days' notice of such noncollectibility or noncompliance, so that other collection arrangements may be made.

(c) When the waste exceeds that which can be stored in the containers specified for that location under subsection (a) or (b), collection shall be provided by private collection.

(d) Where accessibility for city collection is not possible from a public street, lane or alley, private collection service shall be utilized.
(Ord. No. 39,971, § 2, 5-23-00; Ord. No. 42,662, § 12, 5-15-07)

Sec. 41-19. Retail, wholesale and commercial service.

Retail, wholesale and commercial solid waste collections by the city shall be made on a weekly schedule if and as designated by the director of public works. Automated city services shall be limited to five (5) automated collection containers of the approved type per unit per collection day. Continuous accumulation of solid waste in excess of these limits shall be removed by private collectors and shall be stored and collected in bulk containers or individual roll out containers. Waste shall not be permitted to overflow containers or to be placed outside of containers. Presence of overflow solid waste shall constitute a violation of this section. Collections from designated shopping centers and the central business district shall be made three (3) days per week.
(Ord. No. 39,971, § 2, 5-23-00; Ord. No. 42,662, § 13, 5-15-07)

Sec. 41-20. Placement of containers at collection site and removal of same therefrom.

It shall be the responsibility of the property owner or user of a container, the contents of which are to be collected by the city forces, to:

(a) Place the container at the edge of pavement of the public street, alley or area designated by the director of public works or his designee as the pickup area, so that there is no danger of the container being overturned and so that there is sufficient clearance to accommodate city collection equipment, vehicles and pedestrians. Placement shall not obstruct or interfere with use of any driveway.

(b) For residents and businesses receiving regular weekly solid waste collection, place containers at the collection site no later than 7:00 a.m. on the day of collection and not earlier than 5:00 p.m. on the night prior to the day of collection.

(c) For those designated shopping centers and the central business district receiving collection services on a regular three-day per week schedule, place containers at the collection site no earlier than 5:00 p.m. and no later than 7:00 a.m. on Monday, Wednesday and Friday. Recyclables may be placed out at the collection site no earlier than 5:00 p.m. and no later than 7:00 a.m. on Tuesday and Thursday. No nonrecyclables may be placed out for collection Tuesday and Thursday.

(d) Remove all emptied containers from the alley, curbside, street or sidewalk as soon as practicable after they have been emptied, but in no case later than 11:30 p.m. of the collection day.

(e) Containers shall be located five (5) feet behind the front plane of the building or structure on the premises or screened so as to not be visible from the street or public right-of-way except during the times prescribed for placement for collection. This provision applies to all residential and commercial locations. Where placement as described herein is not possible, an alternate location may be designated and approved by the director of public health.

(f) When determined necessary by the director of public works, some residences serviced by automated collection containers shall be required to place the container on the opposite side of the street from their residence, or in the street at the street side edge of the parked car location, or at another location.

(g) The provisions of this section shall apply when the city collects waste of the type described in article V of this chapter.

(h) The provisions of this section shall apply to recycling containers.

(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-21. Fees for the collection and disposal of refuse.

The following maximum fees are hereby established for the collection and disposal of refuse (garbage and bulky waste) by city forces:

(a) Four hundred two dollars and twelve cents ($402.12) per year for each single family dwelling unit or dwelling units in multiple residences not exceeding four (4) families or dwelling units.

(b) One thousand eight hundred nineteen dollars and sixty-eight cents ($1,819.68) per year for business units, including retail, wholesale and commercial units, receiving collection service five (5) days per week.

(c) Seven hundred thirty-four dollars and sixteen cents ($734.16) per year for each business unit including retail, wholesale and commercial units receiving once weekly refuse collection service from the city.

(d) If business and family units are combined on a single property, the charge shall be seven hundred thirty-four dollars and sixteen cents ($734.16) per year for each business unit plus three hundred twenty-four dollars and twelve cents ($324.12) for each dwelling unit.

(e) Five hundred sixty-nine dollars and twenty-eight cents ($569.28) per year for each container serving multiple residences exceeding four (4) families.

(f) Additional containers, up to the maximum permissible, will be supplied for each dwelling or business unit at the following fee:

90-gallon. Sixty dollars ($60.00) per additional container per year for once-a-week collection service for residential units up to four (4) units. One hundred twenty dollars ($120.00) per additional container per year for once-a-week collection service for multiple residential and business units. Three hundred dollars ($300.00) per additional container per year for five-times-a-week collection service.

65-gallon. Forty two dollars ($42.00) per additional container per year for once-a-week collection service for residential units up to four (4) units. Eighty four dollars ($84.00) per additional container per year for once-a-week-collection service for multiple residential and business units. Two hundred ten dollars ($210.00) per additional container per year for five-times-a-week collection service.

30-gallon. Forty-two dollars ($42.00) per additional container per year for once-a-week collection service for residential units up to four (4) units. Eighty-four ($84.00) per additional container per year for once-a-week-collection service for multiple residential and business units. Two hundred ten dollars ($210.00) per additional container per year for five-times-a-week collection service.

(g) Thirty-nine dollars forty-eight cents ($39.48) per year for each recycling container for each business unit including retail, wholesale and commercial units receiving once-weekly refuse collection service from the city and biweekly recycling service.

All payments for this service shall be the responsibility of the person(s) listed as responsible for payment of the public-service bill for that address. This fee shall be paid monthly and shall be placed on the bill for water service. If the monies received in payment of the water bill and the solid-waste-collection fee are not sufficient to pay both in full including any

penalties or interest, the water bill and any penalties or interest attributed thereto shall be paid first out of the monies available. The fee may be prorated for less than a full year's service. Refunds will not be provided for vacant units and for services not utilized. Written notification must be made to the superintendent of waste management with a copy of the applicable service agreement prior to discontinuing city solid waste collection services and commencing with contracted services. Solid waste collection services must be provided by either the city or a private collector.

(Ord. No. 39,971, § 2, 5-23-00; Ord. No. 40,316, § 1, 5-15-01; Ord. No. 41,408, § 9, 5-18-04; Ord. No. 41-839, § 13, 5-17-05; Ord. No. 41,958, § 1, 7-19-05; Ord. No. 42,277, § 9, 5-16-06; Ord. No. 42,662, § 14, 5-15-07; Ord. No. 43,441, § 1, 51-12-09; Ord. No. 45,563, § 23, 5-20-14, eff. 7-1-14; Ord. No. 47,262, § 1, 6-12-18, eff. 7-1-18; Ord. No. 47,636, § 18, 5-14-19, eff. 7-1-19; Ord. No. 49,220, § 17, 6-13-23, eff. 7-1-23; Ord. No. 49,966, § 24, 5-13-25, eff. 7-1-25)

Sec. 41-22. Special unscheduled service.

City forces will perform special solid waste removal or collection services, when authorized to do so by the director of public works, according to the following schedule:

(a) Fees for equipment:

1.	Dump truck, four (4) cubic yard, ten (10) cubic yard, with operator, per hour	$22.00
2.	Motor sweeper, mechanical, with operator, per hour	50.00
3.	Motor sweeper, vacuum, with operator, per hour	75.00
4.	Payloader, wheel type, with operator, per hour	26.00
5.	Payloader, track type, with operator, per hour	40.00
6.	Water spray truck, with operator, per hour	26.00
7.	Bulldozer, with operator, per hour	50.00
8.	Crane, with operator, per hour	60.00
9.	Pick-up truck standard, with operator, per hour	12.00
10.	Air compressor, with operator, per hour	10.00
11.	Reserved.	

(b) The fee for removal and disposal or incineration of dead animals on private property, per animal 30.00

(Ord. No. 39,971, § 2, 5-23-00; Ord. No. 40,274, § 1, 4-17-01; Ord. No. 42,662, § 2; 15, 5-15-07)

ARTICLE IV. PRIVATE COLLECTORS

Sec. 41-23. Permit—Required; disposal of solid municipal waste at SPSA facilities.

(a) No person shall operate a private solid waste collection business within the city without first obtaining a permit from the director of public works or his designee.

(b) All solid waste generated or collected within the city shall be disposed of only at the facilities of the Southeastern Public Service Authority of Virginia or such other publicly owned and operated facilities designated by the director of public works or his designee.

Subsection (b) shall not apply to:

(1) Solid waste generated, purchased or utilized by an entity engaged in the business of manufacturing, mining, processing, refining or conversion except for an entity engaged in the production of energy or solid waste-derived fuels for sale to a person other than any entity controlling, controlled by or under the same control as the manufacturer, miner, processor, refiner or converter.

(2) Recyclable materials, which are those materials that have been source-separated

by any person or materials separated from solid waste by any person for utilization in both cases as a raw material to be manufactured into a product other than fuel or energy.

(3) Construction debris to be disposed of in a landfill.

(4) Waste oil.

Subsection (b) shall not prevent or prohibit disposal of solid waste at any facility which was issued a solid waste management facility permit by an agency of the commonwealth on or before July 1, 1991, or for which a part A permit application for a new solid waste management facility permit, including local governing body certification, was submitted to the Virginia Department of Environmental Quality in accordance with Code of Virginia, § 10.1-1408.1 B on or before December 31, 1991.

(c) It shall be unlawful for any person to dispose of solid waste generated or collected within the city at any place other than those designated pursuant to subsection (b). In addition to the remedies available under City Code section 41-1, the director of public works or his designee following a hearing may revoke a permit to operate a private solid waste collection business obtained under subsection (a) for failure to comply with this section, and shall have the power to seek and obtain injunctive relief from a court of competent jurisdiction to prevent violations of this section, without a showing of irreparable harm.
(Ord. No. 39,971, § 2, 5-23-00; Ord. No. 42,834, § 2, 9-18-07)

Sec. 41-24. Same—Application.

Application for a permit required by this article shall be submitted to the director of public works or his designee and shall include:

(a) The private collector or contractor's name.

(b) The address and telephone number of the applicant.

(c) The address and location of the solid waste containers to be serviced.

(d) The character and description of material to be collected.

(e) The equipment to be used, including the location and type of receptacle.

(f) Such other requirements as the director of public works or his designee deems necessary.

(g) The applicant shall pay the established permit fee and post a deposit when required.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-25. Same—Issuance and revocation.

(a) The director of public health or his designee may authorize the private collection and disposal of solid waste by private collectors or contractors, and issue a permit applied for under this article, when:

(1) The person or organization abides by rules and regulations promulgated by the director of public works.

(2) The director of public health or his designee determines that the containers used are adequate for the quantities of waste.

(3) The director of public health or his designee determines that the private collector or contractor has an adequate, safe and sanitary disposal site lawfully available to him which he uses.

(b) A permit may be revoked by the director of public works or his designee when any applicable law, code, ordinance regulation is not complied with, or when any of the permit conditions or requirements are not complied with.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-26. Hours of operation near residential zones.

No person shall operate a private collection business within the city within six hundred (600) feet of any area zoned residential within the terms of the zoning ordinance of the city, except between the hours of 7:00 a.m. and 10:00 p.m. Notwithstanding the foregoing, the collection of

waste containers is permitted from 5:00 a.m. to 6:00 a.m. at 312 West Bute Street, 317 Monticello Avenue, 310 Monticello Avenue, 310 Granby Street, and the corner of Charlotte and Monticello Avenue.
(Ord. No. 39,971, § 2, 5-23-00; Ord. No. 44,583, § 2, 2-16-12)

Sec. 41-27. Frequency of collections.

The frequency of collections by private collectors shall be at least once per week or as often as deemed necessary by the director of health or his designee for the protection of public health or the prevention of the public nuisance. The department of public works may designate days of the week for collection within certain areas of the city.
(Ord. No. 39,971, § 2, 5-23-00)

ARTICLE V. COLLECTION AND DISPOSAL OF CERTAIN WASTE

Sec. 41-28. Dead animals.

(a) Dead animals, unless hereinafter excepted, will be collected by city forces provided the dead animal is placed in a location accessible to the collector and is of a size and condition which makes it collectible. Animals which do not fit these conditions shall be removed by a private contractor paid for by the owner or custodian of the animal.

(b) Dead animals will not be collected by city forces from businesses or individuals doing business in the treatment or boarding of animals or other such commercial activities.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-29. Hazardous waste.

No hazardous waste shall be placed in any container used for collection of solid waste or otherwise placed out for collection. It shall be the responsibility of the owner or producer of such waste to legally store, collect and dispose of such waste in accordance with applicable local, state and federal law. A violation of this section shall constitute a class 1 misdemeanor.
(Ord. No. 39,971, § 2, 5-23-00; Ord. No. 40,274, § 2, 4-17-01)

Sec. 41-30. Fecal matter, nonhousehold organic waste, etc.

No fecal matter or other nonhousehold organic waste other than bagged pet waste or bagged food waste shall be placed in any container used for the collection of waste by city forces, nor will city forces collect such waste. It shall be the responsibility of the producer to obtain private collector services for this type of solid waste. It shall be the responsibility of the owners or producers to collect, store and dispose of such wastes in such a way that the public health and welfare is not prejudiced. Excrement from household pets is excluded from this section, provided it is wrapped and placed in a collection container.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-31. Structural waste.

(a) All structural waste, solid waste, rubble, debris or discarded materials resulting from the construction, alteration, repairing, erecting, moving or demolition of buildings or other structures shall be collected, loaded and removed by the contractor or builder during the progress of the work, so as to leave the area of the construction or demolition in a clean, sanitary and safe condition. On the failure of the contractor or builder to carry out his obligation, it shall be the responsibility of the property owner to do so or to have a private collector or contractor to do it for him.

(b) Structural and other solid waste from construction, alteration, repairing, erection or demolition carried out by the owner or occupant of a property, which does not exceed the equivalent volume of one automated collection container full of solid waste per collection, may be collected by city forces at no charge. Amounts exceeding the volume of one ninety-gallon automated container shall be collected by city forces or a private collector under contract with the city to

dispose of bulk waste with the contractual cost being billed to the owner or tenant. Such collections shall not exceed twelve (12) collections per year. Such materials shall be arranged, packaged, bundled or placed in such a manner to facilitate efficient collection. Loose materials will not be collected and constitute a violation of this section. Materials outside the containers must be called in as bulk waste.
(Ord. No. 39,971, § 2, 5-23-00; Ord. No. 42,662, § 16, 5-15-07)

Sec. 41-32. Bulk waste; collection.

(a) It shall be unlawful to place bulk waste in the city right-of-way without contacting the division of waste management to schedule a special city collection in advance. Bulk waste shall be placed at the collection site no later than 7:00 a.m. on the scheduled day of collection and no earlier than 5:00 p.m. on the night prior to the scheduled pickup. The location and arrangement of bulk waste materials shall be as designated by the city's division of waste management. A maximum of twelve (12) bulk waste collections will be provided at no cost by city forces in one twelve-month period, except as authorized by the director of public works. These collections shall be limited to a volume of three (3) cubic yards. Fees for volumes exceeding three (3) cubic yards will be assessed up to the following maximum amounts:

Up to nine (9) cubic yards total. Seventy-five dollars ($75.00) per scheduled bulk collection for residential properties of four (4) or fewer units. One hundred fifty dollars ($150.00) per nonscheduled bulk collection or collection for businesses and residential properties of five (5) or more units.

From ten (10) to fifteen (15) cubic yards total. One hundred fifty dollars ($150.00) per scheduled bulk collection for residential properties of four (4) or fewer units. Two hundred twenty-five dollars ($225.00) per nonscheduled bulk collection or collection for businesses and residential properties of five (5) or more units.

From sixteen (16) to twenty-two (22) cubic yards total. Two hundred dollars ($200.00) per scheduled bulk collection for residential properties of four (4) or fewer units. Two hundred seventy-five dollars ($275.00) per nonscheduled bulk collection or collection for businesses and residential properties of five (5) or more units.

Amounts exceeding twenty-two (22) cubic yards or items that must be collected by private collector under contract with the city. Twelve dollars ($12.00) per cubic yard per scheduled bulk collection for residential properties of four (4) or fewer units. Fifteen dollars ($15.00) per cubic yard per nonscheduled bulk collection or collection for businesses and residential properties of five (5) or more units.

The aforementioned fees shall be placed on the public service bill or shall be billed to the owner.

(b) For persons receiving private collection services bulk waste removal shall be done by the private collector at no cost to the city.

(c) Tires: Collection of tires shall be limited to four (4) tires per collection day and twelve (12) tires per year. Tires shall be of non-commercial sizes.
(Ord. No. 39,971, § 2, 5-23-00; Ord. No. 42,662, § 17, 5-15-07)

Sec. 41-33. Industrial waste, commercial waste.

It shall be the responsibility of the owner or operator of any industry or business creating or causing industrial waste or commercial waste to collect, store, protect and cause to be disposed of all such industrial waste or commercial waste. Such waste will not be collected or disposed of by the city.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-34. Evictions and moveouts.

No later than twenty-four (24) hours after an eviction or moveout, the owner, owner's agent, or property manager shall remove the material, or may request the waste management division, at

their option, to remove the material. Fees for evictions and moveouts will be assessed at the bulk waste rate. The fees set forth in this section shall be placed on the public service bill or shall be billed to the owner. Materials under this section shall be arranged, packaged, bundled, or placed in a container so as to facilitate efficient collection. It shall be unlawful to fail to comply with this section.
(Ord. No. 39,971, § 2, 5-23-00; Ord. No. 42,662, § 18, 5-15-07)

Sec. 41-35. Yard waste.

Any person receiving solid waste collection services by the city shall identify and separately package yard waste either in clear (not opaque) plastic bags, securely tied into bundles not more than four (4) feet in length and eighteen (18) inches in diameter nor weighing more than seventy-five (75) pounds, or placed in a yard waste container not to exceed thirty (30) gallons. No more than twenty (20) bundles, twenty (20) clear plastic bags or three (3) cubic yards of yard waste shall be picked up each collection day except as with the director of public works. Trees, limbs in excess of six (6) inches in diameter, and quantities exceeding three (3) cubic yards will not be collected by city forces unless authorized by the director of public works. Quantities in excess of the limits of this section shall be collected by a private collector under contract with the city to dispose of yard waste with the contractual cost being billed to the owner or tenant. Limits in excess may be waived by the director of public works in the event of special circumstances or natural disasters. Yard waste shall not be mixed with other solid waste. Yard waste shall be placed for collection only on days designated for yard waste pickup. The city shall not collect yard waste from persons receiving private collection. Persons receiving private collection shall provide for the removal of yard waste at no cost to the city. Yard waste shall not be placed for collection in an area that impedes vehicular or pedestrian traffic.
(Ord. No. 39,971, § 2, 5-23-00; Ord. No. 42,662, § 19, 5-15-07)

Sec. 41-36. Lot clearing, tree removal and pruning waste.

No materials, such as trees, shrubbery or underbrush from land being developed and cleared, shall be picked up by city forces, but shall be collected by private collectors.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-37. Carton and other crating waste.

For persons receiving city collection of these items, craft and corrugated board, cardboard, wooden crates and other such rubbish or debris from cartons or carting shall be flattened, straightened and securely tied in bundles of not more than four (4) feet in length and eighteen (18) inches in diameter nor weighing more than seventy-five (75) pounds. No more than twenty (20) bundles shall be picked up each collection day. Such waste shall be placed for collection only on days designated for collection.
(Ord. No. 39,971, § 2, 5-23-00)

ARTICLE VI. SOLID WASTE RECYCLING

Sec. 41-38. Definitions.

Recycling services. For recycling services provided by city forces or SPSA, requirements for placement for collection, collection times shall be the same as for city collection of household waste. Recyclables may only be placed in the SPSA-provided containers. Times for placement or removal of containers shall be as set for in article III.
(Ord. No. 39,971, § 2, 5-23-00; Ord. No. 42,662, § 20, 5-15-07)

Sec. 41-39. Annual report required.

(a) Each business located within the City of Norfolk who recycles solid waste shall submit an annual report to the director of public works of the City of Norfolk.

(b) Each report required by this article shall cover the twelve-month period beginning January 1 and ending December 31. Each annual

report shall be submitted not later than sixty (60) days following the close of such twelve-month period.

(c) Each annual report required to be submitted hereunder shall include the following information with respect to the reporting party for the period covered by the report:

(1) The name and address of the reporting party and the name and telephone number of the individual who may be contacted on behalf of the reporting party with regard to its report; and

(2) The total quantity of solid waste recycled by the reporting party during the period.

(d) All quantities of solid waste required to be reported hereunder shall be measured by weight. When the reporting party is unable to accurately determine quantity by weight, such quantities shall be reported based upon carefully estimated data. Each reporting party shall identify in its report all information which is based upon estimated weight.

(e) Any person who recycles solid waste at or from locations both within and without the city and who is not reasonably able to identify the quantity of solid waste recycled at or from each location may submit a consolidated report to the city. Any such consolidated report shall state that it reflects quantities of solid waste recycled at or from all locations of the person within the City of Norfolk.

(f) Nothing hereunder shall be construed to require any party to report information of a proprietary nature. Where any party fails to report any information otherwise required hereunder based upon a determination that such information is of a proprietary nature, the party shall specify in its report the nature of the information withheld and the basis for its determination that such information is of a proprietary nature.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-40. Report forms.

The director of public works shall prescribe the form to be used by any person required to submit a report under this article. Any such form shall be available at the offices of the director of public works and at the principal offices of the Southeastern Public Service Authority.
(Ord. No. 39,971, § 2, 5-23-00)

Sec. 41-41. Penalty.

Failure to furnish any report required pursuant to this article shall be punishable by a fine of not more than five hundred dollars ($500.00) for each such violation.
(Ord. No. 39,971, § 2, 5-23-00)

Chapter 41.1

STORMWATER MANAGEMENT*

Article I. In General

§ 41.1-1. Definitions.
§ 41.1-2. Violations of chapter.
§ 41.1-3. General responsibilities of director.
§ 41.1-4. Pollution of the stormwater system.
§ 41.1-5. Failure to install or maintain stormwater best management practice.
§ 41.1-6. Swimming or entering stormwater retention ponds, storm sewers or storm drains.
§§ 41.1-7—41.1-20. Reserved.

Article II. Stormwater Management Fees

§ 41.1-21. Findings, intent and authority.
§ 41.1-22. Classification of properties.
§ 41.1-23. Stormwater management fees.
§ 41.1-24. Stormwater utility fund.
§ 41.1-25. Virginia Erosion and Stormwater Management Program fees.

---

*__Editor's note—__Ord. No. 38,344, § 1, adopted May 14, 1996, amended and reordained Ch. 41.1 to read as herein set out. Prior to this amendment, Ch. 41.1 contained similar subject matter and was derived from Ord. No. 36,492 § 1, adopted June 25, 1991; Ord. No. 36,850, § 1, adopted May 26, 1992; and Ord. No. 37,247, § 1, adopted May 18, 1993.

__Cross references—__Department of public works, § 2-130; building regulations, Ch. 11.1; erosion and sedimentation control, Ch. 15; planning, Ch. 32; sewers and drains, Ch. 39.1; Virginia Erosion and Stormwater Management Program, Ch. 41.2; wetlands and primary coastal sand dunes, Ch. 49.

ARTICLE I. IN GENERAL

Sec. 41.1-1. Definitions.

For purposes of this chapter, certain words and phrases shall have the meaning ascribed to them by this section:

Billing period: The term or length of time during which the stormwater management fee accrues and for which such fee is fixed and collected.

Council: The council of the City of Norfolk, Virginia.

Department: The department of public works.

Developed property: Any parcel which contains impervious surface area.

Director: The director of the department of public works or his designee.

Exempt property: Any parcel which is owned by any federal, state or local agencies on which said agency provides for maintenance of storm drainage and stormwater control facilities that drain directly into United States waters.

Impervious area or *impervious cover:* A surface composed of any material that significantly impedes or prevents natural infiltration of water into the soil. Impervious surfaces include, but are not limited to, roofs, buildings, streets, parking areas, and any concrete, asphalt, or compacted gravel surface.

Nonresidential property: All developed properties not meeting the residential property definition, including, but not limited to, commercial properties, industrial properties, parking- lots, recreational and cultural facilities, hotels, offices, churches, condominium associations, and multifamily facilities of five (5) units or more.

Person: Any individual, corporation, partnership, association, company, business, trust, joint venture, or other legal entity.

Residential property: Developed property containing at least one but no more than four (4) residences or dwelling units and accessory uses related to but subordinate to the purpose of providing a permanent dwelling facility. Such property shall include, but not be limited to, houses, duplexes, triplexes, guadroplexes, townhouses, and mobile homes.

Storm sewer or *storm drain:* A sewer which carries stormwaters, surface runoff, street wash waters, and drainage, but which does not carry sanitary sewage.

Stormwater management code: Chapter 41.1 of the code of the City of Norfolk, Virginia.

Stormwater runoff: That part of precipitation that travels over natural, altered, or impervious surfaces to the nearest stream, channel, conduit or impoundment and appears in surface waters.

Stormwater system: All facilities, structures, and natural watercourses used for collecting and conveying stormwater to, through, and from drainage areas to the points of final outlet including, but not limited to, the following: streets, curbs and gutters, inlets, conduits and appurtenant features, canals, creeks, channels, catch basins, ditches, drains, sewers, streams, gulches, gullies, flumes, culverts, siphons, retention or detention basins, dams, floodwalls, levees, pumping stations, and wetlands.

Undeveloped property: Any parcel which has not been altered from its natural state to disturb or alter the topography or soils on the property in a manner which substantially reduces the rate of infiltration of stormwater into the earth.
(Ord. No. 38,344, § 1, 5-14-96; Ord. No. 49,648, § 1, 6-25-24, eff. 7-1-24)

Sec. 41.1-2. Violations of chapter.

Any person who violates any provision of this chapter or any regulation promulgated pursuant to authority granted in this chapter shall be guilty of a class 1 misdemeanor. Each day of violation shall constitute a separate offense. In addition to any penalty imposed for each violation, a judge hearing the case may direct the person responsible for the violation or the property owner to correct the violation and each days default in such correction shall constitute a violation of and a separate offense under this section.
(Ord. No. 38,344, § 1, 5-14-96)

Sec. 41.1-3. General responsibilities of director.

The director of public works shall be responsible for the use, management, operation and maintenance of the stormwater system as prescribed by this chapter. He shall have authority to establish procedures and to enforce regulations pertaining to the stormwater system.
(Ord. No. 38,344, § 1, 5-14-96)

Sec. 41.1-4. Pollution of the stormwater system.

(a) It shall be unlawful for any person to put, throw, place or deposit, or allow to be put, thrown, placed or deposited, any filth, animal or vegetable matter, chips, compost, construction debris, shavings, or any other substance or pollutant whether solid or liquid in the stormwater system or place or dispose of such material or substance in an area which drains into the stormwater system.

(b) It shall be unlawful for any person to pour or discharge, or to permit to be poured or discharged, or to deposit, so that the same may be discharged, any gasoline, oil waste, antifreeze, or other automotive, motor or equipment fluids into the stormwater system.

(c) It shall be unlawful for any commercial, industrial, or manufacturing entity to discharge process water, wash water, or unpermitted discharge into the stormwater system.

(d) It shall be unlawful for any person to throw, place or deposit, or cause to be thrown, placed or deposited, in any gutter, ditch, storm drain or other drainage area in the city, anything that impedes or interferes with the free flow of stormwater therein.

(e) It shall be unlawful for any person to discharge chlorinated swimming pool water into the stormwater system.
(Ord. No. 38,344, § 1, 5-14-96)

Sec. 41.1-5. Failure to install or maintain stormwater best management practice.

It shall be unlawful to neglect or fail to install or maintain a stormwater best management practice as shown on an approved site plan where the stormwater best management practice has been reviewed and approved by the stormwater management division of the department of public works.
(Ord. No. 38,344, § 1, 5-14-96)

Sec. 41.1-6. Swimming or entering stormwater retention ponds, storm sewers or storm drains.

It shall be unlawful for any person to enter or swim in any stormwater retention pond, storm sewer or storm drain. This section shall not apply to city personnel in the performance of their duties.
(Ord. No. 40,696, § 1, 5-14-02)

Secs. 41.1-7—41.1-20. Reserved.

ARTICLE II. STORMWATER MANAGEMENT FEES

Sec. 41.1-21. Findings, intent and authority.

(a) The Federal Clean Water Act requires the city to implement a stormwater management program based on regulations and requirements published by the United States Environmental Protection Agency.

(b) The city is authorized by the State Code of Virginia to construct, reconstruct, improve and extend a stormwater utility system and to issue revenue bonds, if needed, to finance in whole or in part the cost of such system and to establish just and equitable rates, fees and charges for the services and facilities provided by the system.

(c) It is necessary and essential that the city provide for effective management ad financing of a stormwater system within the city, to provide a mechanism for mitigating the damaging effects of stormwater runoff on our environment, to improve the public health, safety and welfare by providing for the safe and efficient capture and conveyance of stormwater runoff, improvement of water quality and the correction of stormwater problems.

(d) Stormwater runoff is associated with all developed properties in the city, whether residential or nonresidential and the volume of each individual property's stormwater runoff is determined by the amount of impervious surface on the property.
(Ord. No. 38,344, § 1, 5-14-96)

Sec. 41.1-22. Classification of properties.

(a) For the purpose of determining the stormwater management fee, all properties in the city shall be classified by the director into one of the following categories:

(1) Residential.

(2) Nonresidential.

(3) Undeveloped.

(4) Exempt.

(b) The director shall determine impervious area for nonresidential property accounts considering data supplied by the real estate assessor, other city staff and/or the property owner's certified land surveyor or professional engineer. The director may require additional information from the owner as necessary to make such a determination. The assessed stormwater management fee shall be updated by the director based on any change in impervious area.

(c) The stormwater management fee for vacant developed property, both residential and nonresidential, shall be the same as that for occupied property of the same class.

(d) Undeveloped property shall be exempt from the stormwater management fee.
(Ord. No. 38,344, § 1, 5-14-96)

Sec. 41.1-23. Stormwater management fees.

(a) The following stormwater management fees are hereby authorized:

Type of Account	*Daily Rate*	*Effective Date*
Residential Accounts	$0.452	July 1, 2023
Nonresidential Accounts	$0.452 per 2,000 square foot of impervious area	July 1, 2023

For residential accounts that are active as of July 1, 2023, the rate will increase on July 1, 2023, so that the rate will be $0.452 per day. For nonresidential accounts, the rate will increase on July 1, 2023, to $0.452 per day per two thousand (2,000) square feet of impervious surface. Rates will be calculated by rounding to the nearest two thousand (2,000) square feet of impervious area with a minimum bill based on two thousand (2,000) square feet. Annual increases of four percent (4%) over the previous year's stormwater rate for residential and nonresidential accounts will begin July 1 of each year, until amended.

In addition to the above daily rates, the residential stormwater charge shall be one dollar ($1.00) per month per account and the nonresidential stormwater charge shall be one dollar ($1.00) per month per two thousand (2,000) square feet of impervious surface.

(b) All charges for this service shall be assessed to the property owner or occupant. If the occupant is a tenant and the party to whom the water and sewer service is billed, the charges may be assessed to the tenant. Assessed charges, or stormwater management fees, shall be paid periodically in accordance with promulgated regulations.

(c) When new properties are brought into the utility system, fees will accrue commencing with either the issuance of a valid building permit or upon completion of any construction which contributes impervious surface area where no certificate is issued or required for such construction.

(d) In the event of alteration or addition to a nonresidential property which alters the amount of impervious surface area, the stormwater management fees will be adjusted upon either the release of the final building inspection or upon completion of the construction, whichever occurs first, and the adjustment will be reflected in the next billing cycle prorated on a daily basis.

(e) Petitions for adjustments of the stormwater fees for residential and nonresidential properties shall be submitted to the director of public works, who shall be given authority to administer

the procedures and standards and review criteria for the adjustment of fees as established herein.

(f) As required by Section 15.2-2114 of the Code of Virginia, 1950, as amended, the director of public works shall provide for adjustments in the form of full or partial waivers of stormwater management fees under the following circumstances:

(1) *Full waivers:* Full waivers will be granted to any federal, state or local government, or public entity that holds a permit to discharge stormwater from a municipal separate storm sewer system, except that the waiver shall apply only to property covered by any such permit; and to all public roads and street rights-of-way that are owned and maintained by state or local agencies, including property rights-of-way acquired through the acquisitions process.

(2) *Partial waivers:* Partial waivers will be granted when a property owner installs, operates, and maintains a stormwater management facility that achieves a permanent reduction in stormwater flow or pollutant loadings. Partial waivers shall be based on the percentage reduction in stormwater flow and pollutant loadings from pre-installation to post-installation of the facility. The maximum reduction shall be no more than (60%) of the pre-installation fee. No person shall qualify for a waiver unless a stormwater permit from the Department of Environmental Quality has been obtained if such permit is required by statute or regulation.

(3) *Residential partial waivers:* Residential partial waivers will be granted for the following storm water management facilities of the required dimensions:

a. Rain barrels and cisterns, 10% credit (minimum drainage area 300 square feet);

b. Grass swale, 10% credit (minimum drainage area 500 square feet);

c. Buffer area, 10% credit (no minimum square feet requirement);

d. Nutrient management plan, 10% credit (minimum drainage area 100% of the site);

e. Bioswale, 20% credit (minimum drainage area 500 square feet);

f. Rain garden, 20% credit (minimum drainage area square 500 square feet);

g. Permeable pavement with undertrain, 20% credit (minimum drainage area 300 square feet);

h. Rooftop disconnect with soil amendments, 20% credit (minimum drainage area 300 square feet);

i. Green roof, 50% credit (minimum drainage area 800 square feet);

j. Living shoreline, 50% credit (no minimum drainage area requirement);

(4) *Non-residential partial waivers:* Non-residential property waivers will be granted when a non-residential property owner installs a storm water management facility that reduces runoff pollution from the site. In order to qualify for a waiver, the design and related calculations of the facility must be developed by a professional engineer or survey licensed to practice in Virginia. The percent fee reduction for non-residential partial waivers will be computed to the nearest percent using the following formula: % fee reduction = (% storm water management efficiency rating) multiplied by (area served by storm water management facility in acres/total site area)

(5) *Definitions:*

Green roof means the roof of a building that is partially or completely covered with vegetation and a growing medium, planted over a waterproof membrane.

Living shoreline means a shoreline protection option allowing for natural coastal processes to remain through the

strategic placement of plants, stone, sand, fill and other structural and organic materials.

Municipal separate storm sewer means a facility which has been shown to be effective in helping to remove pollutants from stormwater runoff.

Nutrient management plan means a program designed to manage the amount, source, placement, form and timing of the application of nutrients and soil amendments.

Permeable pavement with underdrain means pervious pavement such as concrete blocks, grid pavers, or pervious concrete or asphalt with a stone reservoir underneath. Gravel is not considered pervious pavement.

Rain garden means a landscaped area slightly below ground level that captures and filters stormwater runoff from a roof or other impervious (paved) surface.

Rooftop/downspout disconnect means a system of separating roof downspouts from the storm system and redirecting roof runoff onto pervious surfaces where soil amendments have been applied, most commonly a lawn.

Stormwater management facility means a facility which has been shown to be effective in helping to remove pollutants from stormwater runoff.

(6) *Review and inspection:*

a. The city will review each storm water management facility granted a partial waiver on a regular basis to determine whether the facility still meets the criteria for a waiver. The city will revoke a waiver if the facility no longer meets the criteria.

b. Owners receiving partial waivers must complete annual inspections of their storm water management facilities. Owners must document the results of their inspection and provide them to the city. Such documents must include a photo of the facility and a written summary of any discrepancies with the facility and the actions taken to correct them. The inspections must be submitted to the division no later than June 1 of each year and will be retained by the division. Failure to submit the annual inspection will void the rate reduction starting on July 1 of that year.

(7) *Adoption of Stormwater Fee Reduction Manual:*

a. The City of Norfolk Stormwater Fee Reduction Manual, including any appendices, referenced standards, indexes and forms is attached to this ordinance and hereby adopted for purposes of granting waivers pursuant to this Code section.

(Ord. No. 38,344, § 1, 5-14-96; Ord. No. 38,403, § 1, 5-28-96; Ord. No. 42,277, § 10, 5-16-06; Ord. No. 42,662, § 21, 5-15-07; Ord. No. 44,695, § 10, 5-22-12; Ord. No. 44,695, § 10, 5-22-12; Ord. No. 45,084, § 22, 5-14-13, eff. 7-1-13; Ord. No. 46,629, § 1, 11-15-16; Ord. No. 47,636, § 17, 5-14-19, eff. 7-1-19; Ord. No. 47,999, § 20, 5-19-20, eff. 7-1-20; Ord. No. 49,220, § 18, 6-13-23, eff. 7-1-23)

Editor's note—The Stormwater Fee Reduction Manual, referenced above, is not set out herein, but is on file and available for inspection in the city offices.

Sec. 41.1-24. Stormwater utility fund.

There shall be established a stormwater utility fund for the deposit of all fees collected pursuant to this article. The fund will be used exclusively to provide services and facilities related to the stormwater management system. The deposited monies shall be used for the following expenditures:

(1) Operation, maintenance, and repair of the stormwater system;

(2) Costs for the evaluation, design, construction management, and construction of major and minor structural replacements, improvements, and extensions of the stormwater system;

(3) Administrative and overhead costs related to the management of the stormwater system;

(4) Management services such as permit review and planning and development review related to the stormwater system;

(5) Debt service financing of capital projects related to the stormwater system; and

(6) Establishment of reasonable operating and capital reserves to meet unanticipated or emergency requirements of the utility system.

(Ord. No. 38,344, § 1, 5-14-96)

Sec. 41.1-25. Virginia Erosion and Stormwater Management Program fees.

The following fees are assessed to an applicant applying for coverage under the Virginia Erosion and Stormwater Management Program (VESMP) Authority Permit. All required fees shall be paid by the applicant to the City of Norfolk prior to the issuance of the coverage under the VESMP Authority Permit.

(a) *VESMP Authority Permit issuance fee:* When a site or sites are purchased for development within a previously-permitted common plan of development or sale, the applicant shall pay fees in accordance with the disturbed acreage of the site or sites according to the following table:

Fee Type	*Permit Fee*
Land-Disturbing Activity in a Chesapeake Bay Preservation Area (not subject to General Permit coverage; sites within designated areas of Chesapeake Bay Act localities with land-disturbance acreage equal to or greater than 2,500 square feet and less than one acre)	$290.00
General/Stormwater Management—Small Construction Activity/Land-Disturbing Activity in a Chesapeake Bay Preservation Area (not subject to General Permit coverage)/Land Clearing (Single-family detached residential structure within or outside a common plan of development or sale with land-disturbance acreage less than 5 acres	$209.00
General/Stormwater Management—Small Construction Activity/Land Clearing (Areas within common plans of development or sale with land-disturbance acreage less than 1 acre, except for single-family detached residential structures)	$450.00
General/Stormwater Management—Small Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance equal to or greater than 1 acre and less than 5 acres)	$4,100.00
General/Stormwater Management—Large Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance acreage equal to or greater than 5 acres and less than 10 acres)	$5,100.00
General/Stormwater Management—Large Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance acreage equal to or greater than 10 acres and less than 50 acres)	$6,800.00
General/Stormwater Management—Large Construction Activity/Land Clearing (Sites or areas within common plans or sale with land-disturbance acreage equal to or greater than 50 acres and less than 100 acres)	$9,100.00
General/Stormwater Management—Large Construction Activity/Land Clearing (Sites or areas within common plans or development or sale with land-disturbance acreage equal to or greater than 100 acres)	$14,300.00

The city shall remit the following administrative portion of the VESMP Authority Permit issuance fees, based on land disturbance associated with the site, to the Department of Environmental Quality (DEQ), on a routine basis:

Fee Type	*DEQ Fee*
Land-Disturbing Activity in a Chesapeake Bay Preservation Area (not subject to General Permit coverage; sites within designated areas of Chesapeake Bay Act localities with land-disturbance acreage equal to or greater than 2,500 square feet and less than one acre)	$0.00

Fee Type	*DEQ Fee*
General/Stormwater Management—Small Construction Activity/Land-Disturbing Activity in a Chesapeake Bay Preservation Area (not subject to General Permit coverage)/Land Clearing (Single-family detached residential structure within or outside a common plan of development or sale with land-disturbance acreage less than 5 acres)	$0.00
General/Stormwater Management—Small Construction Activity/Land Clearing (Areas within common plans of development or sale with land-disturbance acreage less than 1 acre, except for single-family detached residential structures)	$135.00
General/Stormwater Management—Small Construction Activity/Land Clearing (Sites or areas within common plans or development or sale with land-disturbance acreage equal to or greater than 1 acre and less than 5 acres)	$1,230.00
General/Stormwater Management—Large Construction Activity/Land Clearing (Site or areas within common plans of development with land-disturbance acreage equal to or greater than 5 acres and less than 10 acres)	$1,530.00
General/Stormwater Management—Large Construction Activity/Land Clearing (Sites or areas with land-disturbance acreage equal to or greater than 10 acres and less than 50 acres)	$2,040.00
General/Stormwater Management—Large Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance acreage equal to or greater than 50 acres and less than 100 acres)	$2,730.00
General/Stormwater Management—Large Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance acreage equal to or greater than 100 acres)	$4,290.00

(b) *VESMP Authority Permit modification or transfer fee:* The following fees apply to modifications or transfers of individual permits or registration statements for the General Virginia Pollutant Discharge Elimination System (VPDES) Permit for Discharges of Stormwater issued by DEQ. If the permit modifications result in changes to the storm water management plans that require additional review by the city, such reviews shall be subject to the fees set out in this section. The fee assessed shall be based on the total disturbed acreage of the site. In addition to the permit modification fee, modifications resulting in an increase in total disturbed acreage shall pay the difference in the initial permit fee paid and the permit fee that would have applied for the total disturbed acreage in section (a) above.

Fee Type	*Permit Fee*
General/Stormwater Management—Small Construction Activity/Land-Disturbing Activity in a Chesapeake Bay Preservation Area (not subject to General Permit coverage)/Land Clearing (Single-family detached residential structure within or outside a common plan of development or sale with land-disturbance acreage less than 5 acres)	$20.00
General/Stormwater Management—Small Construction Activity/Land Clearing (Areas within common plans of development or sale with land-disturbance acreage less than 1 acre, except for single-family detached residential structures)	$20.00
General/Stormwater Management—Small Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance acreage equal to or greater than 1 acre and less than 5 acres)	$320.00
General/Stormwater Management—Large Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance acreage equal to or greater than 5 acres and less than 10 acres)	$400.00
General/Stormwater Management—Large Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance acreage equal to or greater than 10 acres and less than 50 acres)	$480.00
General/Stormwater Management—Large Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance acreage equal to or greater than 50 acres and less than 100 acres)	$720.00
General/Stormwater Management—Large Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance acreage equal to or greater than 100 acres)	$1,120.00

(c) *VESMP Authority Permit annual maintenance fee:* The following annual permit maintenance fees shall apply to each permit identified below, including expired permits that have been administratively continued. With respect to the General VPDES Permit for Discharges of Stormwater from Construction Activities assessed by the city as the VESMP Authority, these fees shall apply until the permit coverage is terminated. The following annual maintenance fees shall be assessed on the permit anniversary date and based on the land-disturbance activity of the site:

Fee Type	*Permit Fee*
Land-Disturbing Activity in a Chesapeake Bay Preservation Area (not subject to General Permit coverage; sites within designated areas of Chesapeake Bay Act localities with land-disturbance acreage equal to or greater than 2,500 square feet and less than 1 acre)	$80.00
General/Stormwater Management—Small Construction Activity/Land Clearing (Areas within common plans of development or sale, with land-disturbance acreage less than one acre, except for single-family detached residential structures)	$80.00
General/Stormwater Management—Small Construction Activity/Land-Disturbing Activity in a Chesapeake Bay Preservation Area (not subject to General Permit coverage)/Land-Clearing (Single-family detached residential structure within or outside a common plan of development or sale with land-disturbance acreage less than 5 acres)	$80.00
General/Stormwater Management—Small Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance equal to or greater than 1 acre and less than 5 acres)	$650.00
General/Stormwater Management—Large Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance acreage equal to or greater than 5 acres and less than 10 acres)	$800.00
General/Stormwater Management—Large Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance acreage equal to or greater than 10 acres and less than 50 acres)	$1,050.00
General/Stormwater Management—Large Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance acreage equal to or greater than 50 acres and less than 100 acres)	$1,450.00
General/Stormwater Management—Large Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance acreage equal to or greater than 100 acres)	$2,250.00

(d) *Virginia Erosion and Stormwater Management Program Fund:* The fees collected for the VESMP Authority Permit shall be deposited in the stormwater utility fund and shall be used exclusively to provide services and facilities related to the administration and implementation of the VESMP Authority Permit compliance. The deposited monies shall be used for the following expenditures:

(1) Costs associated with the administration and implementation of the VESMP Authority Permit.

(2) Costs associated with erosion and sediment control and storm water management site plan review.

(3) Costs associated with erosion and sediment control, construction and post-construction storm water best management practice and VESMP Authority Permit compliance inspections.

(4) Administrative, accounting and overhead costs related to tracking and reporting the VESMP.

Chapter 41.2

VIRGINIA EROSION AND STORMWATER MANAGEMENT PROGRAM*

§ 41.2-1. Adoption of the City of Norfolk Stormwater Design and Construction Manual.
§ 41.2-2. Violations.
§ 41.2-3. Enforcement.
§ 41.2-4. Right of entry.
§ 41.2-5. Monitoring, reports, investigations, inspections, and stop work orders.
§ 41.2-6. Information to be furnished.
§ 41.2-7. Civil penalties, injunctions and other legal actions.

*__Editor's note—__Ord. No. 49,646, § 1, adopted June 25, 2024, effective July 1, 2024, amended the title of Ch. 41.2 to read as herein set out. The former Ch. 41.2 title pertained to Virginia Stormwater Management Program.

__Cross references—__Erosion and sediment control, Ch. 15; stormwater management, Ch. 41.1.

Sec. 41.2-1. Adoption of the City of Norfolk Stormwater Design and Construction Manual.

The City of Norfolk Stormwater Design and Construction Manual, including any appendices, referenced standards, indexes and forms is hereby adopted for use in the development, design and construction of projects which impact stormwater runoff and soil erosion. It shall be unlawful for any person to fail to comply with the requirements and regulations in this chapter and the referenced manual. A copy of the manual shall be kept in the department of city planning.
(Ord. No. 45,534, § 1, 5-13-14, eff. 7-1-14; Ord. No. 49,644, § 1, 6-25-24, eff. 7-1-24; Ord. No. 49,646, § 2, 6-25-24, eff. 7-1-24; Ord. No. 50,343, § 2(Exh. A), 4-28-26)

Sec. 41.2-2. Violations.

Any person violating any provisions of this chapter, including the referenced manual, shall be guilty of a Class I misdemeanor. Each day of violation shall constitute a separate offense. In addition to any penalty imposed for each violation, a judge hearing the case may order that the violation be corrected. Each day's default in such correction shall constitute a separate offense. Criminal penalties for willful or knowing violations shall be as provided for in Virginia Code section 62.1-44.15:48.
(Ord. No. 45,534, § 1, 5-13-14, eff. 7-1-14)

Sec. 41.2-3. Enforcement.

The director of the department of city planning, or his designee ("administrator"), shall administer the regulatory program set forth in this chapter and the referenced manual.

Any law enforcement officer, fire marshal or any of his assistants, or sworn special police officer, is authorized and shall have authority to enforce all provisions of this chapter.
(Ord. No. 45,534, § 1, 5-13-14, eff. 7-1-14; Ord. No. 49,646, § 3, 6-25-24, eff. 7-1-24)

Sec. 41.2-4. Right of entry.

The administrator, or his designee, may, at reasonable times and under reasonable circumstances, enter any establishment or upon any property, public or private, for the purpose of obtaining information or conducting surveys or investigations necessary in the enforcement of the provisions of this chapter.

In accordance with a performance bond with surety, cash escrow, letter of credit, any combination thereof, or such other legal arrangement, the administrator, or his designee, may also enter any establishment or upon any property, public or private, for the purpose of initiating or maintaining appropriate actions that are required by the permit conditions associated with a land-disturbing activity when a permittee, after proper notice, has failed to take acceptable action within the time specified.
(Ord. No. 45,534, § 1, 5-13-14, eff. 7-1-14)

Sec. 41.2-5. Monitoring, reports, investigations, inspections, and stop work orders.

(a) The administrator or his designee (i) may undertake periodic inspections of the installation of stormwater management measures, (ii) may require monitoring and reports from the person responsible for meeting the permit conditions to ensure compliance with the permit and to determine whether the measures required in the permit provide effective stormwater management, and (iii) may conduct such investigations and perform such other actions as are necessary to carry out the provisions of this chapter.

(b) If the city determines that there is a failure to comply with the permit or plan conditions, notice shall be provided to the permittee or person responsible for carrying out the permit conditions by mailing to the address specified in the permit application, by delivery at the site of the development activities to the agent or employee supervising such activities or by posting on the property. The notice shall specify the measures needed to comply with the permit conditions and shall specify the time within which such measures shall be completed. Upon failure to comply within the time specified, a stop work order may be issued or the permit may be revoked. However, if the city finds any such violation is grossly affecting or presents an

imminent and substantial danger of causing harmful erosion of lands or sediment deposition in waters within the watersheds of the commonwealth or otherwise substantially impacting water quality, it may issue, without prior notice, an emergency order directing such person to cease immediately all land-disturbing activities on the site.

(c) If a permittee fails to comply with a notice issued in accordance with subsection (b) within the time specified, the city may issue an order requiring the owner, permittee, person responsible for carrying out an approved plan, or person conducting the land-disturbing activities without an approved plan or required permit to cease all land-disturbing activities until the violation of the permit has ceased, or an approved plan and required permits are obtained, and specified corrective measures have been completed.
(Ord. No. 45,534, § 1, 5-13-14, eff. 7-1-14)

Sec. 41.2-6. Information to be furnished.

The administrator, or his designee may require every permit applicant, every permittee, or any person subject to permit requirements under this chapter to furnish when requested such application materials, plans, specifications, and other pertinent information as may be necessary to determine the effect of his discharge on the quality of state waters, or such other information as may be necessary to accomplish the purposes of this chapter. It shall be unlawful for any person to submit or cause to be submitted any false, fictitious, untrue or misleading statement or information in any report, document, application or written material required to be submitted.
(Ord. No. 45,534, § 1, 5-13-14, eff. 7-1-14)

Sec. 41.2-7. Civil penalties, injunctions and other legal actions.

In addition to the penalties set forth in section 41.2-2 of this chapter, the city may also pursue civil penalties, injunctions, and other legal actions pursuant to the provisions of Virginia Code sections 62.1-44.15:42 and 62.1-44.15:38 for any violations of this chapter, and the referenced manual.
(Ord. No. 45,534, § 1, 5-13-14, eff. 7-1-14)

Chapter 42

STREETS AND SIDEWALKS*

Article I. In General

§ 42-1. Violations of chapter generally.
§ 42-2. Certain ordinances relating to streets not affected by Code.
§ 42-3. Streets not to be improved until accepted by council.
§ 42-4. Erecting or maintaining improper street name signs or markers.
§ 42-5. Sidewalk improvements—Assessments for.
§ 42-6. Same—Paving generally.
§ 42-7. Same—Repaving with more expensive material at request of abutting owner.
§ 42-8. Same—Paving by private persons.
§ 42-9. Driveway permits.
§ 42-9.1. Maintenance of accessways.
§ 42-10. Encroachments and obstructions generally:
§ 42-10.1. Administrative approval of certain minor installations in the right-of-way.
§ 42-11. Obstructing by gates and doors.
§ 42-12. Posts on streets; wooden framework or covering across sidewalks.
§ 42-12.1. Installation of outdoor dining areas.
§ 42-13. Placing goods, wares, show cases, etc., on sidewalks.
§ 42-14. Obstructing passage for purpose of making sale.
§ 42-15. Sales, solicitations and distribution of commercial advertising matter prohibited on certain streets and sidewalks.
§ 42-16. Reserved.
§ 42-17. Installation of flag sockets.
§ 42-18. Excavations—Permit and deposit.
§ 42-19. Same—Backfilling.
§ 42-20. Same—Warning lights.
§ 42-20.1. Obstructing gutters or drains generally.
§ 42-20.2. Fill permit; required when filling or grading areas.
§ 42-20.3. Filling of Chesapeake Bay Preservation Areas.
§ 42-21. General responsibility to pay for damaging sidewalks.
§ 42-22. Damage to street or sidewalk by private sewer, drain or underground utility.
§ 42-23. Closing defective private sewer, drain or underground utility.
§ 42-24. Deposit or transportation of liquid waste on street.
§ 42-25. Protection of pavement from spilling or dripping petroleum product or other liquid.
§ 42-26. Water from building roof to be conducted under sidewalk.
§ 42-27. Wetting sidewalk by persons washing store fronts or windows.

State law reference—General authority of city relative to streets and sidewalks, Code of Virginia, §§ 15.1-363—15.1-426, 15.1-888 et seq.

§ 42-28. Registration and bond of persons using scaffolds or other devices over streets in business of cleaning buildings.
§ 42-29. Cleaning buildings located on streets by sand blast method.
§ 42-30. Protection of pedestrians from dripping paint.
§ 42-31. Duty of persons selling from vehicles to keep adjacent street and sidewalk clean.
§ 42-32. Duty of owner or occupant of abutting land to keep sidewalk clean and free from grass and weeds.
§ 42-33. Reserved.
§ 42-34. Removal of snow from sidewalks—By owners or occupants of abutting property.
§ 42-35. Same—By director of public works.

Article I-A. Vendors

§ 42-36. Definitions.
§ 42-37. Designated locations.
§ 42-38. Locations limited.
§ 42-39. Vendor license requirements.
§ 42-40. Health and fire safety permits.
§ 42-41. Display of licenses and permits.
§ 42-42. Compliance with food safety regulations.
§ 42-43. Hours of operation.
§ 42-44. Operational requirements for all vendors.
§ 42-45. Operational requirements for vendors using pushcarts and stands.
§ 42-46. Operational requirements for food truck vendors.
§ 42-47. Operational requirements for ice cream truck vendors.
§ 42-48. Special events.
§ 42-49. Enforcement.
§ 42-50. Penalties.
§ 42-51. Seizure.
§ 42-51.1. Reserved.

Article II. Utility Poles, Wires and Conduits In, Over or Under Streets

Division 1. Generally

§ 42-52. Definitions.
§ 42-53. General duties of city right-of-way administrator of division of right-of-way.
§ 42-54. Poles and wires installed prior to 1919.
§ 42-55. Franchise and permit required for installation.
§ 42-56. Suspension of permits and franchises for violation of article or other applicable ordinances or regulations; discontinuance of current in emergencies.
§ 42-57. District for underground wires—Designated.
§ 42-58. Same—Certain poles and wires prohibited.
§ 42-59. Permit application and bond for conduits; use of conduits for municipal wires.
§ 42-60. Manholes for conduits—Generally.
§ 42-61. Same—Precautions to be taken when uncovered.
§ 42-62. Utility cut permit fee.
§ 42-63. Sidewalk repair fee; plumber's cut fee.
§ 42-64. Payment of permit fee prerequisite to grant of permit to install.
§ 42-65. Conditions of permits.
§ 42-66. Relocation or removal of facilities.
§§ 42-67—42-72. Reserved.

Division 2. Poles

§ 42-73. Application of division.
§ 42-74. Application for permit to install.
§ 42-75. General prerequisites to grant of permit to install.
§ 42-76. Payment of inspection fee prerequisite to grant of permit to install.
§ 42-77. Permit to renew or change position.
§ 42-78. Conditions of permits.
§ 42-79. Revocation of permit.
§ 42-80. Authority of city right-of-way administrator to prohibit installation.
§ 42-81. Commencing installation deemed assent to terms, conditions, etc., of permit and ordinances.
§ 42-82. Preparation prior to installation.
§ 42-83. Identification.
§ 42-84. Minimum distance between poles in same block on same side of street.
§ 42-85. Reserved.
§ 42-86. Uniformity of height.
§ 42-87. Removal of excess space at top.
§ 42-88. Minimum height of wires and cables above street.
§ 42-89. Attaching wires or cables to, or running them through, trees.
§ 42-90. Insulation of guy wires.
§ 42-91. Grounding of guys attached to wood poles.
§ 42-92. Joint use generally.
§ 42-93. City's right to use.
§ 42-94. Limitations as to crossarms on poles not in joint use.
§ 42-95. Map showing location of poles.
§ 42-96. Duty of owners of certain poles as to linemen and cut-off switches.
§ 42-97. Removal of abandoned wires or cables.
§ 42-98. Removal of abandoned poles.
§ 42-99. Removal of dangerous, etc., poles.
§ 42-100. Effect of acceptance of street by council after pole installed.
§§ 42-101—42-116. Reserved.

Division 3. Escape of Electric Current

§ 42-117. Violations of division.
§ 42-118. Required precautions generally.
§§ 42-119, 42-120. Reserved.
§ 42-121. Liability for damages occasioned by electrolysis.
§§ 42-122—42-137. Reserved.

Article III. Street and Sidewalk Vaults

Division 1. Generally

§ 42-138. "Vault" defined.
§ 42-139. Compliance with article and other applicable ordinances.
§ 42-140. Violations of article.
§ 42-141. Supervision and approval of construction.
§ 42-142. Safety precautions during construction.
§ 42-143. Interference with sewer or water pipes, fire hydrants, etc.
§ 42-144. Paving of sidewalk over vault.
§ 42-145. Lifts and elevators and openings therefor.
§ 42-146. Covers for openings.
§ 42-147. Sidewalk repairs.
§ 42-148. Change in grade of sidewalk.

§ 42-149. Changes when adjacent street widened.
§ 42-150. Prohibited equipment, appliances, etc.
§ 42-151. Maintenance or use does not vest title in owner of abutting land or affect city's rights.
§ 42-152. City not liable for losses, damages, etc., resulting from construction, maintenance or use.
§ 42-153. Installation of public work in, under or through vault.
§ 42-154. Right of entry of city agents and employees.
§§ 42-155—42-170. Reserved.

Division 2. Permit to Construct, Maintain or Use

§ 42-171. Required.
§ 42-172. Application.
§ 42-173. Not to be granted if vault interferes with public utility or work.
§ 42-174. Approval of plans and specifications as prerequisite to grant.
§ 42-175. Abutting owner's agreement as prerequisite to grant.
§ 42-176. Bond or liability insurance as prerequisite to grant.
§ 42-177. To be granted subject to provisions of article.
§ 42-178. Revocation—Generally.
§ 42-179. Same—Vault to be closed, fixtures, etc., removed and street or sidewalk restored.
§§ 42-180—42-195. Reserved.

Article IV. Street Numbers for Buildings

§ 42-196. Compliance with article; general duties of director of public works under article.
§ 42-197. Division of city into blocks; base lines—Generally.
§ 42-198. Same—Berkley.
§ 42-199. Blocks and parcels in each block to be numbered consecutively.
§ 42-199.1. Special provisions as to certain parcels of property located in the Subdivision of Crown Point, Section Two.
§ 42-200. Odd and even numbers.
§ 42-201. Special provisions as to certain buildings.
§ 42-202. Duty of owner to apply for and display number.
§ 42-203. Display of number other than one assigned.
§§ 42-204—42-210. Reserved.

Article V. Vacation of Public Streets or Alleys

§ 42-211. Fee for processing application.
§ 42-212. Sale of public street or alleys.
§ 42-213. Public hearing required before the vacation of any public street or alley.

ARTICLE I. IN GENERAL

Sec. 42-1. Violations of chapter generally.

Unless otherwise provided, a violation of any provision of this chapter shall constitute a Class 4 misdemeanor.

Sec. 42-2. Certain ordinances relating to streets not affected by Code.

Nothing in this Code or the ordinance adopting this Code shall affect the validity of any ordinance opening, accepting, dedicating, vacating or naming any street, or providing the grade or location of any street or providing for the improvement thereof, and all such ordinances are hereby recognized as continuing in full force and effect to the same extent as if set out at length in this Code.

Sec. 42-3. Streets not to be improved until accepted by council.

It shall be unlawful for any person to grade, pave, light, clean or otherwise improve, at the expense of the city, any street dedicated to the public by any owners of private property, unless the same shall have been accepted by the council and, under its direction, laid out by the director of public works.
(Code 1958, § 45-1)

Sec. 42-4. Erecting or maintaining improper street name signs or markers.

It shall be unlawful for any person to erect, place or maintain, or cause to be erected, placed or maintained, any sign, plate or marker for the purpose of designating, and designating, any public street, alley or lane in the city by any name other than the proper name of such street, alley or lane, as shown by the official records of the department of public works.
(Code 1958, § 45-37)

Sec. 42-5. Sidewalk improvements—Assessments for.

The assessment upon the abutting property owner or owners when making, constructing, improving, replacing or enlarging walkways or sidewalks shall be measured by the peculiar benefits to such abutting property owner or owners resulting from the improvements but in no event more than eight dollars ($8.00) per lineal foot.
(Code 1958, § 45-2.1; Ord. No. 30,257, § 1, 1-8-80)

Cross reference—Cancellation or correction of erroneous assessments for installation of sidewalks, § 16-36.

Sec. 42-6. Same—Paving generally.

The director of public works shall, subject to review by the city council, determine the material with which sidewalks shall be paved, the width to be paved, the kind of foundation to be used for the pavement and any other matter material to such paving.
(Code 1958, § 45-4)

Sec. 42-7. Same—Repaving with more expensive material at request of abutting owner.

Whenever the director of public works shall, in keeping the sidewalks in repair, find it necessary to repave the same, and the owner of any property abutting on the sidewalk desires to have a more expensive sidewalk than that proposed, then the director shall, if he deems it expedient, put down the more expensive sidewalk; provided, that such owner shall first pay to the city treasurer the difference between the cost of the sidewalk proposed and the more expensive sidewalk desired by such owner, which amount shall be placed to the credit of the account from which the repaving of the sidewalk is to be paid.
(Code 1958, § 45-3)

Sec. 42-8. Same—Paving by private persons.

No person, except duly authorized employees or agents of the city, shall pave a sidewalk within the city without first obtaining a permit from the director of public works, which permit shall designate the material and foundation to be used, the width of the pavement and such other

matters as may be material. Such paving shall be done under the supervision of the director of public works.
(Code 1958, § 45-5)

Sec. 42-9. Driveway permits.

(a) No person shall construct or rehabilitate a driveway to or from a city street without first obtaining a permit therefor from the director of public works.

(b) The director of public works shall issue a permit for any such driveway not exceeding thirty (30) feet in width if the same meets with his approval; provided, however, that with the consent of the city manager, he shall issue a permit for a driveway exceeding thirty (30) feet in width, if and when he shall deem such driveway appropriate.

(c) For the issuance of such a permit, the applicant shall pay to the city the following fees:

(1)	For the construction of one or more commercial driveways on one site, per driveway	$ 315.00
(2)	For the rehabilitation of one or more commercial driveways on one site, per driveway	20.00
(3)	For the construction or rehabilitation of one or more residential driveways on one site having two (2) or fewer dwelling units, per driveway	45.00
(4)	For the construction of one or more driveways on one site having more than two (2) dwelling units, per driveway	50.00
(5)	For the rehabilitation of one or more driveways on one site having more than two (2) dwelling units, per driveway	20.00

(d) All such driveways shall be constructed under the supervision of the director of public works subject to such conditions as he may prescribe as to materials used and manner of construction, and all paving and repaving, where necessary, shall be done at the expense of the person receiving such permit. If a sidewalk is crossed by such driveway, it shall be the duty of the owner of such driveway to keep the sidewalk in good repair at his own expense. When any such driveway is discontinued, the owner of the abutting property shall remove it, if it is on city property, and shall restore any such sidewalk and curbing, if the curbing was lowered to accommodate the driveway, in accordance with the established street and sidewalk pattern.

(e) An administrative fee of two hundred fifty dollars ($250.00) will be assessed when a contractor installing a commercial driveway fails three (3) or more inspections under the same permit.

(f) Any person violating any provision of this section shall be guilty of a Class 3 misdemeanor.
(Code 1958, § 45-14; Ord. No. 31,061, § 1, 3-31-81; Ord. No. 37,628, § 1, 5-24-94; Ord. No. 39,192, §§ 1, 2, 5-26-98; Ord. No. 43,855, §§ 1, 2, 5-18-10; Ord. No. 47,229, § 38, 5-22-18, eff. 7-1-18)

Sec. 42-9.1. Maintenance of accessways.

(a) All accessways crossing the unimproved public right-of-way between the paved vehicular portion and the private property line shall be graded, surfaced, and maintained in a manner prescribed by the director of public works, permitting safe and convenient use under normal weather conditions. At which time an accessway becomes a hazard to vehicular or pedestrian traffic it shall be the abutting property owner's responsibility to repave or replace such within a reasonable time as prescribed by the director of public works.

(b) If any such person fails to comply with an order given pursuant to this section, the necessary repairs shall be performed by city forces at the expense of the property owner, which expense shall be certified to the city treasurer for collection. Such repairs shall not relieve the owner from prosecution for such violation.

(c) Any person violating any provision of this section shall be guilty of a Class 3 misdemeanor. In addition to any penalty imposed for each violation, the judge hearing the case may direct the abutting property owner to restore and/or maintain the accessway.
(Ord. No. 36,094, § 1, 7-10-90)

Sec. 42-10. Encroachments and obstructions generally.

(a) No piazza, porch, step, fence, enclosure or other projection attached to any building or lot shall be extended beyond the building line, unless authorized by the council.

(b) It shall be unlawful for any person to affix, place, erect, maintain, post or attach or cause or allow to be affixed, placed, erected, maintained, posted or attached any sign, banner, poster, sticker, post, light bay or other window, shed, porch, portico, door, platform, step, or any other object or thing of any form or nature whatsoever in or on any right of way, street, alley or land of the city without authorization of council, unless otherwise authorized by law or ordinance.

(c) The director of public works or his designee may order the person responsible for a violation of this section to remove, correct or abate the violation in the time period provided by the director of public works or his designee. If damage to city property is incurred during removal, it shall be the responsibility of the person ordered to remove the encumbrance, obstruction, hazard, nuisance, or encroachment to restore such damaged property back to its original condition. The director of public works or his designee may also undertake the immediate removal, correction or abatement of any violation.

(d) If any person fails to comply with an order given pursuant to this section, or when the director of public works or his designee desires to undertake the removal, the encumbrance, obstruction, hazard, nuisance or encroachment shall be removed by the director of public works or his designee and the costs and expenses thereof, including any damage to city property incurred during the removal, shall be chargeable to and paid by the person causing or allowing the encumbrance, obstruction, hazard, nuisance, or encroachment and may be collected by the city treasurer, upon certification of such costs and expenses by the director of public works or his designee in the same manner as taxes and levies are collected. Every charge authorized by this section which remains unpaid shall constitute a lien against real property of the person causing or allowing the encumbrance, obstruction, hazard, encroachment and such lien shall have the same priority as liens for unpaid local real estate taxes and enforceable in the same manner as such taxes are collected.

(e) The director of public works or his designee, any law enforcement officer, designated special police officer, or the fire marshal and his assistant, shall have authority to enforce this section. Additionally, a citizen designated by the director of public works, who has attended training provided by the director, may be authorized by the director to remove signs, placards or notices placed in the right-of-way or on city property, except for political signs, civic league signs, and real estate signs.

(f) For purposes of this section, "person" is defined as any individual, firm, owner, sole proprietorship, partnership, corporation, unincorporated municipal association, governmental body, municipal corporation, executor, administrator, occupant, or other legal entity.

(g) A violation of this section shall constitute a Class 1 misdemeanor. Each day of violation shall constitute a separate offense.
(Code 1958, §§ 45-18, 45-28, 45-29; Ord. No. 39,111, § 1, 4-14-98; Ord. No. 41,869, § 1, 6-14-05)

Charter reference—Authority of city to prevent street obstruction, §§ 2(11).

Cross reference—Trains obstructing street crossings, § 35-6.

Sec. 42-10.1. Administrative approval of certain minor installations in the right-of-way.

(a) *Definitions.* The following words when used in this section shall, for the purpose of this section, have the following meanings respectively

ascribed to them herein, except in those instances when the context clearly indicates a different meaning:

Integrated Directional Signing Program (IDSP) shall mean that program administered by the Virginia Department of Transportation or its agents designed to provide information to the motoring public by means of signs installed along any state highway relating to gasoline and motor vehicle services, food, lodging, attractions, or other categories as defined by the program.

Interstate shall mean any highway in or component of the interstate system.

Interstate system shall mean the same as that term is defined in 23 U.S.C. § 103(c). The interstate system also includes highways or highway segments in the Commonwealth that constitute a part of the Dwight D. Eisenhower National System of Interstate and Defense Highways as authorized and designated in accordance with § 7 of the Federal-Aid Highway Act of 1944 and § 108(a) of the Federal-Aid Highway Act of 1956 and are declared by resolution of the Commonwealth Transportation Board to be portions of the interstate system.

State highway shall mean any highway in or component of the state highway system.

State highway system shall mean that system consisting of all public highways, causeways, bridges, landings, and wharves that are either under the jurisdiction and control of the Commonwealth Transportation Board or that have been accepted by the Virginia Department of Transportation for supervision and maintenance.

Utility box artwork wrap shall mean any vinyl wrap or coating containing an image of artwork specifically designed to be displayed on a ground-mounted public utility box located in the public right-of-way.

Wayfinding sign shall mean any sign located in any public right-of-way within the city along a portion that is not part of the state highway system which provides directional information to motorists about a specific facility or establishment that is (i) identified on signage approved through the IDSP, (ii) classified as an "attraction" under the IDSP, and (iii) installed along an interstate or other controlled-access state highway. A wayfinding sign may also be known as a trailblazer sign.

(b) *Permit for installation of wayfinding signs.* Notwithstanding the general prohibitions set forth in section 42-10, the city manager or his designee is authorized to approve the installation of a wayfinding sign allowing it to encroach in the public right-of-way in order to aid the navigation of vehicular tourist traffic associated with facilities or establishments located within the city and identified by IDSP signage. Such approval shall only be granted in accordance with the standards set forth below, shall be documented by issuance of a permit, and shall require the permittee and owner or operator of the referenced facility or establishment to comply with the following conditions:

(1) The owner or operator of the facility or establishment to which the sign refers shall pay an annual fee of one hundred fifty dollars ($150.00) per sign for the right to encroach in the public right-of-way and for other administrative and maintenance costs associated with the sign;

(2) The owner or operator of the facility or establishment to which the sign refers shall maintain the sign's structural integrity, the security of the fasteners used for installation, and the visibility of the sign face and shall remove any markings or other additions to the sign face or back, including graffiti, that are not part of the original image or text as approved through the Virginia Department of Transportation's IDSP.

(3) In the event that the installation presents any risk or interference with any matter of public health, safety or welfare or for any other public necessity, upon the request of the director of public works or his designee the owner or operator of the facility or establishment shall promptly remove the sign at his own expense;

(4) In the event that the facility or establishment to which the sign refers is closed or moved, then the owner or operator of such facility or establishment shall remove the sign from its approved location within ten (10) days of the date of closing or moving;

(5) In the event that permission allowing the sign is revoked, any ownership interest in the installation and elements associated therewith shall be considered abandoned and may be removed by the city without further notice; and

(6) The owner or operator of the facility or establishment to which the sign refers shall hold and save the city, its agents, and employees harmless from any and all liability of any nature and shall indemnify the city against any loss whatsoever incurred by reason of the existence or maintenance of the sign.

(c) *Permit review.* The application for a wayfinding sign permit shall be submitted to the department of public works and shall be issued when it is determined that all of the following criteria are met:

(1) The owner or operator of the facility or establishment to which the sign refers has consented to and signed the application for the permit and acknowledge understanding of the conditions recited in subsection (b) above.

(2) The sign, including all construction materials, content, size, and appearance, has been approved through the Virginia Department of Transportation's IDSP;

(3) The proposed location for the sign has been approved by the city's department of public works;

(4) The sign shall be installed in accordance with durability and construction standards established or adopted by the department of public works;

(5) No more than three (3) signs referring to the same facility or establishment are permitted within the city's corporate limits; and

(6) The installation will not cause any obstruction, hazard, nuisance, or risk of injury to person or property when properly installed and maintained.

(d) *Status of permit.* Any permit issued for a wayfinding sign pursuant to this section shall constitute a license only and shall be revocable by the city at any time.

(e) *Installation of utility box artwork wrap.* Notwithstanding the general prohibitions set forth in section 42-10, the city manager or his designee is authorized to approve the installation of a utility box artwork wrap allowing it to encroach in the public right-of-way as part of a public art display. Such approval shall only be granted in accordance with the conditions set forth below:

(1) The artistic image or expression conveyed by the utility box artwork wrap has been evaluated and approved by the Norfolk Arts Commission, including consideration of the location of the utility box on which it will be installed;

(2) Every artist who creates or has rights in the artistic image or expression conveyed by the utility box artwork wrap has executed a written agreement or release allowing the city to use it for display on a utility box; and

(3) Whenever the utility box on which the utility box artwork wrap is installed is not owned by the city, the owner has executed a written agreement or release allowing the city to use it for displaying the artwork wrap.

(Ord. No. 45,995, § 1, 6-23-15; Ord. No. 50,374, § 1, 5-19-26)

Sec. 42-11. Obstructing by gates and doors.

It shall be unlawful for any person to hang or maintain any gates or doors within the limits of the city in such a manner that they shall or can swing outward over sidewalks or into streets.
(Code 1958, § 45-35)

Sec. 42-12. Posts on streets; wooden framework or covering across sidewalks.

No posts of any kind shall be maintained or erected on the streets of the city, and no permanent wooden framework or covering shall be erected, constructed or maintained across any sidewalk for any purpose whatsoever, unless authorized by the city council.
(Code 1958, § 45-27)

Sec. 42-12.1. Installation of outdoor dining areas.

(a) *Definitions.* The following terms as used in this section shall have the meanings set forth herein.

(1) *Outdoor dining area.* A space located entirely within the public right-of-way, including all structural elements associated therewith, designed to be used for outdoor dining as an ancillary activity related to the operation of a nearby restaurant.

(2) *Pop-up space.* An outdoor dining area designed to be used for no longer than seventy-two (72) consecutive hours.

(3) *Seasonal space.* An outdoor dining area designed to be used for no longer than four (4) consecutive months.

(4) *Semi-permanent space.* An outdoor dining area designed to be used for no longer than three (3) consecutive years.

(b) *Approval.*

(1) *Approval by ordinance.* An encroachment or obstruction that is otherwise unlawful under the general prohibitions set forth in section 42-10 may be authorized by ordinance approved by the city council, subject to all appliable limitations of state law.

(2) *Approval by permit.* An application for a permit allowing an encroachment in the public right-of-way in the manner proposed by the application, submitted in accordance with the requirements of subsection (d), below, shall be issued when it is determined that the proposal satisfies all of the installation requirements set forth in subsection (e), below, as well as all other applicable guidelines, regulations, requirements, and laws. The right-of-way management division of the department of public works may require that the application be reviewed by any other department or division of the city that the right-of-way management division determines may have information relevant to evaluating the application's compliance with said installation requirements. An approval issued under this section shall only authorize the encroachment into the public right-of-way as proposed in the application and shall not be deemed to grant any other approvals or permissions that might be required by other provisions of law, including the uniform statewide building code, fire prevention code, or food safety code.

(c) *Prohibited and restricted activities.* The following prohibitions and restrictions apply to all approvals for any outdoor dining area, whether granted by ordinance or permit:

(1) No use of the area for any purpose shall occur between the hours of 11:00 p.m. and 7:00 a.m. the following morning.

(2) Seating must be provided for a minimum of eighty (80) percent of the occupant capacity of the outdoor dining area.

(3) No entertainment or amplified music or other sound shall be provided anywhere in the outdoor dining area.

(4) No smoking or vaping shall occur in any outdoor dining area.

(5) No food shall be cooked on an open flame in any outdoor dining area.

(6) No outdoor dining area shall be occupied in excess of the maximum occupant load identified either in the permit issued pursuant to this section or established pursuant to other provision of law.

(d) *Application requirements.* Notwithstanding the general prohibitions set forth in section 42-10, the director of the department of public works, or the director's designee, is authorized to approve the placement or installation of structures allowing them to encroach in the public right-of-way for the purpose of creating an outdoor dining area. The director may establish reasonable requirements for the submission and review of a permit application, including but not limited to drawings, specifications, elevations, and surveys stamped by a surveyor registered with the Commonwealth of Virginia, and also shall require the following information from the applicant:

(1) Written documentation from the owner of the property where the restaurant affiliated with the outdoor dining area is located acknowledging no objection to the application.

(2) For any application for a seasonal space or semi-permanent space, an operation and management requirements agreement defining the duties and responsibilities of the operator of the proposed outdoor dining area, in a form established and approved by both the director of the department of public works and the city attorney, signed by the operator.

(3) Wherever the outdoor dining area is located such that other permits or approvals are needed for its lawful placement or installation, written documentation that all such other approvals have been granted.

(4) Payment of any fee established by the city council for the outdoor dining area shown in the application submittal.

(e) *Installation requirements.*

(1) *Location and dimension.* Every outdoor dining area shall conform to the following location restrictions:

(A) No area shall be located in or adjacent to a street that has a posted speed limit greater than twenty-five (25) miles per hour.

(B) No portion of any area shall be located in a manner that would restrict the width of unobstructed space for pedestrian access around it to less than six (6) feet.

(C) The maximum allowable length of any area shall equal the width of the lot where the affiliated restaurant is located.

(D) Nothing shall be placed or constructed in the area that:

(i) Interferes with a defined fire lane, vehicular traffic, turning radii, or maneuvering areas.

(ii) Adversely affects the health of existing vegetated plantings or trees.

(iii) Impairs safe emergency egress from any building.

(2) *Signage.* All signage affixed to or located in any outdoor dining area shall conform to the following limitations:

(A) The aggregate, maximum area of the sign face of all signage shall not exceed two (2) square feet.

(B) The structure and message of every sign shall be composed of permanent materials.

(C) No temporary materials shall be used for any portion of any sign.

(3) *Limit on number.* No more than one outdoor dining area may be affiliated with a single restaurant. No affiliated restaurant shall be permitted for more than five (5) pop-up spaces in any single calendar year.

(4) *Other safety measures.*

(A) Any feature of the outdoor dining area that constitutes a hazard to pedestrian or vehicular travel is prohibited and shall be removed.

(B) The permittee shall be responsible for maintaining all areas within the outdoor dining area and within ten (10) feet on all sides, other than the side facing the street, so as to keep such areas free of litter, refuse, and both solid and liquid waste.

(C) For any electrical service connected to a semi-permanent space, wiring running to the space must be installed withing a conduit located under the sidewalk, in accordance with applicable electrical codes.

(D) The director of the department of public works is expressly authorized to impose conditions designed to protect and promote public safety on any approved permit, including requiring the immediate removal of the outdoor dining area structure in order to accommodate special events, street or sidewalk repair work, or emergency conditions, and the permittee shall comply with all such conditions.

(f) *Expiration and renewal.*

(1) Every permit authorizing a pop-up space shall expire seventy-two (72) hours after the date and time it is made effective.

(2) Every permit authorizing a seasonal space shall expire three (3) months after the date it is made effective, but may be renewed as many as two (2) times, provided that the request for renewal is made before the applicable expiration date.

(3) Every permit authorizing a semi-permanent space shall expire three (3) years after the date it is made effective but may be renewed, provided that the request for renewal is made before the applicable expiration date.

(4) In the event that a fee schedule adopted by the city council requires the periodic payment of a usage fee to either maintain an existing permit or renew a permit, the failure to timely pay such fee shall constitute an expiration of the permission to use or maintain the outdoor dining area and also a violation subject to the penalty set forth in subsection (i), below.

(5) No request for renewal shall be granted except when all elements of the structure of the outdoor dining area are found to be in compliance with all applicable regulations and guidelines and, notwithstanding such compliance, may be denied at the pleasure of the city.

(g) *Insurance required.* Any person issued a permit authorizing the placement or installation of an outdoor dining area shall maintain a comprehensive public liability insurance policy for personal injury or death and for property damage occasioned by reason of the installation, operation, maintenance or any other condition associated with the outdoor dining area with minimum policy limits of one million dollars ($1,000,000.00) for bodily injury or death to one or more persons in any one accident or event and fifty thousand dollars ($50,000.00) for damage to property resulting from any one accident or event. The policy shall include the City of Norfolk as an additional insured. Evidence that such policy is satisfactory and in effect shall include a certificate of insurance or a policy endorsement by and with an insurance company licensed to do business in the Commonwealth of Virginia and shall be furnished to the city's risk manager after issuance of the permit but prior to the commencement of any construction of the outdoor dining area.

(h) *Removal.* The permittee shall remove all elements associated with the placement or installation of a permitted outdoor dining area within three (3) business days after expiration of the permit. All areas of pavement, sidewalk, or other infrastructure and all areas of landscaping that were altered as a result of the placement or installation shall be repaired to match or exceed the quality of their condition prior to such placement or installation, subject to approval of the city's department of public works. In the event the removal is not timely completed, all such elements that are not removed shall be deemed abandoned and the city may remove them and charge the permittee for the actual costs incurred to remove the outdoor dining area and restore the area to a safe and suitable condition, which costs the permittee shall be required to pay.

(i) *Penalty.* Every violation of any provision or requirement set forth in this section and every violation of the terms of a permit issued pursu-

ant to this section, including any term establishing a deadline for the completion of the construction of an outdoor dining area, shall constitute a Class 1 misdemeanor. Each day that the violation exists shall constitute a separate offense.
(Ord. No. 45,623, § 1, 7-8-14; Ord. No. 48,300, § 1, 2-9-21; Ord. No. 49,158, § 1, 4-25-23)

Sec. 42-13. Placing goods, wares, show cases, etc., on sidewalks.

No person shall place any goods, wares, show cases, bicycle racks, signs or merchandise on any sidewalk area in the city; provided, however, that goods, wares or merchandise in the process of being received or delivered may be permitted to remain on the sidewalk so long as is reasonably necessary to receive or deliver the same, in such a manner as not to inconvenience or endanger the general public in the use of the sidewalk.
(Code 1958, § 45-15)

Sec. 42-14. Obstructing passage for purpose of making sale.

It shall be unlawful for any person to obstruct the passage along any of the streets or sidewalks of the city, by catching hold of or soliciting persons, or in any way interfering with their free passage, for the purpose of inducing or compelling them to buy any article or thing from any store or stand.
(Code 1958, § 31-65)

Sec. 42-15. Sales, solicitations and distribution of commercial advertising matter prohibited on certain streets and sidewalks.

(a) No person shall sell or offer to sell any goods, wares, merchandise, books, magazines, newspapers or any article of value, except daily publications sold on the date of publication, or take orders for or sell subscriptions to same for future delivery, or distribute commercial advertising matter on the following streets and sidewalks of the city, such streets and sidewalks being congested areas for pedestrian travel and use:

(1) The streets and sidewalks in the area bounded on the north by the northern line of Olney Road, on the east by the eastern line of Bank Street and the prolongation thereof southwardly to the southern line of Main Street, on the south by the southern line of Main Street and on the west by the western line of Boush Street.

(2) The streets and sidewalks in the area bounded on the north by the southern line of Main Street, on the east by the eastern line of Commercial Place and the prolongation southwardly thereof to the Elizabeth River, on the west by the western line of Campbell's Wharf and on the south by the Elizabeth River.

(3) The streets and sidewalks of Brooke Avenue from the Chesapeake and Ohio Terminal to Boush Street; of Church Street, from Main Street to Olney Road; of Hampton Boulevard, from Ninety-ninth Street to the Virginian Railway right-of-way; and of Main Street from Bank Street to Fenchurch Street.

(4) The streets and sidewalks in the area within a radius of one-quarter mile from the intersection of Sewells Point Road and Granby Street.

(5) The streets and sidewalks of West Ocean View Avenue from Granby Street to Mason Creek Road, and of First View Street from Portview Avenue to West Ocean View Avenue.

(6) The streets and sidewalks of Twenty-first Street from Granby Street to Hampton Boulevard, and of all streets intersecting Twenty-first Street between Granby Street and Hampton Boulevard for a distance thereon of one block in each direction from Twenty-first Street.

(b) The prohibition against the sale or distribution of the articles mentioned in subsection (a) of this section shall not be construed as prohibiting the actual distribution or circulation, without any charge therefor, to the public, of publications, leaflets, pamphlets or any printed or writ-

ten matter that disseminates opinion or information or provokes thought or pertains to any religious information or belief.

(c) Any person violating the provisions of this section shall be guilty of a Class 3 misdemeanor.
(Code 1958, § 31-67)

Cross references—Advertising, Ch. 3; solicitations, Ch. 40.

Sec. 42-16. Reserved.

Editor's note—Ord. No. 49,044, § 1, adopted Jan. 10, 2023, repealed § 42-16, which pertained to begging and derived from Code 1958, § 31-10; Ord. No. 40,594, § 1, adopted Jan. 29, 2002.

Sec. 42-17. Installation of flag sockets.

No person shall install any flag sockets on any of the public streets or sidewalks of the city, without first obtaining a permit therefor from the city manager.
(Code 1958, § 45-16)

Sec. 42-18. Excavations—Permit and deposit.

(a) No person shall dig up any street, lane, alley or park for any purpose whatsoever, without first obtaining a written permit therefor from the director of public works. Where the street, lane, alley or park which is to be dug up is paved, the person desiring to dig up the same shall make written application to the director of public works therefor, and in such application shall state the character of the pavement to be dug up, the amount of pavement in square feet, the size of the excavation in feet, the character of the work to be done, the time when the digging will begin and the time when the work will be completed, and the director of public works shall, if the application meets with his approval, issue a permit therefor, subject to such conditions as he may impose.

(b) The applicant for a permit under this section shall, at the time of making his application, deposit with the director of public works a sum, bond or letter of credit sufficient to pay the estimated cost of restoring the street, lane, alley or park in a manner satisfactory to the director of public works, in accordance with a schedule of costs to be prepared by the director from time to time, plus (as needed) twelve (12) percent to cover the cost of overhead charges. Should the cost of the work of restoring the street, lane, alley or park, plus the overhead charges, exceed the amount of the deposit, the applicant will be required to pay the difference, within ten (10) days from the date of notice thereof. Any excess of deposit over the cost of the work and overhead charges shall be refunded to the applicant. Such deposit shall be paid to the city treasurer and placed to the credit of the fund for the payment of this work.

(c) In the case of new street construction, a permit fee in the amount of two hundred dollars ($200.00) plus one dollar ($1.00) per linear foot of new street construction shall be charged to any utility company or contractor for the cost of issuing said permit and inspecting the work. For cuts to the existing streets, a permit fee in the amount of two hundred dollars ($200.00) plus one dollar ($1.00) per square foot shall be charged to any utility company or contractor for the cost of issuing said permit and inspecting the work.

(d) Permits for excavation of the public ways shall be issued in accordance with the policies and standards set forth in the city's Right-of-Way Excavation and Restoration Manual dated July 1, 2002, which may be amended from time to time. A written warning on the first occurrence for failure to secure a permit will be issued to the utility company or contractor. An administrative fee for failure to secure a permit will be assessed to the utility company or contractor on the second occurrence at five hundred dollars ($500.00); for subsequent times thereafter, the administrative fee will be assessed at one thousand dollars ($1,000.00) per occurrence to the utility company or the contractor.
(Code 1958, §§ 45-19, 45-20; Ord. No. 39,192, § 3, 5-26-98; Ord. No. 40,778, § 1, 7-16-02; Ord. No. 43,856, § 1, 5-18-10; Ord. No. 47,918, § 1, 2-25-20)

Sec. 42-19. Same—Backfilling.

The director of public works shall, at his option, permit the person to whom a permit was issued under section 42-18 to backfill the excava-

tion, subject to such conditions as the director may impose, and under the supervision of such inspectors as the director may appoint therefor, the expense of such inspection to be added to the cost of the work, in addition to the twelve (12) percent required in section 42-18.
(Code 1958, § 45-21)

Sec. 42-20. Same—Warning lights.

Any person making any excavation in any street shall place as many lights as may be necessary to warn passers-by of such excavation, on each and every night, from sunset until sunrise, so long as such excavation shall remain in the street.
(Code 1958, § 45-23)

Sec. 42-20.1. Obstructing gutters or drains generally.

It shall be unlawful for any person to throw, place or deposit, or cause to be thrown, placed or deposited, in any gutter, ditch, storm drain or

other drainage area in the city, anything that impedes or interferes with the free flow of water therein. Any person violating the provisions of this section shall be guilty of a Class 3 misdemeanor and each day that the free flow of water is impeded or interfered with shall constitute a separate offense. In addition to any penalty imposed for each violation, a judge hearing the case may direct the person responsible for the obstruction to remove the obstruction and each day's default in removal of the obstruction shall constitute a violation of and a separate offense under this section.
(Ord. No. 36,187, § l, 8-28-90)

Sec. 42-20.2. Fill permit; required when filling or grading areas.

(a) Before any filling or grading is done by any person of any area in the city, a fill plan shall be obtained from the director of public works, or his designee. Upon approval of the fill plan and issuance of a fill permit by the director of public works or his designee, the filling or grading shall be done in accordance therewith.

(b) The fill plan shall include:

(1) A survey drawn to scale, certified as complete and accurate by a professional engineer or a certified land surveyor, which clearly delineates:

a. The existing topography of the area proposed to be filled or graded shown by contour lines;

b. The location, elevation, extent, and type of proposed fill or grading shown by contour lines and total fill and disturbed area calculations; and

c. The location of natural drainage areas which would or could be obstructed by the fill.

(2) Appropriate erosion and sedimentation control procedures as required by chapter 15 of the City Code.

(3) A description of the purpose and necessity of the filling or grading.

(4) Any additional information or data the director of public works or his designee requests to complete their review of the fill plan.

(c) The director of public works or his designee prior to issuing a fill permit, may require the applicant to submit a reasonable performance bond with surety, cash bond, letter of credit, any combination thereof, or such other legal arrangement acceptable to the director of public works or his designee to ensure that measures could be taken by the city at the applicant's expense should he fail, after proper notice, within the time specified, to fill and maintain drainage in accordance with the fill permit. If the applicant should fail to fill or maintain drainage in accordance with the fill permit, the city may collect from the permittee the difference should the amount of the reasonable cost of such action exceed the amount of security held. Within sixty (60) days of the inspection and approval of the filling and adequate stabilization, such bond, cash bond, letter of credit, or other legal arrangement, or the unexpended or unobligated portion thereof shall be refunded to the applicant or terminated. These requirements are in addition to all other provisions relating to the issuance of fill permits and are not intended to otherwise affect the requirements for such permits.

(d) Upon the approval of the fill plan under this section a fill permit shall be issued. Upon the completion of the work thereunder, the owner of the land or the person obtaining the permit shall thereafter maintain the drainage in such condition as to allow the free flow of water through it in an unobstructed manner. Should this drainage become obstructed, a plan for reopening it must be submitted to the director of public works or his designee.

(e) Any person violating any provision of this section shall be guilty of a Class 1 misdemeanor. Each day that drainage is obstructed shall constitute a separate offense. If the owner or any other person with the knowledge and consent of the owner fails to carry out the filling within the terms and conditions set forth in the approved fill plan, the director of public works or his designee shall revoke the same and take such

action as is appropriate to remedy or restore the area affected. In addition to any penalty imposed for each violation, a judge hearing the case may direct the person responsible for the improper filling to remove such material and/or restore the area, and each day's default in such removal or restoration shall constitute a violation of and a separate offense under this section.
(Ord. No. 36,187, § 1, 8-28-90; Ord. No. 37,168, § 1, 3-16-93; Ord. No. 40,580, § 1, 1-8-02)

Sec. 42-20.3. Filling of Chesapeake Bay Preservation Areas.

(a) Before any filling, clearing or grading is done by the owner, or by any other person with the knowledge or consent of the owner, of any area designated pursuant to section 494 of the zoning ordinance as a Chesapeake Bay Preservation Area a fill plan shall be submitted to the director of public works. The fill plan shall be reviewed by the department of public works and by the division of environmental affairs to ensure consistency with the provisions of this section and of section 494 of the Zoning ordinance. Upon approval of the fill plan by the department of public works and the division of environmental affairs, the filling, clearing or grading shall be done in accordance therewith.

(b) For purposes of this section, the fill plan shall include:

(1) A survey drawn to scale, certified as complete and accurate by a professional engineer or a certified land surveyor, which clearly delineates:

a. The existing topography of the area proposed to be filled, cleared or graded shown by contour lines;

b. The tidal wetlands, tidal shores, non-tidal wetlands connected by surface flow and contiguous to tidal wetlands and tributary streams, and a one hundred-foot buffer located adjacent to and landward of the components listed above;

c. The location, elevation, extent, and type of proposed fill, clearing or grading shown by contour lines and total fill and disturbed area calculations; and

d. The location of natural drainage areas which would or could be obstructed by the fill.

(2) Appropriate erosion and sedimentation control procedures as required by chapter 15 of the City Code.

(3) A showing of all wetlands permits required by law.

(4) A description of the purpose and necessity of the filling, clearing or grading. If the filling, clearing or grading results in over two thousand five hundred (2,500) square feet of land disturbance or land-disturbing activity as defined in section 32.2-3 of the City Code, and is done as part of development or redevelopment as defined in section 32.2-3 of the City Code, the owner shall follow the appropriate procedures as detailed in article III of chapter 32.2 of the City Code.

(5) If trees or other vegetation are to be removed in the buffer area of the resource protection area, as defined in section 32.2-3 of the City Code, in order to fill, clear or grade, a showing of all necessary tree permits pursuant to section 30-24(a)(9) of the City Code is required.

(6) Any additional information or data the director of public works or the division of environmental affairs requests to complete their review of the fill plan.

(c) Upon the approval of a fill plan under this section and the completion of the work thereunder, the owner of the land shall thereafter maintain the drainage in such condition as to allow the free flow of water through it in an unobstructed manner. If the drainage becomes obstructed, the owner shall submit a plan to the director of public works for reopening it.

(d) Any person violating any provision of this section shall be guilty of a Class 1 misdemeanor. Each day that drainage is obstructed shall constitute a separate offense. If the owner or any other person with the knowledge or consent of

the owner fails to carry out the filling, clearing or grading within the terms and conditions set forth in the approved fill plan, the director of public works shall revoke the same and take such action as is appropriate to remedy or restore the area affected. In addition to any penalty imposed for each violation, a judge hearing the case may direct the person responsible for the improper filling, clearing or grading to remove such material and/or restore the area, and each day's default in such removal or restoration shall constitute a violation of and a separate offense under this section.
(Ord. No. 36,175, § 1, 8-28-90; Ord. No. 40,580, § 2, 1-8-02)

Sec. 42-21. General responsibility to pay for damaging sidewalks.

Any person damaging any sidewalk shall, when required by the director of public works, pay to the city treasurer such an amount as shall be estimated by the director to be necessary to repair the damage and the director shall repair the same.
(Code 1958, § 45-6)

Sec. 42-22. Damage to street or sidewalk by private sewer, drain or underground utility.

Whenever the surface of any street or sidewalk area, whether paved or not, is damaged by reason of any private sewer, drain or underground utility, it shall be the duty of the person owning the same to have the surface properly repaired and, upon neglect thereof for five (5) days, the director of public works shall cause the repairs to be made, at the expense of such owner, to be collected as other debts due the city are collected.
(Code 1958, § 45-11)

Sec. 42-23. Closing defective private sewer, drain or underground utility.

No person shall install or maintain, or cause to be installed or maintained, any defective private sewer, drain or underground utility, where the same passes under a public street. The director of utilities shall have the right to cause such defective sewer, drain or underground utility to be closed and the cost thereof shall be recoverable from such person.
(Code 1958, § 45-12)

Sec. 42-24. Deposit or transportation of liquid waste on street; penalty for violation.

(a) It shall be unlawful for any person to cast or cause to flow any swill, liquid refuse, or liquid waste into any street or right-of-way, or transport such material except in a covered watertight vessel or tank.

(b) A violation of this section shall constitute a Class 1 misdemeanor.
(Code 1958, § 45-9; Ord. No. 38,345, § 1, 5-14-96)

Sec. 42-25. Protection of pavement from spilling or dripping petroleum product or other liquid.

(a) No person shall pour, spill, drop, release, or allow to pour, spill, drop or release upon or over any pavement laid or any street, sidewalk, right-of-way, or public place in the city, any petroleum products or any other liquids which could or would be injurious to the environment or the public.

(b) All wagons, tanks, vehicles, vessels, trailers, semi-trailers, and trucks used for the delivery of the substances referred to in subsection (a) above shall be properly equipped with non-drip taps and faucets, securely attached thereto, and in filling any measure or other vessel from such taps or faucets, such measure or other vessel must be held so that there shall be no drip or overflow from such measure or vessel, and in removing the same from over any street, sidewalk or other public place, no drip or overflow from such measure or other no receptacle for holding such material shall be placed on any street, sidewalk or public place.

(c) A violation of any provision of this section shall constitute a Class 1 misdemeanor. Each day of violation shall constitute a separate offense. In addition to any penalty imposed for each violation, a judge hearing the case may direct the person responsible for the violation to correct

the violation and restore the area or site impacted and each days default in such correction, remediation or restoration shall constitute a violation of and a separate offense under this section.
(Code 1958, § 45-25; Ord. No. 38,346, § 1, 5-14-96)

Sec. 42-26. Water from building roof to be conducted under sidewalk.

The water from the roof of every building which would flow by gravity over a public sidewalk, or over a driveway crossing a public sidewalk, shall be carried by means of a conductor under the sidewalk to the gutter, and the owner of any such building shall provide the same with the necessary conductor for such purpose. The provisions of this section shall not apply to sections of the city where there is no curbing or guttering.
(Code 1958, § 45-26)

Sec. 42-27. Wetting sidewalk by persons washing store fronts or windows.

It shall be unlawful for any person to wash, or cause to be washed, any store front or window in a manner that results in wetting any sidewalk; provided, that the washing of store fronts and windows by the use of squeegee or some other modern device, where no water flows on or over the sidewalk shall be permitted, if proper care is exercised in protecting pedestrians while such washing is in operation.
(Code 1958, § 45-10)

Sec. 42-28. Registration and bond of persons using scaffolds or other devices over streets in business of cleaning buildings.

It shall be the duty of every person who shall use scaffolding and other apparatus suspended over the streets of the city in the conduct of his business in cleaning buildings to register with the building official, giving his name, residence and place of business, and, in case of removal from one place to another in the city, to have made a corresponding change in such register. It shall be the further duty of every such person to give good and sufficient bond, in the sum of five thousand dollars ($5,000.00), with corporate surety to be approved by the city attorney, to indemnify the city against any loss or damage resulting from the suspension of such scaffolding or apparatus over the public streets of the city.
(Code 1958, § 45-33)

Cross reference—Acceptance of liability insurance in lieu of indemnity bond, § 2-10.

Sec. 42-29. Cleaning buildings located on streets by sand blast method.

The cleaning of buildings or other structures located on public streets in the city, by the sand blast method, is hereby prohibited, unless the staging and work is so enclosed as to catch all sand and dust from such cleaning operation, and to prevent the same from falling or being blown into the streets or buildings adjacent thereto. Any person violating any provision of this section shall be guilty of a Class 3 misdemeanor.
(Code 1958, § 45-32)

Sec. 42-30. Protection of pedestrians from dripping paint.

It shall be unlawful for any person to engage in the painting of the side or any part of a building abutting upon any public street, without first protecting the sides and bottom of his platform or scaffolding with canvas or some other material, so as to prevent the dripping or falling of paint upon pedestrians using such public street.
(Code 1958, § 45-34)

Sec. 42-31. Duty of persons selling from vehicles to keep adjacent street and sidewalk clean.

Any person selling produce, material or other articles from a vehicle shall at all times keep the sidewalk and street adjacent to his vehicle free and clear of debris and refuse from the produce, material or other articles sold by him and, whenever required to do so by the chief of police, his assistants or any police officer, shall clean up such debris and refuse from the street and sidewalk adjacent to his vehicle and deposit same in his vehicle or in a receptacle to be provided by him.
(Code 1958, § 45-8)

Sec. 42-32. Duty of owner or occupant of abutting land to keep sidewalk clean and free from grass and weeds.

(a) It shall be the duty of the occupant of any land or premises abutting upon any sidewalk, whether paved or not, and the duty of the owner of any unoccupied land or premises abutting upon any paved sidewalk, to remove any grass or weeds from the sidewalk in front of such land or premises, and to keep such sidewalk clear of paper, debris and refuse. No grass, weeds, debris, dirt, refuse or other litter swept or removed from such sidewalk shall be deposited or piled in any gutter or street, but shall be placed in a proper receptacle for collection. Such receptacle shall be provided by the occupant or owner and placed for collection on the day specified by the director of public works for collection from such premises. The occupant, or if unoccupied, the owner, of any such land or premises in front of which any such grass, weeds, dirt, refuse, debris or other litter is found contrary to the provisions of this section shall be prima facie the person responsible therefor.

(b) The director of public health is hereby authorized to give to any such occupant or owner who shall fail to keep the sidewalk abutting his premises clean and free from grass or weeds, such notice as he may deem advisable, and to see that the provisions of this section are enforced, and every day that any sidewalk shall not remain clean and free from grass or weeds, after notice from the director of public health to clean the same, shall constitute a separate offense under this section.

(Code 1958, § 45-7; Ord. No. 37,889, § 1, 2-14-95)

State law reference—Authority of city to require removal of weeds from public property, Code of Virginia, 15.1-867.

Sec. 42-33. Reserved.

Editor's note—Section 1 of Ord. No. 36,397, adopted April 16, 1991, repealed former § 42-33, which pertained to the duty of the owner or occupant of abutting lands to remove litter and to cut grass, weeds and other vegetable matter between the sidewalk and the curb, and derived from Ord. No. 29,813, § 1, adopted Feb. 13, 1979, and Ord. No. 32,469, § 1, adopted July 26, 1983.

Sec. 42-34. Removal of snow from sidewalks—By owners or occupants of abutting property.

It shall be the duty of every person using or occupying, in any manner or for any purpose whatsoever, any house, store, shop, building or tenement of any kind, and of persons having charge of religious institutions and public buildings of any description, other than public schools and buildings owned or occupied by the city, and of owners of unoccupied houses or unimproved lots, situate on any paved street, lane or alley in the city, within three (3) hours after the fall of any snow has ceased, to remove and clear away, or cause to be removed and cleared away, the snow from the sidewalks fronting such house, store, shop, religious institution, building or lot, in such manner as not to obstruct the passage of the water in the gutters. If snow ceases to fall between the hours of 3:00 p.m. and 7:00 a.m., the removal of the snow before 11:00 a.m. will be deemed compliance with this section.

(Code 1958, § 45-30; Ord. No. 46,270, § 3, 2-23-16)

State law reference—Authority for above section, Code of Virginia, § 15.1-867.

Sec. 42-35. Same—By director of public works.

(a) It shall be the duty of the director of public works to cause snow and ice to be removed, by persons employed for cleaning the streets and by additional labor when an emergency shall require it, from the sidewalks or footways across intersecting streets, and to remove ice and other obstructions to the free passage of water at the intersections of the several streets of the city, and to cause snow and ice to be removed from the sidewalks fronting the houses, stores, religious institutions, lots or buildings of such persons as shall neglect or refuse to remove the same as provided in section 42-34, at the expense of such persons, the expense thereof to be certified to the city treasurer for collection.

(b) It shall also be the duty of the director of public works, at the cost of the city, to clear away the snow from the sidewalks and crossings in front of the public schools of the city and buildings owned or occupied by the city.
(Code 1958, § 45-31; Ord. No. 46,270, § 4, 2-23-16)

ARTICLE I-A. VENDORS*

Sec. 42-36. Definitions.

The definitions set out in this section shall apply in the interpretation and enforcement of this article.

(a) *Designated parking location.* A space or series of spaces within the public right-of-way along the edge of a paved, vehicular roadway that is approved by the city manager pursuant to section 42-37, below, as a location where a food truck vendor is permitted to operate in accordance with a vendor license.

(b) *Designated sidewalk location.* An area or series of areas within the public right-of-way outside of the paved, vehicular roadway that is approved by the city manager pursuant to section 42-37, below, as a location where a food vendor or merchandise vendor is permitted to operate in accordance with a vendor license.

(c) *Food.* Any raw, cooked or processed edible substance, beverage, ingredient, ice or water used or intended for use or for sale in whole or in part for human consumption.

(d) *Food truck vendor.* Any vendor who sells or offers for sale food, other than a vendor who sells or offers for sale only ice cream or ice confectionaries, from a motor vehicle or a trailer licensed to be operated on the highway by the Virginia Department of Motor Vehicles.

(e) *Food vendor.* Any vendor who sells or offers for sale food from a pushcart but not including a food truck vendor.

(f) *Ice cream truck vendor.* Any vendor who sells or offers for sale only ice cream or ice confectionaries from a motor vehicle or a trailer licensed to be operated on the highway by the Virginia Department of Motor Vehicles.

(g) *Merchandise vendor.* Any vendor who sells or offers for sale goods other than food for immediate delivery upon purchase from a pushcart.

(h) *Person.* Any individual, partner, partnership, corporation, association, municipal corporation, unincorporated association or other legal entity.

(i) *Pushcart.* Any wheeled vehicle or device used by a vendor for the purpose of displaying, dispensing, or storing any merchandise or food that is offered for sale and which may be moved without the assistance of a motor.

(j) *Special event.* An activity, such as a show, exhibit of any kind, convention, parade, festival, circus, sporting event, fair, or carnival, held for a limited period of time at a specific location.

(k) *Stand.* Any structure, table, tent, or device used by a vendor for the purpose of displaying, dispensing, or storing any merchandise or food that is offered for sale.

(l) *Vendor.* Any person, mobile or stationary, who sells or offers for sale food, goods, or services for immediate delivery upon purchase from a pushcart, stand, tent, or vehicle. The term "vendor" shall not include a person who exclusively sells or offers for sale farm products from a vehicle, provided that the farm products are produced in an agricultural operation, as defined in section 3.2-300 of the Code of Virginia, located within fifty (50) miles of the corporate limits of the city.

(Ord. No. 45,119, § 1, 5-21-13)

*__Editor's note—__Ord. No. 45,119, § 1, adopted May 21, 2013, amended Art. I-A in its entirety to read as herein set out. Former Art. I-A, §§ 42-36—42-51.1, pertained to similar subject matter, and derived from Ord. No. 39,280, § 1, adopted August 18, 1998.

Sec. 42-37. Designated locations.

(a) *Parking spaces.* The city manager may establish one or more designated parking locations as spaces within the public right-of-way where a food truck vendor may operate. Such designated locations shall:

(1) Not be within ten (10) feet of an intersection, crosswalk, driveway, bus stop, taxi stand, or handicapped parking space; and

(2) Not be situated in any part of any designated loading zone or fire lane.

(b) *Sidewalk locations.* The city manager may establish one or more designated sidewalk locations as areas within the public right-of-way where a food vendor or merchandise vendor may operate. Such designated locations shall:

(1) Not be within ten (10) feet of an intersection, crosswalk, driveway, bus stop or taxi stand; and

(2) Not be located on any sidewalk less than nine (9) feet in width.

(Ord. No. 45,119, § 1, 5-21-13)

Sec. 42-38. Locations limited.

No vendor shall operate in any area of the city other than the following:

(a) On property where the applicable zoning regulations allow vending activity;

(b) Within the boundaries of any area designated for a special event pursuant to section 42-48, below; and

(c) Within the public right-of-way, subject to the following restrictions:

(1) All food vendors and merchandise vendors shall only operate in a designated sidewalk location;

(2) All food truck vendors shall only operate in a designated parking location; and

(3) All ice cream truck vendors shall only operate in either a designated parking location or in other areas of the right-of-way such that the truck is not parked for more than five (5) minutes, but never in a parking space with an active meter.

(Ord. No. 45,119, § 1, 5-21-13)

Sec. 42-39. Vendor license requirements.

(a) *Types of vendors limited.* No vendors other than ice cream truck vendors, food vendors, merchandise vendors, and food truck vendors shall be permitted to operate within the city.

(b) *Vendor license.*

(1) No vendor shall be permitted to operate in any public right-of-way, including any designated parking location or designated sidewalk location, without a vendor license.

(2) When a vendor is operating outside the public right-of-way and on property where the applicable zoning regulations allow such activity, no vendor license shall be required

(3) No vendor license shall be leased, sold, or otherwise transferred.

(4) In addition to any other applicable fees required pursuant to this Code or other applicable law, ordinance, rule or regulation, a vendor license fee established by the city manager must be paid at the time each vendor license is issued.

(c) *Business license.*

(1) No vendor shall be permitted to operate without either a business license or a special event business license obtained from the commissioner of the revenue.

(2) No business license or special event business license shall be issued or renewed if the applicant has failed to answer a summons, appear at a hearing for violation of a department of health regulation, or has failed to pay a fine or penalty assessed by a court or other authority having enforcement powers against the vendor as a result of violations related to a vending operation.

(Ord. No. 45,119, § 1, 5-21-13)

Sec. 42-40. Health and fire safety permits.

(a) *Health permit.* An ice cream truck vendor, food vendor, or food truck vendor must obtain a health permit from the department of health and shall not operate without a valid, current health permit.

(b) *Fire safety permit.* Wherever the operations of a vendor involve heating, cooking, or preparing food in a manner that involves a fire hazard, the vendor must undergo an annual fire inspection and must obtain a fire safety permit from the fire marshal. The vendor shall not operate without a valid, current fire safety permit.
(Ord. No. 45,119, § 1, 5-21-13)

Sec. 42-41. Display of licenses and permits.

(a) *Licenses.* Any vendor operating in a designated parking location or designated sidewalk location must conspicuously display the vendor license and appropriate business license at all times while operating.

(b) *Permits.* Ice cream truck vendors, food vendors, and food truck vendors shall conspicuously display the health permit and any required fire safety permit on the pushcart, stand, or vehicle at all times while operating.
(Ord. No. 45,119, § 1, 5-21-13)

Sec. 42-42. Compliance with food safety regulations.

In order to promote the safe storage, preparation, and handling of food and safe operation of vehicles and other equipment, every ice cream truck vendor, food vendor, and food truck vendor shall:

(a) Permit regular inspections of any pushcart, stand or vehicle used in the vending operation by the department of health and the fire marshal or any other person authorized by law to enforce the provisions of the Virginia Statewide Fire Prevention Code;

(b) Possess, retain and make available for inspection satisfactory proof or documentation detailing the source of all foods being held, stored, offered for sale, sold, distributed, or given away; and

(c) Not use or permit any person to use the pushcart, stand or vehicle for distributing or giving away of any foods other than those persons authorized by the vendor license or approved in writing by the department of health.
(Ord. No. 45,119, § 1, 5-21-13)

Sec. 42-43. Hours of operation.

(a) *Merchandise vendors, food vendors, and food truck vendors.*

(1) Hours of operation for merchandise vendors, food vendors, and food truck vendors may be established by the city manager and may vary based on the type of vendor, the location, and whether the vendor is operating in conjunction with a special event.

(2) Where applicable to a vendor operating in a designated parking location or designated sidewalk location, the city manager may also establish minimum days of operation per week, month, or longer period of time and may vary them based on the type of vendor and the location.

(b) *Ice cream trucks.*

(1) When operating in the public right-of-way, an ice cream truck vendor shall only operate between the hours of 7:00 a.m. and 10:00 p.m. Sunday through Thursday and between the hours of 7:00 a.m. and 11:00 p.m. Friday and Saturday.

(2) When operating outside the boundaries of any public right-of-way, an ice cream truck vendor shall be limited by the hours established for a food truck vendor.
(Ord. No. 45,119, § 1, 5-21-13)

Sec. 42-44. Operational requirements for all vendors.

The following requirements apply to all vendors while in operation.

(a) No radio or other sound-amplifying device shall be used with the exception of recorded music used by an ice cream truck vendor.

(b) No flashing sign or sign that moves or gives the appearance of moving shall be used.

(c) No portion of the pushcart, stand, or vehicle shall be connected to any water, sewer, or gas utility and any electrical generator or electrical connection must comply with any applicable building code and electrical code requirements.

(d) Whenever the vendor is operating within the boundaries of a public right-of-way, no sign, menu board, table, waste receptacle or any other object associated with the vendor operation shall be situated on the road, sidewalk, or ground with the exception of one chair and one cooler, which may be placed on the sidewalk immediately adjacent to the pushcart, stand, or vehicle.

(Ord. No. 45,119, § 1, 5-21-13)

Sec. 42-45. Operational requirements for vendors using pushcarts and stands.

The following limitations apply to any merchandise vendor or food vendor using a pushcart or stand.

(a) If located within the boundaries of any public right-of-way:

(1) The entire pushcart or stand shall be situated within the boundaries of a designated sidewalk location;

(2) The pushcart shall not exceed four (4) feet in width or seven (7) feet in length. If an umbrella or awning is used, it shall not exceed eight (8) feet in height, nine (9) feet in diameter, and shall be extended a minimum of seven (7) feet above grade; and

(3) The vendor must occupy and operate in the designated sidewalk location and shall not be absent more than the maximum number of days allowable under rules established by the city manager.

(b) If located outside the boundaries of any public right-of-way, the pushcart or stand shall not be situated on any landscaped, unpaved, or unimproved surface.

(c) A waste receptacle shall be provided for the use of customers and shall be affixed or attached to the pushcart or stand.

(d) Pushcarts or stands shall not touch, lean against or be affixed to any building or structure including lamp posts, parking meters, mail boxes, or similar structures.

(e) Pushcarts or stands shall not be located against display windows of fixed-location businesses.

(Ord. No. 45,119, § 1, 5-21-13)

Sec. 42-46. Operational requirements for food truck vendors.

The following restrictions apply to any food truck vendor.

(a) If located within the boundaries of any public right-of-way:

(1) The entire vendor vehicle shall be situated on the paved roadway within the boundaries of a designated parking location;

(2) No vending shall be allowed from either the back of the vehicle or the side of the vehicle that faces the roadway. All vending activity must take place toward the curb;

(3) The vehicle shall be enclosed and accommodate the performance of all vendor operations by persons who are onboard the vehicle. Only those openings used to service customers through the side of the vehicle are allowed;

(4) The vendor shall secure and maintain a policy of automobile liability insurance coverage issued by a company authorized to do business in the state in the amount of at least one million dollars ($1,000,000.00) for injury to or death of any person or persons in any one

incident and one hundred thousand dollars ($100,000.00) for property damage, and the policy shall list the city as an additional insured; and

(5) The vendor must occupy and operate in the designated parking location and shall not be absent more than the maximum number of days allowable under rules established by the city manager.

(b) If located outside the boundaries of any public right-of-way and on property where the applicable zoning regulations allow such activity, the vendor vehicle shall not be situated on any unpaved or unimproved surface.

(c) A waste receptacle shall be provided for the use of customers and shall be mounted to the vehicle.

(Ord. No. 45,119, § 1, 5-21-13)

Sec. 42-47. Operational requirements for ice cream truck vendors.

The following restrictions apply to any ice cream truck vendor.

(a) If located within the boundaries of any public right-of-way:

(1) When stopping to vend to a customer, the vehicle shall be pulled to the curb or shoulder of the road and the engine shall be turned off except when the operation of the engine is necessary for producing the product;

(2) The vendor shall not stop within one hundred (100) feet of any intersection;

(3) The vendor shall not stop on any street having a speed limit higher than twenty-five (25) miles per hour;

(4) The vendor vehicle shall not be parked in the public right-of-way unless actively operating and shall not remain parked in any location for more than five (5) minutes; and

(5) The vendor shall secure and maintain a policy of automobile liability insurance coverage issued by a company authorized to do business in the state in the amount of at least one million dollars ($1,000,000.00) for injury to or death of any person or persons in any one incident and one hundred thousand dollars ($100,000.00) for property damage, and the policy shall list the city as an additional insured.

(b) If located outside the boundaries of any public right-of-way, the vendor vehicle shall not be situated on any unpaved or unimproved surface.

(Ord. No. 45,119, § 1, 5-21-13)

Sec. 42-48. Special events.

Notwithstanding any other provision or limitation set forth in this article, the city council or city manager may designate certain portions or segments of any public right-of-way or certain areas of city-owned property for use by vendors for limited periods of time in conjunction with a special event. The following special rules and exemptions apply to such vendors who are operating in conjunction with the established location and time limits for such a special event.

(a) The prohibition against the operation of vendors other than ice cream truck vendors, food vendors, merchandise vendors, and food truck vendors in section 42-39(a) shall not apply.

(b) The requirement of obtaining a vendor license in section 42-39(b) shall not apply.

(c) The limitation on connections to utilities in section 42-44(d) shall not apply.

(d) The location requirements and size limitations for food vendors and merchandise vendors in section 42-45 shall not apply.

(e) The location requirements for food truck vendors in section 42-46 shall not apply.

(Ord. No. 45,119, § 1, 5-21-13)

Sec. 42-49. Enforcement.

(a) Any city law enforcement officer, duly designated sworn special police officer, the director of the department of health or his designee,

or the fire marshal or any of his assistants, is authorized and shall have authority to enforce all provisions of this article.

(b) Any police officer or other person authorized to enforce the provisions of this article may request that a vendor cease operating or cease operating in a particular manner due to a special public safety concern. In such instances the vendor shall promptly adjust, limit, move, or cease the operation in order to fully comply with the request.
(Ord. No. 45,119, § 1, 5-21-13)

Sec. 42-50. Penalties.

(a) Any vendor operating without a vendor license shall be guilty of a Class 2 misdemeanor.

(b) Any vendor operating with a vendor license found to be in violation of any limitation of his license or any of the rules authorized by or expressed in this article may have his license suspended or revoked and may be deemed ineligible for any new vendor license for a period of time determined by the city manager.

(c) Any business license issued to a vendor may be suspended or revoked by the commissioner of the revenue upon notice and an informal hearing in the event that the vendor fails to comply with the requirements and restrictions of this article.
(Ord. No. 45,119, § 1, 5-21-13)

Sec. 42-51. Seizure.

(a) *Illegal and unlicensed vending.* Any police officer or other person authorized to enforce the provisions of this article may seize any pushcart or stand which is being used by an unlicensed vendor and may seize any food held or offered for sale by any food vendor who operates in violation of any provision of this article. Any seized pushcart, stand or food shall be subject to forfeiture and disposal as authorized by law.

(b) *Treatment of seized food.* In the event that a seizure made pursuant to this article shall include any perishable item of food which cannot be retained in custody without such item becoming unwholesome, putrid, decomposed or unfit for human consumption, such item may be ordered to be destroyed or otherwise disposed of provided, however, that written notice of such destruction or other disposal setting forth any itemized description of the property, the reason for its destruction or other disposition, and the date when it was destroyed or otherwise disposed of has been mailed to the vendor from whom it was seized.
(Ord. No. 45,119, § 1, 5-21-13)

Sec. 42-51.1. Reserved.

ARTICLE II. UTILITY POLES, WIRES AND CONDUITS IN, OVER OR UNDER STREETS*

DIVISION 1. GENERALLY

Sec. 42-52. Definitions.

(a) Certain words used in this article shall have the meanings ascribed to them by this section, unless clearly indicated to the contrary.

(b) *Distributing pole.* The words "distributing pole" shall mean any pole on which an underground cable terminates, and which is used only for the support of distributing wires or transformers, or both.

(c) *Distributing wire.* The words "distributing wire" shall mean any wire strung direct from a distributing pole to some building or structure, without any intervening pole.

(d) *Inferior block work.* The words "inferior block work" shall mean the grouping of distributing wires into cables, metal rings or pipes, and attaching the same to the exterior wall of some building or structure.

(e) *Install.* The word "install" shall mean to set or use.

(f) *Pole.* The word "pole" shall mean a pole on any street or lot in the city.

*__Cross reference—__Posting advertisements on utility poles, 3-8.

(g) *Street.* The word "street" shall mean the entire width from property line to property line of any street, as defined in section 1-2 of this Code, which has been accepted as such by action of the city council.

(h) *Utility facility.* The words "utility facility" shall mean the plant, equipment and property, including, but not limited to, pipes, mains, conduits, ducts, cables, fiber optic cables, circuits, wires, guy wires, pedestals, cross-connect cabinets, power supplies, transformers, meters, lines, plant and equipment located under, on or above the surface of the ground within the public ways of the city.

(i) *Overhead catenary system.* The words "overhead catenary system" shall mean the conductors and related items, including foundations, poles, contact wire, messenger wire, feeder cables, support assemblies, sectioning devices, disconnect switches, grounding connections together with their related supports, terminations and insulation and other equipment and assemblies that distributes DC electric power from substations to light rail transit vehicles.
(Code 1958, § 35-1; Ord. No. 40,212, § 1, 2-13-01; Ord. No. 43, 637, § 1, 10-27-09)

Sec. 42-53. General duties of city right-of-way administrator of division of right-of-way.

Under the supervision and control of the director of public works, the city right-of-way administrator of the division of right-of-way shall have charge of all matters relating to poles, wires, conduits, electrolysis and tests pursuant to the provisions of this article.
(Code 1958, § 35-2; Ord. No. 35,363, § 1, 1-10-89; Ord. No. 40,378, § 4, 6-19-01; Ord. No. 47,014, § 1, 10-10-17)

Sec. 42-54. Poles and wires installed prior to 1919.

All poles and wires installed prior to 1919 on any street shall be deemed to have been installed under and by virtue of a permit granted in accordance with the city ordinances as they existed at the time of such installation and to be subject to all the provisions thereof, and to all the conditions and restrictions required to be attached to permits issued thereunder; provided, however, that nothing in this section shall be deemed to authorize the maintenance of poles and wires, regardless of when installed, contrary to the provisions of section 42-58.
(Code 1958 § 35-13)

Sec. 42-55. Franchise and permit required for installation.

It shall be unlawful for any person to install in, over or under any street any utility facility intended to support or carry wires or cables for telecommunications, telephone, fiber optic, electricity, gas or cable television services, without having first obtained a franchise from the city council permitting the same, and until the director of public works has granted a permit for such installation in accordance with the requirements of this article and other city ordinances.
(Ord. No. 35,363, § 1, 1-10-89; Ord. No. 40,212, § 2, 2-13-01)

Sec. 42-56. Suspension of permits and franchises for violation of article or other applicable ordinances or regulations; discontinuance of current in emergencies.

Any violation of this article or any other ordinance of the city relating to the subject matter of this article, or any refusal to make such alterations and repairs in present or future construction as may be required to conform to this article or such ordinances and to regulations of the department of public works, shall work immediate suspension of all permits, rights and franchises, held by the person guilty of such violation or refusal, and in case of persistent violations, and in case of emergencies or dangerous necessity, the director of public works is authorized to issue a discontinuance of electrical service order in any locality concerned and to enforce the discontinuance of electrical service until all ordinances and regulations are complied with.
(Code 1958, § 35-19; Ord. No. 35,363, § 1, 1-10-89)

Sec. 42-57. District for underground wires—Designated.

All that portion of the city bounded and described as follows is hereby designated as the district for underground wires: Beginning at the prolongated western end of the centerline of Clay Avenue where it intersects with the waters of the Eastern Branch of the Elizabeth River; thence northeastwardly along the centerline of Clay Avenue to the point where it intersects with the centerline of Lovitt Avenue; thence northwestwardly along the centerline of Lovitt Avenue to where it intersects with the centerline of Park Avenue; thence westwardly along the centerline of Park Avenue to where it intersects with the centerline of Holt Street; thence northwardly along the centerline of Holt Street and as it meanders to the point where the centerline of Holt Street intersects with the eastern right-of-way line of Tidewater Drive; thence northwardly along the eastern right-of-way of Tidewater Drive to the point where it intersects with the northern right-of-way of Virginia Beach Boulevard; thence westwardly along the northern right-of-way of Virginia Beach Boulevard to where it intersects with the eastern line of St. Paul's Boulevard; thence southward along the eastern right-of-way line of St. Paul's Boulevard to the southern right-of-way line of Virginia Beach Boulevard; thence westwardly along said line, across St. Paul's Boulevard, Granby Street, Boush Street and Duke Street, to the southern line of Olney Road; thence westwardly along said line to the eastern line of Mowbray Arch; thence southwardly, westwardly and northwardly along the eastern, southern and western line of Mowbray Arch to the intersection of said line with the prolongation eastwardly of the southern line of Fairfax Avenue; thence westwardly along the last-mentioned line to the western line of the new relocated Colley Avenue; thence northwardly along said line to the southern line of Redgate Avenue; thence westwardly along said line to the eastern line of Hampton Boulevard; thence southwardly along said line across Gresham Drive and Brambleton Avenue to the southeastern corner of Riverview Avenue and Brambleton Avenue; thence southwardly along the eastern line of Riverview Avenue across Southampton Avenue to the northern boundary line of the property of the United States of America (Fort Norfolk); thence eastwardly along said line and southwardly along the eastern boundary line of the aforesaid property of the United States of America (Fort Norfolk) to the southern line of Front Street; thence eastwardly along said line to the dividing line between the aforesaid property of the United States of America and property of others; thence southwardly along said line to the pier head line of the Elizabeth River and eastwardly along the pier head line of the Eastern Branch of the Elizabeth River to the point of beginning.

(Code 1958, § 35-4; Ord. No. 47,972, § 1, 4-28-20)

Charter reference—Authority of city to require wires carrying electricity to be placed underground, § 2(11).

Sec. 42-58. Same—Certain poles and wires prohibited.

(a) It shall be unlawful for any person to maintain or use on any street in the district or districts designated in section 42-57 any pole or to maintain or use any overhead wire or cable, other than poles and overhead wires and cables used for street lights, traffic signals, and overhead catenary systems.

(b) No permit shall be granted to install, within the district designated by section 42-57, any pole, other than poles intended to support street lights, traffic signals, and overhead catenary systems, and no permit shall be granted to install any distributing pole in such district, until the director of public works shall be satisfied that all reasonable effort has been made, without avail, to secure permission to install interior block work construction in order to eliminate the necessity for such pole.

(Code 1958, § 35-5; Ord. No. 35,363, § 1, 1-10-89; Ord. No. 43,637, § 2, 10-27-09)

Sec. 42-59. Permit application and bond for conduits; use of conduits for municipal wires.

(a) No permit to construct a conduit under any street shall be granted until application therefor, in writing, has been filed with the director of public works, accompanied by a diagram, in triplicate, showing the location, the

desired depth and dimensions of such conduit, the desired size and location of the manhole to be constructed therewith, and the desired size and number of each duct or compartment therein, nor until a bond has been delivered, with surety approved by the director of public works, in a penalty of five thousand dollars ($5,000.00), conditioned to indemnify the city from all loss, damage, expense or cost incurred by it by reason of anything done or omitted to be done in or about the construction of such conduit. No such bond shall be required in any case where a proper bond, required by the franchise of the applicant for the purpose of such indemnity, is in force.

(b) Every permit for the construction of a conduit system shall be subject to the condition that the city shall at all times have the free and unrestricted use of one duct for municipal wires. Upon request the city may release the requirement for the use of this one duct.
(Code 1958, § 35-12; Ord. No. 35,363, § 1, 1-10-89)

Sec. 42-60. Manholes for conduits—Generally.

(a) No person shall construct any manhole connected with any underground conduit, without first obtaining a permit from the director of public works.

(b) Every manhole connected with any underground conduit shall be so constructed, and the cover thereof so maintained, as to prevent such cover from being displaced by vehicles passing over the same.
(Code 1958, §§ 35-6, 35-14; Ord. No. 35,363, § 1, 1-10-89)

Sec. 42-61. Same—Precautions to be taken when uncovered.

It shall be unlawful for any person to remove the cover from any manhole connected with any underground conduit, unless conformance with city standards for traffic and pedestrian control as well as all standards pertaining to work zone traffic control as contained in the Federal and Virginia Manuals on Uniform Traffic Control Devices for Streets and Highways and the Virginia Work Area Protection Manual, are adhered to.
(Code 1958, § 35-7; Ord. No. 35,363, § 1, 1-10-89)

Sec. 42-62. Utility cut permit fee.

(a) Whenever it is necessary to issue a permit to any utility company or contractor for a cut to be made in city streets, other than for test hole boring, a fee in the amount of two hundred fifteen dollars ($215.00) plus one dollar ($1.00) per square foot of the street cut shall be charged for the cost of issuing said permit and inspecting the work. This fee shall be applicable in all such cases, regardless of whether the work is performed directly by a utility company or by a contractor. The fee shall be collected by the department of public works.

(b) Whenever it is necessary to issue a permit to any utility company or contractor for test hole boring in a city street, a fee in the amount of forty dollars ($40.00) shall be charged for the cost of issuing said permit and a fee in the amount of five dollars ($5.00) per test hole shall be charged for inspecting the work. For a test pit, a fee in the amount of three hundred fifteen dollars ($315.00) shall be charged for the cost of issuing said permit. These fees shall be applicable in all such cases, regardless of whether the work is performed directly by a utility company or by a contractor. The fees shall be collected by the department of public works. The permit and inspection fees for test hole boring shall not be applicable in the case of any work performed for or in behalf of the city.

(c) Whenever it is necessary to issue a permit to any utility company or contractor for a cut to be made in city verge (grass/dirt) area, other than for test hole boring, a fee in the amount of sixty-five dollars ($65.00) shall be charged for the cost of issuing said permit and inspecting the work. This fee shall be applicable in all such cases, regardless of whether the work is performed directly by a utility company or by a contractor. The fee shall be collected by the department of public works.

(d) Whenever roadway construction takes place for a period exceeding thirty (30) days or takes place on an arterial, collector street, or in the central business district (CBD), a permit for street and major utility construction is required. A fee in the amount of two hundred dollars ($200.00) plus one dollar ($1.00) per square foot of the street cut shall be charged to any utility company or contractor for the cost of issuing said permit and inspecting the work. This fee shall be applicable in all such cases, regardless of whether the work is performed directly by a utility company or by a contractor. The fee shall be collected by the department of public works.

(e) An administrative fee of two hundred fifty dollars ($250.00) will be assessed when a utility company or contractor fails three (3) or more inspections under the same permit. An administrative fee of two hundred fifty dollars ($250.00) will be assessed when a utility company or contractor works outside of normal business hours and an inspection is required outside of normal business hours.

(f) A written warning on the first occurrence for failure to secure a permit will be issued to the utility company or contractor. An administrative fee for failure to secure a permit will be assessed on the second occurrence at five hundred dollars ($500.00); for subsequent times thereafter, the administrative fee will be assessed at one thousand dollars ($1,000.00) per occurrence to the utility company or contractor.

(g) If there are any cuts to a newly resurfaced roadway within a four-year period after the roadway has been repaved per final contract invoice date or work order date if in-house paving, a five hundred dollar ($500.00) administrative fee will be assessed to the utility company or contractor.

(Ord. No. 38,267, § 1, 5-24-94; Ord. No. 38,369, § 1, 5-21-96; Ord. No. 39,191, § 1, 5-26-98; Ord. No. 43,857, § 1, 5-18-10; Ord. No. 47,229, § 39, 5-22-18, eff. 7-1-18)

Sec. 42-63. Sidewalk repair fee; plumber's cut fee.

Whenever it is necessary to issue a permit to anyone other than a utility company for a cut to be made in a city sidewalk, then a fee in the amount of one hundred twelve dollars ($112.00) per square block of concrete shall be charged to cover the cost of the permit and the inspection. The fee shall be collected by the department of public works.

(Ord. No. 39,192, § 4, 5-26-98; Ord. No. 47,229, § 40, 5-22-18, eff. 7-1-18)

Sec. 42-64. Payment of permit fee prerequisite to grant of permit to install.

No permit shall be granted to install any utility facility until there has been paid into the city treasury a permit fee of sixty-five dollars ($65.00) per utility facility. Pipe, conduit, conductor, and cable lines will be assessed a fee of sixty-five dollars ($65.00) per five hundred (500) linear feet. The fees shall be collected by the department of public works.

(Ord. No. 40,212, § 3, 2-13-01; Ord. No. 47,229, § 41, 5-22-18, eff. 7-1-18)

Sec. 42-65. Conditions of permits.

(a) Every permit to install, renew or change any utility facility shall be subject to all conditions and restrictions set out in this division.

(b) Utility facilities shall comply with the standards set forth in the city's policy pertaining to certain telecommunications and cable television facilities dated April 18, 2000, which may be amended from time to time.

(Ord. No. 40,212, § 4, 2-13-01)

Sec. 42-66. Relocation or removal of facilities.

(a) Within one hundred twenty (120) days following written notice from the city, the owner of utility facilities shall temporarily or permanently remove, relocate, change or alter the position of any utility facilities within the public ways at owner's expense whenever the city shall have determined that such removal, relocation, change or alteration is reasonably necessary for:

(1) The construction, repair, maintenance or installation of any city facilities or other public improvement in or upon the public ways.

(2) The operations of the city or other governmental entity in or upon the public ways.

(b) The owner of such utility facilities may file with the director of public works an application for an extension of time in which to comply with the requirements of subsection (a). Such application may be granted upon a finding that removal within the time specified in subsection (a) is not feasible or will result in an undue hardship upon the owner.
(Ord. No. 40, 213, § 1, 2-13-01)

Secs. 42-67—42-72. Reserved.

DIVISION 2. POLES

Sec. 42-73. Application of division.

The provisions of this division shall apply to poles for which permits are required by section 42-55 of this article.

Sec. 42-74. Application for permit to install.

No permit required by this article shall be granted to install any pole until application therefor, in writing, has been filed with the director of public works, accompanied with a diagram, in duplicate, showing the intended location of such pole and the location of all existing poles on the same side of the street in the block in which such pole is to be installed, and by whom such poles are owned.

Such application shall state:

(1) The diameter of such pole at the butt;

(2) The minimum depth to which such pole is to be set; or pole base design;

(3) The height of such pole above the surface of the street;

(4) The service for which such pole is to be used; and,

(5) Any other information prescribed by the director of public works.

(Code 1958, § 35-8; Ord. No. 35,363, § 1, 1-10-89)

Sec. 42-75. General prerequisites to grant of permit to install.

No permit to install any pole shall be granted until the director of public works shall be satisfied that such installation will not be a menace to the safety of the public and will not injure any municipal or private property.
(Code 1958, § 35-9; Ord. No. 35,363, § 1, 1-10-89)

Sec. 42-76. Payment of inspection fee prerequisite to grant of permit to install.

No permit shall be granted to install any pole until there has been paid into the city treasury an inspection fee of sixty-five dollars ($65.00) per pole.
(Code 1958, § 35-11; Ord. No. 39,192, § 5, 5-26-98; Ord. No. 47,229, § 42, 5-22-18, eff. 7-1-18)

Sec. 42-77. Permit to renew or change position.

No person shall renew or change the position of any telegraph, telephone, electric light or power pole, without first obtaining a permit therefor.

Application for such permit shall be made, in writing, to the director of public works, accompanied by a diagram, in duplicate, showing the location of the proposed poles and of all other poles on the same side of the street within the same block, together with the dimension of the poles to be set.
(Code 1958, § 35-14; Ord. No. 35,363, § 1, 1-10-89)

Sec. 42-78. Conditions of permits.

Every permit to install, renew or change any pole shall be granted subject to all conditions and restrictions set out in this division.
(Code 1958, § 35-10)

Sec. 42-79. Revocation of permit.

(a) Any permit granted to install, renew or change any pole may be revoked by the city council at its pleasure, after sixty (60) days notice to the owner, proprietor or lessee of such pole of its intention to revoke the same.

(b) If the owner or proprietor of a pole is convicted of a violation of any city ordinance relating to poles, wires or conduits, or shall, in the judgment of the director of public works, fail to observe any condition or restriction attached to the permit for installing, renewing or changing such pole, the director of public works shall have the right to revoke such permit.

(c) Whenever the permit to install, renew or change a pole has been revoked, the owner or proprietor thereof shall, within thirty (30) days, remove the same from the street, and in the event of a failure so to do, the director of public works may cause such pole to be taken down and removed from the street, at the risk and expense of such owner or proprietor.
(Code 1958, § 35-10; Ord. No. 35,363, § 1, 1-10-89)

Sec. 42-80. Authority of city right-of-way administrator to prohibit installation.

The city right-of-way administrator shall have the authority to prohibit the installation of a pole whenever such pole, or the proposed location thereof, or the manner of installing the same shall, in his judgement, fail to conform to the requirements of this article or any other city ordinance, or to any condition or restriction attached to the permit for its installation. Such prohibition shall stand until reversed by the director of public works.
(Code 1958, § 35-10; Ord. No. 35,363, § 1, 1-10-89; Ord. No. 40,378, § 4, 6-19-01; Ord. No. 47,014, § 2, 10-10-17)

Sec. 42-81. Commencing installation deemed assent to terms, conditions, etc., of permit and ordinances.

The commencing of the work of installing a pole shall be deemed an assent to all the terms, conditions and restrictions named in such permit or prescribed by city ordinances relating to poles, wires or conduits.
(Code 1958, § 35-10)

Sec. 42-82. Preparation prior to installation.

Every wood pole shall, before being set in the ground, be sawed off straight at the butt and have its top cut to a peak or wedge shape and shall be free from bark, reasonably straight and sightly and free from rot, and shall taper from butt to tip.
(Code 1958, § 35-10; Ord. No. 35,363, § 1, 1-10-89)

Sec. 42-83. Identification.

Each pole shall, at all times, have the L-name, or initial letters of the name, of the owner or proprietor thereof neatly and legibly stenciled thereon, at a point six (6) feet above the surface of the street.
(Code 1958, § 35-10)

Sec. 42-84. Minimum distance between poles in same block on same side of street.

If a pole is to carry any wire or cable for electric light, heat or power service or for telegraph or telephone service, it shall not be set less than fifty (50) feet from any other pole within the same block on the same side of the street, unless otherwise authorized by the director of public works on a showing of sufficient cause.
(Code 1958, § 35-9; Ord. No. 35,363, § 1, 1-10-89)

Sec. 42-85. Reserved.

Editor's note—Ord. No. 35-363, § 2, adopted Jan. 10, 1989, repealed § 42-85, relative to placement of poles on same side of street.

Sec. 42-86. Uniformity of height.

All poles installed by virtue of a permit granted under this article shall be of uniform height, unless the director of public works shall authorize to the contrary.
(Code 1958, § 35-10; Ord. No. 35,363, § 1, 1-10-89)

Sec. 42-87. Removal of excess space at top.

Whenever a pole shall have out of service a space of more than two (2) feet above the highest attachment thereon in service, such excess space shall be removed.
(Code 1958, § 35-10)

Sec. 42-88. Minimum height of wires and cables above street.

All wires or cable attached to a pole shall comply with height requirements in the current National Electrical Code and in the National Electrical Safety Code.
(Code 1958, § 35-10; Ord. No. 35,363, § 1, 1-10-89)

Sec. 42-89. Attaching wires or cables to, or running them through, trees.

No cable or wire supported by a pole shall be attached to a tree on any street and, except in the case of a single cut-in wire, no wire or cable supported by a pole shall be carried through the branches of any tree, unless enclosed in a protecting casing approved by the city right-of-way administrator.
(Code 1958, § 35-10; Ord. No. 35,363, § 1, 1-10-89; Ord. No. 40,378, § 4, 6-19-01; Ord. No. 47,014, § 3, 10-10-17)

Sec. 42-90. Insulation of guy wires.

(a) Guy wires on poles supporting any wire or wires shall be insulated and maintained as set forth in this section.

(b) An insulator shall be located in each guy which is attached to a pole or structure carrying any supply conductors of more than one hundred (100) volts to ground and not more than fifteen thousand (15,000) volts, or in any guy which is exposed to such voltages. This guy insulator shall be located at least eight (8) feet above the ground.

(c) Where a guy attached to any pole carrying communication or supply conductors or both is carried over or under any overhead supply conductor of more than one hundred (100) volts to ground, and where a hazard would otherwise exist, two (2) or more guy insulators shall be placed so as to include the exposed section of the guy between them as far as possible. Neither insulator shall be within eight (8) feet of the ground.

(d) Guy insulators shall be made of wet process porcelain, wood or other material of suitable mechanical and electrical properties. Such insulators shall have a dry flash-over voltage at least double the normal line voltage and a wet flash-over voltage at least as high as the normal line voltage between conductors.

(e) Guy insulators shall have a mechanical strength at least equal to that required of the guys in which they are installed.

(f) Where guys in which it is necessary to install insulators are so arranged that one crosses or is above another, insulators shall be so placed that, in case any guy sags down upon another, the insulators will not become ineffective.

(g) A guy insulator or insulators are not required, if the guy is attached to a pole on a private right-of-way, which pole carries no supply circuits whose voltage exceeds two hundred fifty (250) volts or whose transmitted power exceeds three thousand two hundred (3,200) watts.

(h) A guy insulator is not required, if all supply conductors are cabled having effectively grounded continuous metal sheath or insulated conductors supported on and cabled together with an effectively grounded messenger.

(i) Insulators are not required in guys under any one of the following conditions:

(1) Where the guy is electrically connected to grounded steel structures or to an effective ground connection on wood poles.

(2) Where the guys are uniformly effectively grounded throughout any system of overhead lines.

(3) Where the guys are connected to a line conductor which has at least four (4) ground connections in each mile of line, in addition to the ground connections at individual services.

(Code 1958, § 35-10.1)

Sec. 42-91. Grounding of guys attached to wood poles.

(a) The anchored end of guys attached to wood poles carrying circuits of more than fifteen thousand (15,000) volts shall be effectively grounded wherever this part of the guy has a clearance of less than eight (8) feet to ground. This requirement does not apply, if the guy contains an insulator which will meet the requirements for the highest voltage liable to be impressed on it.

(b) For the purposes of this section, "effectively grounded" means permanently connected to earth through a ground connection of sufficiently low impedance and having sufficient current-carrying capacity to prevent the building up of voltages which may result in undue hazard to connected equipment or to persons.
(Code 1958, § 35-10.1)

Sec. 42-92. Joint use generally.

(a) The director of public works shall have the right to designate a pole for the joint use of the owner of such pole and other proprietors of lines, and to assign to each such joint user a certain section thereof on such terms as may be agreed upon. In the event of failure to reach such agreement, such director shall have the right to determine such terms, and to revoke the permit for such pole, unless such determination is accepted by the owner or proprietor thereof.

(b) Notwithstanding any other provisions of this division, the right to use a pole shall not be conferred upon any other person or corporation not having the necessary franchise.
(Code 1958, § 35-10; Ord. No. 35,363, § 1, 1-10-89)

Sec. 42-93. City's right to use.

The city shall have the right to the free and unrestricted use of any pole in accordance with the National Electrical Safety Code, specifically, a two-foot open area for the city's use shall be reserved on the pole above the television service area and a two-foot open area for the city's use shall be reserved below the telephone service area. Upon request the city may release the requirement to provide this area.
(Code 1958, § 35-10; Ord. No. 35,363, § 1, 1-10-89)

Sec. 42-94. Limitations as to crossarms on poles not in joint use.

If a pole is not a joint pole, it shall not carry more than nine (9) crossarms, all of which shall be uniform in length, which shall not be greater than is necessary for ten (10) pins.
(Code 1958, § 35-10)

Sec. 42-95. Map showing location of poles.

All persons having, using or maintaining any telegraph, telephone, electric light or other poles in any of the streets, lanes or alleys of the city, shall file with the director of public works a map, in sections, drawn to a scale of one hundred (100) feet to the inch, showing accurately the location of each of such poles used, possessed or maintained by them.
(Code 1958, § 35-18)

Sec. 42-96. Duty of owners of certain poles as to linemen and cut-off switches.

The owner or proprietor of a pole, if the same is used for the support of any wire or cable for electric light, heat or power service, shall at all times have an experienced lineman stationed in the city and within reach of a telephone call, who shall be kept supplied with all necessary appliances for cutting and repairing such wire or cable, and who shall be required by such owner or proprietor to render prompt and necessary service about such wire or cable. Such owner or proprietor shall also, at all times, maintain all necessary cut-off switches on all feed wires entering the city charged with electric current generated beyond the city limits. The number and location of such switches shall be shown on the maps required in section 42-95.
(Code 1958, § 35-10; Ord. No. 35,363, § 1, 1-10-89)

Sec. 42-97. Removal of abandoned wires or cables.

All abandoned wires or cables attached to a pole shall be removed by the owner or proprietor of such pole immediately upon such abandonment.
(Code 1958, § 35-10)

Sec. 42-98. Removal of abandoned poles.

Every pole, when no longer used for the service named in the permit, granted therefor, shall be taken down and removed from the street immediately upon such abandonment, unless a permit for its use is granted to some other person or corporation having a franchise authorizing such use.
(Code 1958, § 35-10)

Sec. 42-99. Removal of dangerous, etc., poles.

Whenever a pole shall, in the judgment of the director of public works, become a menace to persons or property, or shall interfere with any municipal work, or with the operation of any municipal construction, it shall be removed, and a new pole may be substituted therefor, unless the director shall direct otherwise. Unless such pole is removed within forty-eight (48) hours after notice, the permit therefor may be revoked; provided that, if in the opinion of the city right-of-way administrator or the director of public works, such pole should be removed at once on account of imminent danger to persons or property, the permit therefor may be revoked, unless the necessary precautions to obviate such danger are taken as soon as the owner or proprietor of such pole has knowledge of such imminent danger.
(Code 1958, § 35-10; Ord. No. 35,363, § 1, 1-10-89; Ord. No. 40,378, § 4, 6-19-01; Ord. No. 47,014, § 4, 10-10-17)

Sec. 42-100. Effect of acceptance of street by council after pole installed.

If a pole is installed on any street which has not been accepted as such by action of the city council, and such street shall thereafter be so accepted, all the conditions of the permit provided for in this article and all provisions of the city ordinances relating to poles, wires or conduits shall thereupon become applicable to such pole and all wires supported thereon.
(Code 1958, § 35-10)

Secs. 42-101—42-116. Reserved.

DIVISION 3. ESCAPE OF ELECTRIC CURRENT

Sec. 42-117. Violations of division.

Any person violating any provision of this division shall be guilty of a Class 4 misdemeanor, whether the entire electrical current imposed on the water mains, pipes, cables or other structures belonging to the city, in the streets, alleys or other parts thereof, escapes from, or comes from the power house or works of such person, or whether such person, by failing to restrain his current materially contributes to the injury of the water mains, pipes, cables or other structures belonging to the city.
(Code 1958, § 35-25)

Sec. 42-118. Required precautions generally.

(a) All persons using or employing electrical currents in the city shall provide and always have in use the latest designs and most effective means, ways and appliances to control and effectively retain such currents in their proper channels and on their own wires, tracks and other works, so as to prevent injury to the water mains, pipes, cables and other structures within the city or belonging to the city, in the streets and alleys or other parts of the city, and repair and renew such means, ways and appliances or, from time to time, change and improve the same as may be necessary to accomplish such purpose, all at their expense and at their own risk, selecting and adopting such means, ways and appliances as shall prevent injury to the water mains, pipes, cables and other structures belonging to the city.

(b) Neither the collection of any penalty for violating any provision of this article, nor any prosecution of such violation, nor the passage of

any ordinance shall have the effect to take away or abridge the right of the city to damages arising from any injury heretofore or hereafter done to the city or to the water mains, pipes, cables or other structures belonging to the city, by the escape of current from the structures of the person generating or transmitting such current contrary to the provisions of this section.
(Code 1958, §§ 35-20, 35-21)

Secs. 42-119, 42-120. Reserved.

Editor's note—Ord. No. 35,363, § 2, adopted Jan. 10, 1989, repealed §§ 42-119 and 42-120, pertaining to stray currents, as derived from Code 1958, §§ 35-23 and 35-24.

Sec. 42-121. Liability for damages occasioned by electrolysis.

Every person, in the equipment and maintenance of his roadbed and other fixtures, shall use the best and most approved fixtures, means, ways and appliances to prevent injury by electrolysis to the water mains, pipes, cables or other structures of the city and shall pay to the city all damages occasioned by electrolysis, after a survey and estimate thereof by some suitable person appointed by the director of public works for that purpose. In case the person responsible for such fixtures, when notified of such survey and estimate, objects in writing to such assessment within ten (10) days, then the amount of such damage shall be ascertained by arbitrators to be appointed, one by such person, one by the city manager and one by the arbitrators so appointed. If they [the two (2) arbitrators so appointed] fail to agree [on selection of the third arbitrator], the third arbitrator shall be selected by the judge of the circuit court of the city. Such person responsible for such fixtures shall also indemnify and save harmless the city from all claims for damage occasioned to any person or property growing out of injury to such water mains, pipes, cables or other structures from that cause.
(Code 1958, § 35-22; Ord. No. 35,363, § 1, 1-10-89)

Secs. 42-122—42-137. Reserved.

ARTICLE III. STREET AND SIDEWALK VAULTS

DIVISION 1. GENERALLY

Sec. 42-138. "Vault" defined.

The word "vault", wherever used in this article, shall mean any excavation, pit, well or cellar opening made or constructed in or under any sidewalk or street in the city.
(Code 1958, § 45-72)

Sec. 42-139. Compliance with article and other applicable ordinances.

In the construction, maintenance and use of any vault and of all fixtures, appliances and appurtenances therein or connected therewith, the provisions of this article and other city ordinances in regard to vaults shall at all times be complied with.
(Code 1958, § 45-82)

Sec. 42-140. Violations of article.

A violation of any provision of this article shall constitute a Class 3 misdemeanor.

Sec. 42-141. Supervision and approval of construction.

The construction of every vault, including the retaining walls thereof, shall be under the supervision of the director of public works and all work thereon shall be done in a manner satisfactory to the director and shall be subject to his approval.
(Code 1958, § 45-97)

Sec. 42-142. Safety precautions during construction.

During the construction of a vault, all necessary precautions shall be observed, as prescribed by the director of public works, in order to prevent injury to persons or property.
(Code 1958, § 45-97)

Sec. 42-143. Interference with sewer or water pipes, fire hydrants, etc.

Vaults and all fixtures, appliances and appurtenances therein or connected therewith shall be constructed, maintained and used so as not to interfere with any sewer pipe, water pipe, fire hydrant, manhole, catch basin, conduit or other public work.
(Code 1958, § 45-84)

Sec. 42-144. Paving of sidewalk over vault.

(a) The sidewalk over a vault not occupied by glass floor lights shall be paved with stone or concrete according to specifications of the director of public works, and shall be laid to the grade designated by him. All such paving shall be laid and maintained at the expense of the owner of such vault.

(b) Glass prisms or blanks may be set in the paving referred to in subsection (a) above, not exceeding two (2) inches square or two (2) inches in diameter, and not less than one and three-fourths (1¾) inches thick at the edges. Glass floor lights may be set in such paving, but the thickness of such lights, and the method of setting the same, shall be such as, in the judgment of the building official, may be necessary.
(Code 1958, § 45-94)

Sec. 42-145. Lifts and elevators and openings therefor.

No lift or elevator shall be installed in a vault, if the sidewalk over the same has a less width than six (6) feet. No opening for a lift or elevator shall be more than four (4) feet, measured perpendicular to the curb, or more than six (6) feet, measured parallel with the curb, or extended across more than one-third of the width of the sidewalk.
(Code 1958, § 45-95)

Sec. 42-146. Covers for openings.

Every opening into a vault from the sidewalk shall at all times have a heavy iron cover set in a substantial iron frame and fastened thereto by noncorroding metal hinges. Such cover and the frame into which it is set shall be kept well scored, and no part of either, or of the hinges attached thereto, shall project more than one-half inch above the established surface of the sidewalk. Such cover shall be fastened down with an iron rod or chain, except when raised to permit access to such vault. No such opening shall have a grated covering.
(Code 1958, § 45-96)

Sec. 42-147. Sidewalk repairs.

The right of the city to make any necessary repairs to the sidewalk over a vault shall not be interfered with, and the city shall not be liable for any damage done to such vault, its fixtures or appurtenances, during or in consequence of any such repairs. The owner of the land abutting on a vault shall reimburse the city for all money expended in making repairs to the sidewalk over the same during the continuance of the permit for the maintenance thereof.
(Code 1958, § 45-91)

Sec. 42-148. Change in grade of sidewalk.

Whenever any change shall be made in the grade of the sidewalk over a vault, such vault shall be made to conform to such new grade and paved over, if necessary, at the expense of the proprietor of such vault or the owner of the land abutting thereon. (Code 1958, § 45-93)

Sec. 42-149. Changes when adjacent street widened.

Whenever the street adjacent to a vault shall be widened, all necessary changes in the construction of such vault, its fixtures and appurtenances, shall be made by the owner or proprietor thereof, and if not made within a reasonable time after notice, may be made by the director of public works at the risk and expense of such owner or proprietor. (Code 1958, § 45-88)

Sec. 42-150. Prohibited equipment, appliances, etc.

No person shall place, locate, install, maintain, use or operate, in any vault:

(1) Any boiler.

(2) Any engine operated by steam, gas or gasoline.

(3) Any tank or container for storing gas, gasoline or any explosive.

(4) Any pump or any appliance or pipe for generating or emitting gas, steam or any offensive odor.

(5) Any fan for ejecting vitiated or superheated air.

(6) Any exhaust pipe intended to open or discharge into such vault. (Code 1958, § 45-92)

Sec. 42-151. Maintenance or use does not vest title in owner of abutting land or affect city's rights.

The maintenance or use of a vault shall not be taken to vest any title thereto in the owner of the abutting land, or to abridge in any manner the rights of the city therein. (Code 1958, § 45-89)

Sec. 42-152. City not liable for losses, damages, etc., resulting from construction, maintenance or use.

The city shall not be liable for any loss, damage, injury, cost or expense incurred by any person by reason of the construction, maintenance or use of a vault or any fixture therein or any appliance or appurtenance thereof. (Code 1958, § 45-90)

Sec. 42-153. Installation of public work in, under or through vault.

The director of public works shall have the right, at any time, without making compensation therefor, to install and maintain any public work in, under or through a vault, and the owner or proprietor of the land abutting on such vault, upon receipt of notice from such director to the effect that it is desired to make any such installation, or any extension or alternation of any such installation, shall, without cost to the city, at once remove from such vault any pipe, wall, beam, fixture or other part, appurtenance or appliance therein or connected therewith, which, in the opinion of such director, should be removed, so as to leave a clear space in such vault sufficient for the installation, operation, maintenance or extension of such public work. Upon failure on the part of such owner or proprietor to comply with such notice, such removal may be made by such director at the risk and expense of the person so in default, or the permit for such vault may be revoked by such director. (Code 1958, § 45-86)

Sec. 42-154. Right of entry of city agents and employees.

The agents and employees of the city shall, at all times, have the right to enter a vault for the purpose of inspecting the same, or installing, inspecting, extending or repairing any public work therein. (Code 1958, § 45-87)

Secs. 42-155—42-170. Reserved.

DIVISION 2. PERMIT TO CONSTRUCT, MAINTAIN OR USE

Sec. 42-171. Required.

It shall be unlawful for any person to construct or to maintain or use any vault, without first obtaining a permit so to do from the director of public works. (Code 1958, § 45-73)

Sec. 42-172. Application.

Application for a permit for the construction of a vault shall be filed with the director of public works by the owner of the land fronting on the street or sidewalk under which such vault is to be constructed. Such application shall state the purposes for which such vault is intended, the nature of all fixtures, machinery and appliances to be installed therein and such other information as the director of public works may require. Such application shall be accompanied by plans and specification showing the dimensions of such vault, the character of the proposed construction, the method of draining the same, the number, size and location of all openings therein from the street, the method for protecting such openings and any other facts that may be required by the director of public works. (Code 1958, § 45-74)

Sec. 42-173. Not to be granted if vault interferes with public utility or work.

No permit shall be granted for the construction, maintenance or use of any vault which will interfere with or injure any public utility or any public work. (Code 1958, § 45-77)

Sec. 42-174. Approval of plans and specifications as prerequisite to grant.

No permit for the construction of a vault shall be granted until the plans and specifications provided for in section 42-172 have been approved by the building official as making sufficient provision for the safety of the public and adjoining property. (Code 1958, § 45-74)

Sec. 42-175. Abutting owner's agreement as prerequisite to grant.

No permit shall be granted for the construction of any vault until the owner of the land abutting on the sidewalk under which such vault is to be constructed has, by means of a writing in the nature of a covenant running with such land and intended to bind all future owners thereof, duly executed and admitted to record, stipulated and agreed that the rights and privileges conferred by such permit shall be at all times subject to all and singular the terms, conditions and restrictions imposed by this article. (Code 1958, § 45-76)

Sec. 42-176. Bond or liability insurance as prerequisite to grant.

No permit shall be granted for the construction of any vault until a proper bond, with surety, or a liability insurance policy payable to the city, in the penalty of five thousand dollars ($5,000.00), has been given, and the surety therein approved by the city manager, and the form thereof approved by the city attorney. Every such bond or insurance policy shall be with condition to indemnify the city against any and all loss, damage, injury, cost or expense that may be incurred by the city by reason of the construction, maintenance or use of such vault or any appurtenance or appliance thereof, or any fixture or machinery therein, or in closing such vault or removing any fixture or machinery therefrom, or in doing anything in or about such vault which should have been done by the owner or proprietor thereof, or by the applicant for a permit therefor. No such bond or insurance policy shall be accepted which is so drawn that the liability of the surety therein is limited to such claim, loss, damage, cost or expense as may arise or be incurred by the city during any specified period of time. (Code 1958, § 45-75)

Sec. 42-177. To be granted subject to provisions of article.

All permits for the construction, maintenance or use of any vault shall be granted subject to the terms, conditions and restrictions set out in this article.
(Code 1958, § 45-81)

Sec. 42-178. Revocation—Generally.

The permit for the construction, maintenance or use of any vault may be revoked by the director of public works whenever it shall be shown that the proprietor of such vault, or the owner of the land abutting thereon, has failed to comply with any provision of this article or other city ordinances in regard to vaults, or any condition of the permit for the same, or that such vault or any part thereof is required by public work, or that such vault is a nuisance or is a menace to persons or property, or that the bond or liability insurance required to section 42-176 has ceased to be effective for the protection of the city.
(Code 1958, §§ 45-78, 45-85, 45-98)

Sec. 42-179. Same—Vault to be closed, fixtures, etc., removed and street or sidewalk restored.

Whenever the permit for the construction, maintenance or use of a vault shall be revoked, such vault shall be closed, and all fixtures, appliances and appurtenances therein or connected therewith shall be removed, and the sidewalk or street over such vault shall be restored to a safe and proper condition by the owner or proprietor of the land abutting on such vault, within ten (10) days after receipt of notice from the director of public works, and in default thereof, such work may be done by order of the director of public works at the risk and expense of such owner or proprietor.
(Code 1958, §§ 45-79, 45-83)

Secs. 42-180—42-195. Reserved.

ARTICLE IV. STREET NUMBERS FOR BUILDINGS

Sec. 42-196. Compliance with article; general duties of director of public works under article.

(a) All buildings or any street as defined in section 42.4-2 of this Code whether public or private, now or hereinafter erected or constructed within the boundaries of the city shall be numbered and named as provided in this article.

(b) It shall be the duty of the director of public works to see that all buildings in the city are numbered in accordance with the plans prescribed in this article and he shall adopt, and require to be used, a uniform size and style of numbers for all buildings.

(c) The official name of all streets shall be as maintained in the master street name file. The director of public works shall be responsible for maintaining the master street name file.
(Code 1958, §§ 45-50, 45-45; Ord. No. 40,114, § 1, 9-19-00)

Sec. 42-197. Division of city into blocks; base lines—Generally.

The entire city, with the exception of that part of the city commonly known as Berkley, shall be divided into blocks, with Granby Street as the base line from which all such blocks on east and west streets north of Main Street are to be computed, and Fayette Street as the base line from which all such blocks on east and west streets south of Main Street are to be computed, and the pier head line of the Elizabeth River shall be the base line from which all such blocks on north and south streets, lying west of the center line of Broad Creek, are to be computed. The numbering of all such blocks on north and south streets located east of the center line of Broad Creek are to be computed north and south from a base line along the Norfolk—Southern Railway's right-of-way to Virginia Beach.
(Code 1958, § 45-41)

Sec. 42-198. Same—Berkley.

That part of the city commonly known as Berkley shall be numbered in accordance with the following plan: South Main Street in said part of the city the base line from which all such blocks on east and west streets are to be computed, and the port warden's line in the southern branch of the Elizabeth River the base line from which all such blocks on north and south streets are to be computed.
(Code 1958, § 45-42; Ord. No. 40,114, § 2, 9-19-00)

Sec. 42-199. Blocks and parcels in each block to be numbered consecutively.

For the purposes of this article, all blocks referred to in sections 42-197 and 42-198 shall be deemed to be numbered in regular order from their respective base lines as named in such sections. In each block so computed as block one, parcel numbers beginning with one hundred (100) shall be assigned or reserved for each street. In each block so computed as block two (2), parcel numbers beginning with two hundred (200) shall be assigned or reserved for each street, and so on for each block, the first parcel number in each block to be one hundred (100) multiplied by the number of such block computed from its base line as aforesaid. Block range numbers shall be noted in the street sign starting with the lowest number.
(Code 1958, § 45-43; Ord. No. 40,114, § 3, 9-19-00)

Sec. 42-199.1. Special provisions as to certain parcels of property located in the Subdivision of Crown Point, Section Two.

Notwithstanding any requirements under this Code to the contrary, the following parcels of property, located in Blocks DD and EE as shown on the plat entitled "Subdivision of Crown Point, Norfolk, Virginia, Section Two," recorded in the Norfolk Circuit Court Clerk's Office in Map Book 22, page 77, shall be numbered as follows:

Block DD	*Block EE*
Lot 1—1135 Eastover Road	Lot 1—1132 Eastover Circle
Lot 2—1133 Eastover Road	Lot 2—1130 Eastover Circle
Lot 3—1131 Eastover Road	Lot 3—1128 Eastover Circle
Lot 4—1129 Eastover Road	Lot 4—1126 Eastover Circle
Lot 5—1127 Eastover Road	Lot 5—1124 Eastover Circle
Lot 6—1125 Eastover Road	Lot 6—1122 Eastover Circle
Lot 7—1123 Eastover Road	Lot 7—1120 Eastover Circle
Lot 8—1121 Eastover Road	Lot 8—1118 Eastover Circle
Lot 9—1119 Eastover Road	Lot 9—1116 Eastover Circle
Lot 10—1117 Eastover Road	Lot 10—1114 Eastover Circle
Lot 11—1115 Eastover Road	Lot 11—1112 Eastover Circle
Lot 12—1113 Eastover Road	Lot 12—1110 Eastover Circle
Lot 13—1111 Eastover Road	
Lot 14—1109 Eastover Road	
Lot 15—1107 Eastover Road	
Lot 16—1105 Eastover Road	
Lot 17—1103 Eastover Road	
Lot 18—1101 Eastover Road	

(Ord. No. 46,772, § 1, 3-21-17)

Sec. 42-200. Odd and even numbers.

(a) Every parcel on the north side of any street shall have an even number and every parcel on the south side of any street shall have an odd number.

(b) Every parcel on the east side of any street shall have an even number and every parcel on the west side of any street shall have an odd number.
(Code 1958, § 45-44; Ord. No. 40,114, § 4, 9-19-00)

Sec. 42-201. Special provisions as to certain buildings.

(1) (a) The numbering of the property, and any building thereon, south of Main Street, East of Atlantic Avenue and north of Waterside Drive, currently known as One Commercial Place, shall be assigned according to Article IV, sections 42-196 through 42-200 of the Code.

(b) The numbering of the building located on the property south of Main Street and abutting on portions of the eastern line of Commercial Place and the northern line of Waterside Drive shall be Two Commercial Place.

(c) The numbering of the building located on the property south of Main Street and abutting on portions of the eastern line of Commercial Place and the southern line of Main Street shall be Three Commercial Place.

(2) The numbering on the building, located on property south of Southampton Avenue, west abutting the line of property of the United States of America, south abutting Front Street and east abutting a portion of Colley Avenue, known as parcel A as shown on a plat entitled, "Resubdivision of Harbor's Edge at Fort Norfolk," recorded in the Clerk's Office of the City of Norfolk, Virginia, in Map Book 57 at Pages 62A and 63A, known as 101 Colley Avenue shall be hereby changed to the new number of One Colley Avenue and the same building shall be hereinafter known and designated as One Colley Avenue.

(3) The numbering on the building known as the Chrysler Museum of Art, located on property designated as parcel 33, Lee Park, pts. of closed Sts. (Mowbray Arch, Fairfax Ave, Virginia Beach Boulevard, Memorial Place and Pibble St.) and numbered 245 West Olney Road, shall be One Memorial Place.

(4) The numbering on the building located on the property designated as Lot 43a and numbered as 117 W. Virginia Beach Boulevard shall be 888 Magazine Lane.

(5) The numbering on the building known as CMA CGM, located on property designated as parcel MP4-D1-B, as numbered 5701 Lake Wright Drive, shall be One CMA CGM Way.

(Code 1958, § 45-46.2; Ord. No. 31,918, § 1, 8-31-82; Ord. No. 35,267, § 1, 10-11-88; Ord. No. 40,114, § 5, 9-19-00; Ord. No. 42,392, § 1, 9-12-06; Ord. No. 45,071, § 1, 4-23-13; Ord. No. 46,690, § 1, 12-20-16; Ord. No. 47,362, § 1, 9-11-18; Ord. No. 48,512, § 1, 9-28-21)

Sec. 42-202. Duty of owner to apply for and display number.

(a) When any building is erected within the city limits, the owner or agent thereof shall apply to the director of public works for the proper number for the same and, upon the assignment by the director of public works of the proper number for such building, it shall be the duty of the owner thereof, within thirty (30) days from the receipt of notice of such assignment, to cause such building to be numbered, at his own expense, in accordance with the provisions and requirements contained in this article.

(b) It shall be the duty of the owner or agent of each residential, commercial or industrial building in the city to display properly on the front thereof, and in a position easily observed from the street, and in numbers not less than four (4) inches in height, the proper street address number of such building, for the ascertainment of which he shall apply to the director of public works. All such buildings shall be numbered in accordance with this article.

(c) Before any certificate of occupancy is issued by the building official, the department of planning and community development shall cause an inspection to be done to ensure that the proper number has been posted as required by this article.

(d) All buildings with multiple floors, suites or units shall submit a plan for an internal numbering system to the fire department for

approval prior to occupancy. The internal plan as required in this section shall be submitted annually, and whenever there is a reconfiguration of suites or units, or a reuse.
(Code 1958, §§ 45-38, 45-46; Ord. No. 30,144, § 1, 10-9-79; Ord. No. 40,114, § 6, 9-19-00; Ord. No. 41,616, § 1, 11-2-04)

Sec. 42-203. Display of number other than one assigned.

It shall be unlawful for the occupant or the owner of any building in the city, to which a street number has been assigned in accordance with this article, to attach or paint, or permit to be or remain attached to or painted on such building, any figure tending or purporting to indicate the street number of such building, unless the number so indicated is the street number assigned to such building in accord with this article.
(Code 1958, § 45-39)

Secs. 42-204—42-210. Reserved.

ARTICLE V. VACATION OF PUBLIC STREETS OR ALLEYS*

Sec. 42-211. Fee for processing application.

A fee of one hundred dollars ($100.00) shall be paid to the city for the processing of an application for the vacation of any public street, lane, alley or other public right-of-way pursuant to Code of Virginia, § 15.2-2006. The application shall not be received unless such fee be paid at the time the application is filed.
(Ord. No. 30,160, § 1, 10-23-79; Ord. No. 42,536, § 1, 1-30-07)

State law reference—Authority for above section, Code of Virginia, § 15.2-2006.

Sec. 42-212. Sale of public street or alleys.

Unless otherwise provided by the council, as a condition of the vacation or abandonment of any public street, lane, alley or other public right-of-way, the abutting property owner or owners, other than the original subdivider, requesting the vacation or abandonment shall purchase from the city such abutting property owner's fractional portion of the public street, lane, alley, or other public right-of-way. The price shall be no greater than the property's fair market value or its contributory value to the abutting property, whichever is greater, or the amount agreed to by the parties. No such vacation or abandonment shall be concluded until the agreed price has been paid. If any abutting property owner does not pay for such owner's fractional portion within one year, or other time period made a condition of the vacation or abandonment, then the vacation or abandonment shall be void as to any such property owner.
(Ord. No. 30,160, § 1, 10-23-79; Ord. No. 42,536, § 2, 1-30-07)

Sec. 42-213. Public hearing required before the vacation of any public street or alley.

A public hearing shall be held before any ordinance is adopted vacating or abandoning a public street, lane, alley, or other public right-of-way or any portion thereof. Notice shall be given as required by Code of Virginia, § 15.2-2006.
(Ord. No. 34,230, § 1, 11-25-86; Ord. No. 42,536, § 3, 1-30-07)

*__Editor's note—__Section 1 of Ord. No. 30,160, enacted Oct. 23, 1979 added Art. V, §§ 45-98.1, 45-98.2 to the 1958 Code. The editor has included these provisions as Art. V, §§ 42-211, 42-212.

No. 41,549, § 1, adopted Aug. 24, 2004; and Ord. No. 41,727, §§ 1—5, adopted Feb. 15, 2005.

__Cross references—__Ordinances regulating subdivisions of land not affected by Code or ordinance adopting Code, § 1-5(7); buildings and building regulations, Ch. 11.1; erosion and sedimentation control, Ch. 15; fire prevention and protection, Ch. 17; motor vehicle code, Ch. 25; parks and recreation, Ch. 30; planning generally, Ch. 32; approval of subdivision plats by planning commission, § 32-40; sewers and drains, Ch. 39; solid waste, Ch. 41; streets and sidewalks, Ch. 42; swimming pools, Ch. 43; trailer coaches and trailer coach parks, Ch. 44; water supply, Ch. 46; wetlands and coastal primary sand dunes, Ch. 49; zoning ordinance, App. A.

__State law references—__Land subdivision and development, Code of Virginia, § 15.1-465 et seq.; requirement that municipalities adopt ordinances to assure orderly subdivision of land and its development, § 15.1-465; provisions to be included in subdivision ordinance, § 15.1-466.

Sec. 42.5-1. Authority and intent.

The regulations and restrictions set out in this chapter are hereby adopted in order to provide for the orderly division, subdivision, resubdivision or development of land within the corporate limits of the city.
(Ord. No. 42,733, § 1(Exh. A), 7-10-07)

Sec. 42.5-2. Definitions.

The words and phrases set forth in this section shall, for the purposes of this chapter, have the meanings respectively ascribed to them in this section.

Beach: The shoreline zone comprised of unconsolidated sandy material as defined in Code of Virginia, § 28.2-1400.

Best management practices or *BMPs:* A practice, or a combination of practices, that is determined by the city to be the most effective, practical means of preventing or reducing the amount of pollution generated by nonpoint sources to a level compatible with water quality goals in accordance with the performance standards of subsection 11-2.9(b)(5) of the Zoning Ordinance.

Buffer area: An area of natural or established vegetation managed to protect other components of a resource protection area and state waters from significant degradation due to land disturbances.

Chesapeake Bay Preservation Area or *CBPA:* Any land designated by the city pursuant to part III of the management regulations, 9 VAC 10-20-70, and Code of Virginia, § 10.1-2107. A Chesapeake Bay Preservation Area consists of a resource protection area and a resource management area. The general limits of the CBPA are shown on the official zoning map and the general requirements pertaining to CBPAs are detailed in section 11-2 of the Zoning Ordinance.

Coastal primary sand dune: A mound of unconsolidated sandy soil as defined in Code of Virginia, § 28.2-1400.

Designated floodplain districts: Those floodplain districts specifically designated in the flood insurance study (as amended) for the city prepared by the Federal Emergency Management Agency, dated April 17, 1984, as being inundated by the one-hundred-year flood. Included would be areas identified as the one-hundred-year floodplain districts (A-3, A-4, A-6), and the coastal high hazard district (V-7).

Intensely developed areas or *IDAs:* A portion of the Chesapeake Bay Preservation Area designated by the city where development is concentrated and little of the natural environment remains and where at least one of the following conditions existed on or before March 3, 1992:

(a) Development has severely altered the natural state of the area such that it has more than fifty (50) percent impervious surface;

(b) Public sewer and water systems, or a constructed stormwater drainage system, or both, have been constructed and served the area on or before March 3, 1992;

(c) Housing density is equal to or greater than four (4) dwelling units per acre.

Intensely developed areas are designated as an overlay on the Chesapeake Bay Preservation Area, as depicted in the Chesapeake Bay Preservation Areas supplemental working map.

Nontidal wetlands: Those wetlands other than tidal wetlands that are inundated or saturated by surface or groundwater at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions, as defined by the U.S. Environmental Protection Agency pursuant to section 404 of the federal Clean Water Act, in 33 CFR 328.3b.

One-hundred-year flood: A flood that, on the average, is likely to occur once every one hundred (100) years (i.e., one that has a one percent chance of occurring each year, although the flood may occur in any year).

Resource management area or *RMA:* That component of the Chesapeake Bay Preservation Area that is not classified as the resource protection area. RMAs include land types that, if improperly used or developed, have the potential for causing significant water quality degradation or for diminishing the functional value of the resource protec-

tion area. The RMA is adjacent to and landward of the resource protection area and extends landward to include the remainder of the lot or parcel designated as a resource protection area. When the landward boundary of the resource protection area falls within the public right-of-way, the RMA is defined as the remainder of the public right-of-way. When the resource protection area boundary falls within a flag lot subdivision, unimproved public right-of-way, coastal primary sand dune, or beach, the resource management area shall extend landward to the first improved public right-of-way.

Resource protection area or *RPA:* That component of the Chesapeake Bay Preservation Area comprised of lands adjacent to water bodies with perennial flow that have an intrinsic water quality value due to the ecological and biological processes they perform or are sensitive to impacts which may result in significant degradation to the quality of state waters. The RPA includes wetlands, tidal shores, and a buffer area.

Street: A vehicular way, which may also serve, in whole or in part, as a way for pedestrian traffic, whether called street, highway, thoroughfare, parkway, throughway, road, avenue, boulevard, lane, place, alley, mall or otherwise designated.

(1) Arterial or major streets or highways are used or designed primarily for fast or heavy traffic and for the purposes of these regulations shall be considered to be shown in the General Plan of Norfolk, as amended, or element thereof designating such arterial or major streets or highways officially adopted by city council.

(2) Collector streets are used primarily to carry traffic from local streets to arterial or major streets or highways.

(3) Local streets are used primarily for access to abutting properties, and include marginal access streets, which are generally parallel and adjacent to arterial streets or highways, serve abutting properties, and provide protection from friction with through traffic.

(4) Marginal access streets are used to separate local traffic from through-traffic on an adjacent thoroughfare and to provide controlled ingress to and egress from through-traffic.

(5) Alleys are minor ways used primarily for vehicular access to the rear or side of properties otherwise abutting a street.

Subdivision: The division of any parcel of land into two (2) or more lots or parcels for immediate or future transfer of ownership or building development. The term shall be construed to include all changes in existing lot or street lines, the creation of new lots involving any division of an existing lot or lots; or, if a new street is involved in such division of a parcel of land, any division of land. The term also includes resubdivision and, when appropriate to the context, shall relate to the process of subdividing or to the land subdivided.

Tidal shore or *shore:* Land or shoreline stabilization structure contiguous to a tidal body of water between the mean low water level and the mean high water level.

Tidal wetlands: Vegetated and nonvegetated wetlands as defined in Code of Virginia, § 28.2-1300.

Wetlands: Tidal and nontidal wetlands.
(Ord. No. 42,733, § 1(Exh. A), 7-10-07)

Sec. 42.5-3. Subdivisions within the Chesapeake Bay Preservation Area.

If the boundaries of the Chesapeake Bay Preservation Area Overlay district include a portion of a lot or parcel, the entire lot or parcel shall comply with the requirements of the overlay district. The subdivision of property shall not constitute an exemption from this requirement.
(Ord. No. 42,733, § 1(Exh. A), 7-10-07)

Sec. 42.5-4. Recording plats.

After the effective date of this chapter [July 10, 1979], the owner of any tract or any person authorized by the owner of any tract who desires to subdivide it shall submit the required number of copies of the final plat, a subdivision plat fee, payment of all obligatory construction costs (e.g. street lights, street signs, etc.), and appropriate performance surety (e.g. performance bond, irrevocable letter of credit, cash bond, etc.) to the

department of public works, which is hereby charged with responsibility for coordinating the processing of such plats. In addition to the plat or plats, the owner or subdivider shall submit to the department of public works certifications that all real estate taxes and nuisance abatement costs due and owing on such property to be subdivided by such plats have been paid in full. Such certifications shall be signed by the city treasurer and the director of neighborhood and leisure services, or any authorized designee of either. The department of planning and the department of utilities shall review plats and other information to ensure their compliance with regulations concerning subdivisions. If and after a final plat and appropriate performance surety have been approved and payment of obligatory construction costs accepted by the director of public works and other affected agencies, the division of surveys shall cause it to be recorded with the clerk of the circuit court.

No person shall subdivide land without making and recording a plat thereof and complying fully with the provisions of this chapter and all other state and local laws applying to subdivisions.

No person shall sell or transfer any land of a subdivision before such plat has been duly approved and recorded as provided herein, unless such subdivision was lawfully created prior to the adoption of a subdivision ordinance applicable thereto; provided, that nothing herein contained shall be construed as preventing the recordation of the instrument by which such land is transferred or the passage of title as between the parties to the instrument.

No clerk of any court shall file or record a plat of a subdivision required by this article to be recorded until such plat has been approved as required herein.
(Ord. No. 42,733, § 1(Exh. A), 7-10-07; Ord. No. 45,630, § 1, 7-22-14)

Sec. 42.5-5. Procedure for preliminary plat approval.

At the option of the landowner, a subdivider may elect to prepare a preliminary plat with other material required as set forth in sections 42.5-10 and 42.5-11 and submit ten (10) copies thereof to the department of public works for processing and referral to other affected agencies. For minor subdivisions, the director of public works shall have discretion to reduce the number of copies to be submitted to fewer than ten (10).

Within sixty (60) days of their submission, the preliminary plat and other related materials shall be reviewed by the department of public works and other appropriate agencies of the city for conformity to this chapter and other applicable regulations, and discussions with the subdivider as to changes deemed advisable and the kind and extent of improvements to be made. However, in cases where approval of a feature or features of the plat by a state agency is necessary, such action on the plat shall be taken within ninety (90) days of submission. The time limits set forth herein shall be tolled during the time any application requires a traffic review analysis under chapter 28 of appendix A ("Zoning Ordinance of the City of Norfolk, 1992") until such time as all reviews are returned by the Virginia Department of Transportation or until ninety (90) days have elapsed, whichever is sooner. The director of public works or his designee shall act upon the preliminary plat and related materials as submitted or as modified by the subdivider and, if approved, shall certify its approval and state the conditions of such approval, if any, or if disapproved, shall indicate its disapproval and the reasons therefor.

The action of the director of public works or his designee shall be noted on all copies of the preliminary plat to be retained in the record, referenced and attached to any changes or conditions determined. One such copy shall be returned to the subdivider, and others retained as required for records or further action of the department or other affected agencies of the city.

Approval of a preliminary plat shall not constitute approval of the final plat, but shall be deemed an expression of general agreement with the layout submitted on the preliminary plat and other matters determined in connection therewith which shall serve as a guide in preparation of the final plat to be submitted for final approval and for recording upon fulfillment of the requirements of this chapter and the conditions of the

preliminary plat, if any. Such approval of the preliminary plat shall be valid for a period of five (5) years, provided that the subdivider submits a final plat within one year of approval and thereafter diligently pursues approval of the final plat, unless an extension is granted in writing by the director of the department of public works or is conferred by an applicable provision of state law. (Ord. No. 42,733, § 1(Exh. A), 7-10-07; Ord. No. 43,261, § 4(Exh. D), 10-28-08; Ord. No. 45,630, § 2, 7-22-14)

Sec. 42.5-6. Procedures for approval of final plat.

The final plat and other exhibits required for approval shall be prepared as specified in section 42.5-12 and submitted to the department of public works for review. For any submission that has not yet been approved as a preliminary subdivision plat, the subdivider shall also provide the other material required as set forth in sections 42.5-10 and 42.5-11 for preliminary plats and shall submit ten (10) copies thereof to the department of public works for processing and referral to other affected agencies. For minor subdivisions, the director of public works shall have discretion to reduce the number of copies to be submitted to fewer than ten (10). Where provision has been made for staged development in connection with approval of the preliminary plat, including time limitations, the subdivider may submit a final plat for only that portion of the approved preliminary plat which he proposes to record and develop at the time, if such portion conforms to all requirements of these regulations.

The subdivider shall submit to the department of public works for approval the final plat on reproducible linen or film, payment of the review fee required by section 42.5-15, payment of the circuit court recording fee, and a performance security as required in section 42.5-12.1. Upon submittal of the final plat and other materials required for final approval, the department of public works shall initiate and coordinate the review by other agencies of the city to determine compliance with all applicable regulations and with any preliminary subdivision plat, if such had previously been approved and is still valid.

In cases where approval of a feature or features of the plat by a state agency is necessary, action shall be taken on the plat within ninety (90) days of submission and in all other cases action shall be taken within sixty (60) days of submittal, or such longer period as may be agreed upon in writing by the subdivider and the department of public works. Within such time, the final plat and related materials shall be approved or disapproved by the director of public works and other appropriate agencies or designees. The time limits set forth herein shall be tolled during the time any application requires a traffic review analysis under Chapter 28 of Appendix A ("Zoning Ordinance of the City of Norfolk, 1992") until such time as all reviews are returned by the Virginia Department of Transportation or until 90 days have elapsed, whichever is sooner. Approval shall be in the form provided in section 42.5-12. Disapproval shall include written reasons therefor.

Upon approval of the final plat and acceptance of appropriate performance security estimate, and subsequent submittal of acceptable performance surety, the division of surveys shall cause the plat to be recorded, unless directed otherwise by the applicant. Approval of the final plat shall be withdrawn and the plat marked void unless it is recorded in the circuit court within six (6) months from the date of final approval. However, in any case where construction of facilities to be dedicated for public use has commenced pursuant to an approved plan or permit with surety approved by the director of public works, or where the developer has furnished surety to the department of public works by certified check, cash escrow, bond, or letter of credit in the approved amount of the estimated cost of construction of such facilities, the time for plat recordation shall be extended to one year after final approval or to the time limit specified in the surety agreement approved by the city, whichever is greater.
(Ord. No. 42,733, § 1(Exh. A), 7-10-07; Ord. No. 43,261, § 4(Exh. E), 10-28-08; Ord. No. 45,630, § 3, 7-22-14)

Sec. 42.5-7. Design standards.

(a) *Streets.* Arrangement, character, extent, width, grade and location of all streets shall conform to the General Plan of Norfolk, as

amended, insofar as elements of the plan relating to streets have been adopted, and shall be considered in their relation to existing and planned streets, topographical conditions, public convenience and safety, and appropriate relation to the proposed uses of land to be served by such streets.

Where not indicated in the General Plan of Norfolk, as amended, arrangement of streets in a subdivision shall either provide for continuation or appropriate projection of existing arterial or collector streets in surrounding areas or be subject to approval by the department of public works where topography or other conditions make continuance or projection of existing streets unnecessary or impracticable.

Local streets in residential neighborhoods shall be so laid out that their use by through-traffic will be discouraged.

Where a subdivision abuts or contains an existing or proposed arterial street, the department of public works may require marginal access streets, reversed frontage with screen planting contained in a nonaccess reservation along the rear property line, lots with rear service alleys or wider pavement widths, as may be necessary for adequate protection of residential or other properties and separation of local and through-traffic.

Where a subdivision borders or contains a railroad or limited access highway right-of-way, the department of public works may require a street approximately parallel to and on each side of such right-of-way and at such a distance therefrom as required for appropriate use of intervening land, if any, and as determined with due regard for requirements of future approach grades and grade separations.

Reserve strips controlling access to public streets shall be prohibited unless ownership or control of said strips is conveyed to the city.

Street jogs with center line offsets of less than one hundred twenty-five (125) feet shall be avoided.

No street intersection shall have more than four (4) street approaches.

Streets shall be laid out so as to intersect as nearly as possible at right angles, and no street shall intersect another at less than sixty (60) degrees; provided, however, that Y-shaped or other arrangements for smooth merging of traffic shall be permitted where the total effect on the intersection is to reduce traffic hazards and to provide for smooth traffic flow at the intersection as a whole.

Property lines at the intersection of local streets with each other shall be rounded with a minimum radius of ten (10) feet. Property lines at the intersection of alleys with any streets shall be rounded with a minimum radius of ten (10) feet. Property lines at all other street intersections shall be rounded with a minimum radius of twenty (20) feet.

A tangent of at least one hundred (100) feet in length shall be introduced between reverse curves on arterial and collector streets.

When connecting street lines deflect from each other by more than ten (10) degrees, they shall be connected by a curve with a radius adequate to ensure sight distance from motor vehicles within the right-of-way of such streets of not less than one hundred (100) feet.

Street right-of-way widths shall be as specified in elements of the General Plan of Norfolk, as amended, unless otherwise approved by the director of public works. Where not shown therein, right-of-way width for public streets shall be in relation to the proposed density and/or the land use of the property adjacent to the roads and within the parcel sought to be subdivided. In no case shall arterial streets be less than ninety (90) feet wide nor shall collector streets be less than sixty (60) feet wide. Local streets serving multiple-family, commercial, or industrial uses shall not be less than sixty (60) feet wide. All other local streets shall not be less than fifty (50) feet wide.

Except in planned unit developments established under terms of the Zoning Ordinance of the city, private streets are not permitted.

Half-streets are prohibited, except where essential to the reasonable development of the subdivision in relation to surrounding lands and where the department of public works finds it practicable to require dedication of the other half when adjoining property is subdivided. Where a half-street is adjacent to a tract to be subdivided, the

other half of the street shall be platted within such tract at the time of its subdivision. No residence shall be constructed with sole access from a half-street.

Unless otherwise approved of by the director of public works, cul-de-sac streets, designed to be so permanently, shall not be longer than four hundred (400) feet to the turnaround and shall be provided at the closed end with a circular turnaround having an outside roadway radius of at least forty (40) feet and a right-of-way radius of at least fifty (50) feet, or with a "Y" or "T" turnaround of which the width of roadway in the arms shall be not less than twenty (20) feet and the distance between the end of the arms shall be not less than eighty (80) feet, as measured along the center lines of the arms. Property lines at the intersection of such arms with the street shall be rounded to a radius of twenty (20) feet in the case of a T, and a similar rounding shall be provided at the intersection of the arms opposite the center line of the street in the case of a Y.

Street names shall be subject to approval by the department of public works. No street name shall be used which will duplicate or is likely to be confused with the name of an existing street.

Alley rights-of-way in commercial or industrial districts shall be at least twenty-four (24) feet wide and elsewhere, twenty (20) feet. Alleys which dead-end against permanent barriers are prohibited unless provisions for turning at the terminus are approved. Alley intersections and sharp changes in alignment shall be avoided where possible, but where necessary, corners shall be cut off sufficiently to permit safe turning movement.

(b) *Easements.* Easements for utilities and drainage shall be provided where necessary across lots entered on rear or side lot lines and shall be of whatever width is necessary to provide for installation of such utilities or drainage and for access for maintenance; provided, however, that no such easement shall be less than ten (10) feet wide.

Where a subdivision is traversed by a watercourse, drainageway, channel or stream, there shall be provided a stormwater easement or drainage right-of-way conforming substantially with the lines of such watercourse, and such further width or construction, or both, as will be required for the purpose of handling drainage. Streets or parkways parallel, but not necessarily adjacent to such watercourses, may be required. Deviations from existing locations of watercourses, drainageways, channels or streams are subject to findings by the department of public works that such deviations would result in equivalent or better drainage both on and off the subdivision site.

(c) *Blocks.* Lengths, widths and shapes of blocks shall be determined with due regard to provision of adequate building sites suitable to the special needs of the type of use anticipated, zoning requirements as to lot sizes and dimensions, needs for convenient access, circulation, control and safety of street and pedestrian traffic, and limitations and opportunities of topography. Block lengths shall not exceed one thousand (1,000) feet, nor be less than four hundred (400) feet.

Walks or pedestrian ways not less than ten (10) feet wide may be required at midblock points when deemed essential by the department of public works to provide circulation or access to schools, playgrounds, shopping centers, transportation and other community facilities.

(d) *Lots.* Lot size, width, depth, shape and orientation, and minimum building setback lines shall be appropriate for the location of the subdivision and the type of development and use contemplated.

Lot dimensions in residential districts or for residential uses in other districts shall be as required by the Zoning Ordinance of the city. Depth and width of properties subdivided for commercial and industrial purposes shall be adequate for off-street parking, loading and service facilities required by the type of use and development anticipated, in accordance with applicable provisions of the Zoning Ordinance of the city.

Each lot created in a subdivision shall abut a public street or have access to a public street by means of an approved private street in a planned unit development established under the terms of the Zoning Ordinance of the city.

Double frontage and reversed frontage residential lots shall be avoided except where essential to provide residential separation from traffic arteries or to overcome other disadvantages of orientation or topography.

Side lot lines shall be substantially perpendicular or radial to street lines unless a lot pattern can be designed which otherwise provides for utility easements and area for access.

Where utility or other easements are involved, lot lines shall be so arranged with respect to such easements as to permit efficient installation of the utilities without unnecessary irregularities in alignment.

No lot shall be platted for residential or other use unless the land is suitable for building purposes, or can be so made.

(e) *Design criteria for utilities and facilities in floodplain districts.* All plats will be reviewed to determine if the tract is located in the floodplain districts as delineated in the current flood insurance study for the city prepared by the Federal Emergency Management Agency and to determine whether such subdivision proposals will be reasonably safe from flooding. Initial interpretations of these boundaries shall be made by the building official. Should a dispute arise concerning the boundaries of any of the districts, the board of zoning appeals shall make the necessary determination.

If a subdivision proposal is in a designated floodplain district, any such proposal shall be reviewed to assure that all such proposals are consistent with the need to minimize flood damage within the district. In addition, all such subdivision proposals with more than fifty (50) lots or larger than five (5) acres, whichever is less, shall include within such proposals base flood elevation data.

All subdivision proposals located in designated floodplain districts shall be reviewed to assure compliance with the following standards:

(1) All new or replacement sanitary sewer facilities, and private package sewage treatment plants, including all pumping stations and collector systems, shall be designed to minimize or eliminate infiltration of floodwaters into the systems and discharges from the systems into the floodwaters. In addition, they should be located and constructed to minimize or eliminate flood damage and impairment.

(2) All new or replacement water facilities shall be designed to minimize or eliminate infiltration of floodwaters into the system and be located and constructed to minimize or eliminate flood damages.

(3) All storm drainage facilities shall be designed to convey the flow of surface waters without damage to persons or property. The system shall ensure drainage away from buildings and on-site waste disposal sites. The department of public works may require a primarily underground system to accommodate frequent floods and a secondary surface system to accommodate larger, less frequent floods. Drainage plans shall be consistent with local and regional drainage plans. The facilities shall be designed to prevent discharge of excess runoff onto adjacent properties.

(4) All utilities such as gas lines, electrical and telephone systems being placed in floodplain districts should be located, elevated, where possible, and constructed to minimize the chance of impairment during a flooding occurrence.

(5) Streets and sidewalks should be designed to minimize their potential for increasing and aggravating the levels of flood flow. Drainage openings shall be required to sufficiently discharge flood flows without unduly increasing flood heights.

(f) *Design criteria for environmental stormwater management.* All single-family subdivisions greater than four (4) zoning lots or which include street platting or construction shall meet the performance standards set forth in section 11-2.9(b)(5) and 26-13.5 of the Zoning Ordinance. Whenever a BMP is required or contemplated in order to control stormwater runoff and reduce nonpoint source pollution, the location, size and configuration of the appropriate BMP shall be shown on the preliminary plat. Sufficient information shall be provided to determine that any proposed BMP is

sufficiently sized to meet the subject performance standards based on the full buildout of the proposed subdivision.

Every effort shall be made to incorporate regional BMPs, such as ponds, as opposed to individual BMPs on each lot. Individual BMPs will only be allowed in those circumstances where regional facilities are determined to be inappropriate or infeasible by the department of public works.

The siting of all BMPs within the Chesapeake Bay Preservation Area Overlay district shall be in accordance with section 11-2.9(c) of the Zoning Ordinance.

For purposes of this section the director of public works or his designee may determine that multiple subdivisions involving the same parcels or related group or groups of parcels which are requested within two (2) years of each other may be aggregated for purposes of determining how many lots are created. In the event that any of these aggregated subdivisions result in more than four (4) lots, the stormwater management requirements stated herein shall apply.
(Ord. No. 42,733, § 1(Exh. A), 7-10-07)

Sec. 42.5-8. Required improvements.

(a) *Monuments.* Permanent monuments of concrete shall be placed at all block corners or at tangent points of curves connecting intersecting street lines, at all corners in the exterior boundary of the subdivision except those inaccessible due to topography, and at such other points as may be designated by the department of public works. Such monuments shall be set flush with the surface of the ground or finished grade.

The location and character of all such monuments shall be clearly designated on the final plat.

Monuments shall be of precast concrete thirty (30) inches or more in length and either six (6) inches square or eight (8) inches in diameter, having a metal pin imbedded therein or the monument may be a steel or iron pin five-eighths of an inch by thirty (30) inches, or larger, set in one cubic foot of concrete eighteen (18) inches deep and ten (10) inches square, at top and bottom marking the point represented on the final plat. All concrete mixture shall be 1:3:6 or equal. Persons, firms, corporations or governmental agencies shall protect all such monuments, and any monument which is moved or destroyed shall be immediately reported to the department of public works and shall be replaced as directed.

(b) *Public facility improvements.* Prior to approval of a final plat, the director of public works may further require approval of a detailed engineering plan, prepared by an engineer licensed to practice in the commonwealth, to be submitted by the subdivider. This plan shall include adequate and acceptable provisions for streets, curbs, gutters, sidewalks, bicycle trails, drainage and flood control, sewerage, water supply, ingress and egress improvements, traffic signalization and control, street lighting, structures necessary to ensure stability of critical slopes, stormwater management facilities and provisions for their perpetual maintenance, landscaping, and other improvements required by standards and specifications of applicable city departments. Provisions for temporary improvements, such as street turnarounds or street lighting, may be required in phased developments or where immediate buildout of a subdivision may not occur.

The city may impose reasonable fees for the review of plats and plans to be submitted in accordance with the regulations of this chapter.
(Ord. No. 42,733, § 1(Exh. A), 7-10-07)

Sec. 42.5-9. Procedures regarding improvements.

Utilities, street, drainage, and other improvements required shall be provided in each new subdivision in accordance with the standards, specifications and procedures adopted by the department of utilities and the department of public works. The city may impose reasonable fees for the inspection of facilities to be installed in accordance with the regulations of this chapter.
(Ord. No. 42,733, § 1(Exh. A), 7-10-07)

Sec. 42.5-10. Preliminary plats and data generally.

The preliminary plat shall be at a scale not smaller than one inch equals one hundred (100) feet. The plat shall include the following:

(1) Name of subdivision, which shall not duplicate the name of an existing subdivi-

sion, names and addresses of owner or owners of record, subdivider, and person or firm responsible for preparation of preliminary plat, date plat was prepared, graphic scale and north arrow.

(2) Boundaries and location and identification of adjacent or abutting streets, subdivisions, unsubdivided parcels, easements, water areas and other geographic features.

(3) Boundaries and location of all adjoining properties held in the same ownership as the tract to be subdivided.

(4) Location and identification of existing features and improvements within the tract, including streets, structures, water areas by type, including areas in marsh or subject to frequent inundation, wooded areas, easements, installed utilities and other important details. Plats of tracts abutting on or containing natural or artificial bodies of water shall show the approximate high water lines, bulkhead and pierhead lines if officially established, and top of bank and toe of slope.

(5) Identification of the existing zoning and location and identification of existing and proposed uses in each structure within the tract. Where a residential use exists, the number of dwelling units shall be indicated.

(6) Location, identification and widths of existing and proposed streets, alleys and easements.

(7) Location of existing and proposed water mains, sanitary sewers, storm sewers and catch basins, with indications of proposals for disposal of surface drainage if other than or in addition to storm drains.

(8) Existing and proposed lot lines, with dimensions.

(9) Location and dimensions of all parcels proposed to be dedicated or reserved for public use or common use by occupants of the subdivisions, with conditions or restrictions, if any, of such dedications or reservation.

(10) If required by chapter 28 of appendix A ("Zoning Ordinance of the City of Norfolk, 1992"), a traffic impact analysis.

(11) In addition to subsections (1) through (10) above, in Chesapeake Bay Preservation Areas the preliminary plat shall also show:

1. The coastal primary sand dune and/or beach where applicable,
2. The limits of the fifty-foot and one-hundred-foot resource protection area buffer,
3. Maximum buildable area based on all required zoning setbacks, CBPA buffer requirements, general performance standards found in section 11-2.9 of the Norfolk Zoning Ordinance, and all other applicable city requirements to permit development of the lot,
4. The boundary of the resource management area,
5. The boundary of the intensely developed area where applicable,
6. The location, size and configuration of all BMPs based on the design criteria in subsection 42.5-7(f) shall be shown on the preliminary plat, and
7. A notation stating that no improvement, development, or removal of vegetation, except those permitted pursuant to chapter 11.2 of the city Zoning Ordinance shall be permitted within the resource protection areas, resource management areas, and intensely developed areas.

Whenever it is deemed necessary, the director of the department of public works may require as a necessary element of any application a phase I environmental site assessment based on the anticipated use of the property proposed for the subdivision or development. Such assessments shall be based on generally accepted national standards for such assessments, such as those developed by the American Society for Testing and Materials. A phase II environmental site assessment may also be required, based

on findings in the phase I assessment, in accordance with regulations of the United States Environmental Protection Agency and the American Society for Testing and Materials. A reasonable fee shall be charged for the review of such environmental assessments to be determined by the director of public works.

(Ord. No. 42,733, § 1(Exh. A), 7-10-07; Ord. No. 43,261, § 5(Exh. F), 10-28-08)

Sec. 42.5-11. Preliminary plats and data; special waiver conditions.

If during preapplication conferences, the department of public works determines that portions of the requirements set forth in section 42.5-10 are unnecessary for making determinations in a particular case because of the small number of lots involved or for other reasons, such requirements may be waived; provided, however, that any such waiver shall be in writing, and signed by an authorized officer of the department of public works.

At the time of submission of preliminary plats and related data, or at any time thereafter prior to acting on approval, the department of public works may request and the applicant shall supply additional information required in the circumstances of the particular case. Time elapsing between the request and provision of the information shall be added to the general time limitation on processing.

Nothing herein contained shall be construed to prohibit submittal of preliminary plats and data in the form required for final plats and data for use in both preliminary and final review.

(Ord. No. 42,733, § 1(Exh. A), 7-10-07)

Sec. 42.5-12. Final plats and data generally.

The final plat of the subdivision shall be prepared by a person properly licensed and authorized to prepare subdivision plats in the state, in ink, on reproducible linen or film, at a scale of one inch equals one hundred (100) feet, unless a different scale is approved by the department of public works in a particular case. All original tracings shall not be smaller than eight and one-half (8½) by eleven (11) inches and not larger than eighteen (18) by twenty-four (24) inches, including margins.

Margins shall be at least one-fourth inch on all sides, and inscriptions are to be made on only one side of the medium. All drawings shall have centering marks on each side. Grid ties delineating eight and one-half (8½) by eleven (11) inch sections shall be inscribed on all plats larger than eight and one-half (8½) by eleven (11) inches. When more than one sheet is required, all sheets shall be of the same size, with match marks or matched lines to guide preparation of composite maps and, if deemed necessary by the department of public works, an index map on a sheet of the same size as the sectional maps shall be filed, which shall show, among other things, sectional map numbers, all lot and block numbers and street names. In addition, a small scale map (minimum one inch equals one thousand six hundred (1,600) feet) showing location of the property shall be required. Only the original or a first-generation unreduced black line copy of the original plat drawing, which meets the quality inscription standards noted below and has the stamp and original signature of the preparer, shall be submitted for approval. All required signatures shall be in a durable black ink.

Color or original inscription shall be black and shall be solid, uniform, dense, sharp, and unglazed. Lettering shall be no less than one-tenth inch or 2.54 millimeters in height. Lettering and line weight shall be no less than .013 inches or .3302 millimeters. The drawing substance shall be wet ink. Good drafting practices shall be followed to eliminate ghost lines after making erasures, and all shading and screening shall be eliminated over written data.

The final plat shall show the following data and shall be completed and processed as indicated:

(1) The subdivision name, the date the plat was prepared, a graphic scale and a north arrow with the confirming note, "The meridian source of this plat is based on the Virginia Coordinate System of 1983, South Zone."

(2) A certificate endorsed and sealed by the preparer indicating the source of title of

the owner of the land subdivided and place of record of the last instrument in the chain of title. When the plat is of land acquired from more than one source, outlines of the several tracts shall be indicated on the plat. The certificate shall further state that the subdivision is entirely within lands owned by the subdivider and that monuments shown on the plat have been put in place and that their location and character are correctly shown.

(3) Either on each plat or on the deed of dedication to which the plat is attached a statement as follows:

"The platting or dedication of the following described land (here insert a correct description of the land subdivided) is with the free consent and in accordance with the desire of the undersigned owners, proprietors, and trustees, if any."

This statement shall be signed by such persons and acknowledged before an officer authorized to take acknowledgments of deeds. When thus executed and acknowledged, the plat, upon final approval and in accord with other provisions specified herein, shall be filed and recorded in the office of the clerk of the circuit court of the city.

(4) On the face of the plat, a place reserved to receive the signature, with the date, of the director of public works, the director of city planning, and the director of utilities, or their designees, whose signatures, when affixed, shall indicate approval of the final plat. A place shall also be prepared to receive the signature and seal of the clerk of the circuit court of the city. All required signatures shall be in a durable black ink.

(5) Linear dimensions expressed in feet and hundredths of a foot and angular measurements expressed by bearings or angles of degrees, minutes, and seconds shall be used for locating boundaries of the subdivision, lots, streets, alleys, and public and private easements. All curves shall be defined by their radius, central angle, tangent distance, and arc length. Such curve data may be expressed in a curve table on the face of the plat, each curve being tabulated and numbered to correspond with the respective numbered curves shown throughout the plat. Dimensions, both linear and angular, shall be determined by an accurate control survey performed in accordance with the minimum standards set forth by the board of architects, professional engineers, land surveyors, certified interior designers, and landscape architects. Horizontal control shall be based on the Virginia Coordinate System of 1983, South Zone. A minimum of two (2) coordinate values must be shown on the plat. No plat showing plus or minus distance will be approved. The director of public works may require such office and field checks as necessary to assure the accuracy of the plat.

(6) Description and location of all monuments.

(7) The boundary of the property being subdivided, names of all proposed streets, and boundaries of all property within the subdivision intended to be dedicated to public use. For resubdivisions of existing recorded lots, existing lot lines shall be shown by dotted lines, resubdivision by full lines, unless specifically waived by the department of public works.

(8) Exact lengths and bearings of boundary lines of blocks, public grounds, streets, alleys and existing locations of all easements.

(9) Exact widths of all easements, streets and alleys.

(10) Direction of adjoining property, street and alley lines, with names of abutting property owners or abutting recorded subdivisions.

(11) Widths and names of abutting or adjoining roads, streets and alleys.

(12) A definite bearing and distance tie between not less than two (2) property corners on the exterior boundary of the sub-

division and to existing street intersections where possible and reasonably convenient.

(13) Exact length and bearing of all lot lines, provided that where lines in any rectangular tier of lots are parallel, it shall be sufficient to mark the bearings of the outer lines thereof.

(14) Designating symbols for all lots and blocks. If the final plat consists of one section of a proposed larger subdivision, then the block numbers shall run consecutively throughout the several sections of the entire subdivision and each section shall be designated by letter or number. All lots in each block shall be consecutively lettered or numbered.

(15) On plats of property abutting on or containing a natural or artificial body of water the approximate high and low water lines, bulkhead and pierhead lines, if officially established, and where such lines are intersected by lot or block lines, measurements locating such lines shall be given along such lot or block lines.

(16) In addition to [subsections] (1) through (15) above, [in] the Chesapeake Bay Preservation Areas, the final plat shall also show:

1. The coastal primary sand dune and/or beach where applicable,
2. The limits of the fifty-foot and one-hundred-foot resource protection area buffer,
3. A maximum buildable area based on all required zoning setbacks, CBPA buffer requirements, general performance standards found in section 11-2.9 of the Norfolk Zoning Ordinance, and all other applicable city requirements to permit development of the lot,
4. The boundary of the resource management area,
5. The boundary of the intensely developed area where applicable,
6. The location, size and configuration of all BMPs based on the design criteria in subsection 42.5-7(f) shall be shown on the preliminary plat, and
7. A notation stating that no improvement, development, or removal of vegetation, except those permitted pursuant to chapter 11.2 of the city Zoning Ordinance shall be permitted within the resource protection areas, resource management areas, and intensely developed areas.

(Ord. No. 42,733, § 1(Exh. A), 7-10-07)

Sec. 42.5-12.1. Assurance for completion and maintenance of improvements.

(a) *Guarantee of completion of public improvements.*

(1) *Generally.* The director of public works may accept for dedication for public use any street, curb, gutter, sidewalk, bicycle trail, drainage or sewerage system, waterline as part of a public system or other improvement dedicated for public use, and maintained by the locality, the commonwealth, or other public agency, and for the provision of other site-related improvements required by local ordinances for vehicular ingress and egress, including traffic signalization and control, for public access streets, for structures necessary to ensure stability of critical slopes, and for stormwater management facilities, financed or to be financed in whole or in part by private funds only if the owner or developer provides security in accordance with subsection (2), below.

(2) *Performance security.* Prior to approval of the final plat, the applicant shall be required to submit to the city for review and approval a cost estimate for the public improvements and shall be required to provide sufficient security to ensure completion of the required public improvements. The amount of such certified check, cash escrow, bond, or letter of credit shall

not be required to exceed the total of the estimated cost of construction based on unit prices for new public or private sector construction in the city and a reasonable allowance for estimated administrative costs, inflation, and potential damage to existing roads or utilities, which shall not exceed twenty-five (25) percent of the estimated construction costs; provided that the applicant does one or more of the following:

(i) Furnishes to the director of public works a certified check or cash escrow in the amount of the estimated costs of construction or a personal, corporate or property bond, with surety satisfactory to the director of public works, in an amount sufficient for and conditioned upon the construction of such facilities, or a contract for the construction of such facilities and the contractor's bond, with like surety, in like amount and so conditioned; or

(ii) Furnishes to the governing body a bank or savings institution's irrevocable letter of credit on certain designated funds satisfactory to the governing body or its designated administrative agency as to the bank or savings institution, the amount and the form.

(3) *Escrow agent.* If security is provided in the form of a cash escrow, the applicant shall deposit with the director of public works a cash amount or certified check endorsed to the escrow agent for an amount specified by the director.

(i) *Accrual.* The surety bond or cash escrow account shall accrue to the city for administering the construction, operation, and maintenance of the improvements.

(ii) *Reimbursement.* Where oversized facilities are required, the director of public works and applicant may enter into an appropriate agreement to provide for a specific reimbursement to be paid to the applicant.

(4) *Maintenance bond (defect bond).* The applicant shall file a maintenance bond prior to acceptance of any dedicated improvement, in a form satisfactory to the city attorney. The amount of the bond shall be sufficient to assure the satisfactory completion and maintenance of required public improvements for a period of one year after the date of dedication to the city or the Virginia Department of Transportation. If defects are found to exist within the designated period, the costs of correcting such defects shall be deducted from the maintenance bond. Any balance remaining shall be paid to the applicant.

(b) *Temporary improvements.* The applicant shall construct and pay for all costs of temporary improvements required by the director of public works and shall maintain said temporary improvements for the period specified.

(c) *Release of performance guarantees.*

(1) Performance guarantees shall be released in accordance with the terms of Code of Virginia, § 15.2-2245.

(2) Any bond, escrow, letter of credit, or other performance guarantee required by this section shall be partially or finally released within thirty (30) days after receipt of written notice by the subdivider or developer of completion of part or all of any facilities required to be constructed hereunder, unless the director of public works notifies the subdivider or developer in writing of nonreceipt of approval by an applicable state agency, or of any specified defects or deficiencies in construction and suggested corrective measures prior to the expiration of the thirty-day period.

(3) Any inspection of such public facilities in order to detect any defects or deficiencies in construction shall be based solely upon conformance with the terms and conditions of the performance guarantee and the approved design plan and specifica-

tions for the facilities for which the performance guarantee is applicable, and shall not include the approval of any person other than an employee of the governing body, the Virginia Department of Transportation, any person contracting with either of them, or another political subdivision.

(4) If no such action is taken by the director of public works within the time specified above, the request shall be deemed approved, and a partial release granted to the subdivider or developer. No final release shall be granted until after expiration of such thirty-day period and there is an additional request in writing sent by certified mail return receipt to the city manager. The director shall act within ten (10) working days of receipt of the request; then if no action is taken the request shall be deemed approved and final release granted to the subdivider or developer.

(Ord. No. 42,733, § 1(Exh. A), 7-10-07)

Sec. 42.5-13. Fulfilling requirements.

Until all requirements of this chapter have been met in full on any land that is subdivided hereafter, and until a plat of such subdivision is duly recorded in the clerk's office of the circuit court of the city, no street shall be accepted nor maintained by the city, and no public utility shall be extended nor connected upon such land, and no city permit shall be issued for any construction. Except as provided in section 42.5-12.1, such requirements shall be construed to include the actual construction and installation of all the improvements that are required under the provisions of sections 42.5-7, 42.5-8, and 42.5-9, in conformity with the standards, specifications and procedures required by the department of utilities, the department of public works, and other relevant city departments.

(Ord. No. 42,733, § 1(Exh. A), 7-10-07)

Sec. 42.5-14. Variances.

The planning commission may permit a variance from the design standards of section 42.5-7 upon making a finding that topographic or other reasons justify modification of the requirements in a particular case, provided, however, that the reasons shall be recorded and that all variances shall be in harmony with the intended spirit and purpose of this chapter.

(Ord. No. 42,733, § 1(Exh. A), 7-10-07)

Sec. 42.5-15. Fees.

At the time preliminary plats are presented, a fee of three hundred dollars ($300.00) plus eleven dollars ($11.00) per lot shall be paid and for a preliminary property line vacation plat a fee of one hundred dollars ($100.00) shall be paid. For any submission that has already been approved as a preliminary subdivision plat, a fee of three hundred dollars ($300.00) plus eleven dollars ($11.00) per lot shall be paid at the time that the final plat is submitted and for a final property line vacation plat a fee of one hundred dollars ($100.00) shall be paid. For any submission that has not yet been approved as a preliminary subdivision plat or preliminary property line vacation plat, a fee of six hundred dollars ($600.00) plus twenty-two dollars ($22.00) per lot shall be paid at the time that the final plat is submitted and for a final property line vacation plat a fee of two hundred dollars ($200.00) shall be paid. Such fees shall be payable to the treasurer of the city.

(Ord. No. 42,733, § 1(Exh. A), 7-10-07; Ord. No. 43,854, § 1, 5-18-10; Ord. No. 45,084, § 23, 5-14-13, eff. 7-1-13; Ord. No. 45,630, § 4, 7-22-14)

Sec. 42.5-16. Penalties.

Any person violating the provisions of this chapter shall be punishable by a fine of not more than five hundred dollars ($500.00) for each lot or parcel of land so subdivided or transferred or sold; and the description of such lot or parcel by metes and bounds in the instrument of transfer or other document used in the process of selling or transferring shall not exempt the transaction from such penalties or from other lawful remedies.

§ 43-49. Application.
§ 43-50. Applicant's qualifications.
§ 43-51. Fee.
§ 43-52. Valid only for specific person and pool.
§ 43-53. Posting.
§ 43-54. Term; renewal.

ARTICLE I. IN GENERAL

Sec. 43-1. Definitions.

(a) *Generally.* For the purposes of this chapter, certain words shall have the meanings ascribed to them by this section.

(b) *Fence* means a close-type vertical barrier not less than forty-eight (48) inches in height above the ground surface. A woven steel wire, chain link, picket or solid board type fence or a fence of similar construction, which will prevent the smallest of children from getting through, shall be construed as within this definition.

(c) *Private residential swimming pool* means any swimming pool which is used, or intended to be used, as a swimming pool in connection with a single-family residence and which is available only to the family of the householder and his or her private guests.

(d) *Public swimming pool* means any swimming pool, other than a private residential swimming pool, intended to be used collectively by numbers of persons for swimming or bathing, operated by any person, as owner, lessee, operator or concessionaire, regardless of whether a fee is charged for such use, and shall include, but not be limited to, a swimming pool owned or operated as a private club or association, civic club or any association, or in conjunction with an apartment house or complex.

(e) *Spray pool* means any shallow manmade structure constructed from materials other than natural earth or soil used for spraying humans with water and which has a drainage area designated to remove the water from the shower or spray nozzles at a rate sufficient to prevent the impounding of water.

(f) *Swimming pool* or *pool* means any outdoor or indoor man-made structure constructed from material other than natural earth or soil designed or used to hold water for the purpose of providing a swimming or bathing place for any person or any such structure for the purpose of impounding water therein to a depth of more than two (2) feet; and, unless otherwise specified, such term shall include all appurtenant equipment, structures and facilities for the purpose of providing a swimming or bathing place for any person or persons.

(g) *Wading pool* means any manmade structure constructed from material other than natural earth designed or used to hold water for the purposes of providing a wading place, which impounds water to a depth not greater than twenty-four (24) inches. (Ord. No. 29,835, § 1(46.1-3), 2-27-79; Ord. No. 35,501, § 1, 5-9-89)

Sec. 43-2. Purpose and application of chapter.

(a) This chapter is intended to provide, consistent with and in addition to all applicable laws, regulations governing sanitation and health in the use and operation of swimming pools, as indicated and defined herein, including all appurtenant structures and accessories incident thereto, but excluding private residential swimming pools, except as hereinafter specifically provided, single-occupant tanks and showers used exclusively for therapeutic purposes.

(b) The provisions and requirements of this chapter shall apply to all public swimming pools, and shall only apply to private residential pools where specifically designated herein, regardless of the date of construction. Reference herein to "any" or "all" swimming pool(s) shall include both public and private residential swimming pools. (Ord. No. 29,835, § 1(46.1-1, 46.1-2), 2-27-79; Ord. No. 35,501, § 1, 5-9-89)

Sec. 43-3. Violations of chapter.

Unless otherwise specifically provided, any person who shall violate any of the provisions of this chapter shall be guilty of a Class 3 misdemeanor. (Ord. No. 29,835, § 1(46.1-11), 2-27-79)

Sec. 43-4. Inspections.

The director of public health or his designated agent shall inspect all swimming pools in the city as frequently as may be necessary to ensure that each swimming pool is maintained in accordance with the applicable provisions of this chapter. Such inspections shall take place during reasonable hours and

under such circumstances as to minimize the inconvenience to the owner, lessee, operator or concessionaire of the swimming pool. (Ord. No. 29,835, § 1(46.1-4), 2-27-79)

Sec. 43-5. Orders to correct defective conditions.

Upon inspection, the director of public health shall notify or cause to be notified, in writing, the owner, lessee, operator or concessionaire of any swimming pool to correct, within a reasonable time set by the director, any condition existing in violation of this chapter or of any ordinance or statute concerning the public health, or state board of health rule or regulation, unless such condition so endangers the health of any person so as to require immediate closing of the swimming pool by the director of public health. Failure to comply with an order of the director of public health to correct such a condition shall be cause for closing the swimming pool until such condition is corrected, after notice and opportunity to be heard are given to such person. (Ord. No. 29,835, § 1(46.1-5), 2-27-79)

Sec. 43-6. Closing of dangerous pools.

When any condition exists in any swimming pool that creates an imminent and certain danger to the health of any person, the director of public health shall have the authority to order such swimming pool closed until such condition is corrected. The director of public health shall consider the magnitude of the danger and the cost of complying with the requirements imposed by this chapter in determining whether to order a swimming pool closed. (Ord. No. 29,835, § 1(46.1-4), 2-27-79)

Sec. 43-7. General maintenance and operating requirements.

All swimming pools shall be maintained and operated in a manner which will not create a nuisance or hazard to the public health. Impounded water shall, at all times, be treated in a manner which will prevent the growth of algae and the breeding of mosquitoes or other insects. (Ord. No. 29,835, § 1(46.1-8), 2-27-79)

Secs. 43-8—43-23. Reserved.

ARTICLE II. PUBLIC POOLS

DIVISION 1. GENERALLY

Sec. 43-24. *Application of article.*

The provisions of this article shall apply to public swimming pools and shall be in addition to other provisions of this chapter applicable to such pools.

Sec. 43-25. Fencing.

(a) No person shall construct, maintain, use, possess or control any outdoor public swimming pool, without having completely around such pool a fence, as defined in section 43-1(b). Every gate in such fence shall be capable of being securely fastened at a height of not less than four (4) feet above ground level, and it shall be unlawful for any such gate to be allowed to remain unfastened while the pool is not in use. Such fence shall be constructed so as to come within two (2) inches of the ground at the bottom and shall be at least five (5) feet from the edge of the pool at any point.

(b) In lieu of the fence required by subsection (a) above, a natural barrier, hedge, pool cover or other protective device may be used so long as the degree of protection afforded by such device is not less than the protection afforded by a fence, as defined in section 43-1(b).

(c) A violation of this section shall constitute a Class 2 misdemeanor. (Ord. No. 29,835, § 1(46.1-3, 46.1-7), 2-27-79)

Sec. 43-26. Water sources.

Water sources for a public swimming pool, other than a municipal supply, shall be subject to approval by the director of public health. (Ord. No. 29,835, § 1(46.1-8), 2-27-79)

Sec. 43-27. Chemical treatment of water—Generally.

(a) The provisions of this section shall apply to public swimming pools.

(b) At all times when the swimming pool is open for use, a minimum of 0.5 ppm (parts per million) free chlorine residual shall be maintained in all parts of the pool.

(c) At all times when the swimming pool is open for use, the pH of the pool water shall be kept between 7.2 and 7.8.

(d) Where cyanuric acid is used as a stabilizing agent of residual chlorine, or if the source of residual chlorine is from a chlorinated cyanurate, a chlorine residual of at least 1.0 ppm shall be maintained with cyanuric acid residual of 25 ppm and at least 1.5 ppm chlorine shall be maintained with cyanuric acid residuals of 50 ppm.

(e) Alum shall not be fed continuously to pool water in sand or anthiacite filters. Formation of alum floc shall be achieved separately and applied directly to the filter influent during the filter cycle.

(f) The operator or manager of each public swimming pool shall cause an adequate supply of chemicals for the proper treatment of pool water to be on hand and available for use at all times. (Ord. No. 29,835, § 1(46.1-8), 2-27-79)

Sec. 43-28. Same—Records to be kept.

Any person maintaining a public swimming pool shall maintain records, which shall include the pH level, the free chlorine residual reading and the water clarity reading, taken and recorded at least every two (2) hours while the pool is open for use, and the time of day at which chemicals are added. These records shall be kept on file for a period of one year from the time recorded and shall be open to inspection by the director of public health. (Ord. No. 29,835, § 1(46.1-8), 2-27-79)

Sec. 43-29. Chemical testing equipment.

(a) Each public swimming pool shall be provided with satisfactory equipment for the determination of hydrogen ion concentration (pH) ranging from 6.8 to 8.2. Satisfactory equipment shall be provided for determination of a free chlorine residual content reading from 0.2 to 3.0 ppm. Pools maintained under a stabilizer program shall be provided with satisfactory equipment for determining cyanuric acid content readings ranging from 20 to 100 ppm.

(b) A testing kit for measuring the concentration of cyanuric acid shall be provided at each public swimming pool using cyanuric acid or chlorinated cyanurates. (Ord. No. 29,835, § 1(46.1-8), 2-27-79)

Sec. 43-30. Operation of filters; clarity of water.

The filters at a public swimming pool shall be operated twenty-four (24) hours per day during the season of use of the pool. At all times when the pool is open for use, the water shall be sufficiently clear to permit a six-inch disc, divided into alternate black and white quadrants, when placed on the bottom of the pool at the deepest point, to be clearly visible from the swimming pool deck at all distances up to ten (10) yards in a horizontal direction from the projection of the disc on the swimming pool surface. (Ord. No. 29,835, § 1(46.1-8), 2-27-79)

Sec. 43-31. Filter room placard.

A placard shall be prominently displayed in the filter room of a public swimming pool showing:

(1) The size of the public swimming pool in square feet.

(2) The volume of water in gallons.

(3) Capacity of filters in square feet and gallons per minute.

(4) Capacity of pumps in gallons per minute at the appropriate head of pressure in feet.

(5) Head loss at which the filters should be backwashed.

(6) Complete instructions for operating the *recirculation and disinfection equipment.*

(7) The maximum number of swimmers allowed in the pool, as determined pursuant to section 43-32. (Ord. No. 29,835, § 1(46.1-8), 2-27-79)

Sec. 43-32. Maximum number of swimmers.

The maximum number of swimmers or other persons allowed in a public swimming pool at any one time shall be determined by dividing the total square footage of the swimming pool water surface area by twenty-seven (27); provided, however, if the diving area is excluded from the total square footage of swimming pool water surface, twenty-four (24) may be used as the divisor. No person in charge of any public swimming pool shall allow more swimmers or other persons to be in such pool at any one time than the maximum number allowable, as so determined. (Ord. No. 29,835, § 1(46.1-8), 2-27-79)

Sec. 43-33. Use by persons with skin disorders, disease, etc.; spitting, spouting water, etc., prohibited.

(a) The operator of a public swimming pool shall not knowingly allow persons having skin eruptions, abrasions, sore or infected eyes, nasal or ear discharge, a cold or other communicable disease to use such pool. Spitting, spouting water, blowing the nose, urinating or defecating in such pool is prohibited.

(b) The operator of a public swimming pool shall post suitable placards embodying the provisions of this section. (Ord. No. 29,835, § 1(46.1-8), 2-27-79)

Sec. 43-34. Laundering, storing and handling bathing suits and towels furnished users.

Bathing suits and towels furnished to users of a public swimming pool shall be laundered, stored and handled in a sanitary manner and used by only one person. (Ord. No. 29,835, § 1(46.1-9), 2-27-79)

Sec. 43-35. Toilet, lavatory and shower facilities.

(a) *Toilet facilities.* Toilet facilities, including rooms and fixtures at a public swimming pool shall be kept in clean condition and good repair.

(b) *Lavatories.* Lavatories at a public swimming pool shall be equipped with adequate liquid or powdered soap from plastic or metal dispensers, and approved hand-drying towels or other devices. Such facilities

shall be kept in a clean condition and in good repair. Waste receptacles shall be provided.

(c) *Showers.* Each shower at a public swimming pool shall be equipped with adequate liquid or powdered soap from a metal or plastic soap dispenser. Every swimmer entering the pool area shall be required to take a shower.

(d) *Exceptions.* Apartment complexes and other such establishments which provide bathroom facilities in each housing unit and which restrict the use of the swimming pool to occupants and their guests shall be deemed to comply with this section.
(Ord. No. 29,835, § 1(46.1-9), 2-27-79)

Sec. 43-36. Animals, fowl and pets prohibited.

Animals, fowl or pets shall not be permitted within a public swimming pool area. This section shall not apply to seeing eye dogs.
(Ord. No. 29,835, § 1(46.1-10), 2-27-79)
Cross reference—Animals and fowl, Ch. 6.

Secs. 43-37—43-47. Reserved.

DIVISION 2. OPERATING PERMIT

Sec. 43-48. Required.

No person shall open or operate a public swimming pool, unless he has a current permit so to do issued by the director of public health. Such permit is hereinafter referred to in this division as a "pool permit."
(Ord. No. 29,835, § 1(46.1-6), 2-27-79)

Sec. 43-49. Application.

Application for a pool permit shall be made in writing on a form prescribed by the director of public health and signed by the applicant, wherein the applicant shall agree to conform to all of health rules and regulations governing swimming pools, and to permit such inspections as the director of public health deems necessary.
(Ord. No. 27,835, 1(46.1-6), 2-27-79)

Sec. 43-50. Applicant's qualifications.

Each applicant for a pool permit shall, to the satisfaction of the director of public health, demonstrate basic knowledge of water treatment process in swimming pools, know proper techniques for collection of water samples for bacteriological analysis and be capable of performing the chemical tests necessary to maintain safe water quality at the swimming pool, or have an individual in his employ with such knowledge. Completion of a course approved by the director of public health shall be deemed to comply with the requirements of this section.
(Ord. No. 29,835, § 1(46.1-6), 2-27-79)

Sec. 43-51. Fee.

The director of public health is hereby authorized to charge annual fees for the issuance of a pool permit as follows:

(1)	Swimming pool	$ 25.00
(2)	Wading pool	10.00
(3)	Spray pool	5.00

Where any combination of the above pools exists on the same site, the total fee for all such pools shall in no event exceed the fee charged for a single swimming pool permit.
(Ord. No. 29,835, § 1(46.1-6), 2-27-79)

Sec. 43-52. Valid only for specific person and pool.

A pool permit is valid only for the person to whom it is issued and for the swimming pool for which it is obtained.
(Ord. No. 29,835, § 1(46.1-6), 2-27-79)

Sec. 43-53. Posting.

Each pool permit shall be placed in a weather proof frame and permanently posted in view at the swimming pool for which it was issued.
(Ord. No. 29,835, § 1(46.1-6), 2-27-79)

Sec. 43-54. Term; renewal.

A pool permit shall be valid beginning May 1 of each year until April 30 of the following year. The

holder of the permit shall be responsible for renewing it each year, on or before the expiration date.
(Ord. No. 29,835, § 1(46.1-6), 2-27-79)

Chapter 43.1

TATTOO PARLORS

Article I. In General

§ 43.1-1. Violations of chapter.
§ 43.1-2. Exemptions.
§ 43.1-3. Definitions.
§ 43.1-4. Enforcement.
§ 43.1-5. Prohibition on scarification and branding.
§ 43.1-6. Temporary or mobile tattoo parlors prohibited.
§ 43.1-7. Liability of operator of tattoo parlor.
§ 43.1-8. Inspections.
§§ 43.1-9, 43.1-10. Reserved.

Article II. Permits

§ 43.1-11. Tattoo parlor; permit required.
§ 43.1-12. Tattoo parlor permit; application.
§ 43.1-13. Tattoo parlor; plan review.
§ 43.1-14. Tattoo parlor permit fees; expiration; renewal.
§ 43.1-15. Tattoo parlor permit; issuance.
§ 43.1-16. Suspension and revocation of tattoo parlor permit.
§ 43.1-17. Suspended permit; reinstatement.
§ 43.1-18. Revoked permit; application for new permit.
§§ 43.1-19, 43.1-20. Reserved.

Article III. Regulatory Requirements

§ 43.1-21. Operator's requirements.
§ 43.1-22. Tattooer's responsibilities.
§ 43.1-23. Client qualifications, disclosures, and records.

ARTICLE I. IN GENERAL

Sec. 43.1-1. Violations of chapter.

It shall be unlawful for any person to violate any provision of this chapter, or to cause or allow such violation. A violation of any provision of this chapter shall constitute a class 1 misdemeanor. Each day of violation shall constitute a separate offense.
(Ord. No. 42,406, § 2, 9-19-06)

Sec. 43.1-2. Exemptions.

(a) The provisions of this chapter shall not apply to persons authorized by the laws of the commonwealth to practice medicine and surgery or osteopathy or chiropractic.

(b) The provisions of this chapter shall not apply to the puncturing of the outer perimeter or lobe of the ear with a presterilized single-use and clasp-ear piercing system.
(Ord. No. 42,406, § 2, 9-19-06)

Sec. 43.1-3. Definitions.

For the purposes of this chapter, the following words and phrases shall have the meanings ascribed to them by this section:

Antiseptic shall mean an agent that inhibits the growth and multiplication of, or destroys, disease-causing microorganisms on the skin or mucosa.

Aseptic techniques shall mean methods used in piercing procedures to prevent contamination of a pierced area by microorganisms.

Autoclave shall mean a sterilization device which meets the standards of the American Society for Mechanical Engineering (ASME).

Branding shall mean any method of placing designs, letters, scrolls, figures or any other marks upon the skin by burning with a hot iron or instrument.

Client shall mean a patron of a tattoo parlor of the person receiving a tattoo.

Communicable disease shall mean a disease that is transmissible by direct or indirect contact with infection from one person to another.

Contaminated shall mean the presence of microorganisms on inanimate objects.

Director shall mean the director of the Norfolk Department of Public Health or his designee.

Department shall mean the Norfolk Department of Public Health.

Disinfection shall mean the destruction of pathogenic microorganisms on inanimate objects or surfaces, thereby rendering these objects sanitary for use or handling.

Establishment shall mean a tattoo parlor.

Equipment shall mean all machinery, including fixtures, containers, vessels, tools, devices, implements, furniture, display and storage areas, sinks and all other apparatus and appurtenances used in connection with the operation of a tattoo parlor.

Gloves shall mean single-use, sanitary, disposable medical-grade gloves, such as triple-washed latex examination gloves or vinyl gloves.

Hot water shall mean water which attains and maintains a temperature of at least one hundred ten (110) degrees Fahrenheit.

Imminent health risk shall mean a significant threat or danger to health that is considered to exist when there is evidence sufficient to show that a product, practice, circumstance, or event creates a situation that requires immediate correction or cessation of operation to prevent injury, illness or disease based on the number of potential affected persons and the nature, severity and duration of the anticipated injury, illness or disease.

Injury shall mean any unexpected complication, damage, harm, hurt, or impairment to a person's body structure or function that is caused by tattooing.

Instrument shall mean hand pieces, needles, and other tools that may come in contact with a person's body or be exposed to body fluids during tattooing procedures.

Minor shall mean any person who has not attained the age of eighteen (18) years.

Operator shall mean any person that owns, operates, manages or takes responsibility for the operation of a tattoo parlor.

Parent shall mean a natural parent, legal guardian, or legal custodian of a minor.

Person shall mean an individual, firm, owner, sole proprietorship, partnership, corporation, an incorporated association, company, limited liability company, agent or other legal entity.

Reportable disease shall mean all communicable diseases required by the laws of the commonwealth to be reported to health officials.

Sanitary shall mean free of contaminants and pathogenic microorganisms.

Sanitation shall mean the application cumulative heat or chemicals on cleaned surfaces that, when evaluated for efficacy, yield a reduction of five (5) logs, which is equal to a 99.99-percent reduction of pathogenic microorganisms.

Sanitizer shall mean disinfectant or germicide registered with the United States Environmental Protection Agency, or an approximately one to ten (1:10) dilution of household chlorine bleach made fresh daily and dispensed from a spray bottle.

Scarification shall mean to intentionally make scratches or wounds on or incisions in the skin.

Single use shall mean products or items that are intended for one-time, one-person use and are disposed of after use on each person such as cotton swabs or balls, tissues or paper products, paper or plastic cups, gauze and sanitary coverings, razors, piercing and tattooing needles, scalpel blades, protective gloves, or ink.

Sink shall mean a lavatory equipped with hot and cold running water under pressure.

Spore shall mean a highly resistant dehydrated form of a bacterial cell, such as those of the genus bacillus.

Sterile shall mean free of live bacteria or other microorganisms including highly resistant bacterial endospores.

Sterilization shall mean the destruction of all forms of microbial life.

Support animal shall mean a trained animal such as a Seeing Eye dog that accompanies a person with a disability to assist in managing the disability and enables the person to perform functions that the person would otherwise be unable to perform.

Tattoo shall mean designs, letters, scrolls, figures, symbols or any other marks upon or under the skin with ink or any other substance resulting in the coloration of the skin, including permanent makeup and permanent jewelry, by the aid of needles or any other instruments designed to touch or puncture the skin.

Tattooer shall mean the person performing the tattooing.

Tattooing shall mean the act of placing a tattoo upon or under the skin of another person.

Tattoo parlor shall mean any place in which is offered, performed or practiced the placing of designs, letters, scrolls, figures, symbols or any other marks upon or under the skin of any person with ink or any other substance, resulting in the permanent coloration of the skin, including permanent makeup and permanent jewelry, by the aid of needles or any other instrument designed to touch or puncture the skin.

Universal precautions shall mean the current set of guidelines and controls published by the Centers for Disease Control and Prevention (CDC), which includes specific recommendations for the use of gloves, masks, protective eye wear and/or other protective equipment when contact with blood or body fluids containing blood is anticipated. This method of infection control requires the employer and the employee to assume that all human blood and specified human body fluids are infectious for HIV, HBV; and other blood pathogens. Precautions include hand washing; gloving; personal protective equipment; injury prevention; and proper handling and disposal of needles, other sharp instruments, and blood- and body fluid-contaminated products.
(Ord. No. 42,406, § 2, 9-19-06)

Sec. 43.1-4. Enforcement.

The director shall enforce the provisions of this chapter.
(Ord. No. 42,406, § 2, 9-19-06)

Sec. 43.1-5. Prohibition on scarification and branding.

It shall be unlawful for any person to perform, undertake, permit, cause or allow any scarification or branding of any human.
(Ord. No. 42,406, § 2, 9-19-06)

Sec. 43.1-6. Temporary or mobile tattoo parlors prohibited.

It shall be unlawful for any person to operate or use any tattoo parlor at any temporary location or in any mobile configuration or location.
(Ord. No. 42,406, § 2, 9-19-06)

Sec. 43.1-7. Liability of operator of tattoo parlor.

Every act or omission of whatsoever nature constituting a violation of any of the provisions of this chapter, by an officer, director, manager or other agent or employee of any operator of a tattoo parlor, if said act is committed or omission is made with the authorization, knowledge, approval or acquiescence of the operator, shall be deemed and held to be the act of such operator and said operator shall be punishable in the same manner as if said act or omission had been done or omitted by such operator personally.

Sec. 43.1-8. Inspections.

The director shall conduct periodic inspections of every tattoo parlor, at such times the director sees fit, for the purpose of determining compliance with the provisions of this chapter. Refusal of an operator or tattooer to allow the director to conduct an inspection shall be grounds for the suspension of a permit to operate a tattoo parlor.
(Ord. No. 42,406, § 2, 9-19-06)

Secs. 43.1-9, 43.1-10. Reserved.

ARTICLE II. PERMITS

Sec. 43.1-11. Tattoo parlor; permit required.

(a) It shall be unlawful for any person to operate a tattoo parlor without first obtaining a permit from the director. The operator of a tattoo parlor shall conspicuously post or display the tattoo parlor permit for public viewing. Proof of an applicable permit shall be the burden of the operator.

(b) It shall be unlawful for any person to engage in tattooing at an establishment that has no permit.
(Ord. No. 42,406, § 2, 9-19-06)

Sec. 43.1-12. Tattoo parlor permit; application.

(a) An application for a permit to operate a tattoo parlor shall be submitted to the director on forms provided by the director.

(b) Each application shall include:

(1) The operator's full name, mailing address, phone number, and a statement identifying the operator(s);

(2) If the operator is a partnership, the name, mailing address and phone number of each partner; or if the operation is a corporation, the name, mailing address and phone number for each officer and the registered agent.

(3) The establishment name, location, and the types of tattoo services and other services offered;

(4) The number of tattoo stations;

(5) The signature of the operator or operators; and

(6) Such other pertinent information as requested on such forms.

(c) If more than one establishment will be operated by the operator, a separate application and fees shall be required for each location.
(Ord. No. 42,406, § 2, 9-19-06)

Sec. 43.1-13. Tattoo parlor; plan review.

An applicant for a tattoo parlor permit shall submit a scale drawing and floor plan of the proposed establishment for a plan review by the director as part of the permit application process. This shall include equipment and finish sched-

ules. A plan review fee of two hundred dollars ($200.00) shall be paid prior to the plan review occurring.
(Ord. No. 42,406, § 2, 9-19-06)

Sec. 43.1-14. Tattoo parlor permit fees; expiration; renewal.

The fee for a tattoo parlor permit shall be one thousand, eight hundred dollars ($1,800.00).

The applicant shall pay the fee for each tattoo parlor permit. The permit fee shall be for a one-year licensing period from January 1 to December 31. All permits issued, during the course of a calendar year shall expire on December 31 of that year, regardless of the date issued unless revoked prior thereto as provided for in this chapter. For any person required to obtain a permit under the provisions of this section after the first day of January, the permit fee shall be prorated as follows: between January 1 and on or before June 30, the full permit fee shall be paid; between July 1 and on or before December 31 of the licensing year, one-half of the permit fee shall be paid.
(Ord. No. 42,406, § 2, 9-19-06)

Sec. 43.1-15. Tattoo parlor permit; issuance.

(a) Upon receipt of a complete application for a permit and the permit fee, the director shall make an inspection of the proposed establishment to determine if the proposed establishment complies with the provisions of this chapter and any other applicable law, regulation or standard. If the application and establishment inspection results comply with the provisions of this chapter and all other applicable laws, regulations and standards, a permit to operate a tattoo parlor shall be issued.

(b) A permit issued hereunder is strictly limited to the operator and establishment specified in the permit.

(c) A permit shall be nontransferable from one operator to another or from one establishment to another.

(d) Any change of operator or establishment location shall require a new application and permit, with payment of fees therefore.

(e) The director may refuse to issue a permit if the operator:

(1) Has been convicted in this or any other state of a crime related to tattooing or relating to the operation of a tattoo parlor; or

(2) Has violated provisions of this chapter, or any local, state or federal law, regulation or standards which are determined by the director to pose imminent health risk to the operator, tattooers, employees or the public.

(f) The director may set forth specific conditions to be complied with in each permit issued.
(Ord. No. 42,406, § 2, 9-19-06)

Sec. 43.1-16. Suspension and revocation of tattoo parlor permit.

(a) The director may, at any time, after giving five (5) calendar days' written notice and an opportunity to be heard to the operator, suspend for such length of time as he may deem appropriate, or revoke, any tattoo parlor permit for any of the following reasons:

(1) Fraud or misrepresentation by the operator in the procurement of the permit;

(2) Any violation of any applicable local, state or federal law, regulation or standard;

(3) Failure to comply with the general or specific terms of the permit; and

(4) Any illegal or unlawful acts caused, allowed or permitted to be done by the operator or his agent.

(b) The notice referred to in this section may be hand-delivered to the operator, mailed to the last known address of the operator or to the address of the operator given by him on the application for a permit, or posted on the point(s) of egress to the establishment.

(c) Notwithstanding subsections (a) and (b), in the event the director determines that there has been a violation of the permit conditions or there has been a violation of any local, state or federal law, regulation or standard which constitutes an imminent, substantial or compelling threat to

public health or safety, the director may dispense with the notice requirement and either close the establishment immediately or issue an order excluding the operator or tattooer from the establishment until such time the director determines there is no longer a public health or safety issue.

(d) It shall be unlawful to continue to operate or cause, permit or allow tattooing after the operator receives notice of the suspension or revocation or after immediate closure by the director. It shall also be unlawful for a tattooer to perform tattooing on any person after suspension, revocation or immediate closure by the director.
(Ord. No. 42,406, § 2, 9-19-06)

Sec. 43.1-17. Suspended permit; reinstatement.

Any operator whose permit has been suspended may apply for reinstatement of such permit. The application shall provide the same information as for a new permit and shall also include a statement signed by the operator or tattooer that the conditions causing suspension of the permit have been corrected. A reinstatement fee of one thousand eight hundred dollars ($1,800.00) shall be paid at time of application.
(Ord. No. 42,406, § 2, 9-19-06)

Sec. 43.1-18. Revoked permit; application for new permit.

Any operator whose permit has been revoked by the director does not qualify for reinstatement. The operator or practitioner must make an application for a new permit and cannot obtain a new permit until at least six (6) months have passed since the date of the revocation notice.
(Ord. No. 42,406, § 2, 9-19-06)

Secs. 43.1-19, 43.1-20. Reserved.

ARTICLE III. REGULATORY REQUIREMENTS

Sec. 43.1-21. Operator's requirements.

(a) A tattoo parlor must be in a permanent building or portion of a building which must be in a location permissible under the zoning ordinance of the city and in conformance with the building code of the city. The establishment shall be separated from any living quarters by complete floor to ceiling partitioning and shall contain no access to living quarters.

(b) The establishment shall be maintained in a clean and orderly manner.

(c) All facilities shall have a blood spill cleanup kits in the work area.

(d) Work surfaces shall be cleaned with an EPA-registered, hospital-grade disinfectant. Surfaces that come in contact with blood or other body fluids shall be immediately disinfected wit an EPA-registered germicide solution. Appropriate personal protective equipment shall be worn during cleaning and disinfecting procedures.

(e) Cabinets for the storage of instruments, dyes, pigments, single-use articles, carbon stencils and other utensils shall be provided for each operator and shall be maintained in a sanitary manner.

(f) Bulk single-use articles shall be commercially packaged and handled in such a way as to protect them from contamination.

(g) All materials applied to the human skin shall be from single-use articles or transferred from bulk containers to single-use containers and shall be disposed of after each use.

(h) The walls, ceilings, and floors shall be kept in good repair. The tattooing area shall be constructed of smooth, hard, light-colored surfaces that are nonporous, free of open holes or cracks, light-colored, and easily cleaned.

(i) The establishment shall have adequate lighting of at least fifty (50) foot-candles of illumination in the tattooing and sterilization areas.

(j) Adequate mechanical ventilation shall be provided in the establishment.

(k) The establishment shall be equipped with hand-cleaning facilities for its personnel with unobstructed access to the tattooing area such that the tattooer can return to the tattooing area without having to touch anything with their hands. Hand-cleaning facilities shall be equipped either with hot and cold or tempered running water

under pressure and liquid germicidal soap, or with a sanitizing solution to clean hands. Hand-cleaning facilities shall be equipped with single-use towels or mechanical hand drying devices; and a covered refuse container. Such facilities shall be kept clean and in good repair.

(l) Animals are not permitted in the establishment except for guide or service animals accompanying persons with disabilities. No animals are allowed in the tattooing or sterilization areas.

(m) Use of tobacco products and consumption of alcoholic beverages shall be prohibited in the tattooing or sterilization area.

(n) No food or drink shall be stored or consumed in the tattooing or sterilization areas except for client's use in order to sustain optimal physical condition; such food and drink must be individually packaged.

(o) If tattooing is performed where cosmetology services are provided, it shall be performed in an area that is separate and enclosed.

(p) Restrooms shall be available in the establishment. Each restroom shall be equipped with a sink with hot and cold running water, which passes through a mixing type of faucet. Each restroom shall be supplied with soap, toilet tissue, single use paper towels and a covered waste receptacle. Restrooms shall have self-closing doors.

(q) At least one waste receptacle shall be provided in each station area. Solid waste, including infectious waste, shall be collected, stored and disposed of in a manner and frequency that complies with federal, state and local regulations.

(r) Other equipment necessary for providing tattoos and for cleaning and sterilizing instruments shall include:

(1) A one-compartment sink with hot and cold running water under pressure;

(2) An autoclave;

(3) Storage cabinets or containers for sterilized instruments and supplies and separate approved storage for soiled or waste products.

(s) Water supplies and sewage disposal shall comply with applicable provisions of the City Code.
(Ord. No. 42,406, § 2, 9-19-06)

Sec. 43.1-22. Tattooer's responsibilities.

(a) All tattooers shall wear clean outer garments, maintain a high degree of personal cleanliness, and conform to hygienic practices while on duty.

(b) All tattooers shall clean their hands thoroughly using hot or tempered water with a liquid germicidal soap or use sanitizing solution to clean hands before and after tattooing and as necessary to remove contaminants.

(c) All tattooers must wear single-use examination gloves while assembling tattooing instruments and while tattooing.

(d) Each time there is an interruption in service, each time the gloves become torn or perforate, or whenever the ability of the gloves to function as a barrier is compromised;

(1) Gloves shall be removed and disposed of; and

(2) Hands shall be cleaned and a fresh pair of gloves used.

(e) Tattooers shall use standard precautions while tattooing. A tattooer diagnosed with a communicable disease shall provide to the director a written statement from a health-care practitioner that the tattooer's condition no longer poses a threat to public health.

(f) Tattooers with draining lesions on their hands or face shall not be permitted to work until cleared by a health-care professional.

(g) The area of the client's skin to be tattooed shall be cleaned with an approved germicidal soap according to label directions.

(h) Tattooing inks and dyes shall be placed in a single-use disposable container for each client. Following the procedure, the unused contents and container shall be properly disposed of.

(i) If shaving is required, razors shall be single-use and disposed of in a puncture-resistant container.

(j) Each tattooer performing any tattooing procedures in the parlor shall have the education, training and experience, or any combination thereof, to practice aseptic technique and prevent the transmission of blood-borne pathogens. All procedures shall be performed using aseptic technique.

(k) A set of individual, sterilized needles shall be used for each client. Single-use, disposable instruments shall be disposed of in a puncture resistant container.

(l) Used, nondisposable instruments shall be kept in a separate, puncture-resistant container until brush scrubbed in hot water soap and then sterilized by autoclaving. Contaminated instruments shall be handled with disposable gloves.

(m) Used instruments that are ultrasonically cleaned shall be rinsed under running hot water prior to being placed in the used-instrument container.

(n) Used instruments that are not ultrasonically cleaned prior to being placed in the used-instrument container shall be kept in a germicidal or soap solution until brush scrubbed in hot water and soap and sterilized by autoclaving.

(o) The ultrasonic unit shall be sanitized daily with germicidal solution.

(p) Nondisposable instruments shall be sterilized and shall be handled and stored in a manner to prevent contamination. Instruments to be sterilized shall be sealed in bags made specifically for the purpose of autoclave sterilization and shall include the date of sterilization. If nontransparent bags are utilized, the bag shall also list the contents.

(q) Autoclave sterilization bags with a color-code indicator which changes color upon proper sterilization shall be utilized during the autoclave sterilization process.

(r) Instruments shall be placed in the autoclave in a manner to allow live steam to circulate around them.

(s) Contaminated disposable and single-use items shall be disposed of in accordance with state regulations regarding disposal of biological hazardous materials.

(t) Any injury or complaint of injury, suspected infection, or any reportable diseases resulting from a tattoo that became known to the operator or tattooer shall be reported to the director within twenty-four (24) hours.
(Ord. No. 42,406, § 2, 9-19-06)

Sec. 43.1-23. Client qualifications, disclosures, and records.

(a) Except as permitted in Code of Virginia, § 18.2-371.3, a client must be a minimum of eighteen (18) years of age and shall present at the time of tattooing a valid, government-issued, positive identification card including, but not limited to, a driver's license, passport, or military identification. The identification must contain a photograph of the individual and a printed date of birth.

(b) The tattooer shall verify and document in the permanent client record the client's age, date of birth, and the type of identification provided.

(c) No person may be tattooed who appears to be under the influence of alcohol or drugs.

(d) Tattooing shall not be performed on any skin surface which manifests any evidence of unhealthy conditions such as rashes, boils, infections, or abrasions.

(e) Before receiving a tattoo, each client and client's parent or guardian, if applicable, shall be informed verbally and in writing, using the client disclosure form prescribed by the State Board for Barbers and Cosmetology, about the possible risk and dangers associated with the application of each tattoo. Signatures of both the client and the tattooer shall be required on the client disclosure form to acknowledge receipt of both the verbal and written disclosures.

(f) The establishment shall maintain proper records for each client. The information shall be permanently recorded and made available for examination by the director. Records shall be

maintained at the establishment for at least two (2) years following the date of the last entry. The permanent records shall include the following:

(1) The name, address, and telephone number of the client;

(2) The date tattooing was performed;

(3) The client's age, date of birth, and a copy of the positive identification provided to the tattooer;

(4) The specific color or colors of the tattoo and, when available, the manufacturer's catalogue or identification number of each color used;

(5) The location on the body where the tattooing was performed;

(6) The name of the tattooer;

(7) A statement that the client has received a copy of applicable written care instructions, and that the client has read and understands the instructions; and

(8) The signature of the client, and if applicable, the parent or guardian.

(Ord. No. 42,406, § 2, 9-19-06)

Chapter 44

TRAILER COACHES AND TRAILER COACH PARKS*

Article I. In General

§ 44-1. Definitions.
§ 44-2. General penalty for violations of chapter.
§ 44-3. Parking trailer coach on street or other public place.
§ 44-4. Parking or storing trailer coach on lot outside authorized trailer coach park.
§§ 44-5—44-20. Reserved.

Article II. Trailer Coach Parks

Division 1. Generally

§ 44-21. Application of article.
§ 44-22. To be located on well drained site.
§ 44-23. General area requirements.
§ 44-24. Yards.
§ 44-25. Streets and roadways.
§ 44-26. Entrances and exits for vehicular traffic.
§ 44-27. Parking areas.

ARTICLE I. IN GENERAL

Sec. 44-1. Definitions.

(a) For the purposes of this chapter, certain words and phrases shall have the meanings ascribed to them by this section, unless clearly indicated to the contrary.

(b) *Dependent trailer coach* means any trailer coach which does not have a kitchen sink, toilet and bathtub or shower.

(c) *Independent trailer coach* means any trailer coach which has a kitchen sink, toilet and bathtub or shower.

(d) *Permit* means a written permit issued by the building official permitting a trailer coach park to operate under this chapter.

(e) *Service building* means a building housing toilet facilities for men and women, with laundry facilities, and with separate bath or shower accommodations.

(f) *Trailer coach* means any vehicle used, or so constructed as to permit its being used, as a conveyance upon the public streets or highways and duly licensable as such, and constructed in such a manner as will permit occupancy thereof as a dwelling or sleeping place for one or more persons.

(g) *Trailer coach park* means any site, lot, field or tract of ground upon which one or more trailer coaches are placed, regardless of whether or not a charge is made for such accommodation, and shall include any building, structure, tent, vehicle or enclosure used or intended for use as a part of the equipment of such park or of any trailer coach located therein.

(h) *Trailer coach space or lot* means a plot of ground within a trailer coach park, designated for the accommodation of one trailer coach and use by its occupants. (Code 1958, § 48-1)

Sec. 44-2. General penalty for violations of chapter.

Any person violating any provision of this chapter shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not more than one thousand dollars ($1,000.00), unless otherwise provided.

Sec. 44-3. Parking trailer coach on street or other public place.

It shall be unlawful for any person to park any trailer coach on any street, alley, lane or other public place in the city. (Code 1958, § 48-13)

Cross reference—General parking regulations, § 25-276 et seq.

Sec. 44-4. Parking or storing trailer coach on lot outside authorized trailer coach park.

(a) Except as otherwise provided in this section, it shall be unlawful for any person to park or store any trailer coach on any lot, parcel or tract of land within the city, other than within an authorized trailer coach park.

(b) One trailer coach may be parked or stored in an improved enclosed garage or accessory building on any lot or plot of land; provided, however, that no living quarters shall be maintained or any business practiced in such trailer coach while it is so parked or stored.

(c) The provisions of this section shall not preclude the parking or storage of trailer coaches for the purpose of display in connection with the operation of the business of trailer coach sales. No trailer coach so displayed may be occupied for dwelling purposes.

(d) An independent trailer coach may be parked on a lot on which commercial or industrial construction work is in progress for use, for dwelling purposes, by a person in the employ of the contractor performing such work. Such use must be temporary and shall be terminated and the trailer coach removed upon completion of the construction work. (Code 1958, § 48-14)

Secs. 44-5—44-20. Reserved.

ARTICLE II. TRAILER COACH PARKS

DIVISION 1. GENERALLY

Sec. 44-21. Application of article.

The provisions of this article shall apply to all trailer coach parks located within the city, regardless of when the same were established, unless otherwise specifically provided.

Sec. 44-22. To be located on well drained site.

Every trailer coach park shall be located on a well drained site in an area free from marshes, swamps or other potential breeding places for insects or rodents. (Code 1958, § 48-4)

Sec. 44-23. General area requirements.

(a) The area of a trailer coach park shall be large enough to accommodate:

(1) The designated number of trailer coach spaces.

(2) Necessary streets and roadways.

(3) Parking areas for motor vehicles.

(4) Service areas and playgrounds.

(b) No trailer coach park shall occupy a ground area of less than two hundred thousand (200,000) square feet and each such park shall have a minimum width of four hundred (400) feet. This subsection shall not apply to an automobile trailer camp or trailer coach park which was in operation on January 1, 1961, in full compliance with all applicable ordinances as they then existed, and which as has been in continuous operation since that date. (Code 1958, §§ 48-4, 48-12)

Sec. 44-24. Yards.

Front, side and rear yards in a trailer coach park shall comply with the requirements of the zoning ordinance for C-TP (trailer park commercial) districts. (Code 1958, § 48-4)

Cross reference—Zoning ordinance, App. A.

Sec. 44-25. Streets and roadways.

(a) All private streets or roadways in a trailer coach park, which are to accommodate traffic moving in both directions, shall have a minimum hard surfaced width of eighteen (18) feet, shall be well drained, plainly marked in the daytime, adequately lighted at night and easily accessible from all trailer coach spaces.

(b) All private streets or roadways in a trailer coach park, which are designed to accommodate traffic moving in one direction only, shall have a minimum hard surfaced width of nine (9) feet, shall be well drained, plainly marked in the daytime, adequately lighted at night and easily accessible from all trailer coach spaces.

(c) Along that side of any private street or roadway which abuts a trailer coach space, there shall be provided a nine (9) foot right-of-way, in addition to the hard surfaced right-of-way.

(d) Roadways required by this section shall be provided with at least one one hundred (100) watt electric light for each one hundred fifty (150) lineal feet of roadway. (Code 1958, §§ 48-5, 48-22)

Sec. 44-26. Entrances and exits for vehicular traffic.

Vehicular access to trailer coach parks shall be by means of designated entrances and exits, which shall be well marked, lighted and easily controlled and supervised. All such entrances and exits shall be over driveways as authorized by, and in accordance with specifications of, the department of public works and shall be located as shown on the plan approved for the trailer coach park. (Code 1958, §§ 48-9, 48-22)

Sec. 44-27. Parking areas.

Areas shall be provided for the parking of motor vehicles in trailer coach parks. Such areas shall accommodate at least the number of vehicles equal to the number of trailer coach spaces in such park, and shall be so located as to prevent interference with the movement of vehicles on the roadways throughout the park. (Code 1958, § 48-7)

Sec. 44-28. Walkways.

Walkways shall be provided to all service facilities used by occupants of a trailer coach park, if such facilities are not accessible from roadways. Such walkways shall have a hard surfaced width of at least three (3) feet and shall be adequately lighted. A minimum of one one hundred (100) watt electric light shall be provided for each one hundred fifty (150) lineal feet of walkway. (Code 1958, §§ 48-6, 48-22)

Sec. 44-29. Playgrounds.

Playground areas shall be provided in each trailer coach park and shall be restricted to use as playgrounds. These areas shall be protected from the roadways and from parking areas. A minimum of one hundred (100) square feet per trailer coach space in the park shall be made available, in one or more places, for such playground areas. (Code 1958, § 48-8)

Sec. 44-30. Minimum area and width of trailer coach spaces.

Each trailer coach space shall contain a minimum of two thousand one hundred (2,100) square feet of usable land, and shall have an average width of not less than thirty (30) feet. (Code 1958, § 48-4)

Sec. 44-31. Numbering of trailer coach spaces.

Each trailer coach space shall be identified with a number on a permanent marker plainly visible from the roadways within the trailer coach park. (Code 1958, § 48-23)

Sec. 44-32. Trailer coach spaces to abut roadway or clear area and have access to public street.

All trailer coach spaces shall abut a roadway or other clear area, with unobstructed access to a public street. (Code 1958, § 48-4)

Sec. 44-33. Trailer coaches prohibited except in coach spaces; joint occupancy of spaces prohibited.

The parking, storage, use or occupation of trailer coaches in trailer coach parks otherwise than in trailer coach spaces is prohibited, and no trailer coach shall be so parked, stored, used or occupied in any trailer coach space with any other trailer coach. (Code 1958, § 48-15)

Sec. 44-34. Clearance between trailer coaches and between coaches and buildings.

A distance of not less than twenty (20) feet shall be maintained between trailer coaches and between trailer coaches and buildings. (Code 1958, § 48-4)

Sec. 44-35. Limitations on dependent trailer coaches.

Dependent trailer coaches are prohibited from remaining in any trailer coach park for a period of time in excess of eight (8) consecutive days, or a total of thirty (30) days in any calendar year, are limited to eight (8) in number in any trailer coach park and, when accommodated, shall be located on trailer coach spaces which are not further distant from a service building than three hundred (300) feet. (Code 1958, § 48-16)

Sec. 44-36. Utility connections generally.

No trailer coach space may be used for the maintenance of a trailer coach, unless such space has individual connections to the trailer coach for water, sewerage and electricity. (Code 1958, § 48-17)

Sec. 44-37. Water supply and system.

(a) The only source of water supply for trailer coach parks and trailer coaches located therein shall be that of the public water supply system of the city. Any other source of water supply is prohibited.

(b) The water system of a trailer coach park shall be connected by pipes to all service buildings and all trailer coach spaces.

(c) Individual water service connections shall be provided for direct use by trailer coaches and shall be so constructed that they will not be damaged by the parking of such coaches. The trailer coach park water system shall be adequate to provide twenty (20) pounds per square inch of pressure at all trailer coach connections.

(d) An adequate supply of hot water shall be provided at all times for bathing, washing and laundry facilities. (Code 1958, § 48-18)

Cross reference—Water supply, Ch. 46.

Sec. 44-38. Sewage disposal.

(a) The only system of sewage disposal for trailer coach parks shall be the public system of the Hampton Roads sanitation district commission. Any other system of sewage disposal is prohibited.

(b) This section shall not apply to a trailer coach park or automobile trailer camp in lawful operation on January 1, 1961, unless and until a sanitary sewer line connection to the Hampton Roads sanitation district commission system is available at a property line of such park or camp. (Code 1958, §§ 48-12, 48-19)

Cross reference—Sewers, Ch. 39.

Sec. 44-39. Electrical outlets.

An electrical outlet supplying at least one hundred ten (110) volts shall be provided for each trailer coach space. (Code 1958, § 48-21)

Sec. 44-40. Garbage and refuse containers.

Garbage and refuse containers or receptacles meeting the requirements of chapter 41 of this Code shall be located on each trailer coach space in a trailer coach park, by and for the use of the occupant or occupants of such space. (Code 1958, § 48-20)

Sec. 44-41. Tents, buildings and other structures prohibited; exceptions.

(a) It shall be unlawful for any person to erect, place or maintain, in any trailer coach park, any tent, building or structure, except as follows:

(1) Buildings housing toilet, bathing and laundry facilities.

(2) Buildings housing administrative facilities, such as office and maintenance.

(3) Buildings housing water, sewerage and electrical facilities.

(4) Buildings housing storage facilities for occupants of trailer coaches, provided that no more than sixteen (16) square feet of any trailer coach space shall be used for such a building.

(b) This section shall not apply to awnings, canopies or enclosures permitted by section 44-42. (Code 1958, § 48-24)

Sec. 44-42. Awnings, canopies or enclosures attached to trailer coaches.

An awning, canopy or enclosure manufactured for use as an extension of the enclosed or covered area of a trailer coach, to accommodate the occupants of the trailer coach when so extended, may be used in a trailer coach park, subject to the following provisions:

(1) It shall be approved by the building official.

(2) It shall be unenclosed on three (3) sides, if of awning construction and material other than metal.

(3) It shall be considered a part of the trailer coach, if enclosed on more than three (3) sides.

(4) It shall not constitute a permanent addition, built onto or becoming a part of any trailer coach in such a manner or of such materials as to preclude its being moved with and as a part of a trailer coach. (Code 1958, § 48-24)

Sec. 44-43. Skirting of trailer coaches.

The skirting of trailer coaches in a trailer coach park is permissible, but such skirting shall not attach the trailer coach permanently to the ground, provide a harborage for rodents or create a fire hazard. (Code 1958, § 48-27)

Cross references—Fire prevention and protection, Ch. 17; rat control, Ch. 36.

Sec. 44-44. Removal of wheels from trailer coaches.

The wheels of a trailer coach in a trailer coach park shall not be removed, except temporarily when necessary for repairs. (Code 1958, § 48-26)

Sec. 44-45. Service buildings.

(a) Each trailer coach park shall be provided with one or more service buildings adequately equipped with flush-type toilet fixtures. No service building shall contain less than one toilet for females one toilet for males and one lavatory and one shower for each sex.

(b) Service buildings shall be located twenty (20) feet or more from trailer coaches and other buildings and shall not be located in any front, side or rear yard.

(c) Service buildings shall be so located that no trailer coach space which is used or rented for use for a dependent trailer coach is more distant than three hundred (300) feet from such facility.

(d) Service buildings shall be adequately lighted at all times. (Code 1958, §§ 48-10, 48-22)

Sec. 44-46. Laundry facilities and clothes drying areas.

(a) Laundry facilities shall be provided in the ratio of not less than two (2) washing machines for every one hundred (100) trailer coach spaces in a trailer coach park. Such facilities shall be provided in a building or compartment of a building separate from all other facilities of the trailer coach park.

(b) Clothes drying areas shall not be located in any front, side or rear yard, unless such areas are within the boundaries of a trailer coach space. (Code 1958, § 48-11)

Sec. 44-47. Emergency facilities.

(a) Where approved fire alarm boxes connected with the city fire alarm system are not provided in trailer coach parks, suitable telephone facilities for emergency use shall be readily accessible at all times.

(b) Information in printed form, to enable occupants of trailer coaches to locate the nearest fire alarm box or telephone for emergency use or summon trailer coach park employees, shall be supplied to each trailer coach at the time of registration. Emergency call numbers shall be posted conspicuously at public telephone locations. (Code 1958, § 48-25)

Sec. 44-48. Guest register.

(a) It shall be the duty of the owner, operator or manager of a trailer coach park to keep an accurate register containing a record of all trailer coaches, owners and occupants located within the trailer coach park. The register shall contain the following information:

(1) Name and address of the owner and each occupant and the age of all persons under eighteen (18) years.

(2) The trailer coach space number in which the trailer coach is parked.

(3) The license number, with state of issuance, make, model and year of each trailer coach and the license number and state of issuance of the automobile or truck by which it is towed upon entering and leaving the trailer coach park, if such information can reasonably be obtained by the exercise of due diligence.

(4) Date of entering the trailer coach park.

(5) Date of leaving the trailer coach park.

(b) The register required by this section shall be kept available for inspection at all times by law-enforcement officers, public health officials and other officials whose duties require the information contained in the register. Register records shall not be destroyed for a period of three (3) years following the date of registration.

(c) It shall be the duty of the owner or occupant of each trailer coach to provide the information required under subsection (a) of this section. (Code 1958, § 48-29)

Sec. 44-49. Procedure upon existence or suspected existence of communicable diseases.

Every owner, operator, attendant or other person concerned with the operation of a *trailer coach park shall notify the director of* public health immediately of any suspected communicable or contagious disease within the trailer coach park. In the case of diseases diagnosed by a physician as quarantinable, such owner, operator, attendant or other person shall immediately notify the office of the director of public health, if such notice that any trailer coach is to be removed or any occupant intends to move from such trailer park or intends to remove clothing or any other articles which have been exposed to infection, without the approval of the director of public health. It shall be unlawful for the *owner or occupant of a trailer coach to depart* from such trailer coach park or remove therefrom the trailer coach, clothing or other articles which have been exposed to infection, without the approval of the director of public health. (Code 1958, § 48-30)

Sec. 44-50. Right of access for inspections and repairs.

(a) It shall be the duty of the owners or occupants of trailer coach parks and trailer *coaches contained therein, or of the person in* charge thereof, to give free access to such premises at reasonable times to those officers of the city, or their representatives, whose duties require that they inspect such premises.

(b) It shall be the duty of every occupant of a trailer coach park to give the owner thereof or his agents or employees access to any part of such trailer coach park or its premises, at reasonable times, for the purpose of making *such repairs or alterations as are necessary to* effect compliance with this chapter and other applicable ordinances of the city, and with any lawful regulations adopted thereunder. (Code 1958, § 48-31)

Sec. 44-51. Animals running at large.

No dog, cat or other pet animal shall be permitted by its owner to run at large in any trailer coach park. A violation of this section shall constitute a Class 4 misdemeanor. (Code *1958, § 48-28)*

Cross reference—Animals, Ch. 6.

Sec. 44-52. Notice of change of ownership or control.

Every person holding a permit issued under this article shall give notice in writing to the building official, within twenty-four (24) hours after having sold, transferred, given away or otherwise disposed of his interest in or control of the trailer coach park covered by such permit. Such notice shall include the name and address of the person succeeding to the ownership or control of such trailer coach park. (Code 1958, § 48-2)

Secs. 44-53—44-63. Reserved.

DIVISION 2. PERMIT

Sec. 44-64. Required.

It shall be unlawful for any person to construct, maintain, operate or alter any trailer coach park within the limits of the city, unless he holds a valid permit issued by the building official in the name of such person for the specific trailer coach park. (Code 1958, § 48-2)

Sec. 44-65. Application.

(a) Application for a permit required by this division shall be made to the building official upon forms supplied by his office, and, in general, shall contain the following:

(1) The name and address of the applicant.

(2) The location and legal description of the trailer coach park, including the area in acres.

(3) The zoning district classification of the property to be or being used for the park.

(4) Number of trailer coach spaces.

(5) A complete plan of the trailer coach park, showing compliance with all applicable provisions of this article and other ordinances of the city and regulations promulgated thereunder.

(6) Such further information as may be requested by the director of public health to enable him to determine that the trailer coach park will comply with legal requirements as to health and sanitation.

(b) The complete plan referred to in subsection (a)(5) above shall be a drawing of the proposed trailer coach park at a scale of $1'' = 50'$, prepared by a land surveyor or engineer and showing:

(1) The extent, showing lot, block and subdivision identification or bearing and distances if not subdivided, and area of the property to be used for trailer coach park purposes.

(2) The location and width of roadways, walkways and driveway entrances and exits.

(3) Location, size and identifying numbers of trailer coach spaces.

(4) Location and size of service buildings and any other proposed structures.

(5) Location and quantity of proposed sanitary conveniences, including proposed toilets, washrooms, laundries, laundry drying spaces, children's play areas and utility storage.

(6) Method and plan of sewerage disposal.

(7) Location and quantity of garbage receptacles.

(8) Plan of water supply.

(9) Plan of electric lighting.

(10) Storm water drainage. (Code 1958, § 48-3)

Sec. 44-66. Issuance.

The building official shall issue a permit applied for under this division, upon compliance by the applicant with this article and all other applicable ordinances of the city and any regulations adopted pursuant thereto. (Code 1958, § 48-2)

Sec. 44-67. Not transferable.

No permit issued pursuant to this division shall be transferable. (Code 1958, § 48-2)

TREES AND OTHER VEGETATION*

Article I. Generally

§ 45-1. Violations.
§ 45-2. Definitions.
§ 45-3. Bureau of parks and forestry.
§ 45-4. Duties of the city forester.
§ 45-5. Interference with bureau of parks and forestry.
§ 45-6. City nurseries.
§ 45-7. Picking, pulling, damaging, etc., vegetation on lands of another or in park or wildlife sanctuary.
§ 45-8. Selling trees or shrubs removed from property of another.
§ 45-9. Failure to install or maintain landscaping.
§ 45-10. Disposal or surplus trees or urban forest products.
§ 45-11. Payment in lieu of tree, shrub, and other vegetation replacement or mitigation.

Article II. Tree Ordinance

§ 45-12. Purpose and intent.
§ 45-13. Permits; when required.
§ 45-14. Maintenance permit for work on city property.
§ 45-15. Maintenance permit for work on private property.
§ 45-16. Permit exemptions.
§ 45-17. Review of application for permit.
§ 45-18. Appeal of denial of a permit.
§ 45-19. Revocation of permit.
§ 45-20. Safeguards during construction work.
§ 45-21. Stop work order.
§ 45-22. Public nuisance.
§ 45-23. Eradication of public nuisance; public or private property.
§ 45-24. Notice.
§ 45-25. Abatement by city.
§ 45-26. Reserved.

Article III. Tree Commission

§ 45-27. Tree commission—Created.
§ 45-28. Same—Membership.
§ 45-29. Same—Vacancy.
§ 45-30. Duties of tree commission.
§ 45-31. Reserved.

***Editor's note—**Ord. No. 41,728, § 1, adopted Feb. 15, 2005, amended ch. 45 in its entirety and enacted similar provisions as set out herein. The former ch. 45 derived from Ord. No. 38,259, § 1, adopted Jan. 23, 1996; Ord. No. 39,590, § 11, adopted May 18, 1999; and Ord. No. 39,658, §§ 1—8, adopted June 22, 1999.

ARTICLE I. GENERALLY

Sec. 45-1. Violations.

Unless otherwise specified, any person violating any provision of this chapter or any permit issued pursuant to any provisions of this chapter shall be guilty of a class 1 misdemeanor. Each day a violation continues shall be deemed a new violation. In addition to any penalties imposed for each violation, a judge hearing the case may order the person responsible for such condition or violation to restore, remediate or correct the violation or condition, and each day's default in such restoration, removal or remediation after being so ordered shall constitute a violation of and a separate offense under this chapter.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-2. Definitions.

As used in this chapter, the following terms shall have the meanings set forth herein:

ANSI: American National Standards Institute.

Controlling arboricultural specifications and standards: Professional specifications and standards governing safe and appropriate and horticultural practices, as periodically updated or revised, including, but not limited to:

(1) *ANSI Z133.1*—American National Standards for Tree Care Operations, most current edition.

(2) *ANSI A300*—The American National Standard for Tree Care Operations— Tree, Shrub and other Woody Plant Maintenance—Standard Practices, most current edition;

(3) *ANSI Z60.1*—America Standard for Nursery Stock, most current edition;

(4) *ISA tree-pruning guidelines*;

(5) *City of Norfolk Tree Protection Notes and Details*—Specifications, standards and details for protection of trees during construction, including trees located on city-owned property, trees located within Chesapeake Bay Preservation Areas, and privately-owned trees impacted by city construction activities;

(6) *City of Norfolk Street Tree Planting and Location Standards*—Standards governing the placement and type (species) of street trees approved for use in the city, most recent edition;

(7) *Council of Tree and Landscape Appraisers Guide for Plant Appraisal;* and

(8) *City of Norfolk Mitigation Standards.*

Chesapeake Bay Preservation Area Overlay District described in section 11-2 of the zoning ordinance in accordance with Code of Virginia 9 VAC 10-20-10 et seq.

City-owned property: Property within the city limits of the City of Norfolk owned by the city in fee simple or property impliedly or expressly dedicated to the public for the present or future use for the purpose of vehicular or pedestrian traffic or public right-of-way or park use.

Critical root zone: The portion of the root system of a tree that is the minimum necessary to maintain the continued health, vitality or stability of the tree, defined by a concentric circle with a radius equal to the distance from the trunk to the outermost portion of the crown spread.

Crown-spread: The distance between a tree trunk and the outermost edge of the tree canopy or branch spread.

Director: The director of neighborhood and leisure services or his designee.

Emergency utility work: Any sudden and unanticipated disruption or loss of existing utility service, including signal leaks from cable television, but not to include routine maintenance, planned repairs and service improvements or upgrades to any transmission or distribution system or residential, commercial or governmental facility.

Forester: The city forester of the city.

ISA: The International Society of Arboriculture.

Person: Any person, business, partnership, corporation, legal entity, or governmental entity or agency, and any of its subdivisions.

Property owner: The record owner or contract purchaser of any parcel of land.

Trees, shrubs, and other vegetation: All vegetation, woody, or otherwise, except lawn, ornamental grass and flowers less than twenty-four (24) inches in height.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-3. Bureau of parks and forestry.

The bureau of parks and forestry, in addition to the responsibilities and authorities vested in it by chapter 25.2 of this Code, shall have the management, control and care of the area between the street curbing and the walkway, and of all trees and shrubbery on the streets, avenues and public grounds of the city, shall direct and regulate planting, transplanting, pruning, removal, care and protection of all shade and ornamental trees and shrubbery to be planted and cultivated, determining species and distances for such planting, and shall have all other necessary and convenient powers incident to the conduct of its duties.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-4. Duties of the city forester.

Under the supervision and direction of the director and the superintendent of parks and forestry, the city forester shall have the following responsibilities:

(a) To direct a comprehensive municipal forestry program encompassing natural resource conservation, preventative, corrective and routine maintenance, and reforestation components.

(b) To administer the tree ordinance and street tree management plan and perform whatever acts are necessary including the planting, maintenance, treatment and protection of trees, and the removal of dead, dying, diseased, damaged or hazardous trees, including trees which by virtue of their type, form, condition, size, location, or site conditions are predisposed to structural failure, or otherwise undesirable trees, shrubs and other vegetation located on city-owned property; and to ensure that all trees, shrubs and other vegetation located on city property conform with the tree ordinance, street tree management plan, and other controlling arboricultural specifications and standards.

(c) To establish and periodically review and revise, as necessary, controlling arboricultural specifications and standards, street tree planting and location standards, tree protection notes and details, and policies or practices to professionally manage the city's tree population and carry out the expressed intent of this article.

(d) To direct the development and operation of a municipal nursery.

(e) Administer a vegetated buffer protection program within the Chesapeake Bay Preservation Area Overlay District.

(f) To propose annual budget requirements and staffing and equipment requirements as deemed necessary to carry out the expressed purpose and intent of this article and street tree management plan.

(g) To establish and maintain a public relations program, including annual Arbor Day observations, Tree City USA certification, and other public relations programs in furtherance of the expressed purpose and intent of this article and the street management plan.

(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-5. Interference with bureau of parks and forestry.

No person shall, in anywise, interfere with, hinder, prevent or delay or cause or permit any person to interfere with, hinder, prevent or delay the bureau of parks and forestry, or its employees, in the enforcement of this chapter, or in and about the planting, mulching, pruning, spraying, treating or removing of any tree in the public streets, parks, schools, city-owned cemeteries, or other city-owned property, or in the removing of stone, cement or other sidewalks, or stone, cement or other substances about the trunk of any tree in

any street, or in cultivating, seeding and caring for the area between the street curbing and the walkway in any sidewalk of the city.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-6. City nurseries.

The bureau of parks and forestry shall have the authority to establish and maintain nurseries for the cultivation and growth of trees and plants for public use upon such land owned by the city as may be designated by the director of neighborhood and leisure services. Such nurseries shall be under the supervision of the bureau of parks and forestry and shall be operated under such rules and regulations as may be prescribed by the bureau. Such bureau is hereby authorized to supply and install trees and plants from its nurseries to be planted on the streets, parks, schools and other city-owned property, at such points as the bureau may deem expedient or for the purpose of replacing trees which have heretofore been planted, but which have died.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-7. Picking, pulling, damaging, etc., vegetation on lands of another or in park or wildlife sanctuary.

It shall be unlawful for any person to pick, pull, pull up, tear, tear up, dig, dig up, cut, break, injure, burn or destroy, in whole or in part, any tree, shrub, vine, plant, flower or turf found growing or being upon the land of another, or upon any land reserved, set aside or maintained by the city as a public park, or as a refuge or sanctuary for wild animals, birds or fish, without having previously obtained the permission in writing of such other owner or his agent or of the superintendent or custodian of such park, refuge or sanctuary so to do, unless the same is done under the personal direction of such owner, his agent, tenant or lessee, or the superintendent or custodian of such park, refuge or sanctuary.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-8. Selling trees or shrubs removed from property of another.

It shall be unlawful for any person to sell or offer for sale within the city any tree, shrub or vine, or any part thereof which was picked, pulled up, torn up, dug up, cut or broken on the property of another without previously obtaining permission, in writing, from such other person, his agent, tenant or lessee.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-9. Failure to install or maintain landscaping.

It shall be unlawful to neglect or fail to install or maintain landscaping as shown on an approved site plan where the landscaping has been reviewed and approved by the director of neighborhood and leisure services or his designee as part of the site plan review process pursuant to the zoning ordinance.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-10. Disposal or surplus trees or urban forest products.

The director may sell surplus nursery stock produced by the city and wood and other forest products generated through urban forestry and park operations which are not needed by the city. Monies generated from permit fees, donations, gifts and the sale of surplus nursery trees and wood or other forest products, or monies received as full compensation for the appraised value of trees removed by permit, shall be used solely for the purpose of enhancing urban forestry programs and operations.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-11. Payment in lieu of tree, shrub, and other vegetation replacement or mitigation.

In any situation where replacement or mitigation is required, and it is impractical in the opinion of the director to perform replacement or mitigation, the director may accept a payment in lieu of replacement or mitigation. The payment due shall be determined by the director according to controlling arboriculture specifications and standards.
(Ord. No. 41,728, § 1, 2-15-05)

ARTICLE II. TREE ORDINANCE

Sec. 45-12. Purpose and intent.

It is the purpose of this article, to be referred to as the "Norfolk Tree Ordinance," to promote and protect the public health, safety and general welfare by providing for the regulation of the planting, maintenance and removal of trees, shrubs and other vegetation in the city. It is the intent of the city council that the terms of this article shall be construed so as to promote the planting, maintenance, restoration and protection of desirable trees, shrubs and other vegetation within the city, to protect citizens from personal injury and property damage, and to protect public property from property damage caused or threatened by improper planting, maintenance, or removal of trees, shrubs, or vegetation plants located within the city.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-13. Permits; when required.

(a) Residents of Norfolk may apply for a permit to prune and trim city trees located between the curbs and sidewalks. A request for a permit can take place only after a resident has successfully completed a workshop devoted to basic tree trimming techniques led by an I.S.A. certified arborist for the city, and the individual resident receives a certificate of completion in such training. All appropriate tools and required safety equipment must be supplied by the resident(s) and approved by the arborist. The pruning may take place from the ground only, utilizing only nonpowered hand tools. Debris from any pruning session must be removed in accordance with normal Norfolk Division of Waste Management regulations.

(b) Except as otherwise provided in this section, it shall be unlawful for any person except an authorized employee of the bureau of parks and forestry to perform any of the following acts on city-owned property without first obtaining a permit from the director:

(1) Plant, transplant, prune, trim, root prune, spray, fertilize, treat, remove, paint, climb or otherwise damage or disturb any tree, shrub or other vegetation or any part thereof (including live, diseased, declining or dead), or protective and supportive devices.

(2) Place either above or below ground level, a container for trees, shrubs or other vegetation.

(3) Affix or cause to be affixed to any tree, shrub or other vegetation any sign, notice, announcement, banner, rope, cable, nail, tape, wire, or any other object, or to use the same in any connection with any guard or stake protecting or supporting such tree, or permit any electrical wires, cables, poles, cross arms, brackets, insulators, or other wires or fixtures to come into contact with any shade tree or ornamental tree on the streets or other city owned property.

(4) Dig a tunnel, trench, or otherwise excavate within the critical root zone of a tree, except within the paved roadways from curb face to curb face.

(5) Apply and chemical or material of any sort to or within the critical root zone of any tree located on city-owned property, including but not limited to insecticides, herbicides, fungicides, or soil sterilants/or growth regulators that either prevent or hinder the establishment or viability of vegetation or is detrimental to the environment.

(6) Place any material of any sort, including, but not limited to, dirt, soil, rubble, concrete, bricks, wood, dredge spoil, asphalt, creosote timbers, logs, garbage, tires, organic wastes and personal property such as boats, trailers, vehicles on or within the critical root zone of any tree, shrub or other vegetation.

(c) It shall be unlawful for any person to perform any of the following acts within the resource protection area or intensely developed areas in the Chesapeake Bay Preservation Area Overlay District without first obtaining a permit from the director:

(1) Plant, transplant, trim, prune, remove or otherwise disturb any tree, shrub or other vegetation (including live, diseased, declining or dead), or portion thereof.

(2) Damage, cut, tap, caulk, paint, attach any rope, wire, nail, sign or any other manmade object to any tree or shrub.

(3) Dig a tunnel trench or otherwise excavate within the critical root zone of any tree, shrub or other vegetation.

(4) Apply any chemical, including, but not limited to, herbicides and/or growth regulators, that either prevents or hinders the establishment of viability of vegetation or is detrimental to the environment.

(5) Place any material of any sort, including, but not limited to, dirt, soil, rubble, concrete, bricks, wood, dredge spoil, asphalt, creosote timbers, logs, garbage, tires, organic wastes and personal property such as boats, trailers, vehicles on or within the crown-spread or critical root zone of any tree, shrub or other vegetation.

(d) For shoreline erosion control projects, trees and woody vegetation may be removed, necessary control techniques employed, and appropriate vegetation established to protect or stabilize the shoreline in accordance with the best available technical advice as approved by the bureau of environmental services and in accordance with applicable permit conditions or requirements.

(e) When trees, shrubs or other vegetation are removed, destroyed or damaged beyond recovery in violation of this section, the director may require that they be replaced in accordance with controlling arboricultural specifications and standards. Failure to mitigate as directed shall constitute a violation of this chapter.

(f) It shall be unlawful to fail to comply with any terms or conditions of any permit issued pursuant to this section.

(g) Nothing in this section shall be construed to exempt any person from the requirements of obtaining any additional permits as may be required by law.
(Ord. No. 41,728, § 1, 2-15-05; Ord. No. 44,580, § 1, 2-28-12)

Sec. 45-14. Maintenance permit for work on city property.

(a) The director, under special circumstances, may issue a maintenance permit which authorizes residents within a defined area to maintain the shrubs, trees and flowers on city-owned property lying between the paved portion of the street and in areas of the city where sidewalks do not exist and the distance between the paved portion of the street and the property line is larger than is normally found in other areas of the city, and in such other areas as the director shall determine that the issuance of such maintenance permit would be in the best interest of the city in carrying out the purpose and intent of the tree ordinance. The director may impose such conditions and limitations on the permits as would be consistent with the terms and conditions of this article. If residents in the area fail to carry out the maintenance program within the conditions and limitations set forth in the permit, the director of neighborhood and leisure services may revoke the same. The issuance of such permit shall not in any way condone or authorize any property owner to maintain a public nuisance on public or private property, nor does the permit exempt such property owner from the other provisions of this article.

(b) The director may issue an area-wide or city-wide permit in order to correct or eliminate problems or conditions where it is not feasible or practicable to handle in any other way. The director may implement this permit by advertising in a newspaper of general circulation in the city setting forth the problem or condition to be corrected or eliminated, the manner and materials to be used, and other conditions, as he sees fit, to protect the urban forest.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-15. Maintenance permit for work on private property.

The director may issue a maintenance permit for activity in the resource protection area or intensely developed area in the Chesapeake Bay Preservation Area Overlay District when he has determined that the applicant has presented sufficient information to ensure the objectives of the zoning ordinance and the tree ordinance will be faithfully carried out by the applicant. The director shall impose such conditions and limitations as would be consistent with the terms and conditions of the zoning ordinance. If the permittee fails to carry out the maintenance program within

the terms and conditions set forth in the approved management plan, the director shall revoke the same and take such action as is appropriate to remedy or restore the buffer area. The director shall be guided by the following performance standards designed to maintain the functional value of the buffer area and the indigenous vegetation located therein:

(1) Trees in excess of three (3) inches in diameter at breast height (four and one-half (4.5) feet above the ground) shall not be pruned or removed except as necessary to provide minimal sight lines and vistas, and provided that where removed they will be replaced with other vegetation that in the discretion of the director is equally effective in retarding runoff, preventing erosion and filtering nonpoint source pollution from runoff.

(2) Any access path in the buffer area shall be constructed and surfaced so as to effectively control erosion.

(3) A three-tier riparian vegetated buffer comprised of overstory, understory and groundcover plant materials will be established and/or maintained where practical in the discretion of the director. Disturbance to the soil environment and root systems of trees to remain shall be minimized.

(4) When permitted, alterations to the resource protection area or intensely developed area in the Chesapeake Bay Preservation Area Overlay District on city-owned property must be completed and maintained by a Virginia Nurseryman and Landscape Association (VNLA) certified horticulturist, or ISA certified arborist or ISA certified tree worker.

(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-16. Permit exemptions.

(a) Any person performing emergency utility work to restore, but not increase beyond the original capacity of underground transmission or distribution systems or utility services to existing residential, commercial or governmental facilities, and within the same trench as existing utilities, shall be exempt from obtaining a permit, provided that all applicable controlling arboricultural specifications and standards are followed and that the city forester is notified as soon as practical should excavation necessitate cutting roots in excess of three (3) inches in diameter.

(b) Any person performing emergency work to restore but not to relocate or increase the capacity of overhead transmission or distribution systems or overhead utilities services to residential, commercial, or governmental facilities and which necessitates the cutting of limbs or branches up to four (4) inches in diameter, as measured outside the branch collar, shall be exempt from obtaining a permit, provided that all applicable controlling arboricultural specifications and standards are followed and the city forester is notified as soon as practical following the completion of such work.

(c) A resident of the city shall not be required to obtain a permit for pruning sucker growth less than one inch in diameter which originates from the base of crape myrtle trees growing in that portion of the public right-of-way between the curb and sidewalk and directly adjacent to property owned or substantially controlled by said resident, or from watering without a permit any tree, plant or shrub located in the right-of-way.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-17. Review of application for permit.

(a) The director, within ten (10) working days of the receipt of an application for a permit, shall issue a permit to perform any of the specified acts for which a permit may be required pursuant to this chapter as long as the following conditions are met:

(1) When such acts would result in abatement of a public nuisance;

(2) When such acts consistent with the development and implementation of the street tree management plan or with any regulations and controlling arboricultural specifications and standards or with the purpose and expressed intent of this chapter;

(3) When an application has been signed by the applicant and submitted to the bureau of parks and forestry detailing the location, number, size and species of trees, shrubs and other vegetation would be affected by such acts, setting forth the purpose of such acts and the methods to be used along with any additional information the city forester may find reasonably necessary;

(4) When the applicant agrees to perform the work for which the permit is sought in accordance with the provisions of this article, the street tree management plan and controlling arboricultural specifications and standards; and

(5) When the applicant certifies that he has read and understands the provisions of this article, the terms and conditions of the permit, controlling arboricultural specifications and standards, city tree protection notes and details, and street tree planting and location standards, or other applicable standards which are pertinent to the work for which the permit is sought; or

(b) The director may place certain conditions, limitations or other applicable standards and guidelines in the permit which he deems to be necessary to carry out the purpose and expressed intent of this article.

(c) The director may require the applicant to post a bond or provide a letter of credit in an amount and with surety and with conditions satisfactory to him securing compliance with the conditions and limitations set forth in the permit.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-18. Appeal of denial of a permit.

Any person aggrieved by the actions or orders of the director respecting issuance of a permit shall within ten (10) days from such action or order have an appeal to the city manager or to a person designated by the city manager to hear such appeals. The decision of the city manager or his designee shall be the final administrative remedy under this article.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-19. Revocation of permit.

The director may revoke any permit issued under this chapter if the work for which a permit is issued is not completed in full compliance of stated conditions and limitations or if the work is completed in an unsafe manner, or in violation of any provision of this chapter, the Virginia State Code [Code of Virginia] and guidance promulgated thereto, an order of the board of zoning appeals, or any other applicable permit. The director may also take action as is appropriate to remedy or restore to a safe condition any tree, shrub or other vegetation for which a permit has been revoked or suspended at the applicant's expense.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-20. Safeguards during construction work.

For the purposes of safeguarding trees on city-owned property and in the resource protection area and intensely developed area in the Chesapeake Bay Preservation Overlay District in zoning ordinance) (sic) during construction, including pruning, overhead or underground utility, installations and excavations, within the critical root zone, the following conditions shall apply to all trees other than those for which a permit has been issued authorizing removal:

(1) Prior to the commencement of construction, all trees, shrubs and other vegetation on the building site or within the project area shall be inventoried by the applicant or contractor as to species, diameter at breast height (four and one-half (4.5) feet above ground) expressed in inches crown-spread expressed in feet, and location on the lot, and the inventory shall be clearly and accurately shown to scale on a map, drawing, or plat of known scale, and shall be submitted to the bureau of parks and forestry.

(2) Damage to any trees, shrubs and other vegetation during construction shall be immediately reported by the person causing the damage, or the owner, to the city forester, and the applicant shall treat the tree for damage in the manner specified by the director.

(3) Excavations within the critical root zone of any tree, except within the paved roadways and for all emergency repairs to existing underground utilities, shall be done only after consultation with the director and then only to the extent authorized in the permit and in accordance

with all controlling arboricultural specifications and standards and city tree protection notes and details.

(4) Unless otherwise allowed by the director, approved protective fencing shall be installed at the crown-spread or critical zone of all trees, shrubs and other vegetation located within the work zone prior to the commencement of any construction activity including mobilization, except for construction activities which limit disturbance to within the paved roadways (from face of curb to face of curb) and for emergency restoration of existing underground utility service, in order to prevent unnecessary damage to the trunk, crown, root system or soil environment.

(5) Whenever excavations, approved through a permit issued by the director, are made within the critical root zone of trees, shrubs and other vegetation appropriate measures as specifically described or referenced in the permit or City of Norfolk tree protection notes and details, shall be taken to protect the root system (roots and rooting environment) from any damage or loss, desiccation, and soil compaction.

(6) Except on improved paved roadways (from face of curb to face of curb), no material of any sort, including, but not limited to, soil, dirt, rock, stone, rubble, bricks, concrete, concrete rinse, mortar mix, asphalt, steel, wood, construction supplies, dredge spoil, fill material, organic wastes, herbicides, oil, gasoline, diesel fuel, chemicals, paint, paint thinners, waste water, construction effluents, or other materials detrimental to trees, shrubs and other vegetation or soil environment, shall be placed within the crown-spread or critical root zone of any tree, shrubs and other vegetation or uphill from such where said substance might reach the roots through a leaching process without a tree permit specifically approving same.

(7) Except on paved roadways and for emergency restoration of existing utility service to original capacity, and for construction projects where a permit has been issued by the director authorizing the use of equipment fundamental to the proposed construction activity within the critical root zone, no vehicles or heavy equipment shall be permitted within the critical root zone of any trees, shrubs and other vegetation.

(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-21. Stop work order.

The director may order the cessation of any work to any tree, shrub or other vegetation located on private property or public property when such work is completed in an unsafe manner which is deemed threatening to any property owned or controlled by the city, or the health, safety or welfare of the general public, or when such acts constitute a violation of this chapter. The director may further direct whatever action is reasonably necessary to protect the public safety, including, but not limited to, establishment of worker qualifications and work standards and specifications, hold harmless indemnification, and a liability insurance policy in the amount established by the director which names the city as an additional insured.

(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-22. Public nuisance.

(a) Any tree, shrub or other vegetation or a portion thereof, whether located on city-owned property or on private property, which by reason of its location or condition constitutes an imminent danger to the public health, safety or welfare of the general public shall constitute a public nuisance.

(b) Any tree, shrub or other vegetation or a portion thereof, whether located on city-owned property or on private property, which dangerously obstructs free passage of pedestrian or vehicular traffic shall constitute a public nuisance.

(c) Any tree, shrub or other vegetation or a portion thereof, whether located on city-owned property or on private property, which dangerously obstructs the view in the "visibility triangle"

as defined in the city street tree planting and location standards shall constitute a public nuisance.

(d) Any tree, shrub or other vegetation growing on private property, when infested by any insect or infected by any disease, which by reason of such infestation or infection endangers the life or growth or healthful existence of other trees, shrubs or other vegetation within the city not so infested or infected shall constitute a public nuisance.

(e) Any tree, shrub, or other vegetation growing on private or public property, which by reason of its invasive or aggressive growth habit encroaches upon or threatens any rights-of-way, park, or other city-owned property shall constitute a public nuisance.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-23. Eradication of public nuisance; public or private property.

(a) Any public nuisance as specified in this article which is located on city-owned property shall be pruned, removed, or otherwise treated by the director in whatever fashion is required to cause the abatement of the nuisance within a reasonable time after its discovery.

(b) Any public nuisance as specified in this article which is located on private property shall be pruned, removed, or otherwise treated by the property owner or his agent in whatever fashion is required to abate the nuisance.

(c) In the event that a confirmed infestation or infection, as described in section 45-22, shall occur, the director, at the convenience of the city and when authorized by the city manager, may cause such abatement measures as he shall deem appropriate to be accomplished at public expense.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-24. Notice.

In the event of a public nuisance existing on private property, the director shall cause a written notice to be personally served, posted on the property, or sent by regular mail to the person to whom was sent the tax bill for the real estate taxes for the last preceding quarter. Such notice shall describe the kind of tree, shrub or other vegetation which has been declared to be a public nuisance, its location on the property, the reason for the declaration of a nuisance and shall state the actions that the property owner may undertake to abate the nuisance and the time limit for the abatement. Failure to abate in the time specified shall constitute a violation of this chapter.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-25. Abatement by city.

If such nuisance remains on any land or premises after the expiration of the time specified in the notice given under this section, the director may cause the same to be abated or removed therefrom at the expense of such person, or of the occupant or owner of such land or premises, as the case may be. In addition, an administrative fee, as prescribed by the Code of Virginia and as approved by the city manager, shall be assessed in each case. If the land is unoccupied and the owner is not a resident of the city, notice of abatement by the city shall be given by mailing or delivering a letter to the last known address of the owner no less than five (5) days before the abatement by the city. If the abatement is done at the expense of the owner, the expense of abatement or removal and the administrative fee shall be a lien upon such land or premises and shall be reported to the city treasurer, who shall collect the same in the manner in which city taxes levied upon real estate are authorized to be collected. Such expenses shall be docketed in a book kept for that purpose in the office of the city treasurer and indexed in the name of the person owning such premises or land at the time such lien accrued.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-26. Reserved.

ARTICLE III. TREE COMMISSION

Sec. 45-27. Tree commission—Created.

Pursuant to section 141 of the City Charter, there is hereby created the "Norfolk Tree Com-

mission," which may be designated as "tree commission," and which shall act in an advisory capacity to the director.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-28. Same—Membership.

The tree commission shall be composed of nine (9) commissioners appointed by the council. The members of the commission shall serve without compensation and shall reside within the city. Of the commissioners initially appointed to the tree commission, three (3) shall serve for a term of one year, three (3) shall serve for a term of two (2) years, and three (3) shall serve for a term of three (3) years. Thereafter, each member appointed shall serve for a term of three (3) years with maximum service not to exceed four (4) consecutive full three-year terms. The council shall designate the individuals serving for the particular terms of the initial appointments and shall designate the chairman and initial chairman of the tree commission. The city forester shall serve in an ex-officio, nonvoting capacity and as a staff representative of the department of recreation, parks and open spaces.

The membership shall be selected to include persons from the business community and citizens at-large and persons having particular interests or associations with arboriculture, tree care, and/or landscape architecture.
(Ord. No. 41,728, § 1, 2-15-05; Ord. No. 44,060, § 2, 12-7-10)

Sec. 45-29. Same—Vacancy.

Within thirty (30) days following the expiration of the term of any appointed commissioner, who shall serve until his successor has been appointed and qualified, his successor shall be appointed by the council and the successor shall serve for the term of three (3) years. Should any commissioner resign or be removed from the tree commission, or a vacancy otherwise occur, a successor shall be appointed by the council to serve the unexpired term.
(Ord. No. 41,728, § 1, 2-15-05)

Sec. 45-30. Duties of tree commission.

The tree commission shall perform the following duties:

(1) Within a reasonable time after its appointment, the tree commission shall meet and adopt rules of procedure for regular and special meetings to fulfill the duties imposed upon it by this article.

(2) It shall advise the director on any matter pertaining to the tree ordinance and its enforcement.

(3) The topics upon which this advice may be given shall include, but are not limited to, any of the following:

(a) Amendments to the Norfolk Tree Ordinance, or revisions to the street tree management plan;

(b) Policies concerning selection, planting, maintenance, removal of trees and other vegetation within the city;

(c) Establishment of educational, environmental and information programs;

(d) Establishment and administration of volunteer programs; and

(e) Recommend to the council any legislation, plans, policies and programs complementary to the intent and purpose of the city's municipal tree policy;

(f) Assist with public relations and education programs to increase public understanding of urban forestry issues, including programs developed by the department of recreation, parks, open spaces;

(g) Work with interested private organizations to raise money for projects involving city-owned trees and programs developed by the department recreation, parks, open spaces;

(h) Prepare and submit an annual report to the council and make presentations on an annual basis and as requested by the council;

(i) The tree commission is responsible for implementation of the Celebrate Trees program.

(Ord. No. 41,728, § 1, 2-15-05; Ord. No. 44,060, §§ 1, 3, 12-7-10)

FAIR HOUSING*

§ 45.1-1.	Definitions.
§ 45.1-2.	Unlawful discriminatory housing practices—Unlawful practices by persons selling, leasing, etc., dwellings.
§ 45.1-3.	Same—Attempting to induce or discourage transfer of property; soliciting listing of dwellings for sale or lease.
§ 45.1-4.	Exemptions.
§ 45.1-5.	Interference with enjoyment of rights under this chapter.
§ 45.1-6.	Powers of department of city planning and codes administration; *action by private person for injunction and liquidated damages.*
§ 45.1-7.	Civil action.
§ 45.1-8.	Burden of proof and actions under this chapter.

*__Editor's note__—Ord. No. 39,590, § 8, adopted May 18, 1999, amended the Code by renumbering the provisions formerly set out as Ch. 15.1, §§ 15.1-1—15.1-8, as Ch. 45.1, §§ 45.1-1—45.1-8.

__State law references__—Virginia Fair Housing Law, Code of Virginia, § 36-86 et seq.; authority of city as to fair housing, § 36-96.

Sec. 45.1-1. Definitions.

For purposes of this chapter, unless the context clearly means otherwise:

(1) *Dwelling* means any building, structure, or portion thereof which is occupied as, or designed or intended for occupancy as a residence by one or more families, any vacant land which is offered for sale or lease for the construction or location thereon of any such building, structure, or portion thereof. Nothing in this chapter shall apply to any:

a. Single-family house sold or rented by an owner; provided, that such private individual owner does not own more than three (3) such single-family houses at any one time; provided further, that in the case of the sale of any such single. family house by a private individual owner not residing in such house at the time of such sale or who was not the most recent resident of such house prior to such sale, the exemption granted shall apply only with respect to one such sale, within any twenty-four-month period; provided further, that such bona fide private individual owner does not own any interest in, nor is there owned or reserved on his behalf, under any express or voluntary agreement, title to or any right to all or a portion of the proceeds from the sale or rental of, more than three (3) such single-family houses at any one time. Provided further, that the sale or rental of any such single-family house shall be excepted from the application of this chapter only if such house is sold or rented:

1. Without the use in any manner of the sales or rental facilities or the sales or rental services of any real estate broker, agent, or salesman, or of such facilities or services of any person in the business of selling or renting dwellings, or of any employee or agent of any such broker, agent, salesman or person and

2. Without the publication, posting or mailing, after notice, of any advertisement or written notice in violation of this chapter; but nothing in this proviso shall prohibit the use of attorneys, escrow agents, abstractors, title companies and other such professional assistance as necessary to perfect or transfer the title; or

b. Rooms or units in dwellings containing living quarters occupied or intended to be occupied by no more than four (4) families living independently of each other, if the owner actually maintains and occupies one of such living quarters as his residence.

(2) *Family* includes a single individual, whether male or female.

(3) *Person* includes one or more individuals, whether male or female, corporations, partnerships, associations, labor organizations, legal representatives, mutual companies, joint-stock companies, trusts, unincorporated organizations, trustees, trustees in bankruptcy, receivers or fiduciaries.

(4) *To rent* includes to lease, to sublease, to let or otherwise to grant for a consideration the right to occupy premises not owned by the occupant.

(5) *Restrictive covenants* shall mean any specification limiting the transfer, rental, or lease of any dwelling because of race, color, religion, national origin or sex.

(6) *Parenthood* refers to a natural, adoptive, or foster parent or other person who has physical or legal custody of a child or stands in loco parentis to a child.

(7) *Handicap* means any condition or characteristics that renders a person physically handicapped as defined herein.

(8) *Handicapped person* means any person with a physical condition resulting in a mobility, visual, hearing or other physical impairment but does not include any person who is an alcoholic or drug abuser whose current use of alcohol or drugs would constitute a direct threat to property or the safety of others.

(9) *Source of funds* means any source that lawfully provides funds to or on behalf of a renter or buyer of housing, including any assistance, benefit, or subsidy program, whether such program is administered by a governmental or nongovernmental entity.

(Ord. No. 33,138, § 1, 10-16-84; Ord. No. 39,590, § 8, 5-18-99; Ord. No. 48,636, § 1, 1-25-22)

State law reference—Similar provisions, Code of Virginia, § 36-87.

Sec. 45.1-2. Unlawful discriminatory housing practices—Unlawful practices by persons selling, leasing, etc., dwellings.

It shall be an unlawful discriminatory housing practice, because of race, color, religion, national origin, sex, elderliness, parenthood, handicap, or source of funds for any person having the right to sell, rent, lease, control, construct, or manage any dwelling constructed or to be constructed, or any agent or employee of such person:

(1) To refuse to sell or rent after the making of a bona fide offer, or to refuse to negotiate for the sale or rental of, or otherwise make unavailable, or deny, a dwelling.

(2) To discriminate against any person in the terms, conditions, or privileges of sale or rental of a dwelling, or in the provision of services or facilities in connection therewith.

(3) To make, print or publish, or cause to be made, printed, or published any notice, statement or advertisement, with respect to the sale or rental of a dwelling that indicates any preference, limitation or discrimination, or an intention to make any such preference, limitation or discrimination.

(4) To represent to any person, for reasons of discrimination, that any dwelling is not available for inspection, sale or rental when such dwelling is in fact so available.

(5) To deny any person access or membership or participation in any multiple listing service, real estate broker's organization or other service, organization or facility relating to the business of selling or renting dwellings, or to discriminate against him in the terms or conditions of such access, membership, or participation.

(6) To include in any transfer, sale, rental or lease of housing any restrictive covenant that discriminates; or for any person to honor or exercise, or attempt to honor or exercise any discriminatory covenant pertaining to housing.

Notwithstanding the foregoing provisions, it shall not be an unlawful discriminatory housing practice to operate an all-adult or all-elderly housing community.

(Ord. No. 33,138, § 1, 10-16-84; Ord. No. 39,590, § 8, 5-18-99; Ord. No. 48,636, § 2, 1-25-22)

State law reference—Similar provisions, Code of Virginia, § 36-88.

Sec. 45.1-3. Same—Attempting to induce or discourage transfer of property; soliciting listing of dwellings for sale or lease.

It shall further be an unlawful discriminatory housing practice:

(1) For any person, firm, corporation or association, acting for monetary gain, knowingly to induce or attempt to induce another person to transfer an interest in real property, or to discourage another person from purchasing real property, by representations regarding the existing or potential proximity of real property owned,

used, or occupied by persons of any particular race, color, religion, national origin or sex.

(2) For any person, firm, corporation or association to solicit or attempt to solicit the listing of dwellings for sale or lease, by door-to-door solicitation, in person or by telephone, or by mass distribution of circulars, for the purpose of changing the racial composition of the neighborhood.

(Ord. No. 33,138, § 1, 10-16-84; Ord. No. 39,590, § 8, 5-18-99)

State law reference—Similar provisions, Code of Virginia, § 36-89.

Sec. 45.1-4. Exemptions.

Nothing in this chapter shall prohibit a religious organization, association or society, or any nonprofit institution or organization operated, supervised, or controlled by or in conjunction with a religious organization, association, or society, from limiting the sale, rental, or occupancy of dwellings which it owns or operates for other than a commercial purpose to persons of the same religion, or from giving preferences to such persons, unless membership in such religion is restricted on account of race, color, national origin or sex. Nor shall anything in this chapter apply to a private membership club which is a bona fide club and which is exempt from taxation under section 501(c) of the Internal Revenue Code of 1954. Nor shall anything in this chapter be construed to prohibit any private, state-owned or state supported educational institution, hospital, nursing home, religious or correctional institution, from requiring that persons of both sexes not occupy any single-family residence, or room or unit in dwellings or other buildings or restrooms in said room or unit in dwellings or other buildings, which it owns or operates.

(Ord. No. 33,138, § 1, 10-16-84; Ord. No. 39,590, § 8, 5-18-99)

State law reference—Similar provisions, Code of Virginia, § 36-92.

Sec. 45.1-5. Interference with enjoyment of rights under this chapter.

It shall be unlawful to coerce, intimidate, threaten or interfere with any person in the exercise or enjoyment of, or on account of his or her having exercised or enjoyed, or on account of his or her having aided or encouraged any other person in the exercise or enjoyment of, any right granted or protected by section 45.1-2 or section 45.1-3 of this Code. This section may be enforced by appropriate civil action.

(Ord. No. 33,138, § 1, 10-16-84; Ord. No. 39,590, § 8, 5-18-99)

State law reference—Similar provisions, Code of Virginia, § 36-93.

Sec. 45.1-6. Powers of department of city planning and codes administration; action by private person for injunction and liquidated damages.

(1) The department of city planning and codes administration shall have the power for the purposes of this chapter to receive complaints, mediate and conduct investigations of any violation of this chapter. A complaint under this subsection shall be filed with the city within one hundred eighty (180) days after the alleged discriminatory housing practice occurred. Complaints may be reasonably and fairly amended at any time.

(2) Any person adversely affected by the use of a discriminatory practice prohibited under this chapter may institute an action for injunctive relief and money damages against the person responsible for such discriminatory practices in the circuit court of the city. If the court finds that the defendant was responsible for such a practice, and that the plaintiff was adversely affected thereby, it shall enjoin the defendant from use of such practice, and in its discretion award the plaintiff actual damages with court costs and reasonable attorney's fees.

(Ord. No. 33,138, § 1, 10-16-84; Ord. No. 35,638, § 2, 7-5-89; Ord. No. 39,590, § 8, 5-18-99)

State law reference—Similar provisions, Code of Virginia, § 36-94.

Sec. 45.1-7. Civil action.

(1) If at any time after a complaint has been filed, the city attorney has reasonable

cause to believe that appropriate civil action to preserve the status quo or to prevent irreparable harm is advisable, he is hereby authorized-to file suit in the circuit court of the city for the purpose of preserving such status quo or preventing such irreparable harm.

(2) If, after investigating a complaint filed under this chapter, the city attorney has reasonable cause to believe that there has been a violation of this chapter, he is authorized to file suit in the circuit court of the city to enjoin such violation.

(Ord. No. 33,138, § 1, 10-16-84; Ord. No. 39,590, § 8, 5-18-99)

Sec. 45.1-8. Burden of proof and actions under this chapter.

In any action brought pursuant to this chapter, the burden shall be on the complainant.

(Ord. No. 33,138, § 1, 10-16-84; Ord. No. 39,590, § 8, 5-18-99)

State law reference—Similar provisions, Code of Virginia, § 36-95.1.

Chapter 45.5

URBAN ENTERPRISE ZONES*

§ 45.5-1. Purpose of chapter.
§ 45.5-2. Application of chapter; definitions.
§ 45.5-2.1. Powers and duties of the authority.
§ 45.5-3. Zone manager.
§ 45.5-4. Urban enterprise zones designated.
§ 45.5-5. Local urban enterprise incentives.

*__Editor's note—__Ord. No. 48,419, § 2, adopted June 22, 2021, amended Ch. 45.5 in its entirety to read as herein set out. Former Ch. 45.5, §§ 45.5-1—45.5-5, pertained to similar subject matter, and derived from Ord. No. 33,760, § 1, adopted Nov. 19, 1985; Ord. No. 38,119, § 1, adopted Sept. 19, 1995; Ord. No. 44,191, §§ 1—3, adopted March 29, 2011; Ord. No. 46,608, § 1, adopted Oct. 25, 2016.

__Cross references—__Building and building regulations, Ch. 11.1; streets and sidewalks, Ch. 42.

Sec. 45.5-1. Purpose of chapter.

It is the purpose of the provisions of this chapter to provide for the designation of areas of the city which qualify as urban enterprise zones; to implement local urban enterprise incentives; and to provide for an urban enterprise zone manager.
(Ord. No. 48,419, § 2, 6-22-21)

Sec. 45.5-2. Application of chapter; definitions.

The provisions of this chapter shall apply to the administration of urban enterprise zone objectives in all areas designated as urban enterprise zones in section 45.5-4, notwithstanding any other provisions of this Code which are contrary.

As used in this chapter, the word "zone" means an urban enterprise zone so designated in section 45.5-4.

As used in this chapter, the term "qualified business firm" means any business firm that has been so designated by the department of development (Economic Development) of the city pursuant to the provisions of Code of Virginia, § 59.1-543, as amended.

As used in this chapter, the term "authority" means the economic development authority so designated in section 45.5-2.1.
(Ord. No. 48,419, § 2, 6-22-21)

Sec. 45.5-2.1. Powers and duties of the authority.

The authority shall be permitted to act in an advisory capacity to the director of the department of development in connection with the establishment, implementation, and administration of an urban enterprise zone program to bring about the economic and social stabilization and rehabilitation of those areas comprising the zone and in connection therewith shall have the following powers and duties:

(1) Recommend guidelines and objectives for the administration of the zone.

(2) Identify and make recommendations on services requested by existing and prospective businesses that indicate a desire to apply for state and local incentives offered by the program where appropriate.

(3) Advise and make recommendations, whether administrative or legislative, on discretionary incentives, real estate dispositions, and other major program actions.

(4) Monitor the urban enterprise zone program and related services to determine the impact on those areas they were designed to benefit.

(5) Provide a forum for the cooperation and coordination between public agencies and the private sector to promote the operational effectiveness of the program.

(Ord. No. 48,419, § 2, 6-22-21)

Sec. 45.5-3. Zone manager.

The urban enterprise zone objectives shall be administered by the city manager or by an urban enterprise zone manager, who shall be an employee of the department of development of the city and designated as such by the city manager. The urban enterprise zone manager is hereby empowered and authorized to prescribe, adopt and enforce such rules and regulations as may be necessary to determine qualification for the reductions provided herein.
(Ord. No. 48,419, § 2, 6-22-21)

Sec. 45.5-4. Urban enterprise zones designated.

(1) *Old Dominion University section.*

Beginning at the intersection of the southern right-of-way (R/W) of 38th Street and the western line of Hampton Boulevard, said point being previously described in the New Enterprise Zone - Park Place Subsection; thence, northerly along said western line, crossing 38th Street; thence, westerly along the northern line of 38th Street to the western line of 3801 Hampton Boulevard; thence, northerly along said western line to the southern R/W of W. 39 Street; thence, westerly along said southern R/W to the western line of 3901 Hampton Boulevard extended southward; thence, northerly along said western line, cross-

ing 39th Street, to the southern R/W of W. 40th Street; thence, westerly along said southern R/W to the western line of 4009 Hampton Boulevard extended southward; thence, northerly along said western line, crossing 40th Street, to the southwest corner of 1227 W. 41st Street; thence, easterly along the southern line of 1227 and 1225 W. 41st Street to the southeast corner of 1225 W. 41st Street; thence, northerly along the eastern line of 1225 W. 41st Street to the southern R/W of 41st Street; thence, easterly along said southern R/W to the eastern R/W of Hampton Boulevard; thence, northerly along said eastern R/W to the southern R/W of 43rd Street; thence, easterly along said southern R/W to a point 25' west of the northwest corner of 1067 43rd Street; thence, southerly along a line 25' west of and parallel to the west line of 1067 43rd Street to the northern R/W of 41st Street; thence, easterly along said northern R/W to the western line of 4111 Monarch Way; thence, northerly along said western line of 4111 and 4211 Monarch Way to the southern R/W of 43rd Street; thence, easterly along the southern R/W to the western R/W of Monarch Way; thence, northerly along said R/W to the northern R/W of 45th Street; thence, westerly along said northern R/W to the western line of 1060 45th Street; thence, northerly along said western line to the southern R/W of 46th Street; thence, easterly along said southern R/W to the western R/W of Monarch Way; thence, northerly along said western R/W to the southern R/W of 47th Street; thence, westerly along said southern R/W to the eastern R/W of Hampton Boulevard; thence, northerly along said eastern R/W to the northern R/W of 50th Street (closed); thence, easterly along said northern line to the eastern line of 4900 Hampton Boulevard extended northward; thence, southerly along said eastern line to the southern R/W of 49th Street; thence, easterly along said R/W to the eastern line of 4820 Hampton Boulevard; thence, southerly along said eastern line to the southeast corner of 4820 Hampton Boulevard; thence, along the southern line of 4820 Hampton Boulevard to the northwest corner of 1070 48th Street; thence, southerly along the western line of 1070 48th Street to the southern R/W of 48th Street; thence, easterly along said southern R/W to the eastern line of 1073 48th Street; thence, southerly along said eastern line to the northern R/W of 47th Street; thence, easterly along said northern to the eastern R/W of Monarch Way extended northward; thence, southerly along said R/W to the northern R/W of 41st Street; thence, westerly along said R/W to the western R/W of Monarch Way; thence, southerly along said western R/W extended to the northern R/W of 39th Street; thence, westerly along said northern R/W to the eastern line of 1069 W. 39th Street extended; thence, southerly along said eastern line to the southern R/W of 38th Street; thence, westerly along said southern line to the point of beginning.

(2) *35th Street section.*

along said southern R/W to the western line of 808 38th Street extended southward; thence, northerly along said western line to the northern R/W of 38th Street; thence, westerly along said northern R/W of 38th Street to the eastern R/W of Killam Avenue; thence, northerly along said eastern R/W to the northwest corner of 4004 Killam Avenue; thence, easterly along the northern line of 4004 Killam Avenue and other lots along W. 40th Street to the southwest corner of 809 W. 41st Street; thence, northerly along the western line of 809 W. 41st Street to the southern R/W of W. 41st Street; thence, easterly along said southern line to the western line of 4107 Colley Avenue extended southward; thence, northerly along said western line to the southern line of W. 42nd Street; thence, westerly to the eastern line of 812 W. 42nd Street extended southward; thence, northerly along said eastern line to the southern line of 813 43rd Street; thence, westerly along said southern line to the southwest corner of 815 43rd Street; thence, northerly along the western line of 815 43rd Street to the southern R/W of 43rd Street; thence, easterly along said southern R/W to the western line of 4301 Colley Avenue extended southward; thence, northerly along said western line to the southern line of 4311 Colley Avenue; thence, westerly along the southern lines of 4311 Colley Avenue to the eastern R/W of Killam Street; thence, northerly and northeastwardly along said eastern R/W to the southern R/W of 46th Street; thence, easterly along said southern R/W to the eastern line of 857 46th Street; thence, southerly along said eastern line of 857 46th Street to the southern line of 849 46th Street; thence, easterly along the southern line of 849 46th Street and other lots on 46th Street to the eastern line of 811 46th Street; thence, northerly along said eastern line to the northern R/W of 46th Street; thence, westerly along said northern R/W of 46th Street to the western line of 812 46th Street; thence, northerly along said western line to the northern R/W of 47th Street; thence, easterly along said northern R/W to the eastern line of 810 47th Street; thence, northerly along said eastern line, crossing 48th Street to the southern line of 4815 Colley Avenue; thence, westerly along said southern lines of lots on 49th Street to the western line of 811 49th Street; thence, northerly along said western line to the northern R/W of 49th Street; thence, easterly along said northern R/W to the western line of 4901 Colley Avenue; thence, northerly along said western line extended, crossing 50th Street, 51st Street and 52nd Street to the northern R/W of 52nd Street; thence, westerly along said R/W to the western line of 812 52nd Street; thence, northerly along said western line to the north line of 816 52nd Street; thence, westerly along said northern line extended to the western R/W of Waterview Avenue (closed); thence, northeastwardly along said western R/W and the northern R/W of 53rd Street (closed) to the western R/W of Colley Avenue; thence, southerly along said western R/W to a point opposite the northern line of 5200 Colley Avenue extended westward; thence, crossing Colley Avenue along said northern line to the northeast corner of 5200 Colley Avenue; thence, southerly along the eastern line of 5200 Colley to the southern R/W of 52nd Street; thence, easterly along said southern R/W to the eastern line of 5104 Colley Avenue; thence, southerly, easterly and southerly along said eastern line to the southern R/W of 51st Street; thence, westerly along said southern R/W to the eastern line of 5008 Colley Avenue; thence, southerly along said eastern line extended southerly to the northern R/W of 48th Street; thence, westerly along said northern R/W to the eastern R/W of Colley Avenue; thence, southerly along said eastern R/W to the northern R/W of 47th Street; thence, easterly along said northern R/W to the western shoreline of Knitting Mill Creek; thence, generally southerly, along the varying directions of the western and southern shoreline of Knitting Mill Creek to the intersection of the western R/W of Mayflower Road and the northern R/W line of W. 42nd Street; thence, southerly along said western R/W of Mayflower Road, crossing W. 42nd Street, to the southern line of W. 42nd Street; thence, westerly along said southern R/W to the eastern line of 707 W. 42nd Street; thence, southerly and westerly along the eastern and southern lines of 707 W. 42nd Street to the northeast corner of 4106 Colley Avenue; thence, southerly along the eastern line of 4106 Colley Avenue extended to the southern R/W of W. 41st Street; thence, easterly along said R/W to the western R/W of Mayflower Road; thence, southwestwardly along

said western R/W, crossing W. 40th Street to the southern R/W of Michigan Avenue; thence, easterly along the said southern R/W of Michigan Avenue to the eastern line of 737 Michigan Avenue; thence, southeastwardly and southwestwardly along the eastern and southern lines of 737 Michigan Avenue to the northeast corner of 3800 Colley Avenue; thence, southeastwardly along the eastern line of 3800 Colley Avenue to the southern R/W of 38th Street; thence, southwestwardly along said southern R/W to the eastern line of 739 38th Street; thence, southeastwardly along said eastern line and the eastern lines of 3710 and 3706 Colley to the southern R/W of 37th Street; thence, southwestwardly along said southern R/W to the eastern line of 3614 Colley Avenue; thence, southeastwardly along the eastern lines of 3614, 3612, 3608, 3604 and 3600 to the southern R/W of 36th Street; thence, westerly to the eastern line of 3518 Colley Avenue; thence, southeastwardly along the eastern lines of 3518, 3514 and 3510 Colley Avenue to the northern line of 3500 Colley Avenue; thence, northeastwardly along the northern line of 3500 Colley Avenue extended to the northeast corner of 738 35th Street; thence, southeastwardly along the eastern line of 738 35th Street to the northern R/W of 35th Street; thence, northeastwardly along said northern R/W to the eastern R/W of Gosnold Avenue; thence, northwestwardly along said eastern R/W to the northwest corner of 644 35th Street; thence, northeastwardly along the northern line of 644 35th Street and other lots on 35th Street to the eastern R/W of Newport Avenue; thence, northwestwardly along said eastern R/W to the southern R/W of 36th Street; thence, northeastwardly along said southern R/W to the north east corner of 539 36th Street; thence, southeastwardly along the eastern lines of 539 36th Street and 3508 Newport to the northern line of 534 35th Street; thence, northeastwardly along the northern line of 534 35th Street and other lots on 35th Street to the eastern R/W of Colonial Avenue; thence, northwestwardly along said eastern R/W to the southern R/W of 36th Street; thence, northeastwardly along said southern R/W to the eastern line of 435 36th Street; thence, southeastwardly along the eastern line of 435 36th Street and 436 35th Street to the southern R/W of 35th Street; thence, northeastwardly along said southern R/W to the eastern line of 425 35th Street; thence, southeastwardly along said eastern line to the southern line of 425 35th Street; thence, southwestwardly along said southern line of 425 35th Street and other lots on 35th Street to the western R/W line of Colonial Avenue; thence, northwestwardly along said western R/W to the southern R/W of 35th Street; thence, southwestwardly along said southern R/W to the eastern line of 513 35th Street; thence, southeastwardly along said eastern line to the southern line of 513 35th Street; thence, southwestwardly along the southern line of 513 35th Street and other lots on 35th Street, crossing Newport Avenue to the eastern R/W line of Gosnold Avenue; thence, northwestwardly along said eastern R/W of Gosnold Avenue to the southern R/W of 35th Street; thence, southwestwardly along said southern R/W of 35th Street to the northeastern corner of 3400 Colley Avenue; thence, southeastwardly along the eastern line of 3400 Colley Avenue extended southwardly to the southern R/W of 34th Street; thence, southwestwardly along said southern R/W to the eastern R/W of Colley Avenue; thence, southerly along said eastern R/W to the southern R/W of W. 31st Street, being the Point of beginning.

(3) *Park Place section.*

Beginning at the intersection of the northern right-of-way (R/W) of W. 23rd Street and the centerline (CL) of Llewellyn Avenue, said point being previously described in the Midtown Industrial New Enterprise Zone Subsection description; thence, northwestwardly along said northern R/W of W. 23rd Street, across DeBree Avenue, to the western R/W of Colonial Avenue; thence, southwestwardly along said western R/W of Colonial Avenue, across W. 23rd Street, to the northern R/W of W. 22nd Street; thence, northwestwardly along said northern R/W of W. 22nd Street to the western line of 2201 Colonial Avenue; thence, northeastwardly along said western line of 2201 Colonial Avenue, across W. 23rd Street, to the northern R/W of W. 23rd Street; thence, northwestwardly along said northern R/W of W. 23rd Street, across Newport Avenue and Gosnold Avenue to the CL of Colley Avenue; thence, southwardly along said CL of Colley avenue to the southern R/W of W. 22nd

Street; thence, northwestwardly along said southern R/W of W. 22nd Street to the northwest corner of 816 W. 21st Street; thence, southwestwardly along the western line of 816 W. 21st Street to the southwest corner of 816 W. 21st Street; thence, northwestwardly along the northern R/W of W. 21st Street to its intersection with the northerly prolongation of the western R/W of Core Avenue; thence, southwestwardly along said prolongation and western R/W of Core Avenue to the southeast corner of 901 W. 21st Street; thence, westwardly along the arc of a curve to the left, said arc being the southern line of 901 W. 21st Street and its westerly prolongation thereof to the southeast corner of 951 Woodrow Avenue; thence, northwardly along the eastern line of 951 Woodrow Avenue, across Woodrow Avenue, to the northern R/W of Woodrow Avenue; thence, westwardly along said northern R/W to the southwest corner of 950 Woodrow Avenue; thence, northwardly along the western line of 950 Woodrow Avenue to the northwest corner of 950 Woodrow Avenue; thence, eastwardly along said northern line of 950 Woodrow Avenue to the southwest corner of 939 W. 21st Street; thence, northwardly along the western line of 939 W. 21st Street and its northerly prolongation thereof to the northern R/W of Azalea Court; thence, southwestwardly along said northern R/W of Azalea Court to the eastern R/W of Hampton Boulevard; thence, northwestwardly along said eastern R/W of Hampton Boulevard to the southern R/W of W. 21st Street; thence, southeastwardly along said southern R/W of W. 21st Street to the northern R/W of Azalea Court; thence, northwardly, across W. 21st Street, to the southwest corner of 954 W. 21st Street; thence, northeastwardly along the western line of 954 W. 21st Street and its northeasterly prolongation thereof, across the R/W of Norfolk and Southern Railroad, to the northern R/W of W. 23rd Street; thence, northwestwardly along said northern R/W of W. 23rd Street to the eastern R/W of Hampton Boulevard; thence, northwestwardly along said eastern R/W of Hampton Boulevard and its northwesterly prolongation thereof to the northern R/W of W. 24th Street; thence, northwestwardly along said northern R/W of W. 24th Street, across Hampton Boulevard, to the western R/W of Hampton Boulevard; thence, southeastwardly along said western R/W of Hampton Boulevard to the southeast corner of 2309 Hampton Boulevard; thence, northwestwardly along the northern R/W of W. 23rd Street the western terminus of W.23rd Street; thence, southwestwardly along the western terminus of W. 23rd Street R/W to the northern R/W of Norfolk and Southern Railroad; thence, northwestwardly along said northern R/W of Norfolk and Southern Railroad to the eastern R/W of Bowdens Ferry Road; thence, northeastwardly along said eastern R/W of Bowdens Ferry Road to a point opposite the southern R/W of W. 24th Street; thence, northwestwardly, across Bowdens Ferry Road, along said southern R/W of W. 24th Street to its terminus; thence, northeastwardly along said terminus of W. 24th Street to the southeast corner of 1301 W. 25th Street; thence, northwardly along the eastern line of 1301 W. 25th Street to the northeast corner of 1301 W. 25th Street; thence, eastwardly along the southern R/W of W. 25th Street to the western R/W of Bowdens Ferry Road; thence, northeastwardly along said western R/W of Bowdens Ferry Road to the southern R/W of W. 26th Street; thence, eastwardly, across Bowdens Ferry Road, to the northeast corner of W. 26th Street and Bowdens Ferry Road; thence, southeastwardly along the northern R/W of W. 26th Street to the western line of 1204 W. 26th Street; thence, northeastwardly along said western line extended, across W. 27th Street, to the northern R/W of W. 27th Street; thence northwestwardly along said northern R/W of W. 27th Street to the southwest corner of 2701 Hampton Boulevard; thence northeastwardly along the western lines of 2701 Hampton Boulevard to the northwest corner of 2701 Hampton Boulevard; thence, northeastwardly, across 35th Street, to the northern R/W of 35th Street; thence, northwestwardly along said northern R/W of 35th Street to the eastern R/W of Bowdens Ferry Road; thence, northwestwardly along said eastern R/W of Bowdens Ferry Road to the southern R/W of 38th Street; thence, eastwardly along said southern R/W of 38th Street to the western R/W of Hampton Boulevard; thence, across Hampton Boulevard, to the northeast corner of 1041 38th Street; thence, southwardly along the eastern line of 1041 38th Street to the southwest corner of 1036

37th Street; thence, westwardly along the northern R/W of 37th Street to a point opposite the northeast corner of 1090 35th Street; thence, southwardly, across 35th Street, to the northeast corner of 1090 35th Street; thence, southwardly along said eastern line of 1090 35th Street and its southerly prolongation thereof, across 35th Street, to the northern R/W of Lamberts Point Road; thence, southeastwardly along said northern R/W of Lamberts Point Road to the southern line of 1037 35th Street; thence, eastwardly along said southern line of 1037 35th Street and its easterly prolongation thereof to the western R/W of Killam Avenue; thence, southwardly along said western R/W of Killam Avenue, across 34th Street, Lamberts Point Road, W. 31st Street, W. 27th Street and W. 26th Street, to the southern R/W of W. 26th Street; thence, southeastwardly along said southern R/W of W. 26th Street, across Killam Avenue, to the northeast corner of 915 W. 26th Street; thence, southwestwardly along the eastern line of 915 W. 26th Street and its southwesterly prolongation thereof to the northern R/W of W. 25th Street; thence, southeastwardly along said northern R/W of W. 25th Street to the western R/W of Morton Avenue; thence, northeastwardly along said western R/W of Morton Avenue to the southern R/W of W. 26th Street; thence, southeastwardly along said southern R/W of W. 26th Street, across Morton Avenue, to the northwest corner of 815 W. 26th Street; thence, northeastwardly, across W. 26th Street, to the southwest corner of 2601 Colley Avenue; thence, northeastwardly along the western line of 2601 Colley Avenue to the northwest corner of 2601 Colley Avenue; thence, northwardly, across W. 27th Street, to the southwest corner of 2713 Colley Avenue; thence, northwardly along the western lines of 2713 Colley Avenue to the northwest corner of 2713 Colley Avenue; thence, southeastwardly along the southern R/W of W. 28th Street to the intersection of the southern R/W of W. 28th Street and the western R/W of Colley Avenue; thence, northwardly along said western R/W of Colley Avenue to the southern R/W of W. 31st Street; thence, eastwardly along the southern R/W of W. 31st Street to the northwest corner of 733 W. 31st Street; thence, southwestwardly along the western line of 733 W. 31st Street to the southwest corner of 733 W. 31st Street; thence, northwestwardly along the northern line of 744 W. 28th Street to the northwest corner of 744 W. 28th Street; thence, southwestwardly along the western line of 744 W. 28th Street and its southwesterly prolongation thereof, across W. 28th Street, to the southern R/W of W. 28th Street; thence, southeastwardly along said southern R/W of W. 28th Street to the northeast corner of 2722 Colley Avenue; thence, southwestwardly along the eastern line of 2722 Colley Avenue to the northern line of 2710 Colley Avenue; thence, southeastwardly along said northern line of 2710 Colley Avenue to the northeast corner of 2710 Colley Avenue; thence, southwestwardly along the eastern line of 2710 Colley Avenue to the northern R/W of W. 27th Street; thence, southwardly, across W. 27th Street, to the northeast corner of 2618 Colley Avenue; thence, southwestwardly along the eastern lines of 2618 Colley Avenue to the southeast corner of 2618 Colley Avenue; thence, southeastwardly, across W. 26th Street, to the northeast corner of 2506 Colley Avenue; thence, southwestwardly along the eastern line of 2506 Colley Avenue to the southwest corner of 723 W. 26th Street; thence, southeastwardly along the southern line of 723 W. 26th Street and its southeasterly prolongation thereof, across Gosnold Avenue and Newport Avenue, to the southwest corner of 2511 Colonial Avenue; thence, northeastwardly along the western line of 2511 Colonial Avenue to the northwest corner of 2511 Colonial Avenue; thence, southeastwardly along the southern R/W of W. 26th Street to the western R/W of Colonial Avenue; thence, southwestwardly along said western R/W of Colonial Avenue to the southeastern corner of 2511 Colonial Avenue; thence southeastwardly, across Colonial Avenue, to the southwest corner of 2512 Colonial Avenue; thence, along the southern line of 2512 Colonial Avenue and its southeasterly prolongation thereof, across DeBree Avenue, to the CL of Llewellyn Avenue; thence, southwestwardly along said CL of Llewellyn Avenue to the point of beginning.

(4) *Midtown Industrial section.*

Beginning at the intersection of the eastern right-of-way (R/W) of Granby Street and the northern R/W of E. Virginia Beach Boulevard,

said point being previously described in the New Enterprise Zone - North Brambleton Subsection description; thence, northwardly along said eastern R/W of Granby Street, across E. 9th Street, 11th Street and E. Princess Anne Road to the southern R/W of 13th Street; thence, southeastwardly along said southern R/W of 13th Street across Monticello Avenue to the southeast corner of 13th Street and Monticello Avenue; thence, northeastwardly along said eastern R/W of Monticello Avenue, across 14th Street and 16th Street to the southeast corner of Monticello Avenue and 17th Street; thence, northwestwardly along the southern R/W of 17th Street across Monticello Avenue and Granby Street to the western R/W of Granby Street; thence, northeastwardly along said western R/W of Granby Street, across 17th, 18th, W. 19th, W. 20th, W. 21st, W. 22nd and W. 23rd Streets to the northern R/W of W. 23rd Street; thence, northwestwardly along said northern R/W of W. 23rd Street, across Omohundro Avenue to the centerline (CL) of Llewellyn Avenue; thence, northeastwardly along said CL of Llewellyn Avenue to a point opposite the northern line of 244 W. 25th Street; thence, southeastwardly along the said northern line of 244 W. 25th Street and its southeastwardly prolongation thereof, across Omohundro Avenue to the southeast corner of 109 W. 26th Street; thence, northeastwardly along the eastern line of 109 W. 26th Street to the southern R/W of W. 26th Street; thence, southeastwardly along said southern R/W of W. 26th Street to the western R/W of Granby Street; thence, northeastwardly along said western R/W of Granby Street and across W. 26th Street to the southern line of 2609 Granby Street; thence, northwestwardly along said southern line of 2609 Granby Street and its northwestwardly prolongation thereof to the southwest corner of 109 W. 27th Street; thence, northeastwardly along the western line of 109 W. 27th Street to the southern R/W of W. 27th Street; thence, southeastwardly along said southern R/W of W. 27th Street to a point opposite the southwest corner of 2707 Granby Street; thence, northeastwardly across W. 27th Street to the southwest corner of 2707 Granby Street; thence, northeastwardly along the western line of 2707 Granby Street to the southern R/W of W. 28th Street; thence, southeastwardly along said southern R/W of W. 28th Street to the western R/W of Granby Street; thence, northeastwardly along said western R/W of Granby Street across W. 28th Street to the northern R/W of W. 29th Street extended westward; thence, southeastwardly along said northern R/W of W. 29th Street across Granby Street to the southwestern corner of 2907 Monticello Avenue; thence, northeastwardly along the western line of 2907 Monticello Avenue to the northwestern corner of 2907 Monticello Avenue; thence, southeastwardly along the northern line of 2907 Monticello Avenue to the southwestern corner of 117 E. 30th Street; thence, northeastwardly along the western line of 117 E. 30th Street to the southern R/W of E. 30th Street; thence, southeastwardly along said southern R/W of E. 30th Street to the western R/W of Monticello Avenue; thence southeastwardly, across Church Street, to the northwest corner of 2920 Church Street; thence, northeastwardly along the northern line of 2920 Church Street to the northeastern corner of 2920 Church Street; thence, southeastwardly along the eastern line of 2920 and its southeasterly prolongation thereof, across E. 29th Street, E. 28th Street and E. 27th Street to the northeast corner of 2610 Church Street; thence, northeastwardly along the southern R/W of E. 27th Street to the northeast corner of 717 E. 27th Street; thence, southeastwardly along the eastern line of 717 E. 27th Street to the southeastern corner of 717 E. 27th Street; thence, southwestwardly along the southern line of 717 E. 27th Street and its southwesterly prolongation thereof to the eastern line of 2610 Church Street; thence, southeastwardly along said eastern line of 2610 Church Street across E. 26th Street to the southern R/W of E. 26th Street; thence, northeastwardly along said southern R/W of E. 26th Street, across Fawn Street and Gazel Street to the western R/W of Leo Street; thence, southeastwardly along said western R/W of Leo Street across E. 25th Street to the southeast corner of 819 E. 23rd Street; thence, southwardly across Rugby Street and along the eastern line of 731 Rugby Street to the southern R/W of Pollard Street; thence, southeastwardly along said southern R/W of Pollard Street to the northwest corner of 825 Pollard Street; thence, southwestwardly along the western line of 825 Pollard Street to the

southwest corner of 825 Pollard Street; thence, southeastwardly along the southern line of 825 Pollard Street and its southeasterly prolongation thereof to the western R/W of Middle Avenue; thence, southwestwardly along said western R/W of Middle Avenue to the northern R/W of Norfolk and Southern Railroad; thence, northwestwardly along said northern R/W of Norfolk and Southern Railroad to the centerline (CL) of Church Street; thence, southeastwardly along said CL of Church Street to the southern R/W of Norfolk and Southern Railroad; thence, southeastwardly along said southern R/W of Norfolk and Southern Railroad to the eastern corner of 2000 Church Street; thence, southwestwardly along the southern line of 2000 Church Street to the western R/W of O'Keefe Street; thence, southeastwardly, southwestwardly and northwestwardly along the eastern, southern and western lines of 1835 O'Keefe Street to the northern R/W of Chase Street; thence, southwestwardly along the northern terminus of Chase Street to the western R/W of Chase Street; thence, southeastwardly along the western R/W of Chase Street to the southeast corner of 1830 Church Street; thence, southwestwardly along the southern line of 1830 Church Street to the eastern R/W of Strickler Street; thence, northwestwardly along said eastern R/W of Strickler Street to the northern terminus of Strickler Street; thence, southwestwardly along the said northern terminus to the western R/W of Strickler Street; thence southeastwardly along said R/W to the southern line of 1809 Strickler Street; thence southwestwardly along said southern line to the southwest corner of 1809 Strickler Street; thence southeastwardly along the eastern line of 1806 Church Street and its southeasterly prolongation thereof, across C Avenue and B Avenue to the northern R/W of A Avenue; thence, southwestwardly along said northern R/W of A Avenue to the eastern R/W of Church Street; thence, southeastwardly along the eastern R/W of Church Street to the southern R/W of Washington Avenue; thence, eastwardly to the eastern line of 709 Washington Avenue; thence, southeastwardly, southwestwardly and southeastwardly along the eastern and southern line of 709 Washington Street to the southwest corner of 708 Johnson Avenue on the northern R/W; thence, southwestwardly along the said northern R/W of Johnson Avenue, across Church Street to the western R/W of Church Street; thence, northwestwardly along the said western R/W of Church Street the southeast corner of 1631 Church Street; thence, southwestwardly along the southern line of 1631 Church Street to the southwest corner of 1631 Church Street; thence, northeasterly along the southwestern line of 1631 Church Street to the intersection with the western line of 1701 Church Street; thence, northwestwardly along said western line of 1701 Church Street to the southern R/W of E. 18th Street; thence, southwestwardly along said southern R/W of E. 18th Street to the eastern R/W of Armistead Avenue; thence, southwestwardly along said eastern R/W of Armistead Avenue to the northern R/W of E. 17th Street; thence, southeastwardly along said northern R/W of E. 17th Street to the eastern terminus of E. 17th Street; thence southwardly along said eastern terminus of E. 17th Street to the northern line of 1630 Armistead Avenue; thence, eastwardly along said northern line of 1630 Armistead Avenue to its intersection with the northern line of Elmwood Cemetery at 238 E. Princess Anne Road; thence, southwestwardly, southwestwardly and northwestwardly along the southern lines of 1630 Armistead Avenue to the eastern R/W of Armistead Avenue; thence, northwestwardly across Armistead Avenue to the western R/W of Armistead Avenue; thence, southwestwardly along the said western R/W of Armistead Avenue across 14th and 13th Streets to the northern R/W of E. Princess Anne Road; thence, northwestwardly along said northern R/W of E. Princess Anne Road across Monticello Avenue to the western R/W of Monticello Avenue; thence, southwardly along the said western R/W of Monticello Avenue, across 11th Street and E. 9th Street to the northern R/W of E. Virginia Beach Boulevard; thence, westwardly along said northern R/W of E. Virginia Beach Boulevard to the point of beginning.

(5) *North Brambleton section.*

Beginning at the intersection of the eastern right-of-way (R/W) of Granby Street and the northern R/W of E. Virginia Beach Boulevard, said point being previously described in the New Enterprise Zone - North Brambleton Subsection

description; thence, northwardly along said eastern R/W of Granby Street, across E. 9th Street, 11th Street and E. Princess Anne Road to the southern R/W of 13th Street; thence, southeastwardly along said southern R/W of 13th Street across Monticello Avenue to the southeast corner of 13th Street and Monticello Avenue; thence, northeastwardly along said eastern R/W of Monticello Avenue, across 14th Street and 16th Street to the southeast corner of Monticello Avenue and 17th Street; thence, northwestwardly along the southern R/W of 17th Street across Monticello Avenue and Granby Street to the western R/W of Granby Street; thence, northeastwardly along said western R/W of Granby Street, across 17th, 18th, W. 19th, W. 20th, W. 21st, W. 22nd and W. 23rd Streets to the northern R/W of W. 23rd Street; thence, northwestwardly along said northern R/W of W. 23rd Street, across Omohundro Avenue to the centerline (CL) of Llewellyn Avenue; thence, northeastwardly along said CL of Llewellyn Avenue to a point opposite the northern line of 244 W. 25th Street; thence, southeastwardly along the said northern line of 244 W. 25th Street and its southeastwardly prolongation thereof, across Omohundro Avenue to the southeast corner of 109 W. 26th Street; thence, northeastwardly along the eastern line of 109 W. 26th Street to the southern R/W of W. 26th Street; thence, southeastwardly along said southern R/W of W. 26th Street to the western R/W of Granby Street; thence, northeastwardly along said western R/W of Granby Street and across W. 26th Street to the southern line of 2609 Granby Street; thence, northwestwardly along said southern line of 2609 Granby Street and its northwestwardly prolongation thereof to the southwest corner of 109 W. 27th Street; thence, northeastwardly along the western line of 109 W. 27th Street to the southern R/W of W. 27th Street; thence, southeastwardly along said southern R/W of W. 27th Street to a point opposite the southwest corner of 2707 Granby Street; thence, northeastwardly across W. 27th Street to the southwest corner of 2707 Granby Street; thence, northeastwardly along the western line of 2707 Granby Street to the southern R/W of W. 28th Street; thence, southeastwardly along said southern R/W of W. 28th Street to the western R/W of Granby Street; thence, northeastwardly along said western R/W of Granby Street across W. 28th Street to the northern R/W of W. 29th Street extended westward; thence, southeastwardly along said northern R/W of W. 29th Street across Granby Street to the southwestern corner of 2907 Monticello Avenue; thence, northeastwardly along the western line of 2907 Monticello Avenue to the northwestern corner of 2907 Monticello Avenue; thence, southeastwardly along the northern line of 2907 Monticello Avenue to the southwestern corner of 117 E. 30th Street; thence, northeastwardly along the western line of 117 E. 30th Street to the southern R/W of E. 30th Street; thence, southeastwardly along said southern R/W of E. 30th Street to the western R/W of Monticello Avenue; thence southeastwardly, across Church Street, to the northwest corner of 2920 Church Street; thence, northeastwardly along the northern line of 2920 Church Street to the northeastern corner of 2920 Church Street; thence, southeastwardly along the eastern line of 2920 and its southeasterly prolongation thereof, across E. 29th Street, E. 28th Street and E. 27th Street to the northeast corner of 2610 Church Street; thence, northeastwardly along the southern R/W of E. 27th Street to the northeast corner of 717 E. 27th Street; thence, southeastwardly along the eastern line of 717 E. 27th Street to the southeastern corner of 717 E. 27th Street; thence, southwestwardly along the southern line of 717 E. 27th Street and its southwesterly prolongation thereof to the eastern line of 2610 Church Street; thence, southeastwardly along said eastern line of 2610 Church Street across E. 26th Street to the southern R/W of E. 26th Street; thence, northeastwardly along said southern R/W of E. 26th Street, across Fawn Street and Gazel Street to the western R/W of Leo Street; thence, southeastwardly along said western R/W of Leo Street across E. 25th Street to the southeast corner of 819 E. 23rd Street; thence, southwardly across Rugby Street and along the eastern line of 731 Rugby Street to the southern R/W of Pollard Street; thence, southeastwardly along said southern R/W of Pollard Street to the northwest corner of 825 Pollard Street; thence, southwestwardly along the western line of 825 Pollard Street to the southwest corner of 825 Pollard Street; thence, southeastwardly along the southern line of 825

Pollard Street and its southeasterly prolongation thereof to the western R/W of Middle Avenue; thence, southwestwardly along said western R/W of Middle Avenue to the northern R/W of Norfolk and Southern Railroad; thence, northwestwardly along said northern R/W of Norfolk and Southern Railroad to the centerline (CL) of Church Street; thence, southeastwardly along said CL of Church Street to the southern R/W of Norfolk and Southern Railroad; thence, southeastwardly along said southern R/W of Norfolk and Southern Railroad to the eastern corner of 2000 Church Street; thence, southwestwardly along the southern line of 2000 Church Street to the western R/W of O'Keefe Street; thence, southeastwardly, southwestwardly and northwestwardly along the eastern, southern and western lines of 1835 O'Keefe Street to the northern R/W of Chase Street; thence, southwestwardly along the northern terminus of Chase Street to the western R/W of Chase Street; thence, southeastwardly along the western R/W of Chase Street to the southeast corner of 1830 Church Street; thence, southwestwardly along the southern line of 1830 Church Street to the eastern R/W of Strickler Street; thence, northwestwardly along said eastern R/W of Strickler Street to the northern terminus of Strickler Street; thence, southwestwardly along the said northern terminus to the western R/W of Strickler Street; thence southeastwardly along said R/W to the southern line of 1809 Strickler Street; thence southwestwardly along said southern line to the southwest corner of 1809 Strickler Street; thence southeastwardly along the eastern line of 1806 Church Street and its southeasterly prolongation thereof, across C Avenue and B Avenue to the northern R/W of A Avenue; thence, southwestwardly along said northern R/W of A Avenue to the eastern R/W of Church Street; thence, southeastwardly along the eastern R/W of Church Street to the southern R/W of Washington Avenue; thence, eastwardly to the eastern line of 709 Washington Avenue; thence, southeastwardly, southwestwardly and southeastwardly along the eastern and southern line of 709 Washington Street to the southwest corner of 708 Johnson Avenue on the northern R/W; thence, southwestwardly along the said northern R/W of Johnson Avenue, across Church Street to the western R/W of Church Street; thence, northwestwardly along the said western R/W of Church Street the southeast corner of 1631 Church Street; thence, southwestwardly along the southern line of 1631 Church Street to the southwest corner of 1631 Church Street; thence, northeasterly along the southwestern line of 1631 Church Street to the intersection with the western line of 1701 Church Street; thence, northwestwardly along said western line of 1701 Church Street to the southern R/W of E. 18th Street; thence, southwestwardly along said southern R/W of E. 18th Street to the eastern R/W of Armistead Avenue; thence, southwestwardly along said eastern R/W of Armistead Avenue to the northern R/W of E. 17th Street; thence, southeastwardly along said northern R/W of E. 17th Street to the eastern terminus of E. 17th Street; thence southwardly along said eastern terminus of E. 17th Street to the northern line of 1630 Armistead Avenue; thence, eastwardly along said northern line of 1630 Armistead Avenue to its intersection with the northern line of Elmwood Cemetery at 238 E. Princess Anne Road; thence, southwestwardly, southwestwardly and northwestwardly along the southern lines of 1630 Armistead Avenue to the eastern R/W of Armistead Avenue; thence, northwestwardly across Armistead Avenue to the western R/W of Armistead Avenue; thence, southwestwardly along the said western R/W of Armistead Avenue across 14th and 13th Streets to the northern R/W of E. Princess Anne Road; thence, northwestwardly along said northern R/W of E. Princess Anne Road across Monticello Avenue to the western R/W of Monticello Avenue; thence, southwardly along the said western R/W of Monticello Avenue, across 11th Street and E. 9th Street to the northern R/W of E. Virginia Beach Boulevard; thence, westwardly along said northern R/W of E. Virginia Beach Boulevard to the point of beginning.

(6) *Fort Norfolk section.*

Beginning at the intersection of the northern right-of-way (R/W) of W. Brambleton Avenue and the western R/W of Duke Street, said point being previously described in the New Enterprise Zone—North Brambleton Subsection description; thence, southwardly across W. Brambleton Avenue to the intersection of the southern R/W of W.

Brambleton Avenue and the western R/W of Duke Street; thence, generally westerly along the southern R/W of W. Brambleton Avenue across the waters of Smith Creek to the northeast corner of lands of the United States of America on the western shoreline of Smith Creek; thence, generally southwestwardly, along the varying directions of the western shoreline of Smith Creek to the northern shoreline of the Elizabeth River; thence, generally northwestwardly, along the varying directions of the northern shoreline of the Elizabeth River to the southern line of 139 Riverview Avenue, less and except the condo development site at 40 Rader Street and the lands of the United States of America at Fort Norfolk at 803 Front Street; thence, westerly and northwestwardly along said southern lines of 139 and 151 Riverview Avenue, and 902 Southampton Avenue to the western corner of 902 Southampton Avenue; thence, northeastwardly along the western lines of 902 Southampton Avenue and 151 Riverview Avenue to the northwest corner of 151 Riverview Avenue; thence, northeastwardly along the northern line of 151 Riverview Avenue to the western line of the Elizabeth River Trail; thence, northwestwardly and westwardly along said western and southern line of the Elizabeth River Trail to the eastern line of the Midtown Tunnel (Elisabeth River Tunnel Commission); thence, northeastwardly along said eastern line to the northwest corner of property of Norfolk Redevelopment and Housing (GPIN: 1428404723); thence, southeastwardly along the northern line of said Norfolk Redevelopment and Housing to the western R/W of Hampton Boulevard; thence, southeastwardly, across Hampton Boulevard to the northwest corner of 400 Gresham Drive on the eastern R/W of Hampton Boulevard; thence, northeastwardly along the northern line of 400 Gresham Drive to the northern R/W line of Gresham Drive; thence, northeastwardly along the said northern R/W to the northern R/W of Fairfax Avenue; thence, generally in a southeastern direction, northeastwardly, easterly and southeastwardly along said R/W to a point opposite the northeast corner of 400 Gresham Drive; thence, southwestwardly, across Fairfax Avenue to the northeast corner of 400 Gresham Drive; thence, southwestwardly, southeastwardly and southwestwardly along the eastern line of 400 Gresham Drive to the northern R/W of Brambleton Avenue; thence, generally southeastwardly along said northern R/W, southeastwardly, easterly and northeastwardly, across Colley Avenue and the waters of Smith Creek to the intersection of said northern (R/W) and the western R/W of Duke Street, the point of beginning.

(7) *St. Pauls section.*

Beginning at the intersection of the northern right-of-way (R/W) of E. Princess Anne Road and the western R/W of Courtney Avenue, said point being previously described in the New Enterprise Zone—St. Julian Subsection; thence, northwestwardly along said northern R/W of E. Princess Anne Road to the northeasterly prolongation of the western R/W of May Avenue; thence, southwestwardly along said western R/W of May Avenue to the southern R/W of E. Virginia Beach Boulevard; thence, southeastwardly along said southern R/W of E. Virginia Beach Boulevard to the western R/W of Cecelia Street; thence, southwestwardly along said western R/W of Cecelia Street to the northern R/W of Corprew Avenue; thence, southwardly to the northwestern corner of 1234 E. Olney Road; thence, southeastwardly along the northern line of 1234 E. Olney Road to the northeastern corner of 1234 E. Olney Road; thence, southwestwardly, along the eastern line of 1234 E. Olney Road to the northeast corner of 1232 E. Olney Road; thence, southwestwardly along the eastern line of 1232 E. Olney Road to the southern R/W of E. Olney Road; thence, northwestwardly along the said southern R/W of E. Olney Road to the northeast corner of 736 Cecilia Street; thence, southwardly along the eastern line of 736 Cecelia Street to the southeast corner of 736 Cecelia Street; thence, southwestwardly along the eastern line of an alley to the southwestern corner of 1250 E. Brambleton Avenue, being the northeastern R/W of E. Brambleton Avenue; thence, southeastwardly along the northeastern R/W of E. Brambleton Avenue to the eastern R/W of Marshall Avenue; thence, southwestwardly across E. Brambleton Avenue to the intersection of the eastern R/W of Marshall Avenue and the northwestern corner of 555 Park Avenue, being the southeastern R/W of E. Brambleton Avenue; thence, southeastwardly

along said southeastern R/W of E. Brambleton Avenue to the southeastern R/W of Park Avenue; thence, northeastwardly along said southeastern R/W of Park Avenue to the southeastern R/W of E. Brambleton Avenue; thence, southeastwardly along said southeastern R/W of E. Brambleton Avenue to the eastern corner of 1625 E. Brambleton Avenue; thence, westerly along the southern line of 1625 E. Brambleton Avenue to the southeastern R/W of Park Avenue; thence, southwestwardly along said southeastern R/W of Park Avenue to the northeastern R/W of Claiborne Avenue; thence, southeastwardly along said northeastern R/W of Claiborne Avenue to the northwestern corner of 1900 Claiborne Avenue; thence, meandering southeastwardly, eastwardly and northeastwardly along the northern line of 1900 Claiborne Avenue to the southeastern R/W of an exit ramp for Interstate Highway 264; thence, eastwardly across E. Brambleton Avenue to the western corner of 2100 Kimball Terrace; thence, meandering eastwardly along the southern R/W of I-264 to the northern corner of 2230 Kimball Terrace; thence, southeastwardly and southwardly along the northeastern and eastern lines of 2230 Kimball Terrace to the northern R/W of Kimball Terrace; thence, eastwardly along said northern R/W of Kimball Terrace to the eastern line of 2312 Kimball Terrace; thence, northwardly along said eastern line to the northern line of 2312 Kimball Terrace; thence, eastwardly along said northern line of 2312 Kimball Terrace and along the northern line of 707 Thayor Street to the western R/W of Thayor Street; thence, southwardly along said western R/W of Thayor Street to a point opposite the northern line of 2400 Kimball Terrace; thence, eastwardly across Thayor Street and along said northern line of 2400 Thayor Street to the northeast corner of 2408 Kimball Terrace; thence, southwardly along the eastern line of 2408 Kimball Terrace to the northern R/W of Kimball Terrace; thence, eastwardly along said northern R/W of Kimball Terrace to the eastern line of 2604 Kimball Terrace; thence, southwardly across Kimball Terrace to the northeast corner of 2614 Marlboro Avenue; thence, southwardly to the mean low water line of an inlet of the Eastern Branch of the Elizabeth River; thence, meandering generally in a westwardly direction, along the varying directions of the mean low water (shoreline),to the eastern R/W line of the Berkley Bridge (Interstate 264), less and except Harbor Park baseball stadium, a City of Norfolk parcel (GPIN: 1437339770), and a Dominion Virginia Power parcel (GPIN: 1437434643); thence, northerly along said R/W of the Berkley Bridge (Interstate 264) to the southern R/W of Water Street; thence, westerly along said R/W of Water Street to the eastern line of 1101 Water Street; thence, northeastwardly along the northerly prolongation of the eastern line of 1101 Water Street to the northern R/W of Water Street; thence, southeastwardly along said northern R/W of Water Street to the western R/W of Park Avenue; thence, northeastwardly along the western and northern R/W lines of Park Avenue to the western R/W of Norfolk and Southern Railroad; thence, northwardly along said western R/W of Norfolk and Southern Railroad to the southern line of 1213 E. Brambleton Avenue; thence, northwestwardly along said southern line of 1213 E. Brambleton Avenue and its northwesterly prolongation thereof to the western R/W of May Avenue; thence, southwestwardly along said western R/W of May Avenue to the southeast corner of 630 Tidewater Drive; thence, westerly along the southern line of 630 Tidewater Drive to the southwest corner of 630 Tidewater Drive; thence, northwardly along the eastern R/W of Tidewater Drive to the southern R/W of E. Brambleton Avenue; thence, northwestwardly along said southern R/W of E. Brambleton Avenue to the western R/W of Church Street; thence, southwestwardly along the western R/W of Church Street across E. Bute Street to the intersection of the southern R/W of E. Bute Street and the western R/W of Fenchurch Street; thence, southwestwardly along said western R/W of Fenchurch Street across Wood Street and E. Charlotte Street to the northern R/W of Interstate Highway 264; thence, northwestwardly along said northern R/W of I-264 to the western R/W of St. Paul's Boulevard; thence, northwardly along said western R/W of St. Paul's Boulevard to the westerly prolongation of the southern line of 501 Wood Street; thence, northeasterly, southeasterly, northeasterly, and northerly to the southern R/W of Wood Street; thence, in a westerly direction along the southern R/W of Wood Street to the

eastern R/W of St. Paul's Boulevard; thence, southeasterly along the eastern R/W of St. Paul's Boulevard to the northwest corner of 300 St. Paul's Boulevard; thence, westerly across St. Paul's Boulevard to its western R/W; thence, northwesterly along said western R/W to the southern R/W of E. Brambleton Avenue; thence, easterly across St. Paul's Boulevard to its eastern R/W; thence, northerly along said R/W to the northern line of E. Brambleton Avenue; thence, eastwardly along said northern R/W of E. Brambleton Avenue to the northeast corner of E. Brambleton Avenue and Lincoln Street; thence, northwardly along the eastern R/W of Lincoln Street to the southern R/W of E. Virginia Beach Boulevard; thence, southeastwardly along said southern R/W of E. Virginia Beach Boulevard across Church Street to the western R/W of Wide Street; thence, southwestwardly along said western R/W of Wide Street and its southerly prolongation thereof to the southern R/W of E. Olney Road; thence, southeastwardly along said southern R/W of E. Olney Road to the western R/W of Chapel Street; thence, southwestwardly along said western R/W of Chapel Street to a point opposite the intersection of the eastern R/W of Chapel Street and the northern line of 720 Chapel Street; thence, southeastwardly, northeastwardly, southeastwardly, southwestwardly and northwestwardly around the perimeter of said 720 Chapel Street to the northeast corner of 710 Chapel Street; thence, southwestwardly along the eastern line of 710 Chapel Street to the northeast corner of 900 E. Brambleton Avenue; thence, southwestwardly and southeastwardly along the eastern and northern lines of 900 E. Brambleton Avenue to the northwest corner of 914 E. Brambleton Avenue; thence, southeastwardly along the northern line of 914 E. Brambleton Avenue to the northeast corner of 1000 E. Brambleton Avenue; thence, northeastwardly to the northwest corner of 711 Roswell Avenue; thence, along the northern line of 711 Roswell Avenue to the western R/W of Roswell Avenue; thence, southwestwardly along said western R/W of Roswell Avenue to a point opposite the northern corner of 1016 E. Brambleton Avenue; thence, southeastwardly across Roswell Avenue to the said northern corner of 1016 E. Brambleton Avenue; thence, southeastwardly to the northwest corner of 1028 E. Brambleton Avenue; thence, northeastwardly to the northern corner of 1030 E. Brambleton Avenue; thence, southeastwardly to the southwest corner of 1023 Tunstall Avenue; thence, northeastwardly to the northwest corner of 1023 Tunstall Avenue; thence, southeastwardly to the intersection of the southern R/W of Tunstall Avenue and the western R/W of Tidewater Drive; thence, northeastwardly along said western R/W of Tidewater Drive to the northern R/W of E. Virginia Beach Boulevard; thence, northwestwardly along said northern R/W of E. Virginia Beach Boulevard to the eastern R/W of Chapel Street; thence, northeastwardly along said eastern R/W of chapel Street to the southern line of 1110 Chapel Street; thence, southeastwardly and northeastwardly along the southern and eastern lines of 1110 Chapel Street to the northeast corner of 1110 Chapel Street; thence, southeastwardly along the northern line of 930 E. Virginia Beach Boulevard and its southeasterly prolongation thereof to a point on the eastern R/W of Tidewater Drive; thence, northeastwardly along said eastern R/W of Tidewater Drive across E. Princess Anne Road to the northeast corner of Tidewater Drive and E. Princess Anne Road; thence, southeastwardly along said northern R/W of E. Princess Anne Road across Bolton Street and across the R/W of Norfolk and Southern Railroad to the northwest corner of E. Princess Anne Road and Courtney Avenue, the point of beginning.

(8) *Berkley section.*

Beginning at the intersection of the southern right-of-way (R/W) of Water Street and the eastern R/W of the Berkley Bridge (Interstate 264), said point being previously described in the New Enterprise Zone - St. Pauls Subsection; thence southwestwardly along said eastern R/W, across the Eastern Branch of the Elizabeth River to the intersection of the said eastern R/W of the Berkley Bridge (Interstate 264) and the southern shoreline of the Eastern Branch of the Elizabeth River; thence generally eastwardly and southwardly, along the varying directions of the said shoreline to the western shoreline of Spotico Creek; thence generally southwardly, eastwardly and northwardly, along the varying directions of the western, southern and eastern shorelines of

Spotico Creek to the southern shoreline of the Eastern Branch of the Elizabeth River; thence generally eastwardly, along the varying directions of the said shoreline to the western shoreline of Prescara Creek; thence generally southwardly, eastwardly and northwardly, along the varying directions of the western, southern and eastern shorelines of Prescara Creek to the southern shoreline of the Eastern Branch of the Elizabeth River; thence generally eastwardly, along the varying directions of the said southern shoreline to the eastern line of 508 E. Indian River Road; thence southwardly and southwestwardly along said eastern line to the northern R/W of E. Indian River Road; thence southeasterly along said R/W line to the southeast corner of 600 E. Indian River Road; thence crossing E. Indian River Road southwardly to the intersection of the southern R/W of E. Indian River Road and the western R/W of Marsh Street; thence southwestwardly along said western R/W to the southern R/W of Joyce Street; thence southeastwardly along said southern R/W to the western R/W of Oakfield Street; thence southwestwardly along said western R/W to the northern R/W of Wayman Street; thence northwestwardly along said northern R/W to the western R/W of Todd Street; thence southwestwardly along said western R/W to the northern R/W of Berkley Avenue Extended; thence northwestwardly along said northern R/W to the western line of 1050 Berkley Avenue Extended; thence northwestwardly along said western line to its intersection with the eastern R/W of Hibie Street; thence southwestwardly along said eastern R/W to the eastern R/W of Marsh Street; thence northwestwardly along said eastern R/W to a point opposite the intersection of the western R/W of Marsh Street and the eastern R/W of the Norfolk and Western Railway; thence westerly across Marsh Street to said intersection; thence northwestwardly along the eastern R/W of the Norfolk and Western Railway to a point opposite the eastern terminus of the southern R/W of Craig Street; thence westerly crossing the Norfolk and Western Railway and the Norfolk and Portsmouth Beltline Railroad rights-of-way to said eastern terminus of the southern R/W of Craig Street being on the southern line of 435 E. Indian River Road; thence westerly and northwestwardly along the southern and western lines of 435 E. Indian River Road across E. Berkley Avenue to the northern R/W of E. Berkley Avenue; thence westerly and northwestwardly along said R/W to the southeast corner of 399 E. Indian River Road; thence southwestwardly along the southern line of 399 E. Indian River Road to the southwest corner of 399 E. Indian River Road; thence northerly along the western line of 399 E. Indian River Road, crossing E. Indian River Road, to the northern R/W of E. Indian River Road; thence northwestwardly along said northern R/W to the eastern R/W of Fauquier Street; thence northeastwardly along said R/W to the northern terminus of the eastern R/W of Fauquier Street and the southern line of 180 South Main Street; thence northwestwardly along said southern line to the southeast corner of 200 South Main Street; thence northeastwardly and northwestwardly along the eastern and northern lines of 200 South Main Street, crossing South Main Street, to the western R/W of South Main Street; thence southwestwardly along said R/W to the northeast corner of 325 South Main Street; thence northwestwardly along the northern line of 325 South Main Street to the northwest corner of 325 South Main Street; thence southwestwardly along the western lines of 325, 327 and 329 South Main Street to the northeast corner of 198 W. Indian River Road; thence northwestwardly along the northern lines of 198 and 200 W. Indian River Road to the northwest corner of 200 W. Indian River Road; thence southwestwardly along the western line of 200 W. Indian River Road to the northern R/W of W. Indian River Road; thence northwestwardly along said northern R/W to the southwest corner of 214 W. Indian River Road; thence southwestwardly across W. Indian River Road at right angles to the northern R/W of W. Indian River Road to the southern R/W of W. Indian River Road; thence southeastwardly along said southern R/W to the northeast corner of 313 W. Indian River Road; thence southwestwardly along the eastern line of 313 W. Indian River Road extended to the northern line of 411 Clifton Street; thence northwestwardly along said northern line to the northwest corner of 411 Clifton Street; thence southeastwardly along the western line of 411 Clifton Street and the eastern line of 325 Sawyer

Street to the southwest corner of 429 Clifton Street; thence southeastwardly along the southern line of 429 Clifton Street, crossing Clifton Street, to the eastern R/W line of Clifton Street; thence southerly and southwestwardly along the eastern R/W of Clifton Street to the northern R/W of Patrick Street; thence southerly, crossing Patrick Street, to the southern R/W of Patrick Street at its intersection with the eastern R/W of State Street; thence southeastwardly along the southern R/W of Patrick Street to the western R/W of South Main Street; thence southwestwardly along said R/W to the southern R/W line of E. Berkley Avenue; thence southeastwardly along said southern R/W to the western R/W of Fauquier Street; thence southwestwardly along said western R/W to the northern R/W of E. Liberty Street; thence northwestwardly along said northern R/W to a point opposite the eastern corner of 109 E. Liberty Street; thence southwestwardly crossing E. Liberty Street and along the southeastern line of 109 E. Liberty Street to the southern corner of 109 E. Liberty Street, being the eastern corner of 824 South Main Street; thence northwestwardly along the northern line of 824 South Main Street to the eastern R/W of South Main Street; thence northeastwardly along said eastern R/W to the southern R/W of W. Liberty Street; thence northwestwardly along said southern R/W to its intersection with the eastern R/W of State Street extended; thence northeastwardly along the eastern R/W of State Street to the northern R/W of W. Berkley Avenue; thence northwestwardly along said northern R/W to the eastern R/W of Walnut Street; thence northerly along said eastern R/W to the southern line of 501 State Street; thence westerly and northwestwardly along the southern and western lines of 501 State Street to the northwest corner of 501 State Street; thence northeastwardly along the northern line of 501 State Street to the eastern R/W of Walnut Street; thence northwestwardly along said R/W to the northern R/W of W. Indian River Road; thence northeastwardly to the intersection of the northern R/W of Emmett Place and the eastern R/ W of State Street; thence northwestwardly and northerly along said eastern R/W to its intersection with the eastern R/W of Berkley Bridge (Interstate 264); thence northerly along said eastern R/W to its intersection with the southern shoreline of the Eastern Branch of the Elizabeth River; thence northwestwardly along said shoreline to the western R/W line of the Berkley Bridge (Interstate 264); thence northeastwardly along said R/W across the Eastern Branch of the Elizabeth River to a point opposite the intersection of the southern R/W of Water Street and the eastern R/W of the Berkley Bridge (Interstate 264); thence southeastwardly across the Berkley Bridge (Interstate 214) to the point of beginning.

(9) *Gosport section.*

Beginning at the intersection of the western right-of-way (R/W) of the Berkley Bridge (Interstate 264) and the southern shoreline of the Eastern Branch of the Elizabeth River, said point being previously described in the New Enterprise Zone - Berkley Subsection; thence generally southwestwardly along said shoreline to the eastern line of 101 Ligon Street; thence generally in a southerly direction along said eastern line, crossing Relocated Ligon Street to the western R/W of Relocated Ligon Street; thence southerly along said western R/W to northern R/W of the Norfolk and Southern Railroad; thence easterly and southerly along the northern and eastern R/W lines of the Norfolk and Southern Railroad to the western R/W line of South Main Street; thence southerly along said R/W to its intersection with the southern line of 1405 South Main Street as it intersects said R/W; thence westerly, southerly, westerly and southeastwardly along the lines of 1405 South Main Street to the southeast corner of 1405 South Main Street; thence southwestwardly along the southern line of 1405 South Main to the southwest corner of 1405 South Main Street; thence northwestwardly along the western line of 1405 South Main Street to the northeast corner of 1499 South Main Street; thence westerly along the northern line of 1499 South Main Street to the eastern shoreline of the Southern Branch of the Elizabeth River; thence generally in a northerly direction, along the varying directions of the eastern shoreline of the Southern Branch of the Elizabeth River to its intersection with the southern shoreline of the Eastern Branch of the Elizabeth River; thence generally in a northeastwardly direction, along

the varying directions of the southern shoreline of the Eastern Branch of the Elizabeth River to the point of beginning.

(10) *Virginia Renaissance Center section.*

Beginning at the intersection of the eastern line of 600 E. Indian River Road, being the southeast corner of 600 E. Indian River Road, and the northern right-of-way (R/W) of E. Indian River Road, said point being previously described in the New Enterprise Zone - Berkley Subsection; thence generally eastwardly along said R/W in an eastwardly, northeastwardly and southeastwardly along the northern R/W of E. Indian River Road to its intersection with the eastern shoreline of Steamboat Creek; thence generally northeastwardly, along the varying directions of the eastern shoreline of Steamboat Creek to its intersection with the southern shoreline of Eastern Branch of the Elizabeth River; thence generally eastwardly, along the varying directions of the southern shoreline of Eastern Branch of the Elizabeth River to the City of Norfolk Corporate Boundary; thence southwestwardly along the City of Norfolk Corporate Boundary to the southern R/W of E. Indian River Road; thence generally westerly along said R/W in an northwestwardly, southwestwardly and westerly direction to the intersection of the southern R/W of E. Indian River road with the western R/W of Marsh Street; thence northeastwardly, crossing E. Indian River Road, to the point of beginning.

(11) *Norfolk Industrial Park section.*

Beginning at the intersection of the southern right-of-way (R/W) of Nottaway Street and the northwestern R/W of Chesapeake Boulevard, said point being previously described in the Tidewater Drive Enterprise Zone Subsection description; thence, southeastwardly across Chesapeake Boulevard to the intersection of the southern R/W of Nottaway Street and the southeastern R/W of Chesapeake Boulevard; thence, southwestwardly along the said southeastern R/W of Chesapeake Boulevard to the southern R/W of Robin Hood Road; thence, southeastwardly along said southern R/W of Robin Hood Road to the western R/W of Kansas Avenue; thence, southeastwardly along said western R/W of Kansas Avenue to the southern line of 3325 Kansas Avenue; thence, southwestwardly along said southern line to the southwest corner of 3325 Kansas Avenue; thence, southeastwardly to the northeast corner of 3322 Illinois Avenue; thence, southwestwardly along the northern line of 3322 Illinois Avenue and its southwestern prolongation thereof to the western R/W of Illinois Avenue; thence, southeastwardly along said western R/W of Illinois Avenue to the southwest intersection of Illinois Avenue and Upshur Street; thence, southwestwardly along the southern R/W of Upshur Street to the northeast corner of 3138 Arizona Avenue; thence, southeastwardly along the eastern line of 3138 Arizona Avenue and its southeastwardly prolongation thereof across Lafayette Boulevard and Hanbury Street to the midpoint of the southern R/W of Hanbury Street between Arizona Avenue and Illinois Avenue; thence, northeastwardly along the said southern R/W of Hanbury Street to the southwest corner of Hanbury Street and Illinois Avenue; thence, southeastwardly along the western R/W of Illinois Avenue to the northern line of 3600 Peterson Street; thence, northeastwardly along said northern line of 3600 Peterson Street to the eastern R/W of Kansas Avenue; thence, northwestwardly along said eastern R/W of Kansas Avenue to the southern R/W of Hanbury Street; thence, northeastwardly along said southern R/W of Hanbury Street to the northern line of 3600 Peterson Street; thence, northeastwardly along said northern line of 3600 Hanbury Street to the western R/W of Oklahoma Avenue; thence, southeastwardly along said western R/W of Oklahoma Avenue to the southern R/W of Peterson Street; thence, southwestwardly along said southern R/W of Peterson Street to the eastern line of 3623 Peterson Street; thence, southeastwardly, southwestwardly and southeastwardly and southwestwardly along said eastern and southern lines of 3623 Peterson Street to the northern corner of 2700 Nevada Avenue; thence, southeastwardly along said eastern line of 2700 Nevada Avenue to the western R/W of Minnesota Avenue; thence, southeastwardly along said western R/W of Minnesota Avenue to the southern line of 2603 Minnesota Avenue; thence, southwestwardly along said southern line of 2603 Minnesota Avenue and its southwesterly prolongation thereof, across Nevada Avenue, Wyoming

Avenue and Arkansas Avenue to the northern corner of 3334 Tait Terrace; thence, southeastwardly along the eastern line of 3334 Tait Terrace to the northern R/W of Tait Terrace; thence, southwestwardly along said northern R/W of Tait Terrace to the eastern R/W of Florida Avenue; thence, southeastwardly across Tait Terrace to the intersection of the eastern R/W of Florida Avenue and the northern line of 2530 Florida Avenue; thence, northeastwardly along said northern line to the northern corner of 2530 Florida Avenue; thence, southeastwardly along the eastern line of 2530 Florida Avenue and its southeasterly prolongation thereof, across Santos Street and Denver Avenue to a point on the northern R/W of Cape Henry Avenue; thence, northeastwardly along said northern R/W of Cape Henry Avenue to the western R/W of Wyoming Avenue; thence, southeastwardly along said western R/W of Wyoming Avenue, across a R/W of Norfolk & Southern Railroad to the southern line of 1541 Wyoming Avenue; thence, southwestwardly along said southern line and the southwesterly prolongation thereof to the eastern R/W of Florida Avenue; thence, southeastwardly along said eastern R/W of Florida Avenue to the northern line of 3378 E. Princess Anne Road; thence, northeastwardly along said northern line of 3378 E. Princess Anne Road and its northeasterly prolongation thereof to the western R/W of Arkansas Avenue; thence northeastwardly across Arkansas Avenue and Wyoming Avenue to the northern corner of 3514 E. Princess Anne Road; thence, southeastwardly along the eastern R/W of Nevada Avenue, across E. Princess Anne Road to a point on the southern R/W of E. Princess Anne Road; thence, northeastwardly along said southern R/W of E. Princess Anne Road, across Azalea Garden Road and Sewells Point Road to the northern corner of 1400 Sewells Point Road; thence, southeastwardly along the eastern line of 1400 Sewells Point Road and its southeasterly prolongation thereof to the mean low water line of Broad Creek; thence, southwestwardly along said mean low water line of Broad Creek to the western line of 4845 Brookside Court; thence, northwestwardly along the western line of 4845 Brookside Court to the southeastern corner of 1194 Pineridge Road; thence, southwestwardly along the southern line of 1194 Pineridge Road and its southwesterly prolongation thereof to a point on the western R/W of Pineridge Road; thence, southwardly along said western R/W of Pineridge Road to the northern line of 1147 Pineridge Road; thence, westwardly, southwardly and eastwardly along the northern, western and southern lines of said 1147 Pineridge Road to the southeastern corner of 1140 Azalea Garden Road; thence, southeastwardly to the mean low water of Broad Creek; thence, southwardly along the mean low water of Broad Creek to the northern R/W of E. Virginia Beach Boulevard; thence, southwestwardly along said northern R/W of E. Virginia Beach Boulevard to the western line of 4530 E. Virginia Beach Boulevard; thence, northwestwardly, northeastwardly and northwestwardly along the western, northern and western lines of 4530 E. Virginia beach Boulevard to the southern R/W of Patent Road; thence, westwardly along said southern R/W of Patent Road to the eastern line of 1118 Azalea Garden Road; thence, southeastwardly and southwestwardly along the eastern and southern lines of 1118 Azalea Garden Road to the eastern R/W of Azalea Garden Road; thence, southeastwardly along said eastern R/W of Azalea Garden Road to the northern R/W of E. Virginia Beach Boulevard; thence, southwestwardly along the said northern R/W of E. Virginia Beach Boulevard, across Kingwood Avenue and Ingleside Road to the eastern R/W of Ballentine Boulevard; thence, northwestwardly along the eastern R/W of Ballentine Boulevard to the northwestern corner of 1268 Ballentine Boulevard; thence, eastwardly along said northern line to the northeastern corner of 1268 Ballentine Boulevard; thence, southeasterly along the eastern line of 1268 Ballentine Boulevard and its southeasterly prolongation to the southwestern corner of 1316 Ballentine Boulevard; thence, northeasterly along the southern line of 1316 Ballentine Boulevard to the southeastern corner; thence, northwesterly along the eastern line of 1316 Ballentine Boulevard to the southeastern corner of 1324 Ballentine Boulevard; thence, southwesterly along the southern line of 1324 Ballentine Boulevard to the eastern R/W of Ballentine Boulevard; thence, northwesterly along the eastern R/W of Ballentine Boulevard to the southern R/W of E. Princess Anne Road; thence

southwestwardly along the southeastern R/W of E. Princess Anne Road to a point at the intersection with the southern extension of the western line of Keller Avenue; thence northwestwardly across E. Princess Anne Road to the southern corner of 2100 Keller Avenue; thence, northwestwardly along the southern and western lines of 2100 Keller Avenue to the northwestern corner of 2100 Keller Avenue; thence, northeastwardly along the northern line of 2100 Keller Avenue and its northeasterly prolongation thereof to the western R/W of Vincent Avenue; thence, northwestwardly along said western R/W of Vincent Avenue to the southern line of 2126 Vincent Avenue and its westerly prolongation; thence, northeastwardly and northwestwardly along the southern and eastern lines of 2126 Vincent Avenue to the northwest corner of 2121 Ballentine Boulevard; thence, northeastwardly along the northern line of 2121 Ballentine Boulevard and the northeasterly prolongation thereof to the eastern R/W of Ballentine Boulevard; thence, northwestwardly along said eastern R/W of Ballentine Boulevard to the northern line of 2118 Ballentine Boulevard; thence northeastwardly along the northern line of 2118 Ballentine Boulevard and its northeasterly prolongation thereof to the eastern R/W of Grandy Avenue; thence, northwestwardly along said eastern R/W of Grandy Avenue to the southern R/W of South Cape Henry Avenue; thence, northeastwardly along said southern R/W of South Cape Henry Avenue to the eastern R/W of Cromwell Road; thence, northwestwardly along said eastern R/W of Cromwell Road to the southern line of 2708 Cromwell Road; thence, northeastwardly along the northern line of 2708 Cromwell Road to the western R/W of Norfolk and Southern Railroad; thence, northwestwardly along said western R/W of Norfolk and Southern Railroad to a point opposite the northwest corner of 2715 Arkansas Avenue; thence, northeastwardly across said R/W of Norfolk and Southern Railroad to the northwest corner of 2715 Arkansas Avenue; thence, northeastwardly along the northern line of 2715 Arkansas Avenue and its northeasterly prolongation thereof to the eastern line of 3331 Peterson Street; thence, northwestwardly along said eastern line of 3331 Peterson Street and its northerly prolongation thereof to the northern R/W of Peterson Street; thence, southwestwardly along said northern R/W of Peterson Street, across the R/W of Norfolk and Southern Railroad and along the northern R/W of Peterson Street to the eastern R/W of Cromwell Road; thence, northwestwardly along said eastern R/W of Cromwell Road to the southern R/W of Lafayette Boulevard; thence, northwestwardly along said southern R/W of Lafayette Boulevard to the western R/W of Grandy Avenue; thence, southeastwardly along said western R/W of Grandy Avenue to the northern line of 3037 Grandy Avenue; thence, southwestwardly along said northern line of 3037 Grandy Avenue to the eastern line of 3036 Ballentine Boulevard; thence, southeastwardly along said eastern line of 3036 Ballentine Boulevard to the southern line of 3036 Ballentine Boulevard; thence, southwestwardly along said southern line of 3036 Ballentine Boulevard and across Ballentine Boulevard to the western R/W of Ballentine Boulevard; thence, southeastwardly along said western R/W of Ballentine Boulevard to the southern line of 3017 Ballentine Boulevard; thence, southwestwardly and northwestwardly along the southern and western lines of 3017 Ballentine Boulevard to the northwest corner of 3017 Ballentine Boulevard; thence, southwestwardly along the northern line of 3016 Vincent avenue to the eastern R/W of Vincent Avenue; thence, northwestwardly along said eastern R/W of Vincent Avenue to the southeastern R/W of Chesapeake Boulevard; thence, northeastwardly along said southeastern R/W of Chesapeake Boulevard to the western R/W of Cromwell Road; thence, northwardly across Chesapeake Boulevard along the northerly prolongation of the said western R/W of Cromwell Road to the northwestern R/W of Chesapeake Boulevard; thence, northeastwardly along said northwestern R/W of Chesapeake Boulevard to the point of beginning.

(12) *St. Julian section.*

Beginning at the intersection of the eastern right-of-way (R/W) of Vincent Avenue and the southern line of 2126 Vincent Avenue, said point being previously described in the New Enterprise Zone—Norfolk Industrial Park Subsection description; thence, northwestwardly along said eastern R/W of Vincent Avenue to the intersection of the

eastern R/W of Vincent Avenue and the northern R/W of Cape Henry Avenue; thence, southwestwardly along the said northern R/W of Cape Henry Avenue to the western R/W of McKann Avenue; thence, southwestwardly along the northern R/W of Cape Henry Avenue to the southwestern corner of 2205 McKann Avenue; thence, southerly to the southeastern corner of 2839 Dana Street; thence, northwestwardly along the southern line of 2839 Dana Street to the eastern line of Calvary Cemetery; thence, southwestwardly along said eastern line of Calvary Cemetery to the northern R/W of St. Julian Avenue; thence, meandering westwardly along said northern R/W of St. Julian Avenue to the western R/W of Barraud Avenue; thence, northeastwardly along said western R/W of Barraud Avenue to the northeastern corner of 2239 Barraud Avenue; thence, westwardly along the northern line of 2239 Barraud Avenue to the northeastern R/W of Norfolk and Southern Railroad; thence, northwestwardly along said R/W of Norfolk and Southern Railroad to the western R/W of Tidewater Drive; thence, northeastwardly along said western R/W of Tidewater Drive to the southern R/W of Rugby Street; thence, northwestwardly along said southern R/W of Rugby Street to the northwest corner of 2327 Tidewater Drive; thence, southwestwardly along the western line of 2327 Tidewater Drive and its southwestwardly prolongation thereof to the southern line of 2306 Ruffin Street; thence, northwestwardly along said southern line of 2306 Ruffin Street to the eastern R/W of Ruffin Street; thence, southwestwardly along said eastern R/W of Ruffin Street to the northeastern R/W of Norfolk and Southern Railroad; thence, southeastwardly along said northeastern R/W of Norfolk and Southern Railroad to the to the western R/W of Tidewater Drive; thence, southwestwardly along said western R/W of Tidewater Drive to the southwestern R/W of Norfolk and Southern Railroad; thence, southeastwardly and southwardly along said southwestern and western R/W lines of Norfolk and Southern Railroad to the northern R/W of Goff Street; thence, westwardly along said northern R/W of Goff Street to the eastern R/W of Tidewater Drive; thence, southwardly along said eastern R/W of Tidewater Drive to the northern line of the Hebrew Cemetery at 1200 Tidewater Drive; thence, southeastwardly and southwestwardly around the perimeter of the said cemetery to the northwest corner of Bolton Street and E. Princess Anne Road; thence, southeastwardly along the northern R/W of E. Princess Anne Road to the western R/W of Courtney Avenue; thence, northeastwardly along said western R/W of Courtney Avenue to the northern R/W of Goff Street; thence, southeastwardly along said northern R/W of Goff Street to the western R/W of Hanson Avenue; thence, northeastwardly along the said western R/W of Hanson Avenue to the northern R/W of Cary Avenue; thence, southeastwardly along the said northern R/W of Cary Avenue to the western R/W of Marshall Avenue; thence, northeastwardly along said western R/W of Marshall Avenue to the northern terminus of Marshall Avenue; thence, eastwardly along said terminus of Marshall Avenue and its easterly prolongation thereof to the eastern line of 1525 St. Julian Avenue; thence, eastwardly along the southern lines of 1525 St. Julian Avenue to the southwestern corner of 1445 Roberts Road; thence, northeastwardly along the western line of 1445 Roberts Road to the southwestern corner of 1447 Roberts Road also being the property now or formerly Norfolk Southern Railroad Company; thence, along the southern line of said property line to the western R/W of Roberts Road; thence, eastwardly, across Roberts Road, along the said southern line of property now or formerly Pennsylvania Railroad Company to the western R/W of Vincent Avenue; thence, southwardly along said western R/W of Vincent Avenue to a point opposite the southern line of 2126 Vincent Avenue; thence, eastwardly and across Vincent Avenue to the point of beginning.

(13) *Five Points section.*

Beginning at the intersection of the southern right-of-way (R/W) of Nottaway Street and the northwestern R/W of Chesapeake Boulevard, said point being previously described in the New Enterprise Zone - Tidewater Drive Subsection description; thence, northeastwardly along the said northwestern R/W of Chesapeake Boulevard to the northern R/W of Norview Avenue; thence, westwardly along said northern R/W of Norview Avenue to the western line of 1126 Norview

Avenue; thence, northwardly along said western line of 1126 Norview Avenue and its northerly prolongation to a point on the northern R/W of Bland Street; thence, westwardly along the said northern R/W of Bland Street to the southern prolongation of the western line of 1125 Hugo Street; thence, northwardly along said western line of 1125 Hugo Street to the northern R/W of Hugo Street; thence, eastwardly along said northern R/W of Hugo Street to the western line of 1140 Hugo Street; thence, northwardly along said western line to the northwest corner of 1140 Hugo Street; thence, westwardly, northwardly and westwardly along the rear lines of 1136 Hugo Street to a point on the eastern line of 1129 Green Street; thence, northwardly along said eastern line of 1129 Green Street to the northern R/W of Green Street; thence, westwardly along said northern R/W of Green Street to the western line of 1118 Green Street; thence, northwardly and eastwardly along the western and northern lines of 1118 Green Street to the southwest corner of 6221 Sewells Point Road; thence, northwardly along the western line of 6221 Sewells Point Road to the northwest corner of 6221 Sewells Point Road; thence, eastwardly along said northern line of 6221 Sewells Point Road to the western R/W of Sewells Point Road; thence, northwardly along said western R/W of Sewells Point Road to the southern line of 6257 Sewells Point Road; thence, westwardly along said southern line to the western line of 6257 Sewells Point Road; thence, northwardly along said western line to the southern line of 6263 Sewells Point Road; thence, westwardly along said southern line to the western corner of 6263 Sewells Point Road; thence, northeastwardly along the northern and western lines of 6263 and 6267 Sewells Point Road to the western R/W of Sewells Point Road; thence northwestwardly along said western R/W of Sewells Point Road to a point opposite the northern line of 6324 Sewells Point Road; thence, northeastwardly across Sewells Point Road to the intersection of the northern line of 6324 Sewells Point Road and the eastern R/W of Sewells Point Road; thence, northeastwardly and southeastwardly along the northern line and the eastern line of 6324 Sewells Point Road to the northwest corner of 6331 Chesapeake Boulevard; thence, northeastwardly along the northern line of 6331 Chesapeake Boulevard to the western R/W of Chesapeake Boulevard; thence, southeastwardly along said western R/W of Chesapeake Boulevard to a point opposite the northern line of 6144 Chesapeake Boulevard; thence, eastwardly across Chesapeake Boulevard to the intersection of the northern line of 6144 Chesapeake Boulevard and the eastern R/W of Chesapeake Boulevard; thence, eastwardly, southeastwardly and southwestwardly along the northern, eastern and southern lines of 6144 Chesapeake Boulevard to the northeast corner of 6138 Chesapeake Boulevard; thence, southwardly along the eastern lines of 6138 and 6130 Chesapeake Boulevard and the southerly prolongation thereof to the southern R/W of Norview Avenue; thence, northeastwardly along said southern R/W of Norview Avenue to the intersection with the southern R/W of an access ramp to Interstate Highway 64; thence, southeastwardly along said R/W of the Interstate 64 access ramp to its intersection with the northern line of the Norview Canal; thence, southwestwardly along said northern line of the Norview Canal to the western R/W of Dey Street; thence, southeastwardly along said western R/W of Dey Street to the northern line of 3669 Dey Street; thence, southwestwardly along said northern line to the western line of 3669 Dey Street; thence, southeastwardly along said western line of 3669 Dey Street and the southeastwardly prolongation thereof to the northern R/W of Hampshire Avenue; thence, southwestwardly along said northern R/W of Hampshire Avenue and across Sewells Point Road to the intersection of the said northern R/W of Hampshire Avenue and the western line of 3649 Sewells Point Road; thence, northwestwardly along said western line of 3649 Sewells Point Road and the northwesterly prolongation thereof to the northwest corner of 3671 Sewells Point Road; thence, southwestwardly, northwestwardly, southwestwardly and northwestwardly along the western and southern lines of 3675 Sewells Point Road to the southern R/W of Chesapeake Boulevard; thence, southwestwardly along said southern R/W of Chesapeake Boulevard to the eastern line of 5822 Chesapeake Boulevard; thence southeastwardly along said eastern line to the southern corner of 5830 Chesapeake Boulevard; thence, southwestwardly

and southeastwardly along the southern and eastern lines of 5822 Chesapeake Boulevard to the northern corner of 4582 Hampshire Avenue; thence, southwestwardly along the northwestern line of 4582 Hampshire Avenue and its southwesterly prolongation thereof to the northeastern R/W of Lenoir Circle; thence, southwestwardly across Lenoir Circle to the intersection of the southeastern line of 5750 Chesapeake Boulevard and the southwestern R/W of Lenoir Circle; thence, southwestwardly along said southeastern line and northwestwardly along the southwestern line of 5750 Chesapeake Boulevard to the southeastern R/W of Chesapeake Boulevard; thence, southwestwardly along said southeastern R/W of Chesapeake Boulevard to the southern R/W of Nottaway Street; thence, northwestwardly across Chesapeake Boulevard to the point of beginning.

(14) *Tidewater Drive section.*

Beginning at the intersection of the western right-of-way (R/W) line of Interstate Highway 64 and the centerline (CL) of Thole Street, said point being described in the New Enterprise Zone—Wards Corner Subsection; thence, southwardly to the western R/W of Tidewater Drive Service Road; thence southwardly along said western R/W of Tidewater Drive Service Road to the dividing line between 6945 and 6955 Tidewater Drive; thence, along the northeastwardly prolongation of the said dividing line between 6945 and 6955 Tidewater Drive across Tidewater Drive to a point on the eastern R/W of Interstate Highway 64; thence, northeastwardly along said R/W of Interstate Highway 64 to the eastern line of 818 Widgeon Road; thence, southeastwardly and eastwardly along said eastern line of 818 Widgeon Road to the western line of 830 Widgeon Road; thence, southeastwardly along said western line of 830 Widgeon Road to the northern R/W of Widgeon Road; thence, southwestwardly along said northern R/W of Widgeon Road to a point on the eastern R/W of Tidewater Drive; thence, westerly across Tidewater Drive to the southeast corner of 6945 Tidewater Drive; thence southwestwardly along said western R/W of Tidewater Drive to its intersection with the eastern R/W line of Norfolk & Southern Railroad; thence, southeastwardly along said eastern R/W of Norfolk & Southern Railroad to the southern R/W of Philpotts Road; thence, northeastwardly along said southern R/W line of Philpotts Road to the eastern line of 835 Philpotts Road; thence, southwardly, along said eastern line of 835 Philpotts Road to the southern-most point of 835 Philpotts Road on the eastern line of 840 Norview Avenue; thence, southeastwardly along said eastern line of 840 Norview Avenue to the northeast corner of 850 Norview Avenue; thence, meandering southwardly along the eastern line of 850 Norview Avenue to the northern R/W of Norview Avenue; thence, northwestwardly along said northern R/W line of Norview Avenue to the eastern R/W of Norfolk & Southern Railroad; thence, southeastwardly along said eastern R/W of Norfolk & Southern Railroad to the northwest corner of 3587 Argonne Avenue; thence, continuing along said eastern R/W to the northwest corner 3307 Chesapeake Boulevard; thence, westerly across the said Norfolk & Southern Railroad R/W on the prolongation of the northern line of 3307 Chesapeake Boulevard; thence, northwestwardly along said western R/W of Norfolk & Southern Railroad across Norview Avenue to the southern-most corner of 6300 Tidewater Drive; thence, northeastwardly across the R/W of Norfolk & Southern Railroad to the southern R/W of Philpotts Road; thence, southwestwardly across the R/W of Norfolk & Southern Railroad to the intersection of the western R/W of Tidewater Drive and the northern R/W of Muskogee Avenue; thence, northwestwardly along said northern R/W of Muskogee Avenue to the western line of 6401 Tidewater Drive; thence, northeastwardly along said western line of 6401 Tidewater Drive and the western line of 6431 Tidewater Drive to the western line of 6435 Tidewater Drive; said western line being the eastern line of a branch of the Lafayette River; thence, meandering northwardly along the said eastern line of a branch of the Lafayette River to a point on the western R/W of Norfolk & Southern Railroad; thence, northwestwardly along said western R/W of Norfolk & Southern Railroad to the CL of Thole Street; thence, southeastwardly along said CL of Thole Street to the point of beginning.

(15) *Central Business Park section.*

Beginning at the intersection of the western right-of-way (R/W) line of Tidewater Drive and the dividing line between 6945 and 6955 Tidewater Drive, said point being described in the New Enterprise Zone—Tidewater Drive Subsection; thence, northwardly along said western R/W of Tidewater Drive to the northern R/W of Gladstone Road; thence, northwestwardly along said northern R/W of Gladstone Road to the western line of 644 Gladstone Road; thence, northeastwardly along said western line of 644 Gladstone Road to the southern line of 7431 Tidewater Drive; thence, northwestwardly along said southern line of 7431 Tidewater Drive to the western line of said 7431 Tidewater Drive; thence, northeastwardly along said western line of 7431 Tidewater Drive and its northeasterly prolongation to the northern R/W of Biltmore Road; thence, northwestwardly along said northern R/W of Biltmore Road to the southern-most corner of 7446 Wellington Road; thence, northeastwardly along the southern line of said 7446 Wellington Road to the western line of 7445 Tidewater Drive, said western line being the centerline (CL) of the 7400 block of Tidewater Drive and Wellington Road; thence, northeastwardly along said CL of said 7400 block of Tidewater Drive and Wellington Road to the southeast corner of 7486 Wellington Road; thence, northwestwardly along the southern line of 7486 Wellington Road to the eastern R/W of Wellington Road; thence, northeastwardly along said eastern R/W of Wellington Road to the northern R/W of Stanley Street; thence, southeastwardly along said northern R/W of Stanley Street across Tidewater Drive to the intersection of the eastern R/W of Tidewater Drive and the northern R/W of Central Business Park Drive; thence, meandering eastwardly along said northern R/W of Central Business Park Drive to the northern line of 7460 Central Business Park Drive; thence, eastwardly along said northern line of 7460 Central Business Park Drive to the eastern line of said 7460 Central Business Park Drive; thence, southeastwardly along said eastern line of 7460 Central Business Park Drive and its southeastward prolongation to the southwest corner of 7419 Sewells Point Road; thence, northeastwardly along the southern line of said 7419 Sewells Point Road to the western R/W of Sewells Point Road; thence, southeastwardly along said western R/W of Sewells Point Road, across Denison Avenue to the southern line of 985 Denison Avenue; thence, southwestwardly along the following three southern lines: 985 Denison Avenue, 965 Denison Avenue and 935 Denison Avenue to the eastern line of 925 Denison Avenue; thence, westwardly along the southern line of 925 Denison Avenue to the western line of 925 Denison Avenue; thence, northwestwardly and northeastwardly along the western and northern lines of 910 Denison Avenue to the northern-most corner of said 910 Denison Avenue; thence, northwestwardly along the western line of 7421 Central Business Park Drive and the northwestern prolongation of said western line to a point on the western R/W of Asbury Avenue; thence northwestwardly along said western R/W of Asbury Avenue to the southern line of the present 900 Asbury Drive; thence, southwestwardly along said southern line of 900 Asbury Drive to a point on said southern line at its intersection with the southerly extension of the eastern line of 7671 Central Business Park Drive; thence, northwestwardly along said southern line at its intersection with the southerly extension of the eastern line of 7671 Central Business Park Drive and the eastern line of 7671 Central Business Park Drive to the southern R/W of Central Business Park Drive; thence, meandering northwestwardly, southeasterly and northwestwardly along said southern R/W of Central Business Park Drive to the eastern line of 722 Miller Street; thence, southwestwardly along said eastern line of 722 Miller Street to the northern R/W of Miller Street; thence, northwestwardly along said northern R/W of Miller Street to a point opposite the western line of 719 Miller Street; thence, southwestwardly across Miller Street to the intersection of the southern R/W of Miller Street and the western line of 719 Miller Street; thence, southwestwardly along said western line of 719 Miller Street to the southwest corner of said 719 Miller Street; thence, southeastwardly along the southern line of said 719 Miller Street to the western line of 720 Guy Avenue; thence, southwestwardly along said western line of 720 Guy Street and its southwestern prolongation to the

southern R/W of Guy Street; thence, northwestwardly along said southern R/W of Guy Street to the eastern line of 7456 Tidewater Drive; thence, southwestwardly along said eastern line of 7456 Tidewater Drive to the southeast corner of 7450 Tidewater Drive; thence, southeastwardly along the northern line of 7442 Tidewater Drive to the northeast corner of said 7442 Tidewater Drive; thence, southwestwardly along the eastern line of said 7442 Tidewater Drive to the southeast corner of 7442 Tidewater Drive; thence, northwestwardly along the southern line of 7442 Tidewater Drive to the eastern line of 7434 Tidewater Drive; thence, southwestwardly along said eastern line of 7434 Tidewater Drive to the northern line of 7428 Tidewater Drive; thence, southeastwardly along said northern line of 7428 Tidewater Drive to the northeast corner of 7428 Tidewater Drive; thence, southwestwardly along the eastern line of 7428 Tidewater Drive to the northern R/W of Easy Street; thence, northwestwardly along said northern R/W of Easy Street to a point opposite the eastern line of 703 Easy Street; thence, southwestwardly across Easy Street to the intersection of the southern line of Easy Street and the eastern line of 703 Easy Street; thence, southwestwardly along the said eastern line of 703 Easy Street to the southeast corner of 703 Easy Street; thence northwestwardly along the southern lines of 703 Easy Street and 7424 Tidewater Drive to the eastern R/W of Tidewater Drive; thence, southwardly along said eastern R/W of Tidewater Drive to a point opposite the intersection of the western R/W of Tidewater Drive and the dividing line between 6945 and 6955 Tidewater Drive; thence, westwardly and across Tidewater Drive to the point of beginning.

(16) *Wards Corner section.*

Beginning at the intersection of the southern right-of-way (R/W) of W. Little Creek Road and the southern prolongation across W. Little Creek Road of the eastern R/W of Lankford Avenue; thence, northwardly along said eastern R/W of Lankford Avenue and its prolongation northwardly to the southern R/W of Norfolk & Southern Railroad; thence, southeastwardly along said railroad R/W to the eastern R/W of Granby Street; thence, northwardly along said eastern R/W of Granby Street to the southern R/W of E. Admiral Taussig Boulevard; thence, southeastwardly along said southern R/W of E. Admiral Taussig Boulevard to the southern R/W of E. Little Creek Road; thence, northeastwardly along said R/W of Little Creek Road to the western R/W of Interstate Highway 64; thence, southeastwardly along said western R/W of Interstate Highway 64 to the CL of Thole Street; thence westwardly along said CL of Thole Street to the eastern R/W of the Norfolk & Southern Railroad; thence, northwestwardly along said eastern railroad R/W to the southern R/W of E. Little Creek Road; thence, southwestwardly along said southern R/W of E. Little Creek Road to the western R/W of said Norfolk & Southern Railroad; thence, southeastwardly along said railroad R/W to the dividing line between 7550 and 7552 Yorktown Drive; thence, southwestwardly along said dividing line to the eastern R/W of said Yorktown Drive; thence, northwestwardly along said eastern R/W of Yorktown Drive to the southern R/W of E. Little Creek Road; thence, southwestwardly along said R/W of E. Little Creek Road to the western R/W of Virginian Drive; thence, southeastwardly along the said western R/W of Virginian Drive to the dividing line between the previous addresses known as 7541 and 7543 Virginian Drive; thence, southwestwardly along said dividing line to the western line of the previous address known as 7541 Virginian Drive; thence, southwardly and southeastwardly along the western and southern lines of the previous address known as 7541 Virginian Drive to the dividing line between the previous addresses known as 7539 Virginian Drive and 136 Louisiana Drive; thence, southwardly along said dividing line to the northern R/W of Louisiana Drive; thence, westwardly along said northern R/W of Louisiana Drive to a point opposite the dividing line between 111 and 115 Louisiana Drive; thence, southwestwardly across Louisiana Drive to the said dividing line between 111 and 115 Louisiana Drive; thence, southwestwardly along said dividing line to the southern line of 115 Louisiana Drive; thence, southeastwardly along said southern line of 115 Louisiana Drive to the dividing line between 106 and 112 Cromwell Parkway; thence, southwestwardly along said dividing line to the northern R/W of Cromwell

Parkway; thence, northwestwardly to the eastern R/W of Granby Street; thence, southwestwardly across Granby Street to the intersection of the western R/W of Granby Street and the northern R/W of North Shore Road; thence, westwardly along said northern R/W of North Shore Road to the dividing line between 108 and 114 North Shore Road; thence, northwardly along said dividing line to the northern line of 108 North Shore Road; thence eastwardly along said northern line to the eastern line of 109 Maycox Avenue; thence, northwardly along said eastern line to the northern R/W of Maycox Avenue; thence, westwardly along said northern R/W of Maycox Avenue to the dividing line between 110 and 116 Maycox Avenue; thence, northwardly along said dividing line to the northern line of said 110 Maycox Avenue; thence, eastwardly along said northern line of 110 Maycox Avenue to the southeast corner of 101 Burleigh Avenue; thence, northeastwardly along the eastern line of said 101 Burleigh Avenue and across Burleigh Avenue to the northern R/W of Burleigh Avenue; thence, westwardly along said northern R/W to the dividing line between 112 and 114 Burleigh Avenue; thence, northwardly along said dividing line to the southern line of 129 through 143 W. Little Creek Road; thence, westwardly along said southern line to the eastern R/W of Colonial Avenue; thence, northwardly along said eastern R/W of Colonial Avenue to the southern R/W of W. Little Creek Road; thence, eastwardly along said southern R/W to the point of beginning.

(17) *Chelsea section.*

Beginning at the intersection of the southern line of the Elizabeth River Trail and the eastern line of the Midtown Tunnel, said point being previously described in the New Enterprise Zone—Fort Norfolk Subsection description; thence, northwestwardly along said southern line of the Elizabeth River Trail to the western line of the Midtown Tunnel; thence, southwestwardly along said western line of the Midtown Tunnel to the mean low water of the Elizabeth River; thence, meandering northwestwardly along said mean low water of the Elizabeth River to the mean low water at the east side of a warehouse pier approximately 475 feet east of the western line of Orapax Avenue extended to said mean low water; thence, southwestwardly, eastwardly, northeastwardly and northwestwardly along the mean low water around said warehouse pier to the western line of the subdivision of Chelsea extended to the mean low water; thence, northeastwardly along said western line of said subdivision of Chelsea to the southern line of Redgate Avenue in the tracks of Norfolk and Southern; thence, along said tracks of Norfolk & Southern to its intersection with the southern line of 1307 Boissevain Avenue; thence southeastwardly to the southwest corner of 1307 Boissevain Avenue; thence, northeastwardly along the western line of 1307 Boissevain Avenue to the northern line of Boissevain Avenue; thence, northwestwardly along said northern line of Boissevain Avenue to the southwest corner of 1314 Boissevain Avenue; thence, northeastwardly along the western line of said 1314 Boissevain Avenue to the southwest corner of 1309 Raleigh Avenue; thence, northwestwardly along the western line of 1309 Raleigh Avenue to the southern line of Raleigh Avenue; thence, northerly across said Raleigh Avenue to the southwest corner of 1318 Raleigh Avenue; thence, northeastwardly along the western line of 1318 Raleigh Avenue to the southern line of 1323 Redgate Avenue; thence, northwestwardly along said southern line of 1323 Redgate Avenue extended to the southwest corner of 1331 Redgate Avenue; thence, northeastwardly along the western line of 1331 Redgate Avenue to the southern line of Redgate Avenue; thence, southeastwardly along said southern line of Redgate Avenue to the eastern line of 816 Orapax Avenue; thence, southwestwardly along the eastern line of 816 Orapax Avenue to the northern line of 804 Orapax Avenue; thence, southeastwardly along said northern line of 894 Orapax Avenue extended to the western line of Claremont Avenue; thence, southwestwardly along said western line of Claremont Avenue to a center point between Raleigh Avenue and Boissevain Avenue; thence, southeastwardly along the center line between Raleigh Avenue and Boissevain Avenue to the western line of Matoka Avenue; thence, southwestwardly along said western line of Matoka Avenue to the western line of the Midtown Tunnel; thence, southeastwardly to the northwest corner of property of Norfolk Redevelopment and Housing (GPIN: 1428404723) on the eastern line of the

Midtown Tunnel; thence, southwestwardly along said eastern line to the Midtown Tunnel to the Point of beginning.
(Ord. No. 48,419, § 2, 6-22-21)

Sec. 45.5-5. Local urban enterprise incentives.

(a) *Permit fee reductions.* Notwithstanding any other provisions of this Code and pursuant to the authority of Code of Virginia, § 59.1-543, as amended, no qualified business firm as defined in this chapter shall be required to pay more than fifty (50) percent of the fee for obtaining a building, electrical, mechanical, or plumbing permit required to undertake work on property located in the zone. Such reduction in fee shall be available to said qualified business firm only once as to each of the enumerated trades.

(b) *Business, professional, occupational license tax reductions.* Notwithstanding any other provision of this Code and pursuant to the authority of Code of Virginia, § 59.1-543, as amended, any qualified business firm is eligible for reduction of its business, professional and occupational license tax. Reduction of the license tax shall begin as of the date of certification of a firm as a qualified business by the department of development of the city.

(c) *Utility tax reductions.*

(1) Notwithstanding any other provision of this Code and pursuant to the authority of Code of Virginia, § 59.1-543, as amended, any qualified business firm is eligible for reduction of its utility taxes on electricity, gas, telephone and water service. Reduction of the tax shall begin as of the date of certification of a firm as a qualified business by the department of development of the city.

(2) A qualified business firm shall receive the benefit of the reduction provided in subparagraph (1) by refund from the city of the portion of the utility tax paid by such qualified business firm which is in excess of the amount of tax due after allowance of the reduction provided in said subparagraph (1), said refund to be made in the manner prescribed by the city manager.

(d) *[Schedule.]* The license tax and the utility tax shall be reduced according to the following schedule:

Time Period	*Percent Reduction*
Year 1	50
Year 2	40
Year 3	30
Year 4	20
Year 5	10

(e) *Five-year period.* The tax deductions under this section shall be allowable to a qualified business firm for only five (5) consecutive taxable years beginning with the first taxable year in which the firm qualifies. If a firm fails to become qualified for any taxable year during said five-year period, it forfeits the right to request tax reductions under this section for that year.

(f) *Responsibility of firm to apply.* It shall be the responsibility of the qualified business firm to make application for the tax and permit fee reductions authorized in this chapter.

(g) *Termination.* The local urban enterprise incentives established in this chapter may be terminated at any time by duly adopted ordinance of the council of the city. However, any such termination shall not divest any qualified business firm of any benefits under this chapter for any year in which it had qualified prior to the adoption of said ordinance.
(Ord. No. 48,419, § 2, 6-22-21)

Chapter 45.6

TECHNOLOGY ZONES*

Article I. In General

§ 45.6-1. Purpose and intent.
§ 45.6-2. Administration.
§ 45.6-3. Burden.
§ 45.6-4. Definitions.
§ 45.6-5. Boundaries of technology zones.
§ 45.6-6. Technology zone incentives.
§ 45.6-7. Procedures to obtain technology zone incentives.
§ 45.6-8. Nonwaiver.
§ 45.6-9. City manager or designee.

*__Editor's note—__Ord. No. 47,542, § 1, adopted Feb. 26, 2019, amended Ch. 45.6 in its entirety to read as herein set out. Former Ch. 45.6, §§ 45.6-1—45.6-8, pertained to similar subject matter, and derived from Ord. No. 46,385, § 17, adopted May 17, 2016, effective July 1, 2016.

ARTICLE I. IN GENERAL

Sec. 45.6-1. Purpose and intent.

In order to foster the development and location of new technology businesses in the city, which will increase capital investment and create jobs, the council finds that the establishment of technology zones pursuant to § 58.1-3850 of the Code of Virginia, 1950, as amended, is necessary.
(Ord. No. 47,542, § 1, 2-26-19)

Sec. 45.6-2. Administration.

The city manager shall develop and publish procedures for applying for the benefits afforded by this chapter and for the administration of this article. Any application required by this chapter shall be on forms approved by the city manager. The city manager will review the criteria and incentives for the technology zone program annually to assure alignment with city priorities and economic development strategy and shall make recommendations to council if it is determined that the criteria or incentives should be modified.
(Ord. No. 47,542, § 1, 2-26-19)

Sec. 45.6-3. Burden.

A business applying for the benefits afforded by this chapter shall have the burden of proving qualification, shall apply for certification as a qualified technology business, as hereinafter defined, on an annual basis, and shall demonstrate annually that it continues to operate as a qualified technology business. No application submitted under this chapter shall be approved if the applicant is not then current in payment of all taxes and fees due the city.
(Ord. No. 47,542, § 1, 2-26-19)

Sec. 45.6-4. Definitions.

For purposes of this chapter, the following words and phrases shall have the following meanings, unless indicated to the contrary:

(1) *"Definite place of business"* means an office or a fixed location within a technology zone where a regular and continuous course of dealing occurs over a period of thirty (30) or more consecutive days.

(2) *"Divested technology business"* means a new business resulting from the divestiture by an existing technology business located within the city of a subsidiary technology business when the subsidiary technology business is purchased or otherwise acquired by a new owner that is not an affiliate of the existing technology business and the resulting new technology business must, as a result of its divestiture, relocate from its existing place of business in the city to a new place of business and subsequently conduct business in a technology zone for eighteen (18) consecutive months.

(3) *"Expansion technology business"* means an existing technology business located within a technology zone that meets the new jobs incentive threshold criteria set forth in section 45.6-4(5).

(4) *"New technology business"* means a technology business that either (a) establishes its initial definite place of business in a technology zone and thereafter maintains its principal definite place of business within the boundaries of a technology zone or (b) an existing business with no definite place of business in the city before establishing a definite place of business in a technology zone and thereafter maintains its principal definite place of business in a technology zone.

(5) *"Qualified technology business"* means (1) either a new technology business or a divested technology business that (a) is within the boundaries of a technology zone established in this chapter and (b) either creates at least five (5) new full-time jobs or makes a capital investment of at least two hundred thousand dollars ($200,000.00) in either (i) tangible personal property or machinery and tools or (ii) real estate improvements used exclusively in such business, or any combination thereof or (2) an expansion technology business (a) that is within the boundaries of a technology zone established in this chapter and (b) for

businesses with twenty (20) or fewer full-time employees, creates five (5) net new jobs in any calendar year or, for businesses with over twenty (20) full-time employees, creates net new jobs in any calendar year equal to twenty-five percent (25%) of its total number of full-time employees. The baseline number of employees is determined by the average number of employees reported to the Virginia Employment Commission in December of the year prior to the increase. The new jobs created and capital investment must be located at the business' definite place of business in a technology zone. The full-time job requirement may be met with part-time jobs using a full-time equivalency of forty (40) hours per week.

(6) *"Technology business"* means a business that derives its gross receipts primarily from the sale, lease, license or provision of innovative or advanced technology based products, processes or services created, designed, developed, produced, manufactured or performed by such business. Products, processes and services shall incorporate or support the use of innovative or advanced technologies having applications in one or more of the following categories: (1) cybersecurity, personal security and property security; (2) sea level rise and recurrent flooding; (3) medical devices, medical diagnostics, pharmaceuticals, biotechnology, biochemical engineering and other life sciences and health care technologies; (4) advanced materials and advanced manufacturing; (5) computer hardware and software; (6) electronics and instrumentation; (7) photonics and sensors; (8) internet and e-commerce; (9) educational and training technologies, including modeling and simulation; (10) bio-informatics and data analytics; (11) logistics and maritime commerce; (12) information technology, telecommunications and wireless technologies; (13) green technologies, renewable energy research and development, and energy conservation; (14) advanced transportation technologies; (15) nanotechnology; (16) financial technology; and (17) aerospace engineering, systems, and products and parts manufacturing. The use of computers, telecommunications services, or a web page or internet site shall not, in itself, be sufficient to qualify as a technology business.

(Ord. No. 47,542, § 1, 2-26-19)

Sec. 45.6-5. Boundaries of technology zones.

The boundaries of the city's technology zones are hereby established as shown on the "technology zone map" attached hereto as exhibit A. The technology zone map is hereby declared to be a part of this chapter and to have the same force and effect as if it were fully set forth and described herein. The technology zone map shall be kept on file in the city manager's office or other designated city departments.

(Ord. No. 47,542, § 1, 2-26-19)

Sec. 45.6-6. Technology zone incentives.

(1) *Business professional and occupational license tax.* Notwithstanding any other provision of the Norfolk City Code and pursuant to § 58.1-3850 of the Code of Virginia, 1950, as amended, any business that is certified as a qualified technology business shall be entitled to a reduction of its business, professional and occupational license tax imposed by Chapter 24, Article II-A of the Norfolk City Code against gross receipts derived from its technology business as follows:

(a) If the qualified technology business is a new technology business, then:

One hundred percent (100%) reduction in the calendar year during which the business is certified as a qualified technology business;

One hundred percent (100%) reduction in year two of certification;

Fifty percent (50%) reduction in year three of certification;

Fifty percent (50%) reduction in year four of certification; and

Fifty percent (50%) reduction in year five of certification.

(b) If the qualified technology business is a divested technology business, then:

One hundred percent (100%) reduction in the calendar year during which the business is certified as a qualified technology business, prorated as of the effective date of its certification as a qualified technology business;

One hundred percent (100%) reduction in year two of certification; and

One hundred percent (100%) reduction in year three of operation but only for such period of time that makes the total duration of the benefits afforded by this chapter to such divested technology business equal to two (2) years.

(c) If the technology business is an expansion technology business, then:

Fifty percent (50%) reduction in each business tax year for which the new jobs incentive threshold is met but in no event shall the benefits afforded to the expansion technology business be provided more than five (5) business tax years in any consecutive ten (10) year period after the business' initial application for certification.

(d) In no event shall the benefits afforded to a qualified technology business pursuant to this chapter 45.6 be greater than one hundred thousand dollars ($100,000.00) in any given year of certification, and a qualified technology business may not roll over any benefits which are in excess of such one hundred thousand dollars ($100,000.00) cap or which are not provided due to the five (5) year cap on expansion technology businesses to any successive years.

(2) *Machinery and tools tax.* Notwithstanding any other provision of the Norfolk City Code and pursuant to § 58.1-3850 of the Code of Virginia, 1950, as amended, any advanced manufacturing business that is not subject to business professional and occupational license tax and that is certified as a qualified technology business shall be entitled to a reduction of its machinery and tools tax imposed by section 24-3 of the Norfolk City Code against gross receipts derived from its technology business by an amount equal to the amount such qualified technology business would have received under section 45.6-6(1) above if it were subject to business professional and occupational license tax; provided, however, if such benefit amount is greater than the machinery and tools tax that would otherwise be payable by such qualified technology business, such excess amount may not be rolled over to any subsequent year, and in any event the benefits provided are subject to the limitation of section 45.6-6(1)(d) above.

(3) *Planning, zoning and building permit fees waivers.* Notwithstanding any other provision of the Norfolk City Code and pursuant to [Code of Virginia,] § 59.1-543, as amended, no qualified technology business as defined in this chapter shall be required to pay more than fifty (50) percent of the fee for obtaining planning, zoning and building permit fees required to undertake work on property located in the zone that is related to its technology business as follows:

(a) *Building permit fee schedule:*

i. *Administrative fees waiver.* Appeal to the board of building code appeals; re-inspection fee; changes or corrections to the application or approved plans; certificate of occupancy or certificate of compliance; and temporary C.O. for thirty (30) days.

ii. *Building plan review fees waiver.* New construction, alterations, and repairs; fire protection systems (includes all fire protection systems and alarms); and commercial fences, riprap, bulkheads, piers and similar accessory structures (includes signs, elevators, communication towers, pump stations, vaults).

iii. *Building permit/inspection fees waiver.* New construction (including additions), alterations, and repairs; demolition (any building or structure); hydraulic elevators; trac-

tion elevators; escalators/moving walkways; miscellaneous elevators (chair lifts, dumbwaiters, pneumatics, material lifts, etc.); commercial bulkhead and piers; re-roof and siding (commercial); and signs (new or alteration or modification of an existing sign).

iv. *Electrical fees waiver.* Electrical service (single-phase or three phases); and temporary release temporary electrical construction pole.

v. *Mechanical fees waiver.* Burner replacement; chiller; cooling tower/water tower; commercial hoods; condensate; hydronic piping; air conditioning equipment; boiler; combination unit; furnace; heat pump; space heater; replacement water heater; gas line; regulated equipment not addressed; air handler; commercial clothes dryer; kitchen cooking equipment; refrigerator equipment; dispenser; air distribution system; exhaust duct system; fan exhaust; make up air; fire/smoke dampers; fueling piping system; gas light; VAV box; ventilation duct system; and medical gas piping.

vi. Plumbing fees waiver. Plumbing equipment/fixtures/piping systems (indoor); plumbing site work (outdoor); backflow device; and sewer caps.

(b) *Fee schedule for planning and zoning applications:*

i. *Architectural review board fees waiver.* Certificate of appropriateness; and design review (under Norfolk City Code section 32-63).

ii. *City planning commission fees waiver.* Conditional use permit; rezoning/conditional rezoning; zoning text amendment; general plan amendment (with or without concurrent application); and development certificate (with or without waivers and right-of-way closures).

iii. *Board of zoning appeals fees waiver.* Variance/appeal; wetlands board/environmental; wetlands permit and land disturbance permit.

iv. *Staff review/approval fees waiver.* Ownership review request/buildable lot letter; zoning compliance letter; nonconforming zoning lot review (lots greater than 37.5 ft. in width); nonconforming zoning lot review (lots less than 37.5 ft. in width); site plan review (major); site plan review (minor); and moving storage container registration.

(Ord. No. 47,542, § 1, 2-26-19; Ord. No. 48,418, § 1, 6-22-21)

Sec. 45.6-7. Procedures to obtain technology zone incentives.

It shall be the responsibility of the qualified technology business to apply for certification, to obtain the necessary business license, and to provide the necessary information in order to obtain the benefits afforded by this chapter.

To qualify for the benefits afforded by this chapter, a business must apply to the city manager to be certified as a qualified technology business.

A new technology business must apply to be certified as a qualified technology business within six (6) months after obtaining a business license, except that a new technology businesses that obtained a business license after January 1, 2017 shall have until the later of August 31, 2019 or that date which is six (6) months after obtaining a business license to apply to be certified.

A divested technology businesses must apply to be certified as a qualified technology business within six (6) months after its divestiture.

An expansion technology business must apply to qualify as a qualified technology business within six (6) months after the calendar year in which the qualifying expansion occurred.

The tax reduction shall begin as of the month of certification of a technology business as a qualified technology business by the city manager. The effective date of any certification of a divested technology business as a qualified technology business shall be no earlier than eighteen (18) months after the date of its relocation and commencement of business operations in a new definite place of business in a technology zone. To maintain eligibility for the tax reduction after the year of its initial certification as a qualified technology business, the business must reapply annually to the city manager to demonstrate that it continues to be a qualified technology business. The tax reduction provided in this section shall apply to a qualified technology business that is a new technology business for no more than five (5) calendar years, including any partial initial calendar year, and to a qualified technology business that is a divested technology business for two (2) years from the date of certification.

A business certified to be a qualified technology business must have a business license and pay the applicable fee, and is subject to the provisions of Norfolk City Code section 24-25.9(b). In order to receive a tax reduction under this section, the qualified technology business shall file a business license application annually with the commissioner of the revenue and shall provide the commissioner with an annual certification from the city manager that the business is a qualified technology business. The amount of gross receipts estimated to be earned from qualified technology business activities shall be set out in the license application and shall be subject to verification by the commissioner of the revenue by audit or inspection of documents. All business license tax reductions are subject to adjustment by the commissioner of the revenue based on actual gross receipts earned from qualifying technology business activities. If a business is certified as a qualified technology business prior to payment of its business license tax liability to the city, such tax liability shall be reduced according to the schedule above. If a business is certified a qualified technology business after it has paid its business license tax liability to the city in full, it shall receive a refund, without interest, in accordance with the schedule above. No local taxes or fees may be outstanding at the time of application for the business license and reduction.

If a business ceases to be a qualified technology business during a calendar year in which tax reductions apply, business license taxes shall be payable at one hundred percent (100%) of the tax amount imposed by Chapter 24, Article II-A of the Norfolk City Code from the month the business ceased to be qualified until the end of the calendar year.

The entitlement to any license tax reduction authorized in this section shall be conditioned upon the applicant paying any tax or fee imposed by the city by the date upon which the tax or fee is due. In the event a qualified technology business is or becomes thirty (30) or more days delinquent on any local tax or fee, such business automatically forfeits any entitlement to any tax reduction authorized in this chapter.
(Ord. No. 47,542, § 1, 2-26-19)

Sec. 45.6-8. Nonwaiver.

Unless stated otherwise herein, nothing in this chapter shall be construed as a waiver of the right of the city to enforce its ordinances, regulations or policies or to collect any taxes, fees, fines, penalties or interest imposed by law on a qualified technology business or upon real or personal property owned or leased by a qualified technology business.
(Ord. No. 47,542, § 1, 2-26-19)

Sec. 45.6-9. City manager or designee.

Whenever used in this chapter 45.6, the term city manager shall mean the city manager or the city manager's designee.
(Ord. No. 47,542, § 1, 2-26-19)

Chapter 45.7

DOWNTOWN ARTS AND CULTURAL DISTRICT

Article I. Downtown Arts and Cultural District

§ 45.7-1. Intent.
§ 45.7-2. Establishment of the Downtown Arts and Cultural District, and boundaries.
§ 45.7-3. Definitions.
§ 45.7-4. Administration.
§ 45.7-5. Eligibility requirements.
§ 45.7-6. Compliance with laws.
§ 45.7-7. Available incentives.
§ 45.7-8. BPOL tax reduction.
§ 45.7-9. Permit fee exemption.
§ 45.7-10. Change in circumstances.

ARTICLE I. DOWNTOWN ARTS AND CULTURAL DISTRICT

Sec. 45.7-1. Intent.

It is the intent of the council in establishing the Downtown Arts and Cultural District to increase awareness and support for the arts and culture in the city, which will serve to support and create arts and cultural venues in the city, to increase capital investment and create jobs, and to promote Norfolk as the arts and cultural center of the region. The council believes that establishment of an arts and cultural district will benefit the welfare of the citizens of Norfolk.
(Ord. No. 47,676, § 1, 6-11-19, eff. 7-1-19)

Sec. 45.7-2. Establishment of the Downtown Arts and Cultural District, and boundaries.

The Downtown Arts and Cultural District is hereby established. The Downtown Arts and Cultural District shall consist of the area shown on the map attached to this chapter. Any lot, piece, or parcel of land not wholly contained within the boundaries of the area shown on the maps attached to this chapter shall not be part of the Downtown Arts and Cultural District. The designation of the area as an arts and cultural district (hereinafter referred to as the "district") shall not in any respect override any applicable City Code regulatory requirements including, but not limited to zoning regulations, fire code, nuisance, and building and property maintenance codes.
(Ord. No. 47,676, § 1, 6-11-19, eff. 7-1-19)

Editor's note—The map, referenced above, is not set out herein, but is on file and available for inspection in the city offices.

Sec. 45.7-3. Definitions.

For the purposes of this chapter, and unless otherwise indicated to the contrary, the following term(s) shall have the following meaning(s):

(a) *"District administrator"* means the city manager, or another employee of the city as designated by the city manager, who shall serve as the administrator for the district.

(b) *"Qualified arts organization"* shall mean a business for profit or not-for-profit organization physically located within the district which, by the determination of the district administrator in accordance with this chapter, positively contributes to the spectrum of arts and cultural activities and venues available to the public by presenting live performances of theatre, dance, music, or other imaginative work and/or producing or exhibiting physical works created by, or under the direction of one or more artists, which are intended for unique production or limited reproduction. Museums or historic sites, the primary mission of which is education, history, or historic preservation, may also qualify as qualified arts organizations. Theaters, including movie theaters, art galleries, dance studios, music venues, performance spaces, art schools and academies, including culinary arts schools and academies, and graphic art design businesses are examples of qualified arts organizations.

In no case shall a restaurant, hair or nail salon, or an office use such as an architect, advertising agency, bank, real estate office, medical office, attorney's office or any other general office use qualify as a qualified arts organization for the purposes of this chapter. Additionally, in no case shall a retail art establishment qualify as a qualified arts organization for the purposes of this chapter unless the retail art establishment creates or exhibits visual or performing art such as painting, sculpture, textiles, dance, photography or music which is intended for unique production or limited reproduction, and the retail art establishment derives greater than fifty percent (50%) of its income from these art activities.

When applying for any benefit afforded under this chapter, the applicant shall have the burden of proving qualification as a qualified arts organization. The incentives in this chapter shall not extend beyond the time limits set forth in this

chapter unless the district administrator determines that a successor organization or assignee of an original qualified arts organization is owned and operated by a wholly separate and different entity than the original qualified arts organization. In such case, the new entity shall submit a separate application under this chapter.

(c) *"Redevelopment"* means any expansion, addition, facade change or other physical improvement to a property primarily housing a qualified arts organization that increases the assessed value of the property.

(Ord. No. 47,676, § 1, 6-11-19, eff. 7-1-19)

Sec. 45.7-4. Administration.

The district administrator shall be responsible for administration of this chapter and shall determine the procedures for applying for and obtaining the incentives provided herein.

(Ord. No. 47,676, § 1, 6-11-19, eff. 7-1-19)

Sec. 45.7-5. Eligibility requirements.

The tax incentives provided for in section 45.7-8 below and fee exemptions provided for in section 45.7-9 below will be made available to any existing for-profit business or not-for-profit organization physically located within the district as of July 1, 2019 that applies no later than September 30, 2019 to be recognized as a qualified arts organization and meets the additional criteria set forth below; or any new for-profit business or not-for-profit organization physically located in the district that is a qualified arts organization as defined in section 45.7-3(b) and meets the additional criteria set forth below. New businesses or organizations shall apply to the district administrator for qualification no later than sixty (60) days after the initial commencement of operations. The district administrator shall apply the following criteria when determining if a business or organization is eligible for the incentives provided in this chapter:

(a) The business must be a qualified arts organization as defined in section 45.7-3(b).

(b) The business or organization has the burden of proving to the district administrator on an annual basis that it qualifies as a qualified arts organization. The business or organization must provide the district administrator with a description of the principal business activities to be carried on in the district; a description of the location of said business within the district and whether such location is owned by the applicant business or organization or leased, and if leased, the name of the landlord and the length of the lease term; details regarding the structure of the business or organization (i.e. type of entity and if other than a sole proprietorship, the names and addresses of all principals of the business); a narrative description of the current and past activities of the business or organization, and in the case of an already operating business or organization, information regarding current and past locations of the business or organization; and a business plan including pro-formas for no less than three (3) years. The business plan is not required if the applicant business has been in continuous operation within the district for five (5) or more years. The business or organization must at all times comply with all applicable federal, state and local laws and regulations.

(Ord. No. 47,676, § 1, 6-11-19, eff. 7-1-19)

Sec. 45.7-6. Compliance with laws.

(a) If the qualified arts organization fails to pay in full any tax imposed by the city or other governmental entity by the date the tax becomes due, fails to comply with all applicable federal, state, and local laws and regulations, to comply with the requirements of this chapter, in the case of a first offense, such business or organization shall lose its qualification for the remainder of the current calendar year and in the case of any subsequent failure, the qualified arts organization qualification shall be revoked permanently.

(b) A qualified arts organization that loses its qualification or where a qualification has been revoked under subsection 45.7-6(a) above shall

reimburse the city the full amount of all monies that it has received as incentives under this chapter during the calendar year of the period of non-compliance; such reimbursement is to be paid to the city in full within thirty (30) days of the loss or revocation of qualification.
(Ord. No. 47,676, § 1, 6-11-19, eff. 7-1-19)

Sec. 45.7-7. Available incentives.

Upon approval by the district administrator, a qualified arts organization shall be entitled to receive the incentives provided in sections 45.7-8 and 45.7-9 below. The qualified arts organization shall have the burden of establishing its qualification(s) to receive the incentives on an annual basis.
(Ord. No. 47,676, § 1, 6-11-19, eff. 7-1-19)

Sec. 45.7-8. BPOL tax reduction.

Notwithstanding any other provision of the Norfolk City Code and pursuant to § 58.1-3850 of the Code of Virginia, 1950, as amended, any business that is certified as a qualified arts organization shall be entitled to a reduction of its business, professional and occupational license tax ("BPOL") imposed by Chapter 24, Article II-A of the Norfolk City Code against gross receipts derived from its creative activities as follows:

(a) Year one is the first calendar year in which a business or organization is certified as a qualified arts organization.

(b) The reduction shall apply for a period of three (3) calendar years, including the partial calendar year of certification and the following two (2) full calendar years, or until such earlier time that the business or organization no longer meets the definition of a qualified arts organization, whichever is the first to occur. If a business or organization ceases to be a qualified arts organization or removes its operation from the district during a year in which the reduction applies, the business or organization shall not be qualified or receive the reduction for that year. A business may not receive the BPOL reduction provided herein more than three (3) calendar years, including the calendar year of certification and the ensuing next two (2) calendar years.

(c) A qualified arts organization must establish its qualification for the incentives on an annual basis and the percentage of reduction for each year shall be: 100 percent reduction in year one; 100 percent reduction in year two; and 100 percent reduction in year three.

The business or organization shall have the burden of demonstrating, to the satisfaction of the district administrator, that it meets the definition of a qualified arts organization and that it meets all applicable criteria for a BPOL reduction.

The qualified arts organization shall also file an annual BPOL application with the City of Norfolk Commissioner of the Revenue and shall provide the commissioner of the revenue with certification from the district administrator that the business or organization qualifies as a qualified arts organization. The qualified arts organization shall certify that no taxes or fees are outstanding at the time of application for the BPOL reduction.

All BPOL tax reductions are subject to adjustment by the commissioner of the revenue based on actual gross receipts earned from qualified arts organization activities. Any additional BPOL tax assessed due to such adjustments, or due to revocation of the tax reduction, shall be subject to collection and delinquency in accordance with all applicable laws.

On or prior to March 1 of the calendar year following the last calendar year in which the BPOL reduction applies, the qualified arts organization taxpayer must report the prior calendar year's actual gross receipts to the commissioner of the revenue in accordance with Norfolk City Code.

(Ord. No. 47,676, § 1, 6-11-19, eff. 7-1-19)

Sec. 45.7-9. Permit fee exemption.

For a period of up to one hundred twenty (120) months from qualifying as a qualified arts organization but only for so long as such qualification continues during such one hundred twenty-month period, a qualified arts organization shall be exempt from any building, electrical, mechanical, plumbing, or site plan application fees that would otherwise be imposed on such qualified arts organization under City Code. This exemption shall apply to the record owner of the property where the qualified arts organization is located or to the business owner if such business is a tenant of the subject property and, in either case, only to a qualified arts organization that is in the process of redevelopment as defined in section 45.7-3. This exemption may not be applied retroactively. Permit fees are not refundable due to failure to comply with the procedures established by the district administrator at the time of application for any permits or due to subsequent certification as a qualified arts organization. The qualified arts organization must provide written evidence of its certification as a qualified arts organization at the time of application for any permit.
(Ord. No. 47,676, § 1, 6-11-19, eff. 7-1-19)

Sec. 45.7-10. Change in circumstances.

If a business or organization ceases to be a qualified arts organization during a year in which incentives apply, the business shall be responsible for the full tax for that year.
(Ord. No. 47,676, § 1, 6-11-19, eff. 7-1-19)

Chapter 45.8

COMMERCIAL PROPERTY ASSESSED CLEAN ENERGY (C-PACE) FINANCING PROGRAM

Article I. Commercial Property Assessed Clean Energy (C-PACE) Financing Program

§ 45.8-1. Intent.
§ 45.8-2. Definitions.

Article II. Program Structure

§ 45.8-3. C-PACE program; eligible improvements.
§ 45.8-4. C-PACE loan requirements; program fees; reporting; program administrator; program guide.
§ 45.8-5. Levy of assessment; recordation; priority; amendment; enforcement and collection costs.
§ 45.8-6. Role of the city; limitation of liability.
§ 45.8-7. Additional provisions.

ARTICLE I. COMMERCIAL PROPERTY ASSESSED CLEAN ENERGY (C-PACE) FINANCING PROGRAM

Sec. 45.8-1. Intent.

The purpose of this chapter is to create a "Norfolk Commercial Property Assessed Clean Energy (C-PACE) Financing Program," in accordance with the Commonwealth of Virginia's Clean Energy Financing Law, § 15.2-958.3 of the Code of Virginia of 1950, as amended (hereinafter the "Act"). The C-PACE program will facilitate loans made by capital providers to borrowers to finance renewable energy production and distribution facilities, energy efficiency improvements, or water usage efficiency improvements. Subject to the limitations set forth in this chapter, the Act, or other applicable law, each C-PACE loan, inclusive of principal, interest, and any financed fees, costs, or expenses, will be secured by a voluntary special assessment lien on the property that is the subject of such loan.
(Ord. No. 48,012, § 1, 6-9-20)

Sec. 45.8-2. Definitions.

For the purposes of this chapter, and unless otherwise indicated to the contrary, the following term(s) shall have the following meaning(s):

(a) *"Act"* means Virginia's "Financing Clean Energy, Resiliency, and Stormwater Management Programs" Law, § 15.2-958.3 of the Code of Virginia of 1950, as amended.

(b) *"Amendment"* means an amendment of the C-PACE lien as permitted under the loan documents and program guide.

(c) *"Assignment"* means an assignment of the loan payments and/or C-PACE lien pursuant to the terms of the assignment document.

(d) *"Borrower"* means (A) the owner(s) of eligible property who obtain(s) a C-PACE loan from a capital provider in accordance with the program guide or (B) a successor in title to the borrower.

(e) *"Capital provider"* means (A) a private lending institution that has been approved by the program administrator in accordance with the program guide to originate a C-PACE loan and its successors and assigns or (B) the current holder of a C-PACE loan.

(f) *"City"* means the City of Norfolk, Virginia.

(g) *"City council"* means the City Council of the City of Norfolk, Virginia.

(h) *"Commonwealth"* means the Commonwealth of Virginia.

(i) *"C-PACE"* means Commercial Property Assessed Clean Energy.

(j) *"C-PACE lien"* or *"lien"* means the voluntary special assessment lien levied against the property as security for the C-PACE loan.

(k) *"C-PACE lien certificate"* means the voluntary special assessment lien document duly recorded among the land records against an eligible property to secure a C-PACE loan.

(l) *"C-PACE loan"* or *"loan"* means a loan from a capital provider to a borrower to finance a project in accordance with the program guide.

(m) *"C-PACE program"* or *"program"* means the program established by the city through this chapter, in accordance with the Act, that facilitates the financing of eligible improvements and provides for a C-PACE lien to be levied and recorded against the property to secure the C-PACE loan.

(n) *"C-PACE program agreement"* means the agreement between the borrower, city, and capital provider, and their respective successors and assigns, which includes (i) the terms and conditions for participation in the C-PACE program, (ii) the borrower's acknowledgment and consent for the city to impose a voluntary special assessment and to record a C-PACE lien certificate against the borrower's eligible property, and (iii) a summary of the

terms of the C-PACE loan. The form C-PACE program agreement is included herein as Exhibit A.

(o) *"Delinquent payment"* means any C-PACE loan payment that was not paid by a borrower in accordance with the loan documents.

(p) *"DMME Guidelines"* means the Uniform Statewide Financial Underwriting Guidelines for C-PACE loans, issued on December 1, 2015, by the PACE Stakeholder Committee organized by the Virginia Department of Mines, Minerals, and Energy (DMME), as amended from time to time.

(q) *"Eligible improvement"* means the initial acquisition and installation of clean energy, energy efficiency, water efficiency, resiliency, or stormwater improvements for both existing properties and new construction, as further prescribed in this chapter and the program guide.

(r) *"Eligible property"* or *"property"* means real property located within the city other than residential property or a condominium as defined in Virginia Code § 55-79.2.

(s) *"Financing agreement"* means the written agreement, as may be amended, modified, or supplemented from time to time, between a borrower and a capital provider regarding matters related to the extension and repayment of a C-PACE loan to finance eligible improvements.

(t) *"Land records"* means the land records of the Clerk of the Circuit Court of the City of Norfolk.

(u) *"Loan amount"* means the aggregate amount of a loan, inclusive of principal, interest, and any financed fees, costs, or expenses, all as provided for in the loan documents.

(v) *"Loan documents"* means the C-PACE program agreement, financing agreement, a C-PACE lien certificate, and any other document, agreement, or instrument executed in connection with a C-PACE loan.

(w) *"Loan payment"* means the periodic installment payments of the C-PACE loan by a borrower, due and payable to the city or capital provider as permitted by the Act in such amounts and at such times as described in the loan documents.

(x) *"Program administrator"* means the person or entity retained by the city to administer the program in accordance with the requirements of the Act, this chapter, and the program guide, which entity may include either a private administrator or any public C-PACE administrator established by the commonwealth for the purposes of administering local C-PACE programs.

(y) *"Program fee(s)"* means the fee(s) authorized by the Act and charged to participating borrowers to cover the costs to design and administer the program, including, without limitation, compensation of the program administrator and recovery of expenses incurred by the city.

(z) *"Program guide"* means a comprehensive document setting forth the procedures, eligibility rules, restrictions, program fee(s), responsibilities, and other requirements applicable to the governance and administration of the program.

(aa) *"Program manager"* means the city manager or such person designated in writing by the city manager to supervise the program and act as liaison with the program administrator.

(bb) *"Project"* means the construction or installation of eligible improvements on eligible property.

(cc) *"Residential property"* means improved real property used or occupied, or intended to be used or occupied, for residential purposes.

(dd) *"Stabilized occupancy"* means the occupancy level that an income producing property is expected to achieve after

the property is exposed to the market for lease over a reasonable period of time and at comparable terms and conditions to other similar properties.

(ee) *"Stabilized value"* means the market value of the property after it reaches stabilized occupancy as evidenced by an appraisal of the property.

(ff) *"Subordination agreement"* means a written agreement executed by the holder of each existing lien, mortgage, or deed of trust on eligible property that is the subject of a C-PACE loan, which allows the C-PACE lien to have senior priority to the existing mortgage or deed of trust.

(gg) *"Useful life"* means the normal operating life of the fixed asset as determined by Generally Accepted Accounting Principles (GAAP).

(Ord. No. 48,012, § 1, 6-9-20)

Editor's note—Exhibit A, referenced above, is not set out herein, but is on file and available for inspection in the city offices.

ARTICLE II. PROGRAM STRUCTURE

Sec. 45.8-3. C-PACE program; eligible improvements.

(a) *C-PACE program:* The C-PACE program shall be available throughout the city, provided that the borrower, the property, and the proposed eligible improvements all qualify for the program. The following types of eligible improvements may be financed with a C-PACE loan:

(1) Renewable energy production and distribution facilities (e.g., solar photovoltaic, solar thermal, wind, wave and/or tidal energy, and the storage and/or distribution of the energy produced thereby);

(2) Energy usage efficiency systems (e.g., high efficiency lighting and building systems, heating, ventilation, and air conditioning (HVAC) upgrades, air duct sealing, high efficiency hot water heating systems, building shell or envelope improvements, reflective roof, cool roof, or green roof systems, and/or weatherstripping);

(3) Water usage efficiency improvements (e.g., recovery, purification, recycling, and other forms of water conservation);

(4) Construction, renovation, or retrofitting a property directly related to the accomplishment of any purpose listed in subsections (1), (2), or (3) above, whether such eligible improvement was erected or installed in or on a building or on the ground, it being the express intention of the city to allow eligible improvements that constitute, or are a part of, the construction of a new structure or building to be financed with a C-PACE loan; and

(5) Any other category of improvement approved by the program administrator with the consent of the program manager as qualifying for financing under the C-PACE Act and the program.

(b) *Use of C-PACE loan proceeds:* The proceeds of a C-PACE loan may be used to pay for the construction, development, and consulting costs directly related to eligible improvements, including without limitation, the cost of labor, materials, machinery, equipment, plans, specifications, due diligence studies, consulting services (e.g., engineering, energy, financial, and legal), program fees, C-PACE loan fees, capitalized interest, interest reserves, and C-PACE transaction underwriting and closing costs.

(c) *Program applications; prioritization:* The program administrator will develop a program application process that allows for the review and approval of proposed eligible improvements and C-PACE loan documents. Program applications will be processed on a first come, first serve basis; provided, however, that the applicant meets eligibility requirements as set forth in the program guide.

(Ord. No. 48,012, § 1, 6-9-20)

Sec. 45.8-4. C-PACE loan requirements; program fees; reporting; program administrator; program guide.

(a) *Source of loans:* C-PACE loans shall be originated by capital providers. The city shall have no obligation to originate or guarantee any C-PACE Loans.

(b) *C-PACE loan amount thresholds:* The minimum loan amount that may be financed for each project is fifty thousand dollars ($50,000.00). The maximum loan amount that may be financed for each project is twenty-five million dollars ($25,000,000.00) or thirty percent (30%) of the stabilized value of the property, whichever is greater. The program administrator may also accept other forms of valuation including, but not limited to, assessed value or value derived from a minimum assessment agreement. There shall be no limit on the total value of all C-PACE loans issued under the program.

(c) *C-PACE loan interest:* The interest rate of a C-PACE loan shall be as set forth in the loan documents.

(d) *C-PACE loan term:* The term of a C-PACE loan shall not exceed the shorter of (i) the useful life of the project improvement or (ii) thirty (30) years.

(e) *C-PACE loan amortization:* The amount of the C-PACE loan shall be fully amortized over the term of the C-PACE loan as agreed by the borrower and the capital provider.

(f) *Apportionment of costs:* All costs incidental to the financing, administration, collection, and enforcement of the C-PACE loan shall be borne by the borrower.

(g) *Financing agreements:* Capital providers may use their own financing agreements for C-PACE loans, but the financing agreement may not conflict with the provisions of this chapter, the Act, or the C-PACE program agreement. To the extent of any conflict, this chapter, the Act, and the C-PACE program agreement shall prevail.

(h) *C-PACE program agreement:* In order to participate in the C-PACE program, borrower and capital provider shall enter into a C-PACE program agreement with the city, which sets forth certain terms and conditions for participation in the city's C-PACE program. This agreement shall be binding upon the parties and their respective successors and assigns until the C-PACE loan is paid in full. Each C-PACE program agreement shall be in substantially the form provided herein in Exhibit A. The C-PACE program agreement may be modified as necessary to further the program's purpose and to encourage program participation, including such additions, deletions, or alterations as may be approved by the program manager and city attorney, so long as such modifications do not conflict with the program guide, this chapter, or the Act.

(i) *Repayment of C-PACE loan; collection of loan payments:* C-PACE loans will be repaid by the borrower through loan payments made in the amounts and at such times as set forth in the loan documents and program guide. The capital provider shall be responsible, subject to and in accordance with the terms of the C-PACE program agreement and other loan documents, for the servicing of the C-PACE loans and the collection of loan payments.

(j) *C-PACE loan assumed:* The borrower shall assume the obligation to repay all remaining unpaid loan payments, whether it obtained ownership of the property voluntarily or involuntarily, which are due upon acquisition of the property, if any, and which accrue during borrower's period of ownership. Only the current loan payment and any delinquent payments, together with any costs of collection, shall be payable at the settlement of a property upon sale or transfer, unless otherwise agreed to by the capital provider.

(k) *Transfer of C-PACE loans:* C-PACE loans may be transferred, assigned, or sold by a capital provider to another capital provider at any time until the C-PACE loan is paid in full provided the capital provider shall (i) notify the borrower and program administrator prior to the billing date of the next loan payment due, (ii) record a C-PACE loan assignment among the land records, and (iii) deliver a copy of the recorded C-PACE assignment to the borrower, city, and program administrator as set forth in the C-PACE program

agreement and program guide. Recordation of the C-PACE assignment shall constitute an assumption by the new capital provider of the rights and obligations of the original capital provider contained in the loan documents.

(l) *Program fee(s):* The program fee(s) and its effective date shall be set by a resolution of the city council and may be amended from time to time in the same manner. The program guide shall include the most current program fee(s) in effect. Program fee(s) shall be designed to cover the city's and program administrator's costs to administer the program and shall be paid by the borrower as set forth in the loan documents. If the program fee is implemented in whole or in part as a component of the C-PACE loan's interest rate, it may be capped at a dollar amount designed to encourage participation in the program.

(m) *Notification of proposed loan and closing:* The program guide will set forth the C-PACE loan notification requirements and loan closing process.

(n) *Reporting:* The city may require the capital provider and/or the program administrator to provide a written report with summary information regarding the C-PACE loan program, the portfolio performance of participating capital providers, or other program statistics as required in the program guide.

(o) *Program administrator:* The city will enter into a contract with a program administrator pursuant to the city's procurement process and in accordance with any requirements of the Virginia Public Procurement Act. The program administrator's duties shall be those set forth in its contract with the city, which may include, but not be limited to: (i) creating the program guide and revising and updating the program guide, as necessary; (ii) coordinating the billing and collection process by serving as a servicer for C-PACE loans or subcontracting with a qualified C-PACE loan servicer; (iii) processing C-PACE applications to determine project eligibility; (iv) ensuring compliance with the requirements of the C-PACE program; and (v) performing marketing and outreach with regard to the C-PACE program. In the alternative, the city may use any public C-PACE administrator established by the commonwealth for the purposes of administering local C-PACE programs.

(p) *Program guide:* The program guide shall be developed by the program administrator under the direction of, and in consultation with, the program manager. The program guide and any subsequent amendments thereto shall become effective only (i) to the extent that the program guide and such amendments do not contravene this chapter or the Act, and (ii) after review by the city attorney and written approval by the program manager. The program guide may incorporate the DMME Guidelines or other appropriate underwriting guidelines consistent with this type of program. The program guide will be designed to create an open, competitive, and efficient program. The program administrator may modify the program guide from time to time subject to the approval of the program manager and in accordance with the intent and purpose of the C-PACE program as approved by the city council.

(Ord. No. 48,012, § 1, 6-9-20)

Editor's note—Exhibit A, referenced above, is not set out herein, but is on file and available for inspection in the city offices.

Sec. 45.8-5. Levy of assessment; recordation; priority; amendment; enforcement and collection costs.

(a) *Levy of voluntary special assessment lien:* Beginning on the effective date of this chapter and for each C-PACE loan made under the program, the city council hereby levies a voluntary special assessment (C-PACE lien) against each property benefitting from eligible improvements financed with C-PACE loans, in an amount equal to the C-PACE loan, upon recordation of the C-PACE lien certificate.

(b) *Recordation of C-PACE lien certificate:* Each C-PACE loan shall be secured by a C-PACE lien as evidenced by the recordation of the C-PACE lien certificate among the land records. The program manager, on behalf of the city, is hereby authorized to execute the C-PACE lien certificate prior to recordation. The C-PACE lien

certificate shall be filed in the land records upon execution of the loan documents and funding of the project.

(c) *Priority:* The C-PACE lien shall have the same priority as a real property tax lien and priority over any previously recorded lien, mortgage, or deed of trust, as evidenced by subordination agreement(s) obtained from each prior lien holder, mortgagee, or trustee(s) of any deed(s) of trust. Only the current loan payment and any delinquent payments shall constitute a first lien on the property.

(d) *Amendment of lien:* Upon written request by a capital provider in accordance with the program guide, the program manager may execute an amendment of the C-PACE lien after the closing of a C-PACE loan. The amendment will be recorded in the land records.

(e) *Enforcement and collection costs:* In the event of borrower's default under the terms of the loan documents, the city shall enforce the C-PACE lien for the amount of the delinquent payments, penalties, interest, and any costs of collection in the same manner that a property tax lien against real property may be enforced. In the alternative, the city may assign the C-PACE lien to the capital provider by executing a C-PACE lien assignment and recording the assignment in the land records. Upon such assignment, the capital provider may enforce the C-PACE lien according to the terms of the loan documents. All collection and enforcement costs, expenses, interest, and penalties incurred by the city or capital provider, as applicable and consistent with the Act, shall (i) be added to the delinquent payments being collected, (ii) become part of the aggregate amount sued for and collected, (iii) be added to the C-PACE loan, and (iv) be secured by the C-PACE lien. Nothing herein shall prevent the capital provider from enforcing the C-PACE lien to the fullest extent permitted by the loan documents, the Act, or general law.

(Ord. No. 48,012, § 1, 6-9-20)

Sec. 45.8-6. Role of the city; limitation of liability.

By executing the loan documents including the C-PACE program agreement, or by otherwise participating in the program, the borrower and capital provider acknowledge and agree that as a condition of participation in the program: (i) the city undertakes no obligations under the program except as expressly stated herein or in the C-PACE program agreement; (ii) in the event of a default by a borrower, the city has no obligation to use city funds to make loan payments to any capital provider including, without limitation, any fees, expenses, and other charges and penalties, pursuant to a financing agreement between the borrower and capital provider; (iii) no C-PACE loan, loan payment, C-PACE lien, or other obligation arising from any loan document, the Act, or the chapter shall be backed by the credit of the city, the commonwealth, or its political subdivisions, including, without limitation, city taxes or other city funds; (iv) no C-PACE loan, loan payment, C-PACE lien or other obligation arising from any loan document, the Act, or the chapter shall constitute an indebtedness of the city within the meaning of any constitutional or statutory debt limitation or restriction; (v) the city has not made any representations or warranties, financial or otherwise, concerning a borrower, eligible property, project, capital provider, or C-PACE loan; (vi) the city makes no representation or warranty as to, and assumes no responsibility with respect to, the accuracy or completeness of any loan document, or any assignment or amendment thereof; (vii) the city assumes no responsibility or liability in regard to any project, or the planning, construction, or operation thereof; (viii) each borrower or capital provider shall, upon request, provide the city with any information associated with a project or a C-PACE loan that is reasonably necessary to confirm that the project or C-PACE loan satisfies the requirements of the program guide; and (ix) each borrower, capital provider, or other participant under the program, shall comply with all applicable requirements of the program guide.

(Ord. No. 48,012, § 1, 6-9-20)

Sec. 45.8-7. Additional provisions.

(a) *Required program guide provisions:* The program guide, including any amendments thereto, shall contain the following provisions:

"This Program Guide (this "Guide") has been prepared for purpose of providing a more detailed

description of the requirements, rules, procedures, and fees applicable to the Norfolk Commercial Property Assessed Clean Energy (C-PACE) Financing Program (the "Program"). This Guide and all provisions hereof are subject to the applicable chapter of the City Code of the City of Norfolk, Virginia (the "Chapter"), in all respects including, without limitation, the provisions of the Chapter governing the amendment of this Guide. In the case of any conflict between the provisions of this Guide and the provisions of the Chapter, the provisions of the Chapter shall control."

"THIS GUIDE IS ONLY A REFERENCE DOCUMENT AND CREATES NO LEGAL RIGHTS IN FAVOR OF ANY BORROWER, CAPITAL PROVIDER, CONTRACTOR, OR ANY OTHER PERSON, NOR DOES IT IMPOSE ANY LEGAL DUTY OR OBLIGATION ON THE CITY OF NORFOLK, VIRGINIA."

(b) *Severability:* The provisions of this chapter are severable. If a court of competent jurisdiction determines that a word, phrase, clause, sentence, paragraph, subsection, section, or other provision is invalid or that the application of any part of the chapter or provision to any person or circumstance is invalid, the remaining provisions of the chapter shall not be affected by that decision and continue in full force and effect.
(Ord. No. 48,012, § 1, 6-9-20)

Chapter 46

TOURISM ZONES

Article I. In General

§ 46-1. Purpose and intent.
§ 46-2. Administration.
§ 46-3. Burden.
§ 46-4. Boundaries of tourism zones.
§ 46-5. Incentives.
§§ 46-6, 46-7. Reserved.

Article II. 100Main Tourism Zone

§ 46-8. Intent.
§ 46-9. Establishment of the 100Main Tourism Zone.
§§ 46-10, 46-11. Reserved.

Article III. Ocean View Tourism Zone

§ 46-12. Intent.
§ 46-13. Establishment of the Ocean View Tourism Zone.
§§ 46-14, 46-15. Reserved.

Article IV. Downtown Tourism Zone

§ 46-16. Intent.
§ 46-17. Establishment of the Downtown Tourism Zone.
§§ 46-18, 46-19. Reserved.

Article V. Military Highway Tourism Zone

§ 46-20. Intent.
§ 46-21. Establishment of the Military Highway Tourism Zone.
§§ 46-22, 46-23. Reserved.

ARTICLE I. IN GENERAL

Sec. 46-1. Purpose and intent.

In order to foster the development of tourism related businesses, which will increase capital investment and create jobs, the council finds that the establishment of tourism zones pursuant to section 58.1-3851 of the Code of Virginia, 1950, as amended, is necessary.
(Ord. No. 45,559, § 1, 5-20-14)

Sec. 46-2. Administration.

This article shall be administered and enforced by the city manager or his designee. Any application required by this chapter shall be on forms approved by the city manager or his designee.
(Ord. No. 45,559, § 1, 5-20-14)

Sec. 46-3. Burden.

Any business applying for the benefits afforded by this chapter shall have the burden of proving qualification.
(Ord. No. 45,559, § 1, 5-20-14)

Sec. 46-4. Boundaries of tourism zones.

Tourism zones shall be established by the council by ordinance upon findings that the establishment thereof and any incentives provided therein will foster the development of tourism related businesses within the area under consideration. As tourism zones are established by council, the boundaries thereof shall be identified in the ordinance by map, and when deemed necessary by the city manager or city attorney, by metes and bounds description, which shall be incorporated into and made a part of this chapter.
(Ord. No. 45,559, § 1, 5-20-14)

Sec. 46-5. Incentives.

(a) Any ordinance establishing a tourism zone may provide for (i) tax incentives, regulatory flexibility, and other incentives authorized by section 58.1-3851 of the Code of Virginia, 1950, as amended, and (ii) the requirements for qualification for any such incentives or regulatory flexibility by a tourism business. All such incentives and any regulatory flexibility provided for in this chapter shall be subject to the limitations set forth in section 58.1-3851 of the Code of Virginia, 1950, as amended.

(b) The entitlement to any tax incentive authorized by this chapter 46 shall be conditioned upon the applicant paying any tax imposed by the city, including, but not limited to, business license taxes, and business personal property, meals, transient occupancy, room, and admissions taxes by the date upon which the tax is due. In the event a business is thirty (30) or more days delinquent on any local tax, such business forfeits any entitlement to any incentive authorized by this chapter.
(Ord. No. 45,559, § 1, 5-20-14)

Secs. 46-6, 46-7. Reserved.

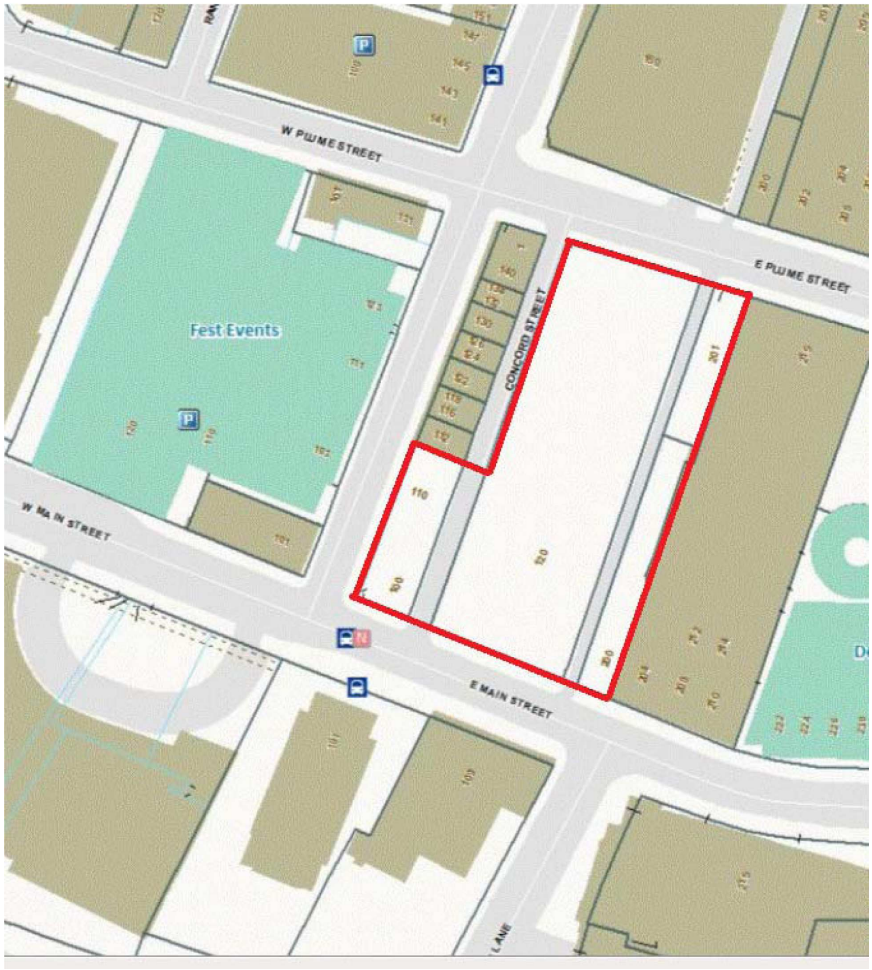
ARTICLE II. 100MAIN TOURISM ZONE

Sec. 46-8. Intent.

It is the intent of the council in establishing the 100Main Tourism Zone (a) to foster the development of tourism related businesses, which will increase capital investment and create jobs, and (b) to expand economic activity that capitalizes on Norfolk's locational advantages and economic assets by promoting downtown as the business, financial, and cultural center of the region and supporting efforts to promote Norfolk as a tourist and convention destination.
(Ord. No. 45,559, § 1, 5-20-14)

Sec. 46-9. Establishment of the 100Main Tourism Zone.

The 100Main Tourism Zone is hereby established. The 100Main Tourism Zone shall consist of the area shown on the map below.



100Main Tourism Zone Boundary

(Ord. No. 45,559, § 1, 5-20-14)

Secs. 46-10, 46-11. Reserved.

ARTICLE III. OCEAN VIEW TOURISM ZONE

Sec. 46-12. Intent.

It is the intent of the council in establishing the Ocean View Tourism Zone (a) to foster the development of tourism related businesses, which will increase capital investment and create jobs, and (b) to expand economic activity that capitalizes on Norfolk's locational advantages and economic assets by promoting Norfolk as the business, financial, and cultural center of the region and supporting efforts to promote Norfolk as a tourist and convention destination.
(Ord. No. 46,848, § 1, 5-23-17, eff. 7-1-17)

Sec. 46-13. Establishment of the Ocean View Tourism Zone.

The Ocean View Tourism Zone is hereby established. The Ocean View Tourism Zone shall consist of the area shown on the map attached to this ordinance. Any lot, piece, or parcel of land not wholly contained within the boundaries of the area shown on the maps attached to this ordinance shall not be part of the Ocean View Tourism Zone.
(Ord. No. 46,848, § 1, 5-23-17, eff. 7-1-17)

Editor's note—The map referenced above is not set out herein, but is on file and available for inspection in the city offices.

Secs. 46-14, 46-15. Reserved.

ARTICLE IV. DOWNTOWN TOURISM ZONE

Sec. 46-16. Intent.

It is the intent of the council in establishing the Downtown Tourism Zone (a) to foster the development of tourism related businesses, which will increase capital investment and create jobs, and (b) to expand economic activity that capitalizes on Norfolk's locational advantages and economic assets by promoting Norfolk as the business, financial, and cultural center of the region and supporting efforts to promote Norfolk as a tourist and convention destination.
(Ord. No. 46,848, § 1, 5-23-17, eff. 7-1-17)

Sec. 46-17. Establishment of the Downtown Tourism Zone.

The Downtown Tourism Zone is hereby established. The Downtown Tourism Zone shall consist of the area shown on the map attached to this ordinance. Any lot, piece, or parcel of land not wholly contained within the boundaries of the area shown on the maps attached to this ordinance shall not be part of the Downtown Tourism Zone.
(Ord. No. 46,848, § 1, 5-23-17, eff. 7-1-17)

Editor's note—The map referenced above is not set out herein, but is on file and available for inspection in the city offices.

Secs. 46-18, 46-19. Reserved.

ARTICLE V. MILITARY HIGHWAY TOURISM ZONE

Sec. 46-20. Intent.

It is the intent of the council in establishing the Military Highway Tourism Zone (a) to foster the development of tourism related businesses, which will increase capital investment and create jobs, and (b) to expand economic activity that capitalizes on Norfolk's locational advantages and economic assets by promoting Norfolk as the business, financial, and cultural center of the region and supporting efforts to promote Norfolk as a tourist and convention destination.
(Ord. No. 46,848, § 1, 5-23-17, eff. 7-1-17)

Sec. 46-21. Establishment of the Military Highway Tourism Zone.

The Military Highway Tourism Zone is hereby established. The Military Highway Tourism Zone shall consist of the area shown on the map attached to this ordinance. Any lot, piece, or parcel of land not wholly contained within the

boundaries of the area shown on the maps attached to this ordinance shall not be part of the Military Highway Tourism Zone.
(Ord. No. 46,848, § 1, 5-23-17, eff. 7-1-17)

Editor's note—The map referenced above is not set out herein, but is on file and available for inspection in the city offices.

Article III. Service Charges and Rates

Sec. 46.1-29. Application for service generally.
Sec. 46.1-30. Application for service and water taps for new connections.
Sec. 46.1-31. Fee for establishing account.
Sec. 46.1-32. Rates prescribed.
Sec. 46.1-33. Charges for fire service.
Sec. 46.1-34. Finance charge on past due accounts.
Sec. 46.1-35. Charge for turning water on or off during emergency.
Sec. 46.1-36. Size and type of meters; charges for changing meters; changing from flat-rate to metered service.
Sec. 46.1-37. Bills and due date thereof.
Sec. 46.1-38. Testing meter and adjustment of bill for inaccuracy.
Sec. 46.1-39. Adjustment of inaccurate bills.
Sec. 46.1-40. Adjustment of abnormal bills due to leakage.
Sec. 46.1-41. Charges when meter fails to register.
Sec. 46.1-42. Discontinuing service for failure to pay.
Sec. 46.1-43. Unauthorized restoration of discontinued service.
Sec. 46.1-44. Procedure when property is vacated.
Sec. 46.1-45. Charges for restoring service when property has been vacated.

Article IV. Pollution of Water Supply Generally; Protection of Watershed

Sec. 46.1-46. Protection of watershed.

Article V. Regulations Applicable to City-Owned Lakes and Adjoining Land

Sec. 46.1-47. Compliance with state fishing and boating laws.
Sec. 46.1-48. Permit required for boating on city-owned lakes.
Sec. 46.1-49. Boat identification tag.
Sec. 46.1-50. Regulations applicable to city lakes and city-owned land adjoining city lakes.
Sec. 46.1-51. Damage to or removal of trees or shrubs.
Sec. 46.1-52. Permit revocation.

Article VI. Water Conservation

Sec. 46.1-53. Authority to declare a potential shortage of water and to impose water conservation measures.
Sec. 46.1-54. Conditions for the declaration of potential shortage of water.
Sec. 46.1-55. Violation of condition 4 water restrictions.
Sec. 46.1-56. Notice to the public.
Sec. 46.1-57. Appeals.

Article VII Structures on Reservoirs

Sec. 46.1-58. Permit required; prior permits validated.
Sec. 46.1-59. Permit exemption.
Sec. 46.1-60. Application for permit.
Sec. 46.1-61. Qualifications for issuance of permit.
Sec. 46.1-62. Insurance; hold-harmless agreement.
Sec. 46.1-63. Permit dependent upon other permits.
Sec. 46.1-64. Revocation of permit.
Sec. 46.1-65. Transferability.
Sec. 46.1-66. Existing structures.
Sec. 46.1-67. Rights of permittee.
Sec. 46.1-68. Prohibitions and restrictions.

ARTICLE I. IN GENERAL

Sec. 46.1-1. Purpose.

This chapter provides for the regulation and protection of the city's water system.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-2. Definitions.

The following words and terms as used in this chapter shall have the following meanings unless the context clearly indicates otherwise:

Commercial water use includes the water used by commercial establishments such as restaurants, office buildings, motels, hotels, etc.

Customer means any person to whom water is supplied directly from the water system of the city, as owner or tenant of the premise[s] to which supplied, and/or who is liable to the city for the payment of the charges for water so supplied.

Director means the director of the Norfolk Department of Utilities or his designee.

Domestic water use includes water used for household purposes such as cooking, drinking, bathing, washing clothes and dishes, flushing toilets and watering lawns and gardens.

Groundwater includes all water obtained from drilled wells and springs.

Person means any individual, firm, owner, sole proprietorship, partnership, corporation, unincorporated association, governmental body, municipal corporation, executor, administrator, trustee, guardian, agent, occupant or other legal entity.

Premise[s] means a building under one roof occupied as one residence or business, a combination of buildings in one common enclosure and occupied by one or more than one family or business or each division of a double or tenement house having a vertical partition or wall, a building of more than one apartment and having one or more entrances, or a building having a number of apartments, condominium units, or offices and having one or more entrances.

Reservoir means any body of water owned by the City of Norfolk and used for drinking as listed: Lake Wright, Lake Whitehurst (Little Creek Reservoir East), Little Creek Reservoir (Little Creek Reservoir West), Lake Smith, Lake Lawson, Lake Taylor, Lake Prince, Lake Burnt Mills, and Western Branch Reservoir.

Surface and ground water conjunctive use system means a public water system wherein surface water is the primary source and ground water is a supplemental source.

Water service means the use, or the right to the use, of city water delivered into a premise[s] or building, lot, or at the curb.

Watershed means that land area that surrounds the Norfolk lakes and reservoirs and that acts as a drainage basin into the lakes and reservoirs.

Water system of the City of Norfolk includes lakes and reservoirs, conjunctive use wells, water treatment facilities, intake, storage, pumping, transmission, distribution and related equipment and appurtenances.

Water tap means the service line that runs from the water main to the city water meter.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-3. Violations of chapter.

Any person who violates any of the provisions of this chapter, notwithstanding any other provision to the contrary, shall be guilty of a class 1 misdemeanor. Each day's continuance of such violation shall constitute a separate offense.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-4. Enforcement.

Any law enforcement officer, duly designated sworn special police officer, the director of public health, or the fire marshal or any of his assistants, is authorized and shall have authority to enforce all provisions of this chapter.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-5. Discontinuing water service, generally.

Nothing contained in this chapter shall be construed as prohibiting the department of utilities from discontinuing water services from any premise[s] upon the failure of the owner or other responsible party, to pay the entire public service bill, provided that the department of utilities follows procedures for such discontinuing of services.
(Ord. No. 41,100, § 2, 7-15-03)

ARTICLE II. SERVICE REGULATIONS AND POLICIES

Sec. 46.1-6. Required connection with city's water supply system.

(a) The owner or tenant of an improved piece of property located within the city and bordering upon a street or alley along which a public water line has been laid shall connect that same property with such public water supply line. It shall be unlawful to use private wells or other alternative facilities where city water lines are available for connection thereto; provided, however, that owners or tenants of residences connected to such lines may use alternative water sources for residential heating and cooling purposes, irrigation and for maintaining residential and related personal property normally kept outdoors and the wells maintained by Titan Virginia Ready-Mix, LLC and Capital Concrete, Inc. which were placed into operation prior to 2003 are hereby deemed grandfathered and not prohibited by this section from using wells for their industrial purposes.

(b) Failure to install or maintain water utilities as shown on an approved site plan where the water utilities have been reviewed and approved by the director of utilities or his designee as part of the site plan review process pursuant to the zoning ordinance shall be a violation of this chapter. Each day of violation shall constitute a separate offense. In addition to any penalty imposed for each violation, a judge hearing the case may direct the person responsible for the violation and each days default in such correction shall constitute a violation of a separate offense under this section.
(Ord. No. 41,100, § 2, 7-15-03; Ord. No. 48,719, § 1, 3-22-22)

Sec. 46.1-7. Connection required for premises required to be connected to city sewer.

The owner of any premise[s] which is required by ordinance to be connected with the city sewer shall see that water from the city's water system is connected on such premise[s], and not cut off therefrom at any time, except for necessary repairs, while such premise[s] is occupied. The owner or occupant shall cause the public service bill for the use of water on the premise[s] to be paid to the department of utilities when due. No person shall occupy any premise[s] required by ordinance to be connected with the city sewer, if the premise[s] is not connected with, or is cut off from, the water system of the city, except when necessary for repairs.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-8. Application for service generally; water taps for new connections.

(a) The director is hereby authorized to furnish water to customers upon request by the owner, agent or tenant of any premise[s] now connected with the city water supply system or hereafter to be connected.

(b) In case of a new building or premise[s] to be supplied with water for the first time, the person requesting the service must designate the point along the property line where the service is to enter the premise[s]. The city, however, reserves the right to regulate the size of the tap and meter and their location.

(c) Prior to the installation of any tap and meter, the cost or the cost as estimated by the department of utilities shall be deposited with the city, and appropriate Hampton Roads Sanitation District (HRSD) fees must also be paid. No tap connection shall be installed until the charges are paid.

(d) Upon the payment of the charge for the tap as prescribed in this chapter and the approval of the request for a new service, the tap will be made by the department of utilities complete to and beyond the curb line, including the meter and meter box.

(e) Except as otherwise provided in this chapter, in the introduction of water from the city water system into any house or lot, there shall be a separate tap or connection with the water main of the city and a separate tap for each premise[s], and no tap shall be used for supplying more than one premise[s].
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-9. Service to vacant lots, piers, marinas etc.

(a) No water tap and meter shall be installed to a vacant lot for any purpose other than irrigation unless authorized by the director.

(b) Premise[s]s on piers and marinas shall be connected to city water.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-10. Service and meters for multi-occupant or multiple unit premises.

All owners of multiple-family houses or business establishments occupied by more than one tenant shall provide a separate water supply with a separate meter, for each such occupant, or in lieu thereof, shall themselves make application for water service for the entire premise[s] and become responsible for all public service bills incurred on such premise[s].
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-11. Service for construction purposes; other meters.

(a) *Construction meters.* Contractors requiring water for construction purposes shall make application for appropriate services in accordance with the provisions of this chapter and shall pay for same at regular meter rates. The contractor shall be responsible for all water used through the meter until such time as the contractor shall notify the department of utilities, in writing, to turn off the water supply.

(b) *Portable meters.* Contractors requiring portable meters shall make application for appropriate services and pay all rates and fees in accordance with the provisions of article III of this chapter. The department of utilities has the authority to determine whether portable or construction meter service is appropriate. The contractor is responsible for paying, prior to installation, a security deposit, and shall pay the costs for installation and removal of the portable meter. The contractor shall be responsible for all water used through the portable meter until such time as the contractor shall notify the department of utilities, in writing, to turn off the water supply.

(c) *Bulk water.* Water in bulk quantities can be obtained at locations designated by the director of utilities at rates as specified in article III.

(d) *Lawn meters.* Application shall be made to the director of utilities to install a lawn meter. Such lawn meter shall be installed near or at the inlet side of the meter regularly installed for measuring water for household purposes, and shall be equipped with an approved backflow preventer installed in accordance with the provisions of chapter 11.1, article VII of this Code, and the requirements of the department of planning and community development. The applicant shall pay the service charge and rates provided by ordinance for metered water. The city reserves the right, at any time, to discontinue the supply of water through such lawn meters.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-12. Service to public buildings.

All public buildings (including school buildings), state, federal and municipal, in the city, as may be designated by the director, shall have attached to the supply pipes connecting such buildings with the water mains of the city such meters, for measuring the water supply furnished such buildings, as may be selected by the director as being suitable. The water supplied to such customers shall be charged to them, to the proper departments or to appropriate persons having control of such consumption, at prevailing rates.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-13. Service for fire protection.

(a) The connection of the sprinkler system to the potable water supply shall be in accordance with the Uniform Statewide Building Code and

this Code. Connection of a sprinkler system to the domestic water supply main where there is a standpipe is prohibited. All sprinkler systems shall have a connection, control valve, and drain and test connection directly connected to the city water main and separate from the domestic valve and water meter. Exception: Fire sprinklers installed in single-family detached dwellings and single-family townhouse dwellings up to a maximum of three (3) stories in accordance with the International Residential Code, chapter 29, and the Uniform Statewide Building Code (USBC).

(b) Where city water is to be used for a sprinkler system for fire protection, or underground piping and fire hydrants on a dedicated fire line, a detector check valve and bypass meter shall be installed by the department of utilities at the curb line, at the expense of the applicant, in addition to the regular charge for connection to the main. The detector check valve shall be the same size as the line serving the facility and where fire hydrants are involved shall be no smaller than six (6) inches. Such installation shall be in accordance with provisions of the Uniform Statewide Building Code (USBC).

(c) Any additional equipment installed by the department of utilities in connection with fire protection service attached to the city's water system, and associated costs of installation, shall be paid for by the owner or applicant at actual cost.

(d) Where residential (except single-family detached dwellings and single-family townhouse dwellings up to a maximum of three (3) stories), institutional or commercial fire service is provided, a separate tap and fire service meter must be installed in addition to the water distribution system of the city. The water service line for all sprinkler systems and fire service lines shall be protected from backflow/backsiphonage in accordance with the provisions of chapter 11.1, article VII of this Code and as provided by the USBC.

(e) Except for detached one- and two-family dwellings and townhouses up to a maximum of three (3) stories, the fire system will be designed by a licensed fire protection system company, with hydraulic calculations and required meter size submitted to the division of building safety and the department of utilities for review and approval.

(f) Fire sprinkler systems for single-family detached dwellings and single-family townhouse dwellings up to a maximum of three (3) stories may be installed in accordance with chapter 29 of the International Residential Code, and the Uniform Statewide Building Code (USBC) and not require separate water tap, fire meter, and city check valve. However, a nontestable double check valve shall be installed.

(g) Domestic service water lines for detached single-family dwellings and townhouse dwellings up to a maximum of three (3) stories and containing fire sprinklers must be installed in accordance with the International Residential Code, chapter 29, and the Uniform Statewide Building Code (USBC), part 1, and shall be provided with an adequately sized water meter based on design by a licensed plumbing contractor or a fire protection company. Hydraulic calculations, if required, shall be submitted to the division of building safety and department of utilities for review and approval. Designs submitted by licensed plumbers using prescriptive design methods according to the International Residential Code are permitted in lieu of hydraulic calculations.

(h) Domestic plumbing systems containing fire sprinklers shall be multi-purpose systems and serviced by a water meter adequately sized to accommodate water demands in accordance with the International Residential Code. However, a nontestable double check valve shall be provided.

(i) The owner/developer is responsible for paying the full actual cost of the fire system service tap and meter to the department of utilities. Prior to installation the owner/developer will deposit with the department of utilities an amount equal to the estimated cost.

(j) In no instance shall any fire sprinkler system or fire service line be installed without the written consent of the department of utilities, and should it be found that any unauthorized connection has been made, or that water has

been used from a sprinkler or fire service for any other purpose than extinguishing a fire, any domestic water service for that customer shall be turned off and not turned on until all water so used has been paid for.
(Ord. No. 41,100, § 2, 7-15-03; Ord. No. 43,836, § 2, 5-18-10)

Sec. 46.1-14. Limitations on use of fire hydrants.

Fire hydrants are provided for the purpose of extinguishing fires, and all persons, except the Norfolk Department of Utilities and the Norfolk Fire Department, or such persons authorized by the director of utilities, shall be prohibited from using fire hydrants. Any such persons so authorized by the director shall use only an approved spanner wrench, and shall replace the caps on the outlets when the same are not in use, and shall be responsible for backflow/backsiphonage protection in accordance with chapter 11.1, article VII of this Code.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-15. Service outside the city.

The director is hereby authorized, at his discretion, and at the request of the director[s] of utilities of adjoining localities, to furnish water from the surplus of the city to persons applying therefor in a territory adjacent to the City of Norfolk. All pipes so laid shall remain the property of the City of Norfolk. The customer shall make application and pay such fees and charges as contained in article III. The customer is responsible for the actual costs of installation and shall pay such costs and fees prior to installation. The director may at any time discontinuance water service.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-16. Policy regarding size of mains.

All water mains installed within the city or in adjoining jurisdictions, as part of the City of Norfolk's water distribution system, shall be approved by the Norfolk Director of Utilities.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-17. Unauthorized taps, connections or extensions.

No person, except the properly authorized agents of the department of utilities, shall tap, or make any connection with or extension of, the city's water system.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-18. Renewal of taps.

In case any water tap is renewed, such renewal shall be done with either copper, or other materials approved by the director, and at no cost to the customer.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-19. Ownership, repair and maintenance of meters.

All water meters installed by the department of utilities shall remain at all times the property of the city and shall be maintained and repaired, when rendered unserviceable through wear and tear, and renewed by the city. When replacement, repairs or adjustments of any meter are rendered necessary by the act, neglect or carelessness of the owner or occupant of any premise[s], any expenses caused to the city thereby shall be paid by and collected from the customer.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-20. Access to premises supplied with water.

The director and his agents shall have free access, at all reasonable hours, to all parts of any premise[s] to which water is supplied to make necessary examinations.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-21. Turning off or restoration of water for purposes of repairs; liability of city for restricting water service.

(a) The city shall not be liable for any damage resulting from the bursting of any water main, service pipe or cock, from the turning off or restoration of water for repairs, extensions or rehabilitation connections, or from the accidental failure of the water supply from any cause whatsoever.

(b) In case of breaks in the mains, services, pumping machinery, reservoirs or other water distribution system equipment making it necessary to shut off the water, or when it is necessary to shut off the water for the purpose of repairing, extending or cleaning the mains, previous notice will, if possible, be given, but in no case will any claim against the city for damage due to water being shut off or turned on be allowed.

(c) In cases of emergency, the city shall have the right to restrict the use of water in any reasonable manner for the protection of the citizenry, water supply and utility systems.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-22. City not responsible for damage from defective plumbing or open outlets.

The city will not be responsible for any damage caused by defective plumbing or open outlets when water is ordered turned off or on by the owner, lessee or agent.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-23. Excess water usage.

(a) No customer shall use city water in a careless and extravagant manner.

(b) If any pipe, hydrant, cock or fixture is found leaking, the customer shall have the necessary repairs made, within five (5) days of receipt of notice from the department of utilities to do so. In cases of severe leaks, the city has the right to discontinue service immediately and shall notify the customer. Water service will not be restored until all repairs have been made.

(c) The refusal or neglect of the owner or occupant to equip and maintain any premise[s] with service pipe connections, utilities or other plumbing fixtures so as to prevent waste of water shall be sufficient grounds for the refusal of the department of utilities to connect the premise[s]s with city water or to continue such connection after having given five (5) days' written notice of its intention to shut off water pending repairs because of water waste.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-24. Use of water by other than customer.

Inter-residential connection of water service is prohibited.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-25. Protection of city's utilities; tampering with water system equipment.

(a) It shall be unlawful for any person in any manner to damage or obstruct any part of the city's water system including any pipes, pumping station, apparatus, tools or fixtures.

(b) It shall be unlawful for any person to place upon or about any meter or meter box connected with the city's water system any vehicle, object, material, debris or structure of any kind which will prevent free access to the same at all times. The costs incurred for the removal of such materials will be at the owner's expense.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-26. Straight connections in meter boxes; changing service pipe from one tap or meter to another.

It shall be unlawful for any person to install a straight connection in meter boxes, where meters have been removed, or to change any service pipe from one tap or meter to another.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-27. Authorized work related to service connections; unlawfully turning water on or off.

(a) No person, except the duly authorized agent of the city, shall uncover any public water lines or operate any public fire hydrant, unless such use is necessary for emergencies. Only a representative of the department of utilities, or a duly authorized agent of the director of utilities shall operate any valves connected with its water system.

(b) No person or his agent, except employees of the department of utilities, shall cut off or turn on the water at any city water meter without previous permission of the director of utilities, nor remove or disconnect any water meter, water connection, or any part thereof, or any other equipment installed by the department of utilities in connection with the water system.

(c) In case of an emergency in connection with repair work on any premise[s], the person doing such repair work shall be permitted temporarily to turn on or off the water service, and upon completion of the work shall leave the water on or off as before.

(d) The customer is responsible for the actual cost of repair and is responsible, in such cases, for providing notice of such turning on or off of the water to the department of utilities as soon as possible.

(e) The customer is responsible for the cost to repair any damage incurred while doing such repair work.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-28. Installation and maintenance of plumbing; inspection; protection of city's water system.

(a) The director of planning and community development or his designated agent shall inspect the plumbing in every building or premise[s] in the city as frequently as may be necessary to ensure that such plumbing has been installed and is maintained in such a manner as to prevent the possibility of pollution or contamination to the public water supply.

(b) The director of planning and community development shall notify the owner of any building or premise[s] of any plumbing found installed or existing contrary to or in violation of the city's building code. The owner of any such building or premise[s] shall correct, within a reasonable time set by the director of planning and community development all such violations.

(c) The director of planning and community development shall notify the department of utilities if such violation of the city's building may create the risk of pollution of the city water supply or otherwise adversely affect the public health.

(d) The department of utilities shall take positive action to insure that the water system is adequately protected at all times. The department of utilities may deny or discontinue the water service to a customer if it is found upon proper inspection that any violation of the city's building codes may endanger the city's water supply system and/or be a public health hazard.

(e) Water service to such premise[s] shall not be restored by the department of utilities until the deficiencies have been corrected or eliminated in accordance with the regulations and policies of the city's building code and to the satisfaction of the department of planning and community development and the department of utilities.
(Ord. No. 41,100, § 2, 7-15-03)

ARTICLE III. SERVICE CHARGES AND RATES

Sec. 46.1-29. Application for service generally.

The director of utilities is hereby authorized to furnish water to customers upon request by the owner, agent or tenant of premises now connected with the city water system or hereafter to be connected.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-30. Application for service and water taps for new connections.

(a) In the case of a new building or premise[s] to be supplied with water for the first time, the person requesting the service must designate the point along the property line where the service is to enter the premise[s]. The city, however, reserves the right to regulate the size of the tap meter and its location.

(b) Upon the payment of the charge for the tap as herein prescribed and the approval of the request for a new service, the tap will be made by the department of utilities complete to and beyond the curb line, including the meter and meter box. The charges for taps and meters shall be as follows:

Effective July 1, 1989

Tap Size	*Charge for Tap and Meter*
¾-inch and meter	$525.00
1-inch and meter	750.00
Over 1-inch and meter	Actual cost
Meter only for ¾-inch tap	125.00
Meter only for 1-inch tap	150.00
Meter only for 1½-inch tap	225.00
Meter only for 2-inch tap	275.00
Meter only for tap over 2 inches	Actual cost

(c) The customer requesting a portable meter shall deposit the sum of fifteen hundred dollars ($1,500.00) with the department of utilities.

(d) Prior to the installation of any tap and meter, the cost or the cost as estimated by the department of utilities, as well as any fees imposed by the Hampton Roads Sanitation District (HRSD), shall be deposited with the city. No tap connection shall be installed until the charges are paid.

(e) Except as otherwise provided in this chapter, in the introduction of water from the city water system into any house or lot, there shall be a separate tap or connection with the water pipe of the city and a separate service pipe for each house or lot, and no service pipe shall be used for supplying more than one house.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-31. Fee for establishing account.

Each person making application for water service from the water system of the city shall pay to the city a fee of twenty dollars ($20.00) for each premise[s] to be served, to cover the cost of establishing an account. This fee shall be in addition to other charges prescribed by this chapter.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-32. Rates prescribed.

(a) Each Norfolk retail water customer shall pay two dollars seventy-six cents ($2.76) per one hundred (100) cubic feet (three dollars sixty-nine cents ($3.69) per one thousand (1,000) gallons) of all treated water used during the period from July 1, 2003, through June 30, 2004; and shall pay three dollars one cent ($3.01) per one hundred

(100) cubic feet (four dollars two cents ($4.02) per thousand (1,000) gallons) of all treated water used during the period from July 1, 2004, through June 30, 2005; and shall pay three dollars twenty-six cents ($3.26) per one hundred (100) cubic feet (four dollars thirty-six cents ($4.36) per thousand (1,000) gallons) for all treated water used during the period from July 1, 2005, through June 30, 2006; and annual increases of three and one-half (3.5) percent over the previous year's rate beginning July 1, 2006, and each July 1 thereafter, until amended.

(b) Reserved.

(c) Wholesale customers which are municipal corporations shall pay two dollars eighty-four cents ($2.84) per one hundred (100) cubic feet (three dollars eighty cents ($3.80) per (1,000) thousand gallons) of all treated water used during the period from July 1, 2003, through June 30, 2004; and shall pay three dollars nine cents ($3.09) per one hundred (100) cubic feet (four dollars thirteen cents ($4.13) per thousand (1,000) gallons) of all treated water used during the period from July 1, 2004, through June 30, 2005; and shall pay three dollars thirty-four cents ($3.34) per one hundred (100) cubic feet (four dollars forty-seven cents ($4.47) per thousand (1,000) gallons) for all treated water used during the period from July 1, 2005, through June 30, 2006; and annual increases of three and one-half (3.5) percent over the previous year's rate beginning July 1, 2006, and each July 1 thereafter, until amended or unless such rate is otherwise established by written contract.

(d) The director of utilities may sell to any customer untreated water at one dollar fifteen cents ($1.15) per thousand (1,000) gallons (eighty-six cents ($0.86) per hundred (100) cubic feet) from and after July 1, 2009. The untreated water rate will adjust annually each July 1 thereafter according to the Consumer Price Index for all Urban Consumers (CPI-U), U.S. City Average annual values for the preceding twelve (12) months, January through December, for the calendar year, all items, not seasonally adjusted (1982—84=100), published by the U.S. Department of Labor, Bureau of Labor Statistics. In no event shall the current untreated water rate decrease if the comparison of the year-to-year CPI shows a decrease from the previous year. The current untreated water rate shall then remain in effect until the next annual CPI index comparison shows an increase.

(e) External customers who, by mutual agreement with the host jurisdiction, are served directly by the Norfolk water system shall pay for treated water at the rate charged to such customers within the city unless otherwise established by council. Each account shall also pay published service charges and utility taxes.

(f) Reserved.

(g) The director of utilities may sell to any wholesale military customer treated water at six dollars eleven cents ($6.11) per thousand (1,000) gallons (four dollars fifty-seven cents ($4.57) per hundred (100) cubic feet) from and after July 1, 2012. The treated water rate will adjust annually each July 1 thereafter to a rate equivalent to three and one-half (3.5) percent over the previous year's rate.

(Ord. No. 41,100, § 2, 7-15-03; Ord. No. 42,277, § 11, 5-16-06; Ord. No. 42,662, § 22, 5-15-07; Ord. No. 43,447, § 1, 5-19-09; Ord. No. 44,727, § 1, 6-26-12, eff. 7-1-12; Ord. No. 45,955, § 30, 5-19-15, eff. 7-1-15)

Sec. 46.1-33. Charges for fire service.

(a) No charge shall be made for water used for fire purposes, but the following charges shall be made:

Effective January 1, 1993

Connection Size (inches)	*Daily Service Charges*
1½	0.059
2	0.094
3	0.185

Connection Size (inches)	*Daily Service Charges*
4	0.41
6	1.21
8	2.63
10	4.56

(b) Fire service fees, as established in subsection (a) for buildings with limited head fire suppression systems installed before October 1, 1992, shall be based on the fire suppression requirements for meter sizing, excluding the domestic fixture requirements, as authorized by the director of utilities.

(c) Exception: Single-family detached dwellings and townhouse dwellings up to a maximum of three (3) stories with fire sprinklers that are supplied by the domestic water meter are exempt from fire service charges.
(Ord. No. 41,100, § 2, 7-15-03; Ord. No. 43,836, § 3, 5-18-10)

Sec. 46.1-34. Finance charge on past due accounts.

For all past due accounts a finance charge of ten (10) percent per year, computed daily, shall be applied to the full outstanding balance of the public service bill, after thirty-five (35) days from the date of issue.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-35. Charge for turning water on or off during emergency.

If employees of the department of utilities are requested to turn off or on water at any city curb cock during an emergency, the customer will not be charged during normal working hours, but will be charged and billed twenty dollars ($20.00) after normal working hours for each such turn off or on of the water. This section shall not apply to the discontinuing service for failure to pay, unauthorized restoration.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-36. Size and type of meters; charges for changing meters; changing from flat-rate to metered service.

(a) All water meters shall be of such size and type as may be determined by the director of utilities.

(b) The following amounts shall be charged and collected in advance by the department of utilities for changing a meter from a larger to a smaller size:

(1) One inch or smaller to a smaller size, twenty dollars ($20.00).

(2) Charges for changing meters in excess of one inch to a smaller size shall be based on actual cost.

(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-37. Bills and due date thereof.

(a) The director of utilities or his designee is authorized to bill all water customers monthly, in accordance with the location in the city for the service rendered, and such bills shall be due and payable within twenty-one (21) days from the date of the bill.

(b) The policies and procedures related to billing, delinquent notices and collection of public service bills heretofore established by the director are ratified, confirmed and continued. The director of utilities shall periodically review, establish and enforce policies and procedures related to billing, delinquent notices and collection of public service bills.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-38. Testing meter and adjustment of bill for inaccuracy.

(a) Any customer shall have the right to request that the meter through which water is being furnished be examined and tested by the department of utilities for the purpose of ascertaining whether or not it is registering correctly the amount of water which is being delivered through it. Customers desiring to have a meter two (2) inches or less in size tested shall deposit the amount of twenty dollars ($20.00) with the department.

(b) The actual cost of testing of meters in excess of two (2) inches shall be the responsibility of the customer. The department of utilities shall estimate the cost and such estimated costs shall be paid by the customer prior to the meter being tested.

(c) If, on such examination and test, the meter is found to register three (3) percent or more water than actually passes through it, the meter shall be corrected, repaired or replaced by the department. The fee charged for the test shall then be refunded and the public service bill shall be adjusted accordingly.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-39. Adjustment of inaccurate bills.

If it is determined by the department of utilities that a customer's public service bill has been incorrectly calculated, the department reserves the right to make adjustments and bill accordingly.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-40. Adjustment of abnormal bills due to leakage.

The director is hereby authorized to adjust and settle such claims against the department of utilities for abnormal public service bills, due to leakage, as will, in the judgment of the director, work an injustice to the customer unless corrected.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-41. Charges when meter fails to register.

(a) Whenever a meter is out of order and fails to register, the customer shall be charged with an average daily consumption of water, as shown by the meter when in good working order and registering correctly.

(b) Where prior consumption data is not available or incomplete, the department of utilities shall estimate consumption based upon the data available and upon data from similar activities of equal intensity.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-42. Discontinuing service for failure to pay.

(a) Should any customer not pay a bill for fees or water service when due, that customer shall be deemed in default, and the department of utilities shall cause the water to be shut off from any or all premise[s]s then being supplied with water for that customer. The water shall not be turned on again at any such premise[s] for that customer until all arrearage and charges for such customer, regardless of where incurred, shall have been paid, including a charge of ten dollars ($10.00) for turning the water off at any premise[s], pursuant to this section. Any customer in default shall settle all past due indebtedness for fees or water service provided for under this chapter, regardless of where incurred, before again being served with city water.

(b) Termination of service will be consistent with the department's policies and procedures and no termination of service shall occur should the customer settle such indebtedness or satisfactorily explain the same to the department of utilities prior to the scheduled termination date.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-43. Unauthorized restoration of discontinued service.

(a) Should the water be cut off from any premise[s] by the department of utilities, and be reconnected without proper authorization, the service shall again be disconnected and shall not be restored until the customer pays all delinquent bills, and in addition thereto, the sum of twenty-five dollars ($25.00) for restoring the service.

(b) If it is determined to be in the city's best interest, and upon approval of the director, the water service to a premise[s] may be mechanically terminated. Restoration will not be made until all delinquent fees, charges, removal costs and new connection fees or other necessary corrections have been made.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-44. Procedure when property is vacated.

(a) The customer or the customer's authorized agent, shall promptly notify the department of utilities to terminate the supply of water to a vacated premises. Upon such notification, the department of utilities shall terminate the supply of water to the premises and record the reading of the meter. A final public-service bill shall be issued to the customer or customer's authorized

agent. If before vacating the premises the customer or customer's agent does not notify the department of utilities to terminate the supply of water, the customer shall pay the public-service bill for the consumption of water on the vacant premises when due. If there is water consumption on the premises after the department of utilities has terminated the supply of water, then the owner shall be responsible for such water consumption and the owner shall cause the public-service bill for the water consumption to be paid to the department of utilities when due.

(b) Utilities fees and charges for services provided to a premises shall constitute a lien against the real estate, ranking on parity with liens for unpaid taxes. Such amounts, plus reasonable attorney's or collection agency's fees, which shall not exceed twenty (20) percent of the delinquent bill, may be recovered by the city by action at law or suit in equity. Any lien for utility fees and charges when properly docketed in the clerk's office may, in addition to or in lieu of termination of services, be enforced in the same manner as real estate taxes due the city. Such lien shall not bind or affect a subsequent bona fide purchaser of such real estate for valuable consideration without actual notice of such lien, until and except from the time that the amount of such fees and charges are entered in a judgment lien book in the circuit court wherein the real estate or a part thereof is located. Such lien on any real estate may be discharged by the payment of the total amount of such lien and the interest, which may accrue to the date of payment.
(Ord. No. 41,100, § 2, 7-15-03; Ord. No. 42,277, § 12, 5-16-06)

Sec. 46.1-45. Charges for restoring service when property has been vacated.

When a premise[s] has been vacated and the meter removed at the owner's request, the following charges shall be made and collected when an application is made to restore service:

(1) For two (2) inches or less connections, twenty dollars ($20.00).

(2) Charges to restore service for connections in excess of two (2) inches shall be based on actual cost.

(Ord. No. 41,100, § 2, 7-15-03)

ARTICLE IV. POLLUTION OF WATER SUPPLY GENERALLY; PROTECTION OF WATERSHED

Sec. 46.1-46. Protection of watershed.

(a) It shall be unlawful for any person to pollute, threaten, jeopardize or render impure, turbid or offensive, the water supply of the City of Norfolk.

(b) No person shall put any filth, animal or vegetable matter, chips, compost, construction debris, shavings or any other substance or pollutant, whether solid or liquid, and whether buried or not, within the City of Norfolk's watershed property or place or dispose of any such substance in an area which drains into the watershed property or the lakes and reservoirs of the City of Norfolk.

(c) It shall be unlawful for any person to construct any sewer, privy vault, cesspool, septic tank or facility for the containment or treatment of domestic and household waste on any part of the watersheds surrounding the water supply of the city, without first securing a permit from the director of utilities and the director of health.

(d) The director of utilities shall have the right to develop and enforce policies and procedures for the protection of the city's water system lakes and reservoirs, including the Norfolk watershed property.

(Ord. No. 41,100, § 2, 7-15-03)

ARTICLE V. REGULATIONS APPLICABLE TO CITY-OWNED LAKES AND ADJOINING LAND

Sec. 46.1-47. Compliance with state fishing and boating laws.

Any person fishing in any of the reservoirs owned by the city shall comply with the regulations set by the Virginia Department of Game and Inland Fisheries as well as the following City of Norfolk regulations.

(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-48. Permit required for boating on city-owned lakes.

(a) No person shall be extended the privilege of boating, including canoeing on any of the city-owned reservoirs, unless a boating permit is obtained for the boat or canoe and the following fees are paid therefor:

(1) Annual permits for privately owned boats beginning January 1, shall be issued for the period January 1 to December 31 of each year at the following charges:

Nonresidents	$40.00
Norfolk residents	20.00
Sixty-two (62) years of age or over	10.00
City of Norfolk employees . .	10.00

(2) Daily permits shall be issued for a twenty-four-hour period at a cost of five dollars ($5.00).

(b) The permit is nontransferable.

(c) The director has the right to issue boat permits for law enforcement, special events, contractors and other situations as deemed appropriate.

(d) The city treasurer may establish substations in convenient locations and appoint agents for the issuance of boat permits and may require surety bonds from said agents for the faithful performance of their duties. Appointed agents shall be entitled to a one-dollar handling fee per permit to be deducted from the cost of the fee imposed by this section in accordance with procedures established by the city treasurer.

(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-49. Boat identification tag.

(a) A boat identification tag will be issued with each permit at no extra cost. The identification tag shall be securely attached to the left bow of the boat in plain view and easily recognizable.

The number on the identification tag shall be stamped on the boat permit. Should an identification tag become mutilated so that its numbers cannot be read easily, it is to be removed and a new identification tag will be issued for a fee of one dollar ($1.00). The boat owner will report a lost or stolen tag to the location where purchased.

(b) Proof of legal ownership must be presented before an impounded boat will be released to any person claiming ownership.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-50. Regulations applicable to city lakes and city-owned land adjoining city lakes.

Every permit issued pursuant to section 46.1-48, shall be subject to the following regulations which are hereby established for the use of all city reservoirs and city owned land adjoining such reservoirs:

(1) All city reservoirs and adjacent city-owned property shall be open during hours designated by the director and posted at major entry points. No person shall go on any city reservoir or adjacent watershed property outside of posted hours unless he is a warden, law enforcement officer, member of a reserve unit or other authorized personnel.

(2) No person shall use water skis, jet skis, surfboards, open bottom paddle boats, houseboats, tubes, rafts, inflatable boats or similar devices on any city reservoirs except as allowed by the director for non-recreational use.

(3) Sailing is not permitted on any portion of the city reservoirs.

(4) No person shall permit stagnant water to accumulate in such person's private boat on any city reservoirs.

(5) No person shall carry or set off any firecrackers or other fireworks from any boat on any city reservoirs or from any city-owned land adjoining any city reservoirs.

(6) No person shall swim in any city reservoirs without the permission of the director of utilities.

(7) No person shall fish from any city-owned land adjoining any city reservoirs, except on property designated therefor at the fishing stations unless otherwise authorized in writing by the director.

(8) All boating and fishing shall be in compliance with the regulations set by local, state, and federal agencies having jurisdiction.

(9) No person shall take any fish from any city reservoir except with rod, line and hooks baited with natural or artificial bait unless authorized by the director.

(10) No person under the age of twelve (12) years shall operate any boat unless accompanied by an adult on any city reservoir.

(11) No person shall use any boat having an operational outboard motor exceeding twelve (12) horsepower on any city reservoir. The director may grant exceptions for city departments, agencies and contractors.

(12) Boats shall be launched only from designated launching areas on city reservoirs and at any other launching areas designated by the director of utilities.

(13) All permits issued pursuant to this section must be produced for inspection when requested by any patrol officers or person of properly constituted authority.

(14) Except as otherwise provided by law no person shall bring, possess, or drink any alcoholic beverage on the city reservoirs or on any city-owned land adjoining any city reservoir.

(15) No person shall cause the disturbance of others through the use any sound amplification equipment or radio on the city reservoirs on any city-owned land adjoining any city reservoir.

(Ord. No. 41,100, § 2, 7-15-03; Ord. No. 42,851, § 2, 9-18-07)

Sec. 46.1-51. Damage to or removal of trees or shrubs.

(a) It shall be unlawful for any person except an authorized employee or agent of the department of utilities to perform any of the following acts without first obtaining a permit from the director:

(1) Plant, prune, trim or remove any tree or portion thereof or damage, cut, tap, caulk, paint, attach any rope, wire, nail, sign or any manmade object to any tree or shrub, or dig a tunnel trench or otherwise excavate or place any dirt, rubble or debris within the drip line of any tree or shrub.

(2) Place any material of any sort, including, but not limited to, dirt, soil, rubble, concrete, bricks, wood, dredge spoil, asphalt, creosote timbers, logs, garbage, tires, organic wastes and other materials including herbicides and growth regulators that either prevent or hinders the establishment of vegetation or is detrimental to the environment beneath the drip line of any tree or shrub except as authorized by permit.

(c) When a tree is removed, destroyed or damaged beyond recovery in violation of this section, the director may require that they be replaced on the basis of one tree with a minimum two and one-half (2.5) inches in caliper for every two and one-half (2.5) inches diameter of tree removed, destroyed or damaged. Failure to replace or replant as directed shall constitute a violation of this chapter.

(c) Nothing in this section shall be construed to exempt any person from the requirements of obtaining any additional permits as required by law.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-52. Permit revocation.

In the event of the violation of any of the foregoing regulations by any person holding a permit issued pursuant to this chapter, the director shall have the right, in addition to any other remedies herein provided or otherwise allowed by law, to revoke such permit and to deny such person access to the city reservoir and city-owned land adjoining any city reservoir for a period deemed appropriate.
(Ord. No. 41,100, § 2, 7-15-03)

ARTICLE VI. WATER CONSERVATION

Sec. 46.1-53. Authority to declare a potential shortage of water and to impose water conservation measures.

The city manager is authorized to take special measures of prudent management to prevent a critical water shortage when a declaration of a potential shortage of water and/or emergency water condition existing in the City of Norfolk's water system has been made.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-54. Conditions for the declaration of potential shortage of water.

Upon a determination by the city manager of the existence of the following conditions, the city manager shall take the following actions:

(1) *Condition 1.* When moderate but limited supplies of water are available, the city manager shall, through appropriate means, call upon the general population to employ prudent restraint in water usage, and to conserve water voluntarily by whatever methods are available.

(2) *Condition 2.* When very limited supplies of water are available, the city manager shall order curtailment of less essential usages of water, including, but not limited to, one or more of the following:

a. The watering of shrubbery, trees, lawns, grass, plants, or any other vegetation, except indoor plantings, greenhouse or nursery stocks and except watering by commercial nurseries of freshly planted plants upon planting and once a week for five (5) weeks following planting.

b. The washing of automobiles, trucks, trailers, boats, airplanes, or any other types of mobile equipment, except-

ing in facilities operating with a water recycling system approved by the director of utilities, or except from a bucket or other container not exceeding three (3) gallons in capacity; provided, however, that any facility operating with an approved water recycling system shall prominently display in public view a notice stating that such recycling system is in operation. In lieu of the provisions hereof the city manager may curtail the hours of operation of commercial enterprises offering such services or washing their own equipment.

c. The washing of streets, driveways, parking lots, service station aprons, office buildings, exteriors of home or apartments, or other outdoor surfaces, except by commercial washing/cleaning services or except from a bucket or other container not exceeding three (3) gallons of capacity.

d. The operation of any ornamental fountain or other structure making similar use of water.

e. The filling of swimming and/or wading pools, or the refilling of swimming and/or wading pools which were drained after the effective date of the order.

f. The use of water from fire hydrants for any purpose other than fire suppression or other emergency except as authorized by the director of utilities.

g. The serving of drinking water in restaurants, cafeterias or any food establishment unless requested by the individual.

h. The director of utilities may authorize exceptions to the restrictions imposed by conditions 1 and 2.

(3) *Condition 3.* When supplies of water are critically limited, the city manager shall institute mandatory reductions on each customer which include those restrictions applicable to condition 2 as well as reductions of water to each customer as follows:

a. At the city manager's discretion, allocations of water to customers shall be based on either a twenty-five (25) percent reduction based on the average of the last twelve (12) months' billing and/or water consumption data available from similar activities of equal intensity.

b. The amount of water allocated for consumption shall not be less than fifty (50) gallons per person per day per household.

c. If the monthly or bimonthly usage of water as established above is exceeded the customer shall be charged in addition to the regular rate the following charges for excess water use:

1. Any water use over the allocation will be billed at three hundred (300) percent of the current effective water rate as specified b[y] article III, section 46.1-32.

d. The above additional charges for excess water usage shall be applicable to bills for service periods beginning on and after the declaration that a potential shortage of water exists.

(4) *Condition 4.* When supplies of water are drastically limited, the city manager may implement such additional restrictions as are determined necessary.

(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-55. Violation of condition 4 water restrictions.

Upon implementation of condition 4, the city manager may impose appropriate fines and penalties for excess water usage.

(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-56. Notice to the public.

The determination of conditions 2, 3, and 4 by the city manager shall be accompanied by a

written report which shall set out the criteria utilized and data relied upon in making such determination including a narrative summary supporting the determination. Each report shall be promptly filed with the city clerk who shall make the same available for public inspection. The city clerk shall transmit a copy of each report to the city council.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-57. Appeals.

An appeals review board shall be established upon declaration of condition 3. It shall be composed of three (3) members appointed by the city council. One of the three (3) members shall be a representative of the department of utilities. The appeals review board shall hear appeals from the determinations as to allocations of water and additional charges of excess usage and shall have the power by the vote of two (2) members to approve, modify or revoke such determinations. The action of the appeals review board shall be final.
(Ord. No. 41,100, § 2, 7-15-03)

ARTICLE VII STRUCTURES ON RESERVOIRS

Sec. 46.1-58. Permit required; prior permits validated.

(a) The director is hereby authorized to issue permits authorizing the construction, maintenance and use of bulkheads and/or piers, fences, landings or similar structures made out into the waters of water supply reservoirs and adjacent property owned by the city from property adjacent to said waters owned by the city.

(b) Persons who would otherwise be subject to this section holding permits issued by the director of community improvement prior to the adoption of this section, pursuant to article IV of chapter 54 of the Code of the City of Norfolk, 1958, as amended shall not be required to apply for permits pursuant to this section if such permits issued by the director of community improvement or any renewals thereof are in effect as of the effective date of this section.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-59. Permit exemption.

Permit requirements shall not apply to the city or any of its departments, and the city specifically reserves the right to use and improve its reservoir property as it deems proper.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-60. Application for permit.

(a) Application for a permit shall be made in writing and shall set forth the proposed location of such structure and the purposes for which it is to be used, and shall be accompanied with plans and specifications for the construction thereof.

(b) No permit shall be issued unless the prescribed application with plans and specifications are approved by the director.

(c) The director shall approve, and provide public access to, standards for the type and characteristics of the materials from which such structures may be constructed, for the dimensions or ranges of dimensions thereof, for the placement of such structures with regard to the water line and any other relevant topographical features, and for any other aspects of such structures for which he deems standards necessary to preserve and protect the waters of the reservoir and/or the purity thereof. Such standards shall be mandatory upon all persons applying for permits, and shall have been set forth in documentary form on or before the effective date of this section. Documents for the construction of piers, bulkheads and similar structures shall be made available and shall set forth the standards for construction on the reservoirs.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-61. Qualifications for issuance of permit.

Only those persons owning real property in fee simple adjacent to real property owned by the city upon which such structure is proposed to be located may be issued permits pursuant to this article. Any person making application for a permit shall state in writing as part of said application, that he meets all the requirements of this article.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-62. Insurance; hold-harmless agreement.

(a) Issuance of a permit pursuant to this article shall be conditioned upon the person applying for and holding said permit obtaining, paying for and keeping in effect public liability insurance with the city as named insured, in the minimum amounts of four hundred thousand dollars ($400,000.00) per person injured and property damage per incident combined.

(b) Any person applying for or holding a permit pursuant to this article shall agree in writing to hold and save the city harmless from any and all liability of whatsoever nature, and to indemnify the city against any loss whatsoever, incurred by reason of the existence or maintenance of the permitted structure.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-63. Permit dependent upon other permits.

The granting of any permit pursuant to this article shall be conditioned upon the applicant's obtaining all other applicable permits, licenses or permissions required by any local, state or federal government agency having jurisdiction. Failure to obtain all required permits, licenses or permissions shall constitute grounds for denial of a permit or revocation of the permit issued pursuant to this article.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-64. Revocation of permit.

Any permit issued pursuant to this section [article] may be revoked by the director at any time upon reasonable evidence satisfactory to him that any of the conditions of this article or of the standards have not been complied with or have been violated.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-65. Transferability.

No permit issued under the provisions of this article shall be transferable. However, subsequent purchasers of property having such permit shall be allowed to apply for a new permit if they do so within thirty (30) calendar days after purchase.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-66. Existing structures.

The owner of any existing bulkhead and/or pier, landing or similar structure for boats made out into the waters of city-owned water supply reservoirs from property adjacent to said water owned by the city, shall make application to the director for a permit as provided in this article. Upon such application, such structure shall be inspected by the director as to its suitability and compliance with the provisions of this article and the standards established pursuant to this article. If such structure is found to be suitable and in proper repair, a permit shall be issued therefor as provided in this article. If such structure is not found to be suitable and in proper repair, the owner thereof shall be notified in writing by certified mail, return receipt requested, as to what is to be done to make such structure comply with said standards and requirements of this article. If the matters required to be done, as set forth in said written notification, have not been accomplished and completed within sixty (60) days after the date such notification is mailed to said owner at the address given on said application, the director shall cause such structure to be removed at the cost and expense of the said owner. Ten (10) days prior to the removal of such structure as aforesaid, the director shall post a notice upon such structure that it will be removed and demolished at the expense of the owner upon the date to be stated in the notice. If for any reason the notice cannot be posted upon such structure, the director shall cause such notice to be mailed to the owner at his last known address by certified mail, return receipt requested.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-67. Rights of permittee.

In granting a permit pursuant to this article, the city grants the same only insofar as it is authorized by law to do so; and it does not in any way guarantee to any permittee or any other person any rights or privileges with regard to

constructing, maintaining or using any such bulkhead and/or pier, landing or other similar structure.
(Ord. No. 41,100, § 2, 7-15-03)

Sec. 46.1-68. Prohibitions and restrictions.

(a) No such structure shall be used or permitted to be used for any commercial purpose, nor for building, constructing or repairing any boat. No charge shall be made for the use of any such structure.

(b) No vessel fitted for use as a dwelling or residence or occupied as such shall be permitted at any pier, bulkhead or similar structure allowed pursuant to this article.

(c) The person making application for a permit pursuant to this article shall at all times keep the permitted structure clean and in good repair. No changes or additions to such structure shall be allowed subsequent to issuance of the permit therefore.

(d) The person holding a pier permit pursuant to this section may keep and tie up a boat at the permitted structure, and may place such boat upon the structure from the water; such permit holder may not place such upon land owned by the city or transport such boat across such land, or cause or allow such placement or transportation. Any such boat shall be subject to the rules and regulations of the city pertaining to boats upon waters owned by the city, as the same now exist or as they may be amended in the future; except that such boat may be kept, tied up and placed as provided in this section.

(e) The person holding a pier permit pursuant to this article shall be permitted to fish from the pier provided all applicable regulations related to fishing are adhered to. For purposes of this section, person shall mean all occupants of the property and immediate family members.
(Ord. No. 41,100, § 2, 7-15-03)

Editor's note—Ord. No. 42,851, § 1, adopted Sept. 18, 2007, repealed § 47-7, which pertained to carrying weapon into courthouse and derived from Ord. No. 35,140, § 1, adopted June 28, 1988.

Secs. 47-8—47-21. Reserved.

ARTICLE II. BOWS AND ARROWS

Sec. 47-22. Permit for archery ranges.

No person shall set up or operate an archery range in the city, without first obtaining a permit from the chief of police. The chief of police shall issue a permit for the construction and operation of an archery range after the location and construction of the same have been proven to his satisfaction to be consistent with the public safety.
(Code 1958, § 51-3)

Cross reference—License tax for archery ranges, § 24-135.

Sec. 47-23. Shooting or discharging generally.

No person shall shoot or discharge an arrow from a bow within the city, except upon an archery range for which a permit has been issued under section 47-22.
(Code 1958, § 51-3)

Sec. 47-24. Shooting or discharging by minors.

No minor shall shoot or discharge an arrow from a bow, except upon an archery range for

which a permit has been issued under section 47-22 and then only when under the immediate supervision of an adult.
(Code 1958, § 51-3)

Sec. 47-25. Exemptions from article.

Nothing in this article shall apply to the discharge of an arrow equipped with a blunt rubber tip or rubber suction cup from a bow with a "pull" or "draw weight" of less than ten (10) pounds.
(Code 1958, § 51-3)

Sec. 47-26. Violations of article.

Any person violating any provision of this article shall be guilty of a Class 3 misdemeanor.
(Code 1958, § 51-3)

---

*__Charter reference—__Authority of city relative to weights and measures, § 2(17).
__State law reference—__Weights and measures, Code of Virginia, § 3.1-919 et seq.

ARTICLE I. IN GENERAL

Sec. 48-1. Supervision and general powers and duties of sealer; assistant sealer.

(a) The sealer of weights and measures shall be subject to the supervision and control of the director of city planning and codes administration, or by his designee. The sealer's duties shall be such as may be prescribed by the laws of the state, by ordinance or by order of such director.

(b) It shall be the duty of the sealer of weights and measures to see that the laws of the state, on the subject of weights and measures, as well as such ordinances as may, from time to time, be adopted by the council on such subject, are rigidly enforced in the city. He shall devote his entire time and attention, and give all his services, to the exclusion of any other occupation or business, to the duties of his office.

(c) The sealer of weights and measures shall have all the powers of a policeman, which powers shall not be confined to matters pertaining to his office.

(d) There shall be an assistant sealer of weights and measures, who shall, under the supervision of the sealer of weights and measures, perform such duties as may be imposed upon the sealer of weights and measures by the laws of the state, the ordinances of the city, or by order of the director of city planning and codes administration, and all acts of such assistant shall be as valid as if performed by the sealer of weights and measures in person. (Code 1958, §§ 52-1, 52-3, 52-4; Ord. No. 35,628, § 10, 7-5-89)

State law reference—Local sealers of weights and measures, Code of Virginia, § 3.1-937 et seq.

Sec. 48-2. Compensation of sealer.

The salary of the sealer of weights and measures shall be in lieu of all fees allowed him or authorized to be collected by him under the ordinances of the city or the laws of the state. He shall be paid such salary as the council shall, from time to time, appropriate for that purpose, such salary to be paid as the salaries of other city officials are paid. (Code 1958, § 52-2)

State law reference—Compensation of local sealer, Code of Virginia, § 3.1-937.

Sec. 48-3. Sealer's records.

The sealer of weights and measures shall keep in his office, at all times open to public inspection, a record showing all balances, weights and measures inspected or tested by him, including the names of the owners or custodians and the locations thereof, dates of inspections and tests, the results thereof, and the action taken by him (with the full result and consequences) in all cases where any violations of law or ordinance are alleged. Such record shall be kept indexed or arranged in alphabetical order, under the names of the owners or custodians of each balance, weight or measure, so that reference may be easily and conveniently had thereto, and shall show the date of every inspection made. (Code 1958, § 52-8)

Sec. 48-4. Confidentiality of information furnished sealer.

No information furnished to the sealer of weights and measures in the performance of his duties or in connection with the discharge of his duties, by way of complaint or otherwise, shall be divulged or disclosed by such sealer, unless he is required by law so to do. (Code 1958, § 52-3)

Sec. 48-5. Neglect of duty by sealer.

If the sealer of weights and measures shall neglect to perform any duty imposed upon him by this chapter, he shall be guilty of a Class 2 misdemeanor. (Code 1958, § 52-9)

Sec. 48-6. Proper weights and measures required; weight or quantity of commodity sold.

No person shall sell or exchange, or offer or expose for sale or exchange, in the city, any commodity as of a specified weight or quantity without having proper weights and

measures for the purpose of weighing or measuring the same, nor unless the actual weight or quantity so sold, exchanged, offered or exposed shall be as great as the represented, pretended, indicated or claimed. (Code 1958, § 52-10)

Sec. 48-7. Use of liquid measure in place of dry measure.

(a) It shall be unlawful for any person to use liquid measure in the sale of peanuts, chestnuts, beans, peas, cranberries or any other commodities where dry measure is required by law to be used.

(b) It shall be unlawful for any person to use a liquid measure as a scoop for commodities required by law to be sold by dry measure, or to use a liquid measure for any purpose where dry measure should be law be used in the sale of such commodity.

(c) Any liquid measure found in the possession of any person in any bin, barrel, box or receptacle containing commodities which are required by law to be sold by dry measure or weight, or found in such a position as to create the impression that the liquid measure is being used in the sale of commodities that should by law be measured only by dry measure or weight shall be prima facie evidence of the violation of the provisions of this section.

(d) Any person violating any provision of this section shall be guilty of a Class 4 misdemeanor. (Code 1958, § 52-16)

Sec. 48-8. Standards for weights and measures.

(a) No person shall use or have in his possession in the city any balance, weight or measure which does not conform to the legal standard, or any measure the actual capacity of which is less than its represented or purported capacity, or any computing scale or other weighing device, intended or purporting to indicate both weight and money value, unless all points, marks, graduations and indicators thereon intended or purporting to indicate weight are so made, arranged and contrived as to indicate the same accurately, nor unless all points, marks, graduations and indicators thereon intended or purporting to indicate money value are so arranged and contrived as to indicate such value accurately at each of the several unit prices shown on the device. The face or dial of such device shall be plainly visible to the customer.

(b) No person shall manufacture, sell, exchange or give away in the city any weight, measure or weighing device that does not conform to the legal standards. (Code 1958, §§ 52-11, 52-14)

Sec. 48-9. Inspecting and testing weights and measures generally.

(a) The sealer of weights and measures shall continuously and systematically cover the entire city and visit all persons using any balances, weights or measures for purposes of trade or sale, examining and testing all such balances, weights and measures, at least once in every six (6) months, and more frequently, if possible.

(b) The sealer of weights and measures may enter and inspect any and all premises

of any kind in which he may believe or have information that there are any balances, weights or measures or other articles which are or may be subject to any of the duties of his office. The sealer shall, within twenty-four (24) hours, whenever requested by any person, inspect and test any and all balances, weights or measures produced before him for the purpose. He shall, within twenty-four (24) hours after receiving from any person information of any balances, weights or measures alleged to be inaccurate, and as often thereafter as he may deem necessary, visit the person alleged to be in possession thereof and examine the same.

(c) No person shall refuse to exhibit to the sealer of weights and measures or refuse to permit the inspection and testing of any or all balances, weights and measures used or kept by him in the city, or hinder or obstruct such officer in inspecting, testing or sealing the same. The owner, proprietor or custodian of any balance, weight, measure or weighing device in the city shall permit the sealer of weights and measures to inspect and test the same whenever such officer may desire to do so. (Code 1958, §§ 52-3, 52-13)

Sec. 48-10. Sealing or marking approved weights and measures.

Whenever the sealer of weights and measures shall find that any balance, weight or measure conforms to the legal standard therefor, he shall seal or mark the same with an appropriate device. (Code 1958, § 52-6)

Sec. 48-11. Altering weights and measures after sealing.

No person shall alter, or permit to be altered, any balance, weight or measure used or kept in the city after the same shall have been sealed by the sealer of weights and measures, or deface, alter or remove, or permit to be defaced, altered or removed, any letter or figure stamped or marked on any such balance, weight or measure by such officer for the purpose of sealing the same. (Code 1958, § 52-12)

Sec. 48-12. Destruction or correction of inaccurate weights and measures.

Whenever the sealer of weights and measures shall find that any balance, weight or measure does not conform to the legal standard, he shall deface and destroy the same; provided, that when such inaccuracy plainly appears to be due to no fault or neglect of the owner, if such balance, weight or measure can be made to agree with the legal standard, the sealer, in his discretion, may regulate and correct the same. (Code 1958, § 52-7)

Sec. 48-13. Certificate from sealer required of persons peddling articles sold by weight or measure.

(a) Any person vending or peddling, on the streets or other public places in the city, any article or commodity sold by weight or measure shall, before applying for a license therefor, obtain from the sealer of weights and measures a certificate to the effect that he is provided with proper and correct weights and measures. The commissioner of the revenue shall require such certificate to be produced by such person in every case before issuing such license.

(b) Any person violating any provision of this section shall be guilty of a Class 4 misdemeanor. (Code 1958, § 52-15)

Sec. 48-14. Investigation of complaints relative to gas and electric meters.

Whenever the director of community improvement shall receive a complaint from a citizen with respect to the accuracy or inaccuracy of a gas or electric meter, he shall investigate the same forthwith and take such action as may be necessary and within his

power to resolve the same. (Code 1958, § 18.1-13)

Sec. 48-15. Violations of article generally.

Except as otherwise specifically provided, a violation of any provision of this article shall constitute a Class 2 misdemeanor.

Sec. 48-16. Criminal process for violations involving weights and measures.

The sealer of weights and measures shall promptly procure proper criminal process against any and all persons whom he may believe to be guilty of a violation of any law or ordinance on the subject of weights and measures in the city, which process shall be served by the sealer or, in his discretion, by any other officer authorized to serve the same. (Code 1958, § 52-5)

Secs. 48-17—48-32. Reserved.

ARTICLE II. COAL AND COKE*

Sec. 48-33. Exemptions from article.

Nothing in this article shall apply in case of delivery of coal sold in car-load lots by railroad weight. (Code 1958, § 52-22)

Sec. 48-34. Violations of article.

Every person violating any of the provisions of this article or refusing to comply with the same shall be guilty of a Class 1 misdemeanor. (Code 1958, § 52-23)

Sec. 48-35. To be sold by weight.

It shall be unlawful for any person to sell or offer to sell any coal or coke in the city in any other manner than by weight. (Code 1958, §§ 52-19, 52-21)

State law reference—Similar provisions, Code of Virginia, § 3.1-953.

*Cross references—License tax for coal company agents, § 24-92; license tax on peddlers of coal, § 24-125.

Sec. 48-36. Delivery ticket.

(a) It shall be unlawful for any person to deliver any coal or coke in the city without such delivery being accompanied by a delivery ticket and a duplicate thereof, on each of which shall be distinctly expressed, in pounds, the gross weight of the load, the tare of the delivery vehicle and the quantity of coal or coke contained in the vehicle used in such delivery, with the name of the purchaser thereof and the name of the vendor from whom purchased. Entries on such ticket shall be in ink or other indelible substance. One of the tickets shall be retained by the vendor and the other shall be delivered to the purchaser, at the time of delivery, or surrendered to the sealer of weights and measures, upon demand, for his inspection. If the sealer desires to retain such ticket as evidence, he shall issue a weight slip in lieu thereof for delivery to the purchaser.

(b) When the buyer carries away the purchase of coal or coke, a delivery ticket showing the actual number of pounds delivered to him must be given to him at the time the sale is made.

(c) When coal or coke is sold in packages, no delivery ticket shall be necessary, but the true net weight of the coal or coke contained therein shall be clearly marked, stamped or printed on each package in letters or figures at least one inch in height. This subsection shall not apply to coal or coke sold by the ton, but delivered in sacks for convenience. (Code 1958, § 52-19)

State law reference—Similar provisions, Code of Virginia, § 3.1-953.

Sec. 48-37. Verification of weight shown on delivery ticket.

Whenever the sealer of weights and measures or the purchaser of coal or coke, or the person to whom the same is delivered, shall demand that the weight shown by the ticket referred to in section 48-36 be verified, it shall be the duty of the person delivering such coal or coke to proceed forthwith to the public scales designated by the sealer of

weights and measures nearest to the location where the coal or coke is to be delivered, or to the nearest private scales in the particular locality, selected by the sealer, where the owner thereof shall consent to such use. The person so delivering such coal or coke shall permit the weighing of the coal or coke, together with the delivery vehicle and equipment, for the purpose of ascertaining the gross weight thereof and, after delivery of the coal or coke, shall return forthwith to the same scales and permit the weighing of such vehicle and equipment for the purpose of verifying the net weight of the coal and coke, as shown by such ticket. (Code 1958, § 52-20)

Secs. 48-38—48-63. Reserved.

ARTICLE III. GASOLINE*

Sec. 48-64. Violations of article.

Any person violating any of the provisions of this article shall be guilty of a Class 4 misdemeanor. (Code 1958, § 52-33)

Sec. 48-65. Definition.

As used in this article, the word "gasoline" shall be construed to include naphtha, benzine and other like liquids and fluids derived from petroleum or other sources and used, or intended to be used, for power purposes, except kerosene.

State law reference—Similar provisions, Code of Virginia, § 59.1-149.

Sec. 48-66. Standards.

No person within the city shall sell, offer for sale, or have in possession with intent to sell or offer for sale, gasoline, to be used as motor fuel, unless the same shall conform to and meet the "properties and tests" for motor gasoline of the federal specifications board and the rules and regulations of the state board of agriculture and commerce, as the same now are or may hereafter be amended. (Code 1958, § 52-25)

State law reference—Similar provisions, Code of Virginia, § 59.1-153.

Sec. 48-67. Investigation of complaints and testing of gasoline.

It shall be the duty of the sealer of weights and measures to investigate complaints that may arise as to the quality of gasoline and test the same, and the sealer shall call on the department of police to assist him, when needed. (Code 1958, § 52-26)

Sec. 48-68. Chemical analyses.

The department of community improvement shall have power to require the city bacteriologist to make chemical analyses of gasoline and to report in writing to the sealer of weights and measures the result of his examination. (Code 1958, § 52-27)

Sec. 48-69. Mixture of "Norfolk Tested" gasoline with inferior product.

No person shall mix any "Norfolk Tested" gasoline with any inferior gasoline, so that the resulting product is inferior to the "Norfolk Tested," and sell or offer such inferior mixture for sale in the city. (Code 1958, § 52-29)

Sec. 48-70. Water or sludge in storage tanks.

It shall be unlawful for any person to allow such an accumulation of water or sludge in the bottom of storage tanks from which gasoline is sold, either at wholesale or retail, that such liquid, when drawn up by the pump or other device, will be contaminated by such water or sludge. (Code 1958, § 52-28)

Sec. 48-71. Pumps—Construction and location.

Every liquid measuring device, commonly called a pump, used in the sale of gasoline for motor fuel shall be so constructed and located as to accurately and plainly indicate to the

ARTICLE I. IN GENERAL

Secs. 49-01—49-09. Reserved.

ARTICLE II. WETLANDS*

Sec. 49-1. Intent.

The council of the city, acting pursuant to chapter 13 of title 28.2 of the Code of Virginia, for purposes of fulfilling the policy standards set forth in such chapter, adopts this article regulating the use and development of wetlands.
(Ord. No. 37,012, § 1, 9-29-92)

Sec. 49-2. Definitions.

As used in this article, unless the context requires a different meaning:

Back Bay and its tributaries means the following, as shown on the United States Geological Survey Quadrangle Sheets for Virginia Beach, North Bay, and Knotts Island: Back Bay north of the Virginia-North Carolina state line; Capsies Creek north of the Virginia-North Carolina state line; Deal Creek; Devil Creek; Nawney Creek; Redhead Bay, Sand Bay, Shipps Bay, North Bay, and the waters connecting them; Beggars Bridge Creek; Muddy Creek; Ashville Bridge Creek; Hells Point Creek; Black Gut; and all coves, ponds, and natural waterways adjacent to or connecting with the above-named bodies of water.

Commission means the Virginia Marine Resources Commission.

Commissioner means the Commissioner of Marine Resources.

Governmental activity means any of the services provided by this city to its citizens for the purpose of maintaining this city, including but not limited to such services as constructing, repairing, and maintaining roads; providing sewage facilities and street lights; supplying and treating water; and constructing public buildings.

Nonvegetated wetlands means unvegetated lands lying contiguous to mean low water and between mean low water and mean high water, including those unvegetated areas of Back Bay and its tributaries and the North Landing River and its tributaries subject to flooding by normal and wind tides but not hurricane or tropical storm tides.

North Landing River and its tributaries means the following, as shown on the United States Geological Survey Quadrangle Sheets for Pleasant Ridge, Creeds, and Fentress: the North Landing River from the Virginia-North Carolina line to Virginia Highway 165 at North Landing Bridge; the Chesapeake and Albemarle Canal from Virginia Highway 165 at North Landing Bridge to the locks at Great Bridge; and all named and unnamed streams, creeks, and rivers flowing into the North Landing River and the Chesapeake and Albemarle Canal except West Neck Creek north of Indian River Road, Pocaty River west of Blackwater Road, Blackwater River west of its forks located at a point approximately six thousand four hundred (6,400) feet due west of the point where Blackwater Road crosses the Blackwater River at the village of Blackwater, and Millbank Creek west of Blackwater Road.

Person means any individual, corporation, partnership, association, company, business, trust, joint venture, or other legal entity.

Vegetated wetlands means lands lying between and contiguous to mean low water and an elevation above mean low water equal to the factor one and one-half times the mean tide range at the site of the proposed project in the county, city, or town in question, and upon which is growing any of the following species: saltmarsh cordgrass (Spartina alterniflora), saltmeadow hay (Spartina patens), saltgrass (Distichlis spicata), black needlerush (Juncus roemerianus), saltwort (Salicornia spp.), sea lavender (Limonium spp.), marsh elder (Iva frutescens), groundsel bush (Baccharis halimifolia), wax myrtle (Myrica sp.), sea oxeye (Borrichia frutescens), arrow arum (Peltandra virginica), pickerelweed (Pontederia cordata), big

*__Editor's note—__Section 1 of Ord. No. 37,012, adopted Sept. 29, 1992, amended Ch. 49, Art. II, §§ 49-1—49-17, to read as herein set out. Former Ch. 49, Art. II pertained to similar subject matter and derived from Ord. No. 31,846, § 1, adopted July 20, 1982; Ord. No. 35,629, § 1, adopted July 5, 1989; Ord. No. 35,691, § 1, adopted Aug. 15, 1989 and Ord. No. 35,692, § 1, adopted Aug. 15, 1989.

cordgrass (Spartina cynosuroides), rice cutgrass (Leersia oryzoides), wildrice (Zizania aquatica), bulrush (Scirpus validus), spikerush (Eleocharis sp.), sea rocket (Cakile edentula), southern wildrice (Zizaniopsis miliacea), cattail (Typha spp.), three-square (Scirpus spp.), buttonbush (Cephalanthus occidentalis), bald cypress (Taxodium distichum), black gum (Nyssa sylvatica), tupelo (Nyssa aquatica), dock (Rumex spp.), yellow pond lily (Nuphar sp.), marsh fleabane (Pluchea purpurascens), royal fern (Osmunda regalis), marsh hibiscus (Hibiscus moscheutos), beggar's tick (Bidens sp.), smartweed (Polygonum sp.), arrowhead (Sagittaria spp.), sweet flag (Acorus calamus), water hemp (Amaranthus cannabinus), reed grass (Phragmites communis), or switch grass (Panicum virgatum).

Vegetated wetlands of Back Bay and its tributaries or *vegetated wetlands of the North Landing River and its tributaries* means all marshes subject to flooding by normal and wind tides but not hurricane or tropical storm tides, and upon which is growing any of the following species: saltmarsh cordgrass (Spartina alterniflora), saltmeadow hay (Spartina patens), black needlerush (Juncus roemerianus), marsh elder (Iva frutescens), groundsel bush (Baccharis halimifolia), wax myrtle (Myrica sp.), arrow arum (Peltandra virginica), pickerelweed (Pontederia cordata), big cordgrass (Spartina cynosuroides), rice cutgrass (Leersia oryzoides), wildrice (Zizania aquatica), bulrush (Scirpus validus), spikerush (Eleocharis sp.), cattail (Typha spp.), three-square (Scirpus spp.), dock (Rumex sp.), smartweed (Polygonum sp.), yellow pond lily (Nuphar sp.), royal fern (Osmunda regalis), marsh hibiscus (Hibiscus moscheutos), beggar's tick (Bidens sp.), arrowhead (Sagittaria sp.), water hemp (Amaranthus cannabinus), reed grass (Phragmites communis), or switch grass (Panicum virgatum).

Wetlands means both vegetated and nonvegetated wetlands.

Wetlands board or *board* means a board created pursuant to Code of Virginia, § 28.2-1303.
(Ord. No. 37,012, § 1, 9-29-92; Ord. No. 49,462, § 1, 1-9-24)

Sec. 49-3. Uses and activities on wetlands which are permitted.

The following uses of and activities in wetlands are authorized if otherwise permitted by law:

(1) The construction and maintenance of noncommercial catwalks, piers, boathouses, boat shelters, fences, duckblinds, wildlife management shelters, footbridges, observation decks and shelters and other similar structures, provided that such structures are so constructed on pilings as to permit the reasonably unobstructed flow of the tide and preserve the natural contour of the wetlands;

(2) The cultivation and harvesting of shellfish, and worms for bait;

(3) Noncommercial outdoor recreational activities, including hiking, boating, trapping, hunting, fishing, shellfishing, horseback riding, swimming, skeet and trap shooting, and shooting on shooting preserves, provided that no structure shall be constructed except as permitted in subdivision (1) of this section;

(4) Other outdoor recreational activities, provided they do not impair the natural functions or alter the natural contour of the wetlands;

(5) Grazing, haying, and cultivating and harvesting agricultural, forestry or horticultural products;

(6) Conservation, repletion, and research activities of the commission, the Virginia Institute of Marine Science, the Department of Wildlife Resources and other conservation-related agencies;

(7) The construction or maintenance of aids to navigation which are authorized by governmental authority;

(8) Emergency measures decreed by any duly appointed health officer of a governmental subdivision acting to protect the public health;

(9) The normal maintenance and repair of, or addition to, presently existing roads, highways, railroads beds, or facilities

abutting on or crossing wetlands, provided that no waterway is altered and no additional wetlands are covered;

(10) Governmental activity in wetlands owned or leased by the commonwealth or a political subdivision thereof;

(11) The normal maintenance of man-made drainage ditches, provided that no additional wetlands are covered. This subdivision does not authorize the construction of any drainage ditch; and

(12) The construction of living shoreline projects authorized pursuant to a general permit developed under subsection B of section 28.2-104.1 of the Code of Virginia.

(Ord. No. 37,012, § 1, 9-29-92; Ord. No. 48,285, § 1, 1-26-21; Ord. No. 49,462, § 2, 1-9-24)

Sec. 49-4. Wetlands board—Creation, appointment and terms.

There is hereby created the Norfolk Wetlands Board, which shall consist of seven (7) residents of the city, who shall be appointed by the council. Their terms of office shall be for five (5) years, except that original appointments shall be made for such terms that the term of one (1) member shall expire each year. The chairman of the board shall notify the council at least thirty (30) days in advance of the expiration of any term of office and shall also notify the council if any vacancy occurs. Appointments to fill vacancies shall be for the unexpired portion of the term. Members may serve successive terms. Members of the board shall hold no other public office in the city except that they may be members of the planning commission, directors of soil and water conservation boards, or local erosion commissions or the board of zoning appeals. A member whose term expires shall continue to serve until his successor is appointed and qualified. When such members are appointed their terms of appointment shall be coterminous with their membership on the planning commission, soil and water conservation boards, erosion commission or the board of zoning appeals.

The city council shall also appoint one (1), but no more than three (3) residents of the city as alternate board members. The qualifications and terms of alternate members shall be the same as those of members. Any member that knows he is unable to attend a board meeting shall notify the chairman at least twenty-four (24) hours in advance of such meeting. The chairman shall select an alternate member to serve in place of the absent member at the board meeting, which shall be noted in the records of the board.

(Ord. No. 37,012, § 1, 9-29-92; Ord. No. 41,641, § 1, 11-16-04)

Sec. 49-5. Same—Officers, meetings, rules, records and reports.

The board shall elect annually from its regular membership a chairman and such other officers as it deems necessary who shall serve one-year terms as such and may succeed themselves. For the conduct of any hearing and the taking of any action, a quorum shall be not less than four (4) members of the board. The board may make, alter and rescind rules and forms for its procedures, consistent with ordinances of the city and general laws of the commonwealth. The board shall keep a full public record of its proceedings and shall submit a report of its activities to the council at least once a year, and a copy of its report to the commission. Upon a hearing with at least fifteen (15) days' notice thereof, any board member may be removed for malfeasance, misfeasance or nonfeasance, in office, or for other just case, by the council of the city.

(Ord. No. 37,012, § 1, 9-29-92; Ord. No. 41,641, § 2, 11-16-04)

Sec. 49-5.1. Policy.

In fulfilling its responsibilities under this ordinance, the board shall preserve and prevent the despoliation and destruction of wetlands within its jurisdiction while accommodating necessary economic development in a manner consistent with wetlands preservation and any standards set by the commonwealth in addition to those identified in section 28.2-1308 of the Code of Virginia to ensure protection of shorelines and sensitive coastal habitats from sea level rise and coastal hazards, including the provisions of

guidelines and minimum standards promulgated by the commission pursuant to section 28.2-1301 of the Code of Virginia.
(Ord. No. 37,012, § 1, 9-29-92)

Sec. 49-6. Application for permit.

(a) Any person who desires to use or develop any wetland within this city, other than for the purpose of conducting the activities specified in section 49-3 above, shall first file an application for a permit directly with the wetlands board or with the commission.

(b) The permit application shall include the following: the name and address of the applicant; a detailed description of the proposed activities; a map, drawn to an appropriate and uniform scale, showing the area of wetlands directly affected, the location of the proposed work thereon, the area of existing and proposed fill and excavation, the location, width, depth and length of any proposed channel and disposal area, and the location of all existing and proposed structures, sewage collection and treatment facilities, utility installations, roadways, and other related appurtenances or facilities, including those on adjacent uplands; a statement indicating whether use of a living shoreline as defined in section 28.2-104.1 of the Code of Virginia for a shoreline management practice is not suitable, including reasons for the determination; a description of the type of equipment to be used and the means of equipment access to the activity site; the names and addresses of owners of record of adjacent land and known claimants of water rights in or adjacent to the wetland of whom the applicant has notice; an estimate of cost; the primary purpose of the project; any secondary purposes of the project, including further projects; the public benefit to be derived from the proposed project; a complete description of measures to be taken during and after the alteration to reduce detrimental offsite effects; the completion date of the proposed work, project, or structure; and such additional materials and documentation as the wetlands board may require.

(c) A nonrefundable wetlands permit fee, established by the city council, shall accompany each application for the use or development of any wetlands within the city in order to defray the costs of processing the application and advertising the matter for a public hearing.
(Ord. No. 37,012, § 1, 9-29-92; Ord. No. 37,232, § 1, 5-18-93; Ord. No. 47,373, § 1, 9-11-18; Ord. No. 48,285, § 3, 1-26-21; Ord. No. 49,462, § 3, 1-9-24)

Sec. 49-7. Public inspection of applications, maps, etc.

All applications, maps, and documents submitted shall be open for public inspection at the office of the bureau of environmental services in the department of city planning and specified in the public notice for public hearing required under section 49-8 of this article.
(Ord. No. 37,012, § 1, 9-29-92; Ord. No. 49,462, § 4, 1-9-24)

Sec. 49-8. Public hearing procedures.

Not later than sixty (60) days after receipt of a complete application, the wetlands board shall hold a public hearing on the application. The applicant, city council, commissioner, owner of record of any land adjacent to the wetlands in question, known claimants of water rights in or adjacent to the wetlands in question, the Virginia Institute of Marine Science, the Department of Wildlife Resources, the State Water Control Board, the department of transportation, and any governmental agency expressing an interest in the application shall be notified of the hearing. The commission or board shall mail or email these notices not less than twenty (20) days prior to the date set for the hearing.

The board shall also:

(i) cause notice of the hearing to be published at least once in the seven (7) days prior to such hearing in a newspaper of general circulation in this city;

(ii) post a notice of the hearing on its website at least fourteen (14) days prior to such hearing; and

(iii) provide a copy of such notice to the commission for submittal to the Virginia Regulatory Town Hall.

The published notice shall specify the place or places within this city where copies of the application may be examined. The costs of publication shall be paid by the applicant. In the event that the board submits a correct and timely notice for publication and the newspaper fails to publish the notice or publishes the notice incorrectly, the board shall be deemed to have met the notice requirements of this subsection so long as the notice is published in the next available edition of such newspaper.
(Ord. No. 37,012, § 1, 9-29-92; Ord. No. 37,233, § 1, 5-18-93; Ord. No. 49,462, § 5, 1-9-24)

Sec. 49-9. Action of the board.

(a) Approval of a permit application shall require the affirmative vote of three (3) members of a five-member board or four (4) members of a seven-member board.

(b) The chairman of the board, or in his absence the acting chairman, may administer oaths and compel the attendance of witnesses. Any person may testify at the public hearing. Each witness at the hearing may submit a concise written statement of his testimony. The board shall make a record of the proceeding, which shall include the application, any written statements of witnesses, a summary of statements of all witnesses, the findings and decision of the board, and the rationale for the decision.

(c) The board shall make its determination within thirty (30) days of the hearing. If the board fails to act within that time, the application shall be deemed approved. Within forty-eight (48) hours of its determination, the board shall notify the applicant and the commissioner of its determination. If the board fails to make a determination within the 30-day period, it shall promptly notify the applicant and the commission that the application is deemed approved. For purposes of this section, "act" means taking a vote on the application. If the application receives less than four (4) affirmative votes from a seven-member board or less than three (3) affirmative votes from a five-member board, the permit shall be denied.

(d) If the board's decision is reviewed or appealed, the board shall transmit the record of its hearing to the commissioner. Upon a final determination by the commission, the record shall be returned to the board. The record shall be open for public inspection at the same office as was designated under section 49-7 of this article.
(Ord. No. 37,012, § 1, 9-29-92; Ord. No. 49,462, § 6, 1-9-24)

Sec. 49-10. Bonding requirements.

The board may require a reasonable bond or letter of credit in an amount and with surety and conditions satisfactory to it, securing to the commonwealth compliance with the conditions and limitations set forth in the permit. The board may, after a hearing held pursuant to this article, suspend or revoke a permit if the applicant has failed to comply with any of the conditions or limitations set forth in the permit or has exceeded the scope of the work described in the application. The board may, after a hearing, suspend a permit if the applicant fails to comply with the terms and conditions set forth in the application.
(Ord. No. 37,012, § 1, 9-29-92; Ord. No. 49,462, § 7, 1-9-24)

Sec. 49-11. Review procedure.

(a) In deciding whether to grant, grant in modified form, or deny a permit, the board shall consider the following:

(1) The testimony of any person in support of or in opposition to the permit application;

(2) The impact of the proposed development on the public health, safety, and welfare; and

(3) The proposed development's conformance with standards prescribed in section 28.2-1308 of the Code of Virginia and guidelines promulgated pursuant to section 28.2-1301 of the Code of Virginia.

(b) The board shall grant the permit if all of the following criteria are met:

(1) The anticipated public and private benefit of the proposed activity exceeds its anticipated public and private detriment.

(2) The proposed development conforms with the standards prescribed in section 28.2-1308 of the Code of Virginia and guidelines promulgated pursuant to section 28.2-1301 of the Code of Virginia.

(3) The proposed activity does not violate the purposes and intent of this article or chapter 13 (§ 28.2-1300 et seq.) of title 28.2 of the Code of Virginia.

(c) If the board finds that any of the criteria listed in subsection (b) of this section are not met, the board shall deny the permit application but allow the applicant to resubmit the application in modified form.
(Ord. No. 37,012, § 1, 9-29-92; Ord. No. 49,462, § 8, 1-9-24)

Sec. 49-12. Permit; form.

The permit shall be in writing and signed by the chairman of the board or his authorized representative. A copy of the permit shall be transmitted to the commissioner.
(Ord. No. 37,012, § 1, 9-29-92; Ord. No. 37,780, § 1, 10-11-94; Ord. No. 49,462, § 9, 1-9-24)

Sec. 49-13. Expiration date and extensions.

No permit shall be granted without an expiration date established by the board. Upon proper application, the board may extend the permit expiration date.
(Ord. No. 37,012, § 1, 9-29-92; Ord. No. 49,462, § 10, 1-9-24)

Sec. 49-14. Permits; effect on zoning.

No permit granted by the board shall affect in any way the applicable zoning and land use ordinances of the city, or the right of any person to seek compensation for any injury in fact incurred by him because of the proposed activity.
(Ord. No. 37,012, § 1, 9-29-92)

Sec. 49-15. Investigations and prosecutions.

The wetlands board shall have the authority to investigate all projects whether proposed or ongoing which alter wetlands located within the city. The wetlands board shall have the power to prosecute all violations of any order, rule or regulation of the board, or any violation of any provision of chapter 13 of title 28.2 of the Code of Virginia or of this article.
(Ord. No. 37,012, § 1, 9-29-92)

Sec. 49-16. Violation of orders, rules and regulations.

Any person who knowingly, intentionally, negligently or continually violates any order, rule or regulation of the commission or of the wetlands board or violates any provision of chapter 13 of title 28.2 of the Code of Virginia or of the provisions contained in this article, or any provision of a permit granted by the wetlands board or the commission pursuant to chapter 13 of title 28.2 of the Code of Virginia or this article shall be guilty of a class 1 misdemeanor. Following a conviction, every day the violation continues shall be deemed a separate offense.
(Ord. No. 37,012, § 1, 9-29-92)

Sec. 49-17. Injunctions.

In addition to and notwithstanding the provisions of chapter 13 of title 28.2 of the Code of Virginia and the provisions of section 49-16, upon petition of the wetlands board to the circuit court of the city, the court may enjoin such unlawful act and may order the person so acting unlawfully to take such steps as are necessary to restore, protect and preserve the wetlands involved.
(Ord. No. 37,012, § 1, 9-29-92)

ARTICLE III. RESERVED*

Secs. 49-18—49-33. Reserved.

*__Editor's note—__Ord. No. 46,447, § 4, adopted June 28, 2016, eff. July 1, 2016, repealed Art. III, §§ 49-18—49-33, which pertained to coastal primary sand dunes and derived from Ord. No. 37,013, § 1, adopted Sept. 29, 1992; Ord. No. 37,234, § 1, adopted May 18, 1993; Ord. No. 37,235, § 1, adopted May 18, 1993; Ord. No. 37,779, § 1, adopted Oct. 11, 1994.

ARTICLE IV. EROSION ADVISORY COMMISSION*

Sec. 49-34. Creation, composition, and compensation of members.

Pursuant to the provisions of section 10.1-711 of the Code of Virginia, 1950, as amended, there is hereby created a commission to be known as the erosion advisory commission, which shall consist of the following seven (7) members, who shall serve as such without compensation:

(1) The three (3) civic league representatives who are the current members of the coastal management and review board established pursuant to Article V, below.

(2) The two (2) city council representatives who are the current members of the coastal management and review board established pursuant to Article V, below.

(3) The city's chief resiliency officer or, if no such officer exists, the city manager or his designee.

(4) The director of the department of public works or his authorized designee.

(Ord. No. 46,447, § 1, 6-28-16, eff. 7-1-16)

Sec. 49-35. Reserved.

Sec. 49-36. Duties.

The erosion advisory commission shall have the duties that are set forth in section 10.1-711 of the Code of Virginia, 1950, as amended, and shall act in an advisory capacity to the director of the department of city planning and codes administration on the following:

(1) Determination of erosion problems on city beaches.

(2) Determination of erosion control strategies.

(3) Assessment of erosion control program implementation.

(4) Participation in grant application procedures as may be required by the Virginia Board on Conservation and Development of Public Beaches.

(Ord. No. 46,447, § 1, 6-28-16, eff. 7-1-16)

Sec. 49-37. Chairperson; meetings, quorum.

The erosion advisory commission shall elect a chairperson from its membership who shall serve one year terms as such and may succeed himself or herself. Four (4) members of the commission shall constitute a quorum for the transaction of business.

(Ord. No. 46,447, § 1, 6-28-16, eff. 7-1-16)

ARTICLE V. COASTAL MANAGEMENT AND REVIEW BOARD

Sec. 49-38. Creation and composition.

The coastal management and review board (CMRB) is created to monitor changes in the beach and dune environment and to assess the progress of management projects that may be undertaken pursuant to any adopted sand management plan designed to comprehensively address the beaches and dunes along the Chesapeake Bay shore in order to evaluate and report on the efficacy of such projects. The board shall consist of the following twelve (12) members who shall serve without compensation:

(1) Two (2) members of the city council designated by the council from among the following persons:

(a) The councilperson representing Ward 1,

(b) The councilperson representing Ward 5,

(c) The councilperson representing Superward 6, and

(d) The mayor.

(2) The president of the East Ocean View Civic League or his designee.

(3) The president of the Cottage Line Civic League or his designee.

*__Editor's note—__Ord. No. 46,447, § 1, adopted June 28, 2016, eff. July 1, 2016, amended Art. IV in its entirety to read as herein set out. Former Art. IV, §§ 49-34—49-37, pertained to similar subject matter, and derived from Ord. No. 36,882, § 2, adopted June 23, 1992.

(4) The president of the Willoughby Civic League of his designee.

(5) A member of the staff of the department of public works, as designated by the director.

(6) A member of the staff of the department of city planning, as designated by the director.

(7) A member of the staff of the office of the city manager, as designated by the manager.

(8) A representative from Department of the Ocean, Earth & Atmospheric Sciences of Old Dominion University, as designated by the department chair.

(9) A staff member of the Virginia Marine Resources Commission, Habitat Management Division, designated by the Chief of Habitat Management.

(10) A staff member of the Army Corp of Engineers, Norfolk District, designated by the District Engineer.

(11) A staff member of the Virginia Institute of Marine Science, designated by the director.

(Ord. No. 46,447, § 3, 6-28-16, eff. 7-1-16)

Sec. 49-39. Designations shall be biennial; vacancies.

The designation for each member of the CMRB shall be effective for two (2) years. Any vacancy in a seat shall be filled, by selection of the designor wherever a designation is required, for the remainder of the unexpired term
(Ord. No. 46,447, § 3, 6-28-16, eff. 7-1-16)

Sec. 49-40. Meetings.

Meetings shall be held at least twice each year. Additional meetings may be held for the purpose of reviewing any information or project where review at the next regular meeting would result in a delay which would likely cause a significant increase in cost or would continue exposing persons or property to an existing threat of injury or damage for an extended period of time.
(Ord. No. 46,447, § 3, 6-28-16, eff. 7-1-16)

Sec. 49-41. Duties and responsibilities.

The CMRB has the following duties and responsibilities:

(1) Initiate and recommend amendments to any adopted sand management plan. No changes to such a plan should be made without a review and recommendation from the CMRB prior to consideration by the city planning commission or the city council.

(2) Receive and review annual reports which provide the following information:

(a) Topographical or LIDAR surveys showing any changes to the beach and dune environment, including erosion and accretion.

(b) Dune planting success and mortality and progress of invasive vegetation eradication efforts.

(c) Beach nourishment projects.

(d) Dune blowout repairs and other alteration activity in a dune.

(e) Sand fence locations and effects.

(f) Breakwater modification and performance measures.

(g) Effects of seasonal storms impacts.

(h) Alterations to, construction of, and removal of any beach access.

(i) Alterations to the profile of the crest or front face of a dune.

(j) Other projects or activities that impact the health or use of the dune environment.

(3) Make recommendations to the city manager regarding policies and procedures for:

(a) Adopt-a-Dune program to promote education and responsible stewardship of the shoreline environment.

(b) Instructional or written materials to assist citizens with appropriate dune vegetation plantings.

(c) Instructional events or written materials to assist citizens with maintenance of noncommercial beach access walkways.

(d) Conducting training for citizens to assist city field operations for eradicating invasive vegetation by identifying and locating problem areas.

(e) Guidelines for appropriate methods of performing other activities that are exempt from regulation under the provisions of Title 28.2, Chapter 14 of the Code of Virginia related to Coastal Primary Sand Dunes and Beaches.

(4) Review and recommend approval or denial of nonemergency construction of beach accesses.

(Ord. No. 46,447, § 3, 6-28-16, eff. 7-1-16)

Chapter 50

ZOOLOGICAL PARK*

§ 50-1. Virginia Zoological Park at Norfolk—Designated.
§ 50-2. Same—Disposal, exchange, acquisition, etc., of animals; acceptance of gifts.
§ 50-3. Same—Consumption of alcoholic beverages.

*__Cross references—__Virginia Zoological Park, responsibilities, §§ 2-260, 2-261; civic facilities, Ch. 13; facilities and enterprise management, Ch. 15.2.

Sec. 50-1. Virginia Zoological Park at Norfolk—Designated.

The zoo situated in Lafayette Park shall be known and designated as Virginia Zoological Park at Norfolk.
(Ord. No. 39,590, § 10, 5-18-99)

Sec. 50-2. Same—Disposal, exchange, acquisition, etc., of animals; acceptance of gifts.

(a) The city manager or his designee, based upon the recommendation of the director of the zoo, may, at his discretion, dispose of any animal in the zoo, exchange any animal in the zoo or acquire any animal for the zoo, in such manner as he deems to be in the best interest of the city.

(b) The city manager or his designee, upon the recommendation of the director of the zoo, to accept as a gift any animal, money or thing of value which, in his judgement, will be an enhancement for the zoo.
(Ord. No. 39,590, § 10, 5-18-99; Ord. No. 49,515, § 2, 3-12-24; Ord. No. 49,610, § 5, 5-28-24)

Sec. 50-3. Same—Consumption of alcoholic beverages.

(a) The city manager or his designee is hereby authorized to allow alcoholic beverages to be consumed on the premises of the Virginia Zoological Park at Norfolk designated by him, under the conditions listed in the following subsections.

(b) Any organization using premises designated by the city manager or his designee shall be required to secure all proper state alcoholic beverage control board licenses and permits for the particular event held.

(c) The organization serving alcoholic beverages at the premises designated by the city manager or his designee shall comply in all respects with current regulations of the state alcoholic beverage control board.

(d) The city manager or his designee shall designate the time and place where alcoholic beverages may be served.

(e) The city manager or his designee is hereby authorized to make such other rules and regulations as may be necessary to govern the use of the premises where alcoholic beverages may be served.
(Ord. No. 39,590, § 10, 5-18-99; Ord. No. 49,515, § 2, 3-12-24)

CODE COMPARATIVE TABLE

1958 CODE

This table gives the location within this Code of those sections of the 1958 Code as supplemented through 8-15-78, which are included herein. Sections of the 1958 Code not listed herein have been omitted as repealed, superseded, obsolete or not of a general and permanent nature. For the location of ordinances adopted subsequent thereto see the table immediately following this table.

CODE COMPARATIVE TABLE
ORDINANCES

This table gives the location within this Code of those ordinances adopted since the 1958 Code, which are included herein. (In Chapter 24, some ordinances have been added adopted prior thereto which were not included in the 1958 Code.) Ordinances adopted prior to such date were incorporated into the 1958 Code, a table of which immediately precedes this table. Ordinances not listed herein have been omitted as repealed, superseded or not of a general and permanent nature.
